TURNER WANG

The Athenæum Penguin

ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME • NEW YORK TIMES BESTSELLER A modern-day classic from Newbery Medalist Jerry Spinelli, this beloved celebration of individuality is now an original movie on Disney+! And don't miss the author's highly anticipated new novel, *Dead Wednesday!* *Stargirl*. From the day she arrives at quiet Mica High in a burst of color and sound, the hallways hum with the murmur of "Stargirl, Stargirl." She captures Leo Borlock's heart with just one smile. She sparks a school-spirit revolution with just one cheer. The students of Mica High are enchanted. At first. Then they turn on her. *Stargirl* is suddenly shunned for everything that makes her different, and Leo, panicked and desperate with love, urges her to become the very thing that can destroy her: normal. In this celebration of nonconformity, Newbery Medalist Jerry Spinelli weaves a tense, emotional tale about the perils of popularity and

the thrill and inspiration of first love. Don't miss the sequel, *Love, Stargirl*, as well as *The Warden's Daughter*, a novel about another girl who can't help but stand out. "Spinelli is a poet of the prepubescent. . . . No writer guides his young characters, and his readers, past these pitfalls and challenges and toward their futures with more compassion." —The New York Times

A Commentary on the Old and New Testaments ... Reprinted from the Author's Last Edition. [Vol. 1, 3] Edited by ... H. Martin, Etc. ([Vol. 2, 4, 5] by W. Webster. With a Memoir by A. B. Grosart.). Ravenio Books

From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take

credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Wicked Gentlemen HarperCollins

Belimai Sykes is many things: a Prodigal, the descendant of ancient demons, a creature of dark temptations and rare powers. He is also a man with a brutal past and a dangerous addiction. And Belimai Sykes is the only man Captain William Harper can turn to when faced with a series of grisly murders. But Mr. Sykes does not work for free and the price of Belimai’s company will cost Captain Harper far more than his reputation. From the ornate mansions of noblemen, where vivisection and sorcery are hidden beneath a veneer of gold, to the steaming slums of Hells Below, Captain Harper must fight for justice and for his life. His enemies are many and his only ally is a devil he knows too well. Such are the dangers of dealing with the wicked.

[Uncle Tom's cabin. With a preface by the earl of Carlisle](#)

Ballantine Books

The Harlem Renaissance is rightly considered to be a moment of creative exuberance and unprecedented explosion. Today, there is a renewed interest in this movement, calling for a re-evaluation and a closer scrutiny of the era and of documents that have only recently become available. *Temples for Tomorrow* reconsiders the period -- between two world wars -- which confirmed the intuitions of W. E. B. DuBois on the “color line” and gave birth to the “American dilemma,” later evoked by Gunnar Myrdal. Issuing from a generation bearing new hopes and aspirations, a new vision takes form and develops around the concept of the New Negro, with a goal: to recreate an African American identity and claim its legitimate place in the heart of the nation. In reality, this movement organized into a remarkable institutional network, which was to remain the vision of an elite, but which gave birth to tensions and differences. This collection attempts to assess Harlem’s role as a “Black Mecca”, as “site of intimate performance” of African American life, and as focal point in the creation of a diasporic identity in dialogue with the Caribbean and French-speaking areas. Essays treat the complex interweaving of Primitivism and Modernism, of folk culture and elitist aspirations in different artistic media, with a view to defining the interaction between music, visual arts, and literature. Also included are known Renaissance intellectuals and writers. Even though they had different conceptions of the role of the African American artist in a racially segregated society, most participants in the New Negro movement shared a desire to express a new

assertiveness in terms of literary creation and identity-building.

True Briton Orbis Books

The New York Times bestseller and basis for the Tony-winning hit musical, soon to be a major motion picture starring Cynthia Erivo and Ariana Grande With millions of copies in print around the world, Gregory Maguire’s *Wicked* is established not only as a commentary on our time but as a novel to revisit for years to come. *Wicked* relishes the inspired inventions of L. Frank Baum’s 1900 novel, *The Wonderful Wizard of Oz*, while playing sleight of hand with our collective memories of the 1939 MGM film starring Margaret Hamilton (and Judy Garland). In this fast-paced, fantastically real, and supremely entertaining novel, Maguire has populated the largely unknown world of Oz with the power of his own imagination. Years before Dorothy and her dog crash-land, another little girl makes her presence known in Oz. This girl, Elphaba, is born with emerald-green skin—no easy burden in a land as mean and poor as Oz, where superstition and magic are not strong enough to explain or overcome the natural disasters of flood and famine. Still, Elphaba is smart, and by the time she enters Shiz University, she becomes a member of a charmed circle of Oz’s most promising young citizens. But Elphaba’s Oz is no utopia. The Wizard’s secret police are everywhere. Animals—those creatures with voices, souls, and minds—are threatened with exile. Young Elphaba, green and wild and misunderstood, is determined to protect the Animals—even if it means combating the mysterious Wizard, even if it means risking her single chance at romance. Ever wiser in guilt and sorrow, she can find herself grateful when the world declares her a witch. And she can even make herself glad for that young girl from Kansas. Recognized as an iconoclastic tour de force on its initial publication, the novel has inspired the blockbuster musical of the same name—one of the longest-running plays in Broadway history. Popular, indeed. But while the novel’s distant cousins hail from the traditions of magical realism, mythopoeic fantasy, and sprawling nineteenth-century sagas of moral urgency, Maguire’s *Wicked* is as unique as its green-skinned witch.

The Things They Carried Harper Collins

“The text is an incredible composite of the literature that has shaped correctional practice. The authors have a great capacity for making research interesting and accessible. Cullen and Jonson have accomplished their goal of motivating readers to become sophisticated consumers of correctional knowledge.” —Betsy Matthews, Eastern Kentucky University *The Second Edition of Correctional Theory: Context and Consequences* continues to identify and evaluate the major competing theories used to guide the goals, policies, and practices of the correctional system. Authors Francis T. Cullen and Cheryl Lero Jonson demonstrate that changes in theories can legitimize new ways of treating and punishing offenders, and they help readers understand how transformations in the social and political context of U.S. society impact correctional theory and policy. Designed to motivate readers to become sophisticated consumers of correctional information, the book emphasizes the importance of using evidence-based information to guide decisions, rather than relying on nonscientific commonsense or ideology-based beliefs.

Exile and Embrace Indiana University Press

The controversial journalistic analysis of the mentality that fostered the Holocaust, from the author of *The Origins of Totalitarianism* Sparking a flurry of heated debate, Hannah Arendt’s authoritative and stunning report on the trial of German Nazi leader Adolf Eichmann first appeared as a series of articles in *The New Yorker* in 1963. This revised edition includes material that came to light after the trial, as well as Arendt’s postscript directly addressing the controversy that arose over her account. A major journalistic triumph by an intellectual of singular

influence, Eichmann in Jerusalem is as shocking as it is informative—an unflinching look at one of the most unsettling (and unsettled) issues of the twentieth century.

Fratelli Tutti Wednesday Books

From the World's No. 1 Storyteller, James and the Giant Peach is a children's classic that has captured young reader's imaginations for generations. One of TIME MAGAZINE's 100 Best Fantasy Books of All Time After James Henry Trotter's parents are tragically eaten by a rhinoceros, he goes to live with his two horrible aunts, Spiker and Sponge. Life there is no fun, until James accidentally drops some magic crystals by the old peach tree and strange things start to happen. The peach at the top of the tree begins to grow, and before long it's as big as a house. Inside, James meets a bunch of oversized friends—Grasshopper, Centipede, Ladybug, and more. With a snip of the stem, the peach starts rolling away, and the great adventure begins! Roald Dahl is the author of numerous classic children's stories including Charlie and the Chocolate Factory, Matilda, The BFG, and many more! "James and the Giant Peach remains a favorite among kids and parents alike nearly 60 years after it was first published, thanks to its vivid imagery, vibrant characters and forthright exploration of mature themes like death and hope." —TIME Magazine Cover may vary.

The New Era Ballantine Books

John Albert Broadus (1827–1895) was a professor at the Southern Baptist Theological Seminary. Charles Spurgeon called him the "greatest of living preachers."

Co-operative News and Journal of Associated Industry Routledge

BOOKER PRIZE WINNER • NATIONAL BESTSELLER • A novel that follows a middle-aged man as he contends with a past he never much thought about—until his closest childhood friends return with a vengeance: one of them from the grave, another maddeningly present. A novel so compelling that it begs to be read in a single setting, *The Sense of an Ending* has the psychological and emotional depth and sophistication of Henry James at his best, and is a stunning achievement in Julian Barnes's oeuvre. Tony Webster thought he left his past behind as he built a life for himself, and his career has provided him with a secure retirement and an amicable relationship with his ex-wife and daughter, who now has a family of her own. But when he is presented with a mysterious legacy, he is forced to revise his estimation of his own nature and place in the world.

The student's English dictionary, the pronunciation adapted to the best modern usage by R. Cull Wednesday Books

An instant New York Times bestseller! "Prepare for a snow-frosted, blood-drenched fairy tale where the monsters steal your heart and love ends up being the nightmare." - Roshani Chokshi, New York Times bestselling author of *The Gilded Wolves* and *The Star-Touched Queen* A girl who can speak to gods must save her people without destroying herself. A prince in danger must decide who to trust. A boy with a monstrous secret waits in the wings. Together, they must assassinate the king and stop the war. In a centuries-long war where beauty and brutality meet, their three paths entwine in a shadowy world of spilled blood and mysterious saints, where a forbidden romance threatens to tip the scales between dark and light. *Wicked Saints* is the thrilling start to Emily A. Duncan's devastatingly Gothic *Something Dark and Holy* trilogy. "This book destroyed me and I adored it."- Stephanie Garber, New York Times bestselling author of *Caraval* This edition uses deckle edges; the uneven paper edge is intentional.

A New History of the Holy Bible, from the beginning of the world to the establishment of Christianity. L.P. SAGE Publications

Over half of Americans believe in a literal heaven, in a literal hell. Most people who hold these beliefs are Christian and assume

they are the age-old teachings of the Bible. Ehrman shows that eternal rewards and punishments are found nowhere in the Old Testament, and are not what Jesus or his disciples taught. He recounts the long history of the afterlife, ranging from *The Epic of Gilgamesh* up to the writings of Augustine, focusing especially on the teachings of Jesus and his early followers. Ehrman shows that competing views were intimately connected with the social, cultural, and historical worlds out of which they emerged. -- adapted from jacket

Ask a Manager Simon and Schuster

Strike back against the legions of new nightmares revealed in the *Occult Bestiary!* This Pathfinder guide and *Occult Adventures* supplement presents more than 40 new or variant monsters with occult themes, from psychic lichs and night hags to creatures from strange realms and the dark places beyond the stars. Each monster includes Pathfinder Roleplaying Game statistics and flavor text on how it fits within the Pathfinder campaign setting.

Public Opinion UPNE

The stunning sequel to instant New York Times bestseller, *Wicked Saints* Nadya doesn't trust her magic anymore. Serefin is fighting off a voice in his head that doesn't belong to him. Malachiasz is at war with who--and what--he's become. As their group is continually torn apart, the girl, the prince, and the monster find their fates irrevocably intertwined. Their paths are being orchestrated by someone...or something. The voices that Serefin hears in the darkness, the ones that Nadya believes are her gods, the ones that Malachiasz is desperate to meet—those voices want a stake in the world, and they refuse to stay quiet any longer. In their dramatic follow-up to *Wicked Saints*, the first book in their *Something Dark and Holy* trilogy, Emily A. Duncan paints a Gothic, icy world where shadows whisper, and no one is who they seem, with a shocking ending that will leave you breathless. This edition uses deckle edges; the uneven paper edge is intentional.

Wicked Vintage

Examining the religious debates and dimensions of the death penalty in America

Commentary on Matthew Hells Below

Internationally bestselling husband and wife Jonathan and Faye Kellerman team up for a powerful one-two punch with *Capital Crimes*, a gripping pair of original crime thrillers. *MY SISTER'S KEEPER: BERKELEY* Some of progressive state representative Davida Grayson's views have made her unpopular. Although her foes are numerous no one suspects that any buttons Davida might push could evoke deadly force. But now Davida lies brutally murdered in her office, and Berkeley homicide detectives Will Barnes and Amanda Isis must unravel Davida's complex, before the killer pulls off a repeat performance. *MUSIC CITY BREAKDOWN: NASHVILLE* Baker Southerby was a child prodigy performer. But something leads him to become a Nashville cop. His partner, Lamar Van Gundy, is a would-be studio bassist who earned himself a detective's badge. As part of Nashville PD's elite Murder Squad, they catch a homicide that's high-profile even for a city where musical celebrity is routine. *Capital Crimes* is page-turning, psychologically resonant suspense—just what we've come to expect from two of the world's most successful crime writers.

The Sense of an Ending Penguin

Look for O'Brien's new book, *American Fantastica*, on sale October 24th A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha

Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Eichmann in Jerusalem Harvard University Press

This book is about the "public realm," defined as a particular kind of social territory that is found almost exclusively in large settlements. This particular form of social-psychological space comes into being whenever a piece of actual physical space is dominated by relationships between and among persons who are strangers to one another, as often occurs in urban bars, buses, plazas, parks, coffee houses, streets, and so forth. More specifically, the book is about the social life that occurs in such social-psychological spaces (the normative patterns and principles that shape it, the relationships that characterize it, the aesthetic and interactional pleasures that enliven it) and the forces (anti-urbanism, privatism, post-war planning and architecture) that threaten it. The data upon which the book's analysis is based are diverse: direct observation; interviews; contemporary photographs, historic etchings, prints and photographs, and historical maps; histories of specific urban public spaces or spatial types; and the relevant scholarly literature from sociology, environmental psychology, geography, history, anthropology, and architecture and urban planning and

design. Its central argument is that while the existing body of accomplished work in the social sciences can be reinterpreted to make it relevant to an understanding of the public realm, this quintessential feature of city life deserves much more than it deserves to be the object of direct scholarly interest in its own right. Choice noted that: "The author's writing style is unusually accessible, and the often fascinating narrative is generously supported by well-chosen photos."

Pathfinder Campaign Setting

What are the grand dynamics that drive the accumulation and distribution of capital? Questions about the long-term evolution of inequality, the concentration of wealth, and the prospects for economic growth lie at the heart of political economy. But satisfactory answers have been hard to find for lack of adequate data and clear guiding theories. In this work the author analyzes a unique collection of data from twenty countries, ranging as far back as the eighteenth century, to uncover key economic and social patterns. His findings transform debate and set the agenda for the next generation of thought about wealth and inequality. He shows that modern economic growth and the diffusion of knowledge have allowed us to avoid inequalities on the apocalyptic scale predicted by Karl Marx. But we have not modified the deep structures of capital and inequality as much as we thought in the optimistic decades following World War II. The main driver of inequality--the tendency of returns on capital to exceed the rate of economic growth--today threatens to generate extreme inequalities that stir discontent and undermine democratic values if political action is not taken. But economic trends are not acts of God. Political action has curbed dangerous inequalities in the past, the author says, and may do so again. This original work reorients our understanding of economic history and confronts us with sobering lessons for today.
