Is It Love Or Is It Addiction? Harper Collins
After her husband dies, Angie Russo makes an unexpected move: to an old house on historic Benefit Street in Providence, Rhode Island. Angie's house is haunted. But by whom? The spirit of a little boy lost? Or the ghosts of Angie's past? As Angie tries to move on with her life, things keep going bump in the night. She hears voices. She sees her dead

husband at the bedroom door. Stairs creak; windows rattle in the still of the night. The house on Benefit Street is filled with secrets...from attic to cellar. Angie wants to stay and build a new life...but the house on Benefit Street has other ideas...

Unrequited Bantam

The summer Lisa A. Phillips turned thirty, she fell in love with someone who didn't return her feelings. She became obsessed, following him around, calling him compulsively, and talking about him endlessly. One desperate morning, after she snuck into his apartment building, he

picked up a baseball bat to protect himself and threatened to dial 911. Her unrequited love had changed her from a sane, conscientious college teacher and radio reporter into someone she barely recognized—someone who had taken her yearning much too far. In *Unrequited*, Phillips explores the tremendous force of obsessive love in women's lives. She argues that it needs to be understood, respected, and channeled for personal growth—yet it also has the potential to go terribly awry. Interweaving her own story with frank interviews and in-depth

research in science, psychology, cultural history, and literature, Phillips describes how romantic obsession takes root, grows, and strongly influences our thoughts and behaviors. Going beyond images of creepy, fatally attracted psychos, male fantasies of unbridled female desire, and the platitudes of self-help books, Phillips offers compelling insights to help any woman who has experienced unrequited obsessive love and been mystified and troubled by its grip. “An ingenious hybrid of memoir, case study, scientific inquiry, and intellectual history not only of unrequited love but of Love, full stop, with a capital L.”—Washington Post “There is no cure for the pain of rejection, although researchers are working on it. Until then, Phillips suggests we ‘honor passion by confining and using it instead of letting it diminish us.’”—Chicago Tribune

The Generous Husband Rowman & Littlefield

“Jonah Lehrer has a lot to offer the world....The book is interesting on nearly every page....Good writers make writing look easy, but what people like Lehrer do is not easy at all.” —David Brooks, The New York Times Book Review Science

writer Jonah Lehrer explores the mysterious subject of love. Weaving together scientific studies from clinical psychologists, longitudinal studies of health and happiness, historical accounts and literary depictions, child-rearing manuals, and the language of online dating sites, Jonah Lehrer’s *A Book About Love* plumbs the most mysterious, most formative, most important impulse governing our lives. Love confuses and compels us—and it can destroy and define us. It has inspired our greatest poetry, defined our societies and our beliefs, and governs our biology. From the way infants attach to their parents, to the way we fall in love with another person, to the way some find a love for God or their pets, to the way we remember and mourn love after it ends, this book focuses on research that attempts, even in glancing ways, to deal with the long-term and the everyday. The most dangerous myth of love is that it’s easy, that we fall into the feeling and then the feeling takes care of itself. While we can easily measure the dopamine that causes the initial feelings of “falling” in love, the partnerships and devotions that last decades or longer

remain a mystery. This book is about that mystery. Love, Lehrer argues, is not built solely on overwhelming passion, but, fascinatingly, on a set of skills to be cultivated over a lifetime.

The Highly Sensitive Person in Love Entangled: Teen

How can a marriage survive an affair? Infidelity is one of life’s most painful experiences for everyone involved--the betrayed spouse, the children, the extended family members, and even the lover and the wayward spouse. Once trust is broken, how can a couple ever hope to reconcile? In *Surviving an Affair*, Drs. Harley and Chalmers help you understand every aspect of infidelity--from the beginning of an affair through the restoration of the marriage. They describe: - why affairs begin and end - how to end an affair - how to restore the marriage - how to manage resentment and rebuild trust *Surviving an Affair* guides you step-by-step from the devastating blow of infidelity to a loving and trusting marriage. All questionnaires mentioned within this book are available in a fillable pdf format from the authors' websites identified on the last page.

Love and Limerence Farrar, Straus and Giroux

Limerence is an irrational, obsessive and incapacitating, adoration and attachment to one person. It is a nightmare version of being in love x 100. It is painful, confusing and until now there has been little knowledge or help available. This book explains the experience and its possible origins and methods of escape. In the shift towards self-love, forgiveness and compassionate acceptance, limerence can become a gift - giving insight, empowerment and enlightenment. USA Edition - 2014

Letter from an Unknown Woman and Other Stories Outskirts Press

When eighteen-year-old Hunter Jackson and his half sister, Ashlin, return to their dad's for the first winter in years, they expect everything to be just like the warmer months they'd spent there as kids. And it is—at first. But Chance, the charismatic and adventurous boy who made their summers epic, is harboring deep secrets. Secrets that are quickly spiraling into something else entirely. The reason they've never met Chance's parents or seen his home is becoming

clearer. And what the siblings used to think of as Chance's quirks—the outrageous stories, his clinginess, his dangerous impulsiveness—are now warning signs that something is seriously off. Then someone turns up with a bullet to the head, and all eyes shift to Chance's family. Hunter and Ashlin know Chance is innocent...they just have to prove it. But how can they protect the boy they both love when they can't trust a word Chance says?

The Limerent Mind Simon and Schuster
A psychologist's view of the 3 essential core ingredients of love: intimacy, passion and commitment.

Citchen Clueless The Flood - AKA Menstruation Buying Lingerie - Without Dying of Embarrassment Paul H. Byerly began e-mailing generous tips in 2001. His daily Generous Husband messages are now received by over two thousand men around the world.

Sex Tips For Girls Delacorte Press

When an idol and fan stand face to face and the idol's mask comes off, is it simply the fan staring into a mirror, admiring their own reflection? Idol Limerence explores the mass phenomena of the Korean idol, in particular, BTS and how it intersects with the psychological experience of limerence, as originated by Dorothy Tennov. Further phenomena will be introduced with an exploration of persona as a link to a fantasy realm accessed by both idol and fan. Culminating in the exploration of the revolutionary capacity of BTS and their fan base, ARMY, who were created in their image. Echo's narrative spans from her first love as a child to falling in love with BTS as an adult, an experience she feels is largely out of her control. Idol Limerence is a love story wrapped in social theory that spans this universe and the next. Insperence is the

space where the revolution can begin to take hold; insperence is where we can all become revolutionaries. In many ways, we already are. *Idol Limerence: The Art of Loving BTS as Phenomena* by Wallea Eaglehawk is a scholarly and literary work on the phenomenon that is BTS, the most popular and influential music group of our generation. Idol Limerence is a cognitive and emotional state of loving adoration and attachment to an Idol or celebrity. Echo, a young millennial woman, finds herself falling deeply in love with a group of blouse-wearing Korean men who sing, dance and dish out uncommon potent eye contact like it's a period drama. This book joins Echo on her journey from first love as a child to falling in love with K-pop group BTS as an adult. Echo learns just how and why she can't control her feelings towards BTS, not that she really wants to; and this is not an isolated experience, she is not alone but part of BTS' fan base, ARMY. The theory of Idol Limerence is developed from the psychological idea of limerence and linked to sociological concepts of identity, persona, parasocial relationships, love and celebrity. The theory development is interwoven with the love narrative of Echo

which shows how Idol Limerence can be a 'safe-love' alternative for millennials overwhelmed by loving and dating in a world on the brink of collapse. If the question is 'Why can't I stop thinking about what my life with BTS would look like?' Idol Limerence is the answer and becoming a revolutionary to save the world is the result.

Anatomy of Love Oxford University Press, USA

Limerence is an irrational, obsessive and incapacitating, adoration and attachment to one person. It is a nightmare version of being in love x100. It can happen to anyone and is not always about sexual attraction. There are many people who are, or have experienced limerence and of them few tell their secret. It is painful, confusing and until now there has been little knowledge or help available. This book explains the experience and its possible origins and methods of escape. In the shift towards self-love, forgiveness and compassionate acceptance, limerence can become a gift – giving insight, empowerment and enlightenment.

Overlove Moody Publishers

The Oxford Handbook of the Philosophy of

Love offers a wide array of original essays from leading philosophers on the nature and value of love.

I Love You but I'm Not in Love with You Createspace Independent Pub

Under what circumstances can love generate moral reasons for action? Are there morally appropriate ways to love? Can an occurrence of love or a failure to love constitute a moral failure? Is it better to love morally good people? This volume explores the moral dimensions of love through the lenses of political philosophy, psychology, and neuroscience. It attempts to discern how various social norms affect our experience and understanding of love, how love, relates to other affective states such as emotions and desires, and how love influences and is influenced by reason. What love is affects what love ought to be. Conversely, our ideas of what love ought to be partly determined by our conception of what love is.

Love and Limerence Karis Publishing Describes the lovepath, the author's process for finding and maintaining true love.

Surviving an Affair Createspace Independent Pub

A brilliant new guide to understanding the origins of codependence and the path to recovery by a nationally recognized authority on dependency and addiction. In this fresh new look at codependence, Pia Mellody traces the origins of this illness back to childhood, describing a whole range of emotional, spiritual, intellectual, physical, and sexual abuses. Because of these earlier experiences, codependent adults often lack the skills necessary to lead mature lives and have satisfying relationships. Recovery from codependence comes from clearing up the toxic feelings left over from childhood and learning to reparent oneself by intervening on the adult symptoms of codependence. Central to Mellody's concept is the idea of the "precious child" that needs healing within each adult. She creates a framework for identifying codependent behavior and describes an effective approach to recovery that includes both therapy and self-help processes. Designed to be used with her new workbook for codependents, *Breaking Free*, this is a powerful tool for understanding the nature of codependence.

Schuster

Leave a Cheater, Gain a Life is a no-nonsense self-help guide for anyone who has ever been cheated on. Here's advice not based on saving your relationship after infidelity—but saving your sanity. When it comes to cheating, a lot of the attention is focused on cheaters—their unmet needs or their challenges with monogamy. But Tracy Schorn (aka Chump Lady) lampoons such blameshifting and puts the focus squarely on the-cheated-upon (chumps) and their needs. Combining solid advice that champions self-respect, along with hilarious cartoons satirizing the pomposity of cheaters, *Leave a Cheater, Gain a Life* offers a fresh voice for chumps who want (and need) a new message about infidelity. This book will offer advice on Stupid sh*t cheaters say and how to respond, Rookie mistakes of the recently chumped and how to disarm your fears, Why chumps take the blame and how to protect yourself, and more. Full of snark, sass, and real wisdom about how to bounce back after the gut blow of betrayal, Schorn is the friend who guides you through this nightmare and gives you hope for a better life ahead.

Affair Healing New World Library

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called *A Love Language Minute* that can be heard on more than 150 radio stations as well as the weekly syndicated program *Building Relationships with Gary Chapman*, which

can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

Facing Love Addiction - reissue A&C Black

In *Love Cycles*, veteran couples therapist Linda Carroll presents a groundbreaking model of the five natural stages of romantic relationships — the Merge, Doubt and Denial, Disillusionment, Decision, and Wholehearted Love — and a guide for navigating through them toward lasting love. *Love Cycles* helps readers understand where they are in the cycle of their relationship and provides a clear strategy for how to stay happy and committed, even in difficult times.

Love Cycles Harper Collins

Do you fall in love hard, but fear intimacy? Are you sick of being told that you are “too sensitive”? Do you struggle to respect a less-sensitive partner? Or have you given up on love, afraid of being too sensitive or shy to endure its wounds? Statistics show

that 50 percent of what determines divorce is genetic temperament. And, if you are one of the 20 percent of people who are born highly sensitive, the risk of an unhappy relationship is especially high. Your finely tuned nervous system, which picks up on subtleties and reflects deeply, would be a romantic asset if both you and your partner understood you better. But without that understanding, your sensitivity is likely to be making your close relationships painful and complicated. Based on Elaine N. Aron’s groundbreaking research on temperament and intimacy, *The Highly Sensitive Person in Love* offers practical help for highly sensitive people seeking happier, healthier romantic relationships. From low-stress fighting to sensitive sexuality, the book offers a wealth of practical advice on making the most of all personality combinations. Complete with illuminating self-tests and the results of the first survey ever done on sex and temperament, *The Highly Sensitive Person in Love* will help you discover a better way of living and loving.

Leave a Cheater, Gain a Life M J F Books

"Like [Judy Blume's] *Forever*, this

sensitive, candid novel is sure to find a wide audience among curious teens."--Booklist Before this all happened, the closest I'd ever come to getting physical with a guy was playing the board game *Operation*. Okay, so maybe that sounds pathetic, but it's not like there were any guys at my high school who I cared to share more than three words with, let alone my body. Then I met Wes, a track star senior from across town. Maybe it was his soulful blue eyes, or maybe my hormones just started raging. Either way, I was hooked. And after a while, he was too. I couldn't believe how intense my feelings became, or the fact that I was seeing—and touching—parts of the body I'd only read about in my Gray's Anatomy textbook. You could say Wes and I experienced a lot of firsts together that spring. It was scary. It was fun. It was love. And then came the fall. Daria Snadowsky's unflinching dissection of seventeen-year-old Dominique's first relationship reveals the ecstasy and the agony of love, and everything in between. "[Snadowsky] deals in modern terms with the real issues of discovering sex for the first time . . . in a responsible way."--SLJ
