The American Bar  
Association Section of  
Taxation is pleased to  
announce the release  
of *Careers in Tax Law*:

Perspectives on the  
Tax Profession and  
What It Holds for You.

Designed for those  
considering or  
beginning a career in  
tax law, this  
informative guide  
presents a series of  
offerings --  
autobiographies in  
miniature--by a broad  
cross section of  
working tax

professionals. Each contribution stands as a unique story of paths taken, choices made, and lessons learned. Each adds to a composite portrait of the profession and its possibilities for the next generation of tax lawyers. In essays divided thematically, over 75 tax professionals share their unique perspectives, knowledge, and experiences. Nowhere else will you find such an honest and entertaining portrayal of the tax profession and what it holds for you.

### **The Cry of the Soul**

Jossey-Bass  
Emphasizing the historical distance between the New Testament and our contemporary culture, *The Sermon on the*

*Mount* offers helpful contextual insights for those seeking to discern how to live out the Bible in today's world. This sermon is the moral portrait of Jesus' own people—yet the contrast between his vision and our lives is so stark that many theologians have tried to soften the demands it makes on us until it's been skewed beyond recognition in the minds of many Christians. The goal of this special volume of *The Story of God Bible Commentary* series is to investigate the *Sermon on the Mount* in light of the way Jesus meant it to be heard, requiring us to ask difficult questions about ethics, discipleship, and salvation. The first commentary series to do so, SGBC offers a

clear and compelling exposition of biblical texts, guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts. Its story-centric approach is ideal for pastors, students, Sunday school teachers, and laypeople alike. Each volume employs three main, easy-to-use sections designed to help readers live out God's story: **LISTEN to the Story:** Includes complete NIV text with references to other texts at work in each passage, encouraging the reader to hear it within the Bible's grand story. **EXPLAIN the Story:** Explores and illuminates each text as embedded in its canonical and historical setting. **LIVE the Story:** Reflects on how each text can be lived today

and includes contemporary stories and illustrations to aid preachers, teachers, and students. Edited by Scot McKnight and Tremper Longman III, and written by a number of top-notch theologians, *The Story of God Bible Commentary* series will bring relevant, balanced, and clear-minded theological insight to any biblical education or ministry. [The Chain of Mont Blanc](#) American Bar Association Summit helps the high-intermediate learner continue to grow through a balanced development of both fluency and accuracy. Summit offers a unique conversational syllabus and extensive opportunities for discussion, debate, presentations, and

projects as well as contextualized grammar review, expansion, and practice. Summit prepares students for academic study through development of word skills, reading and listening skills and strategies, and critical thinking. MyEnglishLab for Summit is a powerful online learning tool for personalized practice and assessment.

### **Critical and Historical Essays**

Pearson Education ESL Top Notch, a dynamic 6-level course for international communication, sets a new standard, using the natural language that people really speak. With a rock-solid learner-centered approach, Top Notch provides students an opportunity to confirm

their own progress at the end of every easy-to-teach two-page lesson. Features of Top Notch Fundamentals Essential model conversations that make key social language unforgettable and easy to personalize Intensive vocabulary development with active recycling Complete grammar support--extended by a bound-in Vocabulary Booster "Top Notch Interactions"--unique step-by-step discussion builders that guarantee success for all learners Thorough attention to pronunciation A wide array of learning strategies and activities that promote critical thinking Authentic and refreshing content that connects students to the real world

Summit 1 Pearson Education ESL The Summit Teacher's Edition and Lesson Planner provides estimated teaching times, corpus notes, and methodology for teaching effectively plus a Teacher's Resource disk with printable extension activities. A two-level high-intermediate/advanced course, Summit is the perfect next step for learners who have completed a beginning to intermediate level course. Summit develops competence and confidence in all four skills.

*A Guide to the Western Alps* NavPress

A two-level high-intermediate/advanced course, "Summit," by Joan Saslow and Allen Ascher, is the perfect next step for learners

who have completed a beginning to intermediate-level course. "Summit" develops competence and confidence in all four skills. "Summit"'s simple instructional design has two essential, motivating features: Concise two-page multiple skills lessons are each designed for one class session.

Communication activities at the end of each lesson enable students to set their own progress. Other important features: Ten essential model conversations apply a wide array of conversation strategies for confident communication.

Unique step-by-step "Discussion Builders" guarantee successful, thoughtful free discourse. An intensive

vocabulary syllabus builds key word skills. Comprehensive writing sections feature rhetorical skills, prewriting, and error correction. Bound-in Grammar and Pronunciation Boosters provide additional reference and practice.

**Longman's School Geography** PEARSON EDUCATION KOREA

With its fresh new look, the third edition of the Summit program helps develop confident English speakers who are able to navigate a host of social and professional situations. This two-level course provides high-intermediate learners with an integrated set of global communication skills. It delivers immediate, demonstrable results through its goal- and achievement-based

pedagogy and continual recycling of language. The two levels of Summit can be used with Top Notch as the fifth and sixth books in a complete six-level series.

Summit 1 covers competencies from B2 to B2+ and Summit 2 introduces C1 competencies in the Common European Framework of Reference. The entire Summit course can be tailored to blended learning with its integrated online component, MyEnglishLab (access code provided in the Student Book). Highlights New Conversation Activator videos build communicative competence. New Discussion Activator videos increase range and depth of

expression. Test-taking Skills Booster and extra challenge exercises help students succeed on the reading and listening sections of standardized tests. Greatly increased grammar, reading, listening, and writing practice plus digital grammar exercises give students the additional practice opportunities they've requested. Memorable models build natural, social language and conversation strategies. 50+ listening tasks at each level develop critical thinking and crucial listening comprehension skills, such as listening for details, confirmation of content, inference, and understanding meaning. ActiveTeach includes a digital Student Book for

whiteboards with lesson plans, assessment tools and access to audio, video, and exercises to make learning more focused and interactive. Fluency-building planning activities such as idea framing help students express themselves with confidence. More ready-to-use teacher resources (including a broad range of print and digital components) than other courses make Summit easy to use for busy teachers.

**Longman's Economics** Pearson College Division  
Featuring the same superior teaching apparatus and thought-provoking selections as its widely-praised parent text, The Longman Reader, Brief Edition is a shorter and

more portable alternative to the best-selling, rhetorically-organized original, The Longman Reader (formerly titled The Macmillian Reader). Thirty-four outstanding selections represent a blend of favorite standards and fresh, new pieces on a variety of topics such as family life, education, technology, race, mass culture, and morality.

This book contains a collection of original research articles on lexicography written by prominent international scholars within the field. It aims at describing the state-of-the-art in lexicography at the beginning of the 21st century and at making proposals for future theoretical and practical work in the field. Theoretical lexicography currently has two competing theories: a contemplative theory focusing on the description of existing dictionaries on the basis of linguistic principles, and a

function-based, transformative theory focusing on the dictionary and the user in order to develop new principles for dictionary research and dictionary making.

Research in lexicography has now reached a crossroads and it is time to take stock of the present situation and try to identify the theories and principles that will set the agenda and point the direction for future lexicographic research and the production of printed and electronic dictionaries.

With its fresh new look,

the third edition of the Summit program helps develop confident English speakers who are able to navigate a host of social and professional situations. This two-level course provides high-intermediate learners with an integrated set of global communication skills. It delivers immediate, demonstrable results through its goal- and achievement-based pedagogy and continual recycling of language. The two levels of Summit can be used with Top Notch as the fifth and sixth books in a complete six-level series.

Summit 1 covers competencies from B2 to B2 #43

**Summit 1 with Super CD-ROM** Longman  
An upper-level introduction to the Old

Testament that offers students a thorough understanding of three key issues: historical background, literary analysis, and theological message. This second edition of *An Introduction to the Old Testament* integrates recent developments in Old Testament scholarship. It has many distinctive features that set it apart from other introductions to the Old Testament: It's committed to a theologically evangelical perspective. Emphasizes "special introduction"—the study of individual books. Interacts in an irenic spirit with the historical-critical method. Features points of research history and representative scholars

rather than an exhaustive treatment of past scholarship. Deals with the meaning of each book, not in isolation but in a canonical context. Probes the meaning of each book in the setting of its culture. Including callouts, charts, and graphs, An Introduction to the Old Testament is written with an eye to understanding the nature of Old Testament historiography. Perfect for seminary students, professors, and Bible teachers and ministry leaders, as well as anyone looking for an in-depth and balanced approach to Old Testament study.

The Dolomite Mountains Longman Publishing Group  
As a result of his visits to classrooms across

the nation, Brown has compiled an engaging, thought-provoking collection of classroom vignettes which show the ways in which national, state, and local school politics translate into changed classroom practices. "Captures the breadth, depth, and urgency of education reform".--Bill Clinton.

Schools of Thought  
Pearson Education ESL  
Covers demand analysis, consumers' expenditure, production functions and demand for money. It combines theory, applications and exercises. New topics include: maximum likelihood estimation; extensions of classical linear models; breakdowns in classical assumptions; lagged variables.
