Bolivar C.H.Beck

Bei dem Buch handelt es sich um eine Geschichte der Freimaurerei unter dem Gesichtspunkt ihres Einflusses auf Politik, Gesellschaft und Kultur. Diese Perspektive war

bisher eine Lücke der masonischen Forschung. Die Schwerpunkte der Darstellung liegen aber nicht nur auf dem politischen Aspekt, sondern vor allem auf den geistigen Strömungen der jeweiligen Zeit. In diesem Sinne versteht sich das Buch auch als eine Ideen- und Sozialgeschichte der Bruderkette. Sie

verdeutlicht den direkten oder indirekten Einfluss der diskreten Gesellschaft auf den historischen Entwicklungsprozess von der Frühen Neuzeit bis zur Gegenwart.
Naturaleza y Conflicto
Skyhorse Publishing Inc.
Simón Bolívar is the preeminent symbol of Latin America and the subject of seemingly

endless posthumous attention. Interpreted and reinterpreted in biographies, histories, political writings, speeches, and works of art and fiction, he has been a vehicle for public discourse for the past two centuries. Robert T. Conn follows the afterlives of Bolívar across the Americas, tracing his presence in a range of competing but interlocking national stories. How have historians, writers, statesmen, filmmakers, and institutions reworked

his life and writings to make cultural and political claims? How has his legacy been interpreted in the countries whose territories he liberated, as well as in those where his importance is symbolic, such as the United States? In answering these questions, Conn illuminates the history of nation building and hemispheric globalism in the Americas.

Simon Bolivar Scholastic Incorporated
Ein Kontinent startet durch Bis Ende des 20. Jahrhunderts gilt

Lateinamerika als Hort des Chaos, der Staatsstrieche, Krisen und Pleiten. Die Bilder von Putschen und Massakern, von Diktatoren, Elendsvierteln und Drogenbossen prägen die öffentliche Wahrnehmung. Doch fast unbemerkt vom Rest der Welt hat Lateinamerika eine rasante Entwicklung hingelegt und ist auf dem Weg, die "Tigerstaaten" von morgen hervorzubringen. Sebastian Schoepp nimmt den Leser mit durch die Straßenschluchten von

Panama-Stadt, die Koka-Felder Boliviens, die ehemaligen Kriegsgebiete Kolumbiens, die Bananenplantagen Costa Ricas, das Wahlkampfgetümmel Nicaraguas. Lateinamerika hat zuletzt Fortschritte gemacht wie nie zuvor in seiner Geschichte, die meisten Länder haben ihre Demokratien stabilisiert, ihre Diktatoren abgeurteilt, ihre Wirtschaft saniert. Dabei ist Lateinamerika einen ganz eigenen Weg gegangen: Es wählte

überwiegend links, als alle Welt rechts wählte, und es baut mühsam auf, was andere abbauen, nämlich Ansätze eines Sozialsystems, das die gravierenden Ungerechtigkeiten der vergangenen Jahrhunderte beseitigen helfen soll. Lateinamerika hat eine neue Riege selbstbewusster politischer Leitfiguren hervorgebracht, die auch international Verantwortung übernehmen und eine Neuordnung der Gewichte in der Welt fordern.

Einführung in die Literatur- und Kulturwissenschaft Lateinamerikas Böhlau

Wien

Simon Bolivar - South American Leader is the biography of Simon Bolivar, who was the most important leader during South America's successful struggle for independence from Spain, collectively known as Bolivar's War. Together with Jose de San Martin, Bolivar is regarded as one of the Liberators of Spanish South America. Simon Bolivar's political

legacy has of course been massive and he is a very important figure in South American political history. He was a great admirer of the American Revolution and a great critic of the French Revolution. Bolivar described himself in his many letters as a "liberal" and defender of the free market economic system. Simon Bolivar - South American Leader is highly recommended for those interested in reading more about this important liberator of South America."

Simón Bolívar Rowman

& Littlefield
In Lateinamerika ist Simón Bolívar politisches Idol und Symbolfigur. Bis heute leben die Legenden über ihn weiter, ist er Thema staatstragender Reden, Stoff für Kunst und Literatur. Michael Zeuske untersucht die reale Person Simón Bolívars sowie die Dimensionen seines Kultes und Mythos. Er korrigiert die Geschichtsschreibung zum »Befreier Südamerikas« am Beispiel Alexander von Humboldts und beweist eindrucksvoll, dass das

legendenumwobene Treffen zwischen dem Libertador und dem deutschen Naturforscher niemals stattgefunden haben konnte. »
ERSTENS: AMERIKA IST UNREGIERBAR FÜR UNS; ZWEITENS: DER, DER DER REVOLUTION DIENT, PFLÜGT IM MEER.« SIMÓN BOLÍVAR
Revolutionen in Lateinamerika Hassell Street Press
Numbers speak for themselves. During his life as politician and warrior, General Simon Bolívar went over a distance that

surpassed in 123,000 kilometers; the land journeyed by Christopher Columbus and Vasco de Gamma together. And while General Bolívar covered the non-uniform stretch, he spread the ideas of the freedom, on a length equivalent to one and a half of the Earth's diameter, that is the same to say, ten times more than the land journeyed by Hannibal Barca and the triple of the space walked by Alexander the Great. In spite of the tenacious resistance of Royalist troops, during the

successful military campaigns of El Bajo Magdalena and Admirable, in less than six months, dated between the endings of 1812 and the beginnings of 1813, Simon Bolívar crossed triumphantly over, all the ramifications of La Cordillera de los Andes in Colombia and Venezuela. Neither before, nor later, none known military man in the history of the humanity, achieved so many success in a so ample space, during a so brief lapse. Like statesman Simon Bolívar headed

four constituent congresses over and built the legal, political, economic and social bases of six republics. Like a soldier, he participated in fourteen military campaigns, he directed more than four hundred battles, and with sweeping leadership, he commanded more than one million of soldiers from diverse nationalities. Similar facts happened during the Liberating Campaign of La Nueva Granada in 1819, initiated with uncertainty in los Llanos de Setenta in

Venezuela, and it successfully culminated four months later at the South of Tunja City, in the bridge on Teatinos River. In spite of the calculated obstacles laid by General Santander in Santa Fe, the foolish regional leaders' ambitions in Venezuela, and the intrigues wrapped in Peru, in less than a year, General Simon Bolívar freed to Peru and founded to Bolivia. During the same period, he summoned a Pan-American Congress, and until he glided to go to

fight against Spain's loyal Royalists in Mexico, Puerto Rico, Cuba and Spain. In this order of ideas, The Delirium of the Liberator, examines the biographical chronology of the well-called Genius of America, neither from the moved away surroundings of the myth, nor from erratic passion of bad politicians, but from the clear reality of an exceptional human being, full of vitality and positive mind, solved to make specific a transcendental intention, without concerning the difficulties

and circumstances of way, time and place. Without doubt this is his greater legacy.

Bolívar The Liberator

Rotbuch Verlag

Studienarbeit aus dem Jahr 2011 im Fachbereich Politik - Region: Mittel- und Südamerika, Universität Bielefeld, Sprache: Deutsch, Abstract: Venezuelas Geschichte hat bereits viele Staatsmänner vorzuweisen – beginnend mit dem Staatsgründer Simón Bolívar über Autokraten wie Juan Vicente Gómez und

Pseudodemokratien wie unter Carlos Andrés Pérez bis hin zu Hugo Chávez, der mit basisdemokratischen und sozialistischen Elementen versucht einen grundsätzlichen Wandel im Lande anzustoßen. Der „Sozialismus des 21. Jahrhundert“ versucht nun erstmalig alle Teile der Bevölkerung an Politik und Wohlstand zu beteiligen und darüber hinaus jahrhunderterlange Distributionsmissstände zu kompensieren. Chávez sieht seinen politischen Weg in der Tradition des

Simón Bolívar, der heutzutage omnipräsent in der Alltagskultur der Menschen ist. Daher werde ich in der folgenden Arbeit auf der einen Seite das Leben und vor allem auch das politische Wirken Bolívars beleuchten, um anschließend die Lebensgeschichte Chávez und natürlich auch dessen politische Agenda im Zuge der Transformationsprozesse untersuchen. Anschließend sollen die Thesen beider Staatsmänner gegenüber

gestellt werden und die Schnittmenge die Unterschiede hervorgehoben werden und anhand der historischen Theorie der Invented Traditions von Eric Hobsbawm und Terence Ranger soll abschließend festgestellt werden warum Chávez die politische und ideologische Verbindung zu Bolívar sucht. *Bolivar* Legare Street Press
This gripping biography of Simon Bolivar, the visionary leader who led the struggle for

independence throughout much of Latin America in the early 19th century, offers a vivid portrait of the man and his times. Drawing on a wide range of primary and secondary sources, Vaucaire provides a detailed account of Bolivar's military campaigns, his political struggles, and his personal life, painting a picture of a complex and endlessly fascinating figure who remains one of the most important and influential leaders in the history of Latin America. Follows the life of Simão Bolívar from his wealthy childhood in Venezuela to his rise to power as the revolutionary leader of Spanish-held Latin America.

Simón Bolívar (El

Libertador) Patriot, Warrior, Statesman, Father of Five Nations
New York : Knopf
Lateinamerika erkämpfte sich vor rund 200 Jahren seine Unabhängigkeit von den europäischen Kolonialmächten Spanien, Portugal und Frankreich. Von der Sklavenrevolution in Haiti über die langwierigen Unabhängigkeitskriege im spanischen Amerika bis hin zur unblutigen Emanzipation Brasiliens erzählt der Band die Geschichte Lateinamerikas an einem

zentralen Wendepunkt in seiner atlantischen Verflechtung. Chronologisch aufgebaut beschreibt es politische Umbrüche und militärische Entscheidungsschlachten des Kontinents sowie die maßgeblichen Anführer wie Toussaint, Miranda oder Bolivar mit ihren abenteuerlichen und ungewöhnlichen Lebensgeschichten. Die Staatsgründungen, die sich bis zur Mitte des 19. Jahrhunderts hinzogen, wurden zwar durch den antikolonialen Widerstand geeint, aber durch die

Ausgrenzung breiter sozialer und ethnischer Schichten, den Aufstieg des Caudillismus und die Ausbildung einer 'Guerrilla' zeichnen sich bereits die Probleme ab, die Lateinamerika immer noch prägen. Vor dem Hintergrund des wachsenden Einflusses neuer indigener Bewegungen und der Wiederentdeckung des Bolivarismus gewinnt diese dramatische Epoche heute wieder Bedeutung und politische Aufmerksamkeit. --
Simon Bolivar (ELL).

Rowman & Littlefield
En México, tan sólo en los últimos veinte años se han extraído más minerales "preciosos" que durante toda la época colonial. Los altos precios en el mercado justificaron esta práctica -en el país y en toda América Latina- junto con otras sin precedentes, como la explotación de la naturaleza pese al daño irreversible a los ecosistemas. El argumento de los gobiernos para permitirlo era enmendar tres promesas incumplidas:

erradicar la pobreza, reducir la desigualdad y promover el "desarrollo", pero sin atender el otro lado de la ecuación: el extractivismo provoca tremendos conflictos sociales y ecológicos, y Latinoamérica es la región con más incidencia de éstos en el mundo. Desde esta perspectiva, el Dawid Bartelt acude a los hechos y expone que los discursos políticos no evitan que la naturaleza sea vista como un "recurso" (en la minería y la agroindustria) para "salvar" el presente a

costa del futuro. De manera concisa, llega a la matriz del conflicto: la diferencia entre comprender la pertenencia al territorio o ser propietario de éste. Dicho de otra forma: las transnacionales (y los gobiernos que las invitan y subsidian) ven una simple explotación donde los habitantes contemplan el arraigo y el espacio en que desarrollan su vida. Acompañan la investigación dos valiosas colaboraciones (una de Gustavo Esteva y otra de Aleida Azamar Alonso)

que nutren la discusión desde el ecofeminismo, la construcción de la desigualdad, y proponen nuevas rutas de participación social.

Bolivar Nicholson Simon Bolivar is one of the most important figures in Latin American history, and this biography offers a comprehensive look at his life and legacy. Sherwell explores Bolivar's military career, political philosophy, and his role in the fight for Latin American independence. A must-read for anyone

interested in the history of Latin America. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. Simón Bolívar. Befreier Südamerikas Westend Verlag GmbH
Chronicles the life of Simón Bolívar, exploring his political career, leadership dynamics, rule over the people of Spanish America, and impact on world history.

Sim Createspace Independent Publishing Platform
Provides a through background for Bolívar's "contradictory" life, from his birth into colonial aristocracy to his leadership of a revolution to his tactical alliance with the Roman Catholic Church; addresses many of the principles for which Bolívar fought, such as abolition of slavery and legal equality for all races and social classes; reviews his efforts to obtain a British protectorate over his

alliance; places events in the context of the Enlightenment "world," showing the norms and conditions that spurred change; and details the influence Bolívar had on radical movements and events during the course of the revolutions in Latin America and documents the challenges he faced in leading a revolution.
El Libertador Oxford University Press
This volume of essays on the life and legacy of Simón Bolívar looks at the impact of "the Liberator" as warrior, political

thinker and leader, internationalist, continentalist, reformer, and revolutionary. An appraisal of Bolívar's role in the Spanish American

wars of independence, this offers an explanation of why the Bolívarian legend and cult has persisted.
Simon Bolivar Biographiq

Profiles the South American general and revolutionary who helped liberate several South American countries from Spanish domination.
