Amish Grace John Wiley & Sons

Everyone has been hurt. Everyone experiences conflict, great and small. Everyone has someone to forgive. But sometimes we just can't bring ourselves to forgive someone who has wronged us or we don't take the need to forgive seriously--not like the Amish do. Forgiving others in order to live at peace is woven into the very fabric of their faith. To the Amish way of thinking, "You can't love the stream without knowing the source." We must forgive others, they believe, because God forgave us. The Heart of the Amish invites readers into the world of a people renowned for their ability to forgive. Through true stories gathered from a variety of Amish communities, bestselling author Suzanne Woods Fisher illustrates how they are able to release their pain and desire for revenge, and live at peace with others. Her in-depth, personal research uncovers the astounding yet fundamental way the Amish can forgive anyone from the angry customer at the grocery store to the shooter at Nickel Mines. Readers will learn how to invite God into their stories, apply lessons from the Amish to their own circumstances, and find the freedom that comes with true forgiveness.

Amish Herald Press

In this new edition of *The Amish and the State* Donald Kraybill brings together legal scholars and social scientists to explore the unique series of

conflicts between a traditional religious minority and the modern state. In the process, the authors trace the preservation—and the erosion—of religious liberty in American life. Kraybill begins with an overview of the Amish in North America and describes the "negotiation model" used throughout the book to interpret a variety of legal conflicts. Subsequent chapters deal with specific aspects of religious freedom over which the Amish and the state have clashed. Focusing on the period from 1925 to 2001 in the United States, the authors examine conflicts over military service and conscription, Social Security and taxes, education, health care, land use and zoning, regulation of slow-moving vehicles, and other first amendment issues. New concluding chapters, by constitutional expert William Ball, who defended the Amish before the Supreme Court in 1972 in the landmark *Wisconsin v. Yoder* case, and law professor Garret Epps, assess the Amish contribution to preserving religious liberty in the United States.

The Homestead Canning Cookbook North Point Press

Drawing on more than twenty years of fieldwork and collaborative research, *The Amish: A Concise Introduction* is a compact but richly detailed portrait of Amish life. In fewer than 150 pages, readers will come away with a clear understanding of the complexities of these simple people.

My People, the Amish Keira Andrews

"A common question now in America. How can I become Amish? Answer: If you admire our faith, strengthen yours. If you admire our sense of commitment, deepen yours. If you admire our community spirit, build your own. If you admire the simple life, cut back. If you admire deep character and enduring values, live them yourself." *The Budget*. This 31 day guide to simplicity will discuss this Amish newspaper clip, along with frugality, downsizing, ideas for gatherings, keeping in pace with nature and much more. After thirty years, I'm still gleaning secrets to a simpler life from Amish friends. I can see why "off the gridders" to spiritual enthusiasts are flocking to them for plain and simple advice. I'm so blessed to have learned so much from the Amish. I hope you'll be inspired as you read this book, finding a path a bit less chaotic.

Through My Eyes JHU Press

Aaron had always thought that the Amish religion was the only way for him to get to heaven. After a rebellious youth, he had submitted to the Amish way by becoming a baptized member and following the Amish rules and traditions. But he wondered why he didn't have peace in his heart. For six long months he cried out to God for answers. Were his sins forgiven? What was missing in his life? Was he not following the Amish rules well enough? Was God still angry with him because of his sinful teenage years? God answered Aaron in a powerfully clear way; transforming his life and sustaining him with the peace he was searching for. "What He's done for me" is the first in a series of testimonies titled, "God's Touch Among the Amish." They represent personal journeys through tears and pain, stories from sincere hearts that searched earnestly for answers to questions like Aaron's. Each of their journeys speak of the faithfulness of God and His love toward those who search for truth and yield their lives fully into His hands.

Old Order Amish Harvest House Publishers

Here at last is an authentic portrait of the Amish, in striking photographs and honest accounts of their daily concerns and enduring traditions. Photographer Lucian Niemeyer earned the trust and friendship of Amish families by helping to harvest crops on their farms in Pennsylvania's Lancaster County, site of one of the oldest Amish settlements in North America. After "many backbreaking days" in the fields, he gained acceptance in a community that draws sharp lines of separation from the outside world--and has, by tradition, shunned photography. With the encouragement of his Amish friends who welcomed the chance to correct inaccurate accounts of Amish ways, Niemeyer began to assemble this honest and sensitive photographic record. He worked without filters or darkroom manipulations, using only natural light. The results are unprecedented--photographs of families, community gatherings, even the seldom seen interiors of Amish homes and schools. These unique images capture the deliberate simplicity and the natural beauty that characterize Amish life in Lancaster County. In the accompanying text, Donald Kraybill--author of the highly acclaimed *Riddle of Amish Culture*--tells the often surprising story of today's Old Order Amish. His introduction provides a sweeping overview of Amish life in North America and explains how a traditional people have managed not merely to survive but to flourish in the midst of modern life. In thirty-five "vignettes" throughout the book, Kraybill explains Amish views on issues ranging from "Childbirth" and "Women Entrepreneurs" to "The Riddles of Farm Machinery," "Sowing Wild Oats," and "The Politics of Separation." His concluding essay examines why modern observers are so drawn to the Amish and their traditional values.

The Amish John Wiley & Sons

From America's most trusted expert on Amish life comes *Simply Amish*, an essential guide to Amish life, culture, and faith. Why do the Amish reject technology and education—or do they? Why do their young people choose to stay Amish when their beliefs and practices put them so at odds with modern society? How are they different from the Mennonites? When it comes to learning about the Amish, it can be hard to sort out fact from fiction. Donald Kraybill has lived among, studied, written about, and befriended the Amish for many years, and Amish people read his books to learn more about themselves. Through stories from his friendship with the Amish and studies from his forty-year career, Kraybill takes readers on a gentle journey among a people known for their simplicity, rootedness in church and family, and commitment to peaceful living. Get answers to your questions about Amish life. Discover why this 325-year-old group still flourishes in the midst of twenty-first-century life. Includes color photographs.

The Lives of Amish Women HarperChristian + ORM

More than 19 million tourists flock to Amish Country each year, drawn by the opportunity to glimpse "a better time" and the quaint beauty of picturesque farmland and handcrafted quilts. What they may find, however, are elaborately themed town centers, outlet malls, or even a water park. Susan L. Trollinger explores this puzzling incongruity, showing that Amish tourism is anything but plain and simple. *Selling the Amish* takes readers on a virtual tour of three such tourist destinations in Ohio's Amish Country, the world's largest Amish settlement. Trollinger examines the visual rhetoric of these uniquely themed places—their architecture, interior decor, even their merchandise and souvenirs—and explains how these features create a setting and a story that brings tourists back year after year. This compelling story is, Trollinger argues, in part legitimized by the Amish themselves. To Americans faced with anxieties about modern life, being near the Amish way of life is comforting. The Amish seem to have escaped the rush of contemporary life, the confusion of gender relations, and the loss of ethnic heritage. While the Amish way supports the idealized experience of these tourist destinations, it also raises powerful questions. Tourists may want a life uncomplicated by technology, but would they be willing to drive around in horse-drawn buggies in order to achieve it? Trollinger's answers to important questions in her fascinating study of Amish Country tourism are sure to challenge readers' understanding of this surprising cultural phenomenon.

Perceptions of the Amish Way Xulon Press

A simpler way of life is possible. In this fast-paced and ever-changing world full of chaos and uncertainty, many seek a place where steadfast truth, godly values, and biblical principles are being lived out. That world exists among the Amish. Inside the *Simple Life* welcomes readers into a tight-knit community where peace and tranquility abound, where "love thy neighbor" means more than just waving hello, and where all needs are taken care of by each member of the community. Be inspired by real stories paired with stunning photographs of Amish life as told by an "Englisher" who has been welcomed into the private and fascinating world of the Old Order Amish. Let author Susan Hougelman's heartwarming stories of their simpler way of life stir you to embrace meaningful change through biblical principles lived out by the Amish people.

Money Secrets of the Amish Amish Romance Books

A family living in one of America's wealthiest communities steps away from mainstream society and joins the horse-and-buggy Amish life. The family of Bill and Tricia Moser are seeking deeper connections to belief, community and purpose in life. The book is rare in Amish literature because it presents the perspective of people who grew up in modern America and immersed in the Amish world, offering both the fresh view of a newcomer and the intimate view of an insider. The book explores such aspects of Amish culture as faith, business, community connectedness, what it was like to learn to drive a horse and buggy and make the family's clothes.

Almost Amish Harvest House Publishers

New from bestselling authors Mindy Starns Clark and Susan Meissner, *The Amish Blacksmith* (Book 2 in *The Men of Lancaster County* series) explores the men of an Amish community in Lancaster County, how their Amish beliefs play out in their unique roles, and the women who change their lives. Apprenticed blacksmith Jake Miller is skeptical of Priscilla Kinsinger's innate ability to soothe troubled horses, especially when he has own ideas on how to calm them. Six years earlier, Priscilla's mother died in an awful accident at home, and Priscilla's grief over losing her mother was so intense that she was sent to live with relatives in Indiana. She has just returned to Lancaster County. Not that her homecoming matters to Jake, who is interested in courting lighthearted Amanda Shetler. But Jake's boss is Priscilla's uncle, and when the man asks Jake to help his niece reconnect with community life, he has no choice but to do just that. Surprisingly, he finds himself slowly drawn to the beautiful but emotionally wounded Priscilla. Jake then determines to prove to her that it's not her fault her mother died, but what he discovers will challenge everything they both believe about the depth of love and the breadth of forgiveness.

The Amish and the State Revell

There is something about the Amish way of life that compelling causes us to want to know more about them. Their emphasis on family and God, simplicity in living, and their humility among others often make us wish we had more of these blessings in our life as well. Most of us will not become Amish, but it is possible to learn from the Amish and incorporate their values into our modern life. In *Living the Amish Way* the author describes seven essential values of the Amish and how they express these through their daily living. The author also describes how you too can live these values out in your daily life and enjoy the sense of peace and contentment that the Amish experience.

Plain Secrets JHU Press

For Amish fiction readers, young and old alike, *Plain Answers About the Amish Life* provides a glimpse into an obscure, fascinating world—what the Amish believe and how they live. An engaging question-and-answer format showcases fun and fresh facts about the people who abide by this often-misunderstood faith and unique culture. This updated and revised guide by Mindy Starns Clark (more than 250,000 Amish-themed books sold), covers a wide variety of topics, such as: beliefs and values clothing and transportation courtship and marriage shunning and discipline teens and rumspringa children and the elderly education and work Presented in an easy-to-read style, these plain answers to questions about the Amish are a great resource for anyone interested in Amish life. Formerly titled *A Pocket Guide to Amish Life*

Selling the Amish Independently Published

The Amish are one of America's most fascinating and colorful religious communities. But how does a traditional group that shuns high school, computers, and the ownership of motor vehicles survive amid a high tech society? This concise and authoritative overview describes both the diversity and common practices of the Amish of North America as well as some of the changes underway in their communities. In a lively text, Donald B. Kraybill, a leading scholar of Amish culture explains many of their puzzling practices and shows how the Amish flourish in the midst of modern society. Some interesting facts from *The Amish: Why They Enchant Us*: Many elderly Amish live in a Grossdawdy (grandparent) house or apartment adjacent to the homes of one of their adult children. Children in most Amish communities dress in similar styles to their parents. Amish churches have been established in some 200 communities in about 25 states as well as in Ontario, Canada. In some ways, the Amish trouble us, even torment us. We worry that without modern technology, higher education, the latest fashions, and unfettered freedom, they might, in fact, be just as happy, if not happier than the rest of us. And so the Amish enchant and trouble us at the same time. They prod us to reflect on the sources of meaning and purpose, on the roots of human happiness.

Mary Miller and the Amish Way Simon and Schuster

New York Times eBook bestseller! One fateful starless night, 17-year-old Ira Wagler got up at 2 AM, left a scribbled note under his pillow, packed all of his earthly belongings into in a little black duffel bag, and walked away from his home in the Amish settlement of Bloomfield, Iowa. Now, in this heartwarming memoir, Ira paints a vivid portrait of Amish life—from his childhood days on the family farm, his Rumspringa rite of passage at age 16, to his ultimate decision to leave the Amish Church for good at age 26. *Growing Up Amish* is the true story of one man's quest to discover who he is and where he belongs. Readers will laugh, cry, and be inspired by this charming yet poignant coming of age story set amidst the backdrop of one of the most enigmatic cultures in America today—the Old Order Amish.

The Amish Way JHU Press

Revised edition! *People's Place Book #10*. A sociologist provides a way to understand the Amish people's intentional way of living in a world far different from their own. Fun to read. How do the Amish thrive in the midst of modern life? Why do the Amish separate themselves from the modern

world? Why do a religious people spurn religious symbols and church buildings? Why is humility a cherished value? Why do a gentle people shun disobedient members? How do the Amish regulate social change? Why is ownership of cars objectionable, but not their use? Why are some modes of transportation acceptable and other forbidden? Why are tractors permitted around barns but not in fields? Why are horses used to pull modern farm machinery? Why are telephones banned from Amish homes? Why are some forms of electricity acceptable while others are rejected? How is modern machinery operated without electricity? Why are some occupations acceptable and others taboo? Why do the Amish use the services of professionals -- lawyers, doctors, and dentists -- but oppose higher education? Why do Amish youth rebel in their teenage years? Are the Amish freeloading on American life? Are the Amish behind or ahead of the modern world?

The Heart of the Amish Harvest House Publishers

A sensitive and realistic look at the spiritual life and practices of the Amish This second book by the authors of the award-winning *Amish Grace* sheds further light on the Amish, this time on their faith, spirituality, and spiritual practices. They interpret the distinctive practices of the Amish way of life and spirituality in their cultural context and explore their applicability for the wider world. Using a holistic perspective, the book tells the story of Amish religious experience in the words of the Amish themselves. Due to their long-standing friendships and relationships with Amish people, this author team may be the only set of interpreters able to provide an outsider-insider perspective. Provides a behind-the-scenes examination of Amish spiritual life Shows how the Amish practices can be applied to the wider world Written by authors with unprecedented access to the Amish community Written in a lively and engaging style, *The Amish Way* holds appeal for anyone who has wanted to know more about the inner workings of the Amish way of life.
