Against this dark backdrop, a few brave people began to fight back, paving the way for the revolutionary changes of the 1960s and beyond. Amazon.com: The Gay Revolution: The Story of the Struggle ... The Gay Revolution not only offers an update, moving the story forward to cover gay marriage, but also goes back in time to capture the years before the 1969 riots at the Stonewall Inn and, I hope, to bury forever the myth that the gay rights movement began at that bar in Greenwich Village. Gay Revolution: The Story of the Struggle | Journal of ... The Gay Revolution is a prodigiously researched account of the gay and lesbian movement from the emergence of homophile activism to the recent victories in the areas of military policy and marriage equality. Faderman begins the book with a striking contrast between the 1948 arrest on sodomy charges of E. K. Johnston, a much-loved journalism professor at the University of Missouri, and the ceremony in 2012 elevating Tammy Smith to the rank of brigadier general with her wife by her side.

The Gay Revolution begins in the 1950s, when gays and lesbians were criminals, psychiatrists saw them as mentally ill, churches saw them as sinners, and society victimized them with hatred. Against this dark backdrop, a few brave people began to fight back, paving the way for the revolutionary changes of the 1960s and beyond.
