Shed a spiritual light on some of the biggest

problems facing people today: the need to put the role of money in a proper perspective and to solve financial problems. Elmer Towns states at the outset that this is not the primary purpose of fasting and prayer. Instead, it is all about knowing God. It is not about withdrawing prayer on an as-needed basis from some spiritual ATM kiosk. It is about meditation, studying the Scriptures, and communing with God. When we fast and pray in faith, asking for God's help and provision, He begins to teach us how to become good stewards of what He has provided. Chapter topics include "Fasting to Learn Stewardship," "Why We Have Money Problems," and "A

Faith Approach to Fasting for Money." Once we understand why we struggle with money problems, we can do something about it with this practical step-by-step guide.

Poverty part one**

One day, I was in my
room, and I was
thinking, and I was like,
God if only you would
drop an idea in me that
will make me
financially buoyant for
a lifetime. Unluckily for
me, I just got sacked
after only three months
of getting a new job. I
was PERPLEXED and
frustrated until the day
I prayed in my heart,
and the Holy Spirit
said, Hey Sammy, pick
up your pen. I was like,
"Pick up my pen?" You
wouldn't believe it; but
that pen I picked up
that day, made me
financially established
up until now... Until
you believe in God and
have complete faith in

Him, you might struggle to stand out in life. I made the MONEY I never made in several years in one year all because of some powerful prayers I prayed...This led me to ask God, "Won't You even wait for me to call before You answer?" His reply was, "No. There is a company of people who, before they call, I answer, and while they are yet speaking, I am on the line to perform." You can provoke HEAVENLY response without utterance. You can secure divine financial interventions without crying your eyes out. The violent prayers in this book do not cancel or take the place of speaking and making UTTERANCES in prayer; it is only an extra depth in communicating with

God. It is knowing how to position yourself in the realm of answers without tears. A realm where God contends with all that fight with you, without you having to ask Him. It is a realm where God silences all the PARASITES eating up your financial blessings. It is a realm where you can reach heaven and receive from heaven - a realm where you compel things to happen on their own accord. So, winning the financial war is not only a function of INTERCESSIONS, supplications, and prayers of agreement; other direct avenues to God, bring you victory without a sweat. I call it operating God's private lines - the violent prayer frequency. If you want

to be a SUCCESSFUL thinker, there is a need to separate yourself from the noise and row of activities and create quietness around you. It's time to work on your IMAGINATION so that you can be free from all frustrations. Your vision is a pace-setter for your destiny; it determines how far you go in life. That means you must put a leash on your mind, so it doesn't lead you to destruction. Let me be honest with you; financial breakthrough will never be possible if you don't conceive financial BUOYANCY in your mind. Whatever your DESIRE from God, act it, and God will respond. If He responded to Ahab (that wicked king), how much more will He respond to you, the son of His love? If you

believe that when you pray according to His will, God hears you and that if He hears, you have received your PETITION, then act it. Stop looking sorrowful and mournful, because no good thing will He withhold from you. After praying these prayers, don't tell me you are jobless and then stay at home all day, SLEEPING. You should get up every morning, dress up faster than those who have jobs and be on your way out. If anybody asks where you are going, say, "I'm going to work." You have PRAYED to God for a job, and He has heard you, but the job won't come to you on your bed, you have to go for it. Don't tell me you are broke after you have prayed to be financially stable.

When you pray these prayers, believe it will come to pass.. If you desire to be strong, and you say you are strong, then look strong. Act wealthy, and you will be prosperous. When you allow God's Word to determine your actions, you can't miss divine intervention. Don't only confess your desires; act it! Let it show in everything you do. All the Violent prayers in this book will grant direct access to God. However, they call for self-discipline, and COMMITMENT, to operate in them. You will never have to sweat again to get answers to command financial breakthroughs and issues troubling your life, in Jesus' name.
