The boys from King Jack and the Dragon are back in this swashbuckling pirate adventure with pictures by the New York Times bestselling illustrator of Ten Little Fingers and Ten Little Toes Jack, Zack, and Caspar are building a ship—on the beach, out of sand. When they set sail on their imaginary adventure, Jack spies an enemy pirate ship nearby. They chase after the pirates, but a storm wrecks their ship and sweeps them up on a desert island. The island isn't totally deserted, though—their pirate enemies are there too. Just as the boys discover the pirates' treasure (an array of delicious desserts), the pirates (their parents) capture them. But these pirates are friendly—they're willing to share the treasure, and they throw in some ice cream just for good measure! Perfect for storytime read-alouds, this picture book is just right for fans of Three Bears in a Boat, How I Became a Pirate, and We're Going on a Bear Hunt.

Aquina is a mermaid. She has always felt different from the other merpeople on Rulantica. Shortly after her twelfth birthday, she finds out something incredible: she has a twin brother. Mats, a human boy! And he is in great danger. For Aquina, there's no holding back: she has to find her real family before it's too late. Ever since he was found on the beach as a baby, Mats has been brought

up in a children's home. He has always been afraid of the sea and of water. What he doesn't know is that he'll soon be diving into the biggest adventure of his life! By coming together, Aquina and Mats are fulfilling a centuries-old prophecy by the Nordic gods – this could be a chance to save the island world of Rulantica, but it could also mean its total destruction ...

Mitmach-Heft Dinosaurier und Tiere der Urzeit

Did you know that the word "dinosaur" means "great lizard"? Have you ever heard of an animal that had to swallow thousands of pounds of plants every day to feed itself? And do you know the name of the largest known flying animal of all time? In the Age of Dinosaurs will

answer all of these questions and many more, presenting a range of interactive activities, stickers, and fun facts for children. Lovingly illustrated by Olivia Cosneau, this book introduces children to the world of dinosaurs and keeps them entertained for hours through fun activities, such as sticking on the missing bottom teeth of a Tyrannosaurus rex or coloring in the back plates of a Stegosaurus. In the process children learn about the different types of dinosaurs that existed, their diet, how they hunted, how they protected their young, and other interesting facts. A quiz at the end of the book tests their knowledge.
