The Holy Or the Broken Harper Collins (Book). Be a fly on the wall of sound: get the inside history and behind-the-scenes events in the making of a masterpiece. In this refreshing book which focuses solely on Amy Winehouse's musical artistry, stylistic influences, and creative collaborations with great producers and musicians, instead of her personal problems Donald Brackett explores pertinent questions about the importance of pop music in contemporary culture. In this incisive and fascinating study of Amy Winehouse's second, and last, album (released in 2006), *Back to Black*, he opens the door not only to the full experience of this great record but also explores the seductive sonic hook that pop artists always strive for and unearths what makes the record unique, influential, and unforgettable. He reveals the creative steps in its inception and production, the technical virtuosity that makes it special, and why it deserves to be considered a pop classic. In an album that continually strips down the branches of popular music to draw from its muscular trunk, Amy Winehouse (with significant help from producers Mark Ronson and Salaam Remi) used the deep longing of '60s girl-group pop, such as the Ronettes, to fuel the torch sound she perfected in her debut. Brackett fully considers Winehouse's legacy ten years after her multi-Grammy winning album exploring the origins of a global cultural phenomenon by examining her roots as a storyteller; studying her swift arrival as a demonic pop diva; the crucially important creative role played by her gifted producers in the studio; the historical musical influences on her style; the soul magic of her superb backup

band, the Dap-Kings; her live performance style onstage; and her magnetic public image as a video star. *Back to Black* is also explored song by song in an appreciation of its status as a true pop-art artifact. In the end, it's the songs that make up *Back to Black* which go far beyond our potentially prurient fascination with the unique singer's early demise five years ago and instead bring vibrantly to life the surprising pop majesty she personified.

The Hollywood Reporter Quercus Robert Johnson. Brian Jones. Jimi Hendrix. Janis Joplin. Jim Morrison. Kurt Cobain. Amy Winehouse. They were inspirational, controversial, talismanic and innovative. They lead lives full of myth, scandal, sex, drugs and some of the most glorious music that has ever heard. Though each of their lives were cut tragically short at the age of 27, they would all leave the world having changed it irrevocably. Chris Salewicz tells, in intimate detail, the stories behind these compelling figures. From Robert Johnson and his legendary deal with the devil, to Jimi Hendrix appearing like a psychedelic comet on the London scene, through to Amy Winehouse's blazing talent and her savage appetite for self-destruction.

Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Music, Gender, and Sexuality

Studies Greenhaven Publishing LLC
This is a book about sound studios,

focusing on their architectural and geographical aspects. It explores how music is materialized under specific spatial and technological conditions and the myths associated with this process. Through ten in-depth studies, it examines the design, evolution and current function of sound studios amidst economic and technological shifts in the music industry. Traditional studios are in flux between the past and future. The industry, while steeped in romanticism and nostalgia, also embraces forward-driven pragmatism and an extensive reuse culture, encompassing heritage audio, building materials and existing buildings. A surprisingly diverse architectural heritage, the most significant feature is the host building, the framework around the studio capsule. Many traditional studios adapt to digitalization with hybrid solutions, reflecting a shift toward smaller, more versatile spaces. In a time when recordings in theory can happen anywhere, destination studios must excel to attract clients, balancing historical legacies with diversification. Although they may be easy to deconstruct, many of the myths endure, sustaining ideas of landmark recordings, unique locations and distinct remnants of sonic heritage. Courtesy of their capacity to keep the past alive in the present, traditional sound studios are best described as museums that work. This book aims to reach scholars and students with an interest in history, theory and preservation, as well as practicing architects and architectural students who wish to find out more about the relationship between sound and space, acoustic design and retrofitting of historical buildings into specialized functions. It also aims to reach practicing musicians, producers,

music students and music scholars.

My Amy McFarland

For nearly thirty years, Greil Marcus has written a remarkable column called "Real Life Rock Top Ten." It has been a laboratory where he has fearlessly explored and wittily dissected an enormous variety of cultural artifacts, from songs to books to movies to advertisements. Taken together, his musings, reflections, and sallies amount to a subtle and implicit theory of how cultural objects fall through time and circumstance and often deliver unintended consequences, both in the present and in the future. Real Life Rock reveals the critic in full: direct, erudite, funny, fierce, vivid, uninhibited, and possessing an unerring instinct for art and fraud. The result is an indispensable volume packed with startling arguments and casual brilliance.

Adele - The Biography McGraw Hill Professional

Music, Gender, and Sexuality Studies: A Teacher's Guide serves as a guide to the professor tasked with teaching music to undergraduates, with a focus on gender. Although the notion of feminist approaches in musicology was once greeted with scorn, the last 40 years have seen a seismic shift across music studies, to the point that classes on women and music are now commonplace in most undergraduate music program. The goal of this book is to give the instructor some tools and strategies that will build confidence in approaching music as it relates to gender and sexuality, and to offer some advice on how to make the class rewarding for all. The book is organized into four broad sections, plus an introduction outlining how to use the book and how the teaching of music, gender, and sexuality can be rewarding.

Each section – Composition, Support, Performance, and Audience – includes possible themes for study and examples of music that can illuminate those themes, allowing the instructor to shape the course according to their own preference for classical, jazz, or popular styles. The author offers a practical guide to building syllabi that can fit the instructor's interests and the priorities of the institution, crafting assignments that will engage and inspire students, choosing repertoire from a range of styles and genres, and maintaining a focus on how music shapes gender, and how gender shapes music.

Since the phenomenal success of her 2006 album *Back to Black*, Amy Winehouse has rarely been out of the news. Her extraordinary talent as a performing artist has long been overshadowed by her private life, her turbulent relationship with the media and her very public battle with addiction. *Saving Amy* is not just a candid account of Amy Winehouse's struggle to overcome her own personal demons, but also a sympathetic look at the reality of a family living and dealing with addiction. The book is based on exclusive interviews, diaries and personal recollections of international interviewer Daphne Barak, who spoke

intimately with the Winehouse family in London, St Lucia and other locations. [The Mammoth Quiz Book](#) Penguin
A fascinating exploration of the relationship between American culture and music as defined by musicians, scholars, and critics from around the world. Music has been the cornerstone of popular culture in the United States since the beginning of our nation's history. From early immigrants sharing the sounds of their native lands to contemporary artists performing benefit concerts for social causes, our country's musical expressions reflect where we, as a people, have been, as well as our hope for the future. This four-volume encyclopedia examines music's influence on contemporary American life, tracing historical connections over time. [Music in American Life: An Encyclopedia of the Songs, Styles, Stars, and Stories That Shaped Our Culture](#) demonstrates the symbiotic relationship between this art form and our society. Entries include singers, composers, lyricists, songs, musical genres, places, instruments, technologies, music in films, music in political realms, and music shows on television.

Adele's talents as a singer and songwriter have earned her six Grammys, but it's her down-to-earth personality, honest sense of humor, and raw vocals that have helped her to win the hearts of fans all over the world. This compelling biography by author Katherine E. Krohn traces the life and career of music sensation Adele. Readers will learn about the singer's early life in London, how Adele's talents were first discovered, the role heartbreak played in many of her hit singles, and what caused her to experience a career crisis. This engaging

edition supports biography and social studies assignments and provides readers with an extensive bibliography, a detailed timeline of events, and informative sidebars.

The Curious World of Drugs and Their Friends Hal Leonard Corporation
The intimate, inside story of the ultimately tragic life of multiple Grammy Award-winning singer and songwriter Amy Winehouse (“Rehab,” “Back to Black”) is told by the one person most able to tell it—Amy’s closest advisor, her inspiration, and best friend: her father, Mitch. *Amy, My Daughter* includes exclusive, never-before-seen photos and paints an open and honest portrait of one of the greatest musical talents of our time.

Thought-provoking and “undeniably interesting” essays on this cultural institution of comedy and what it says about our society (Booklist). Since 1975, “Live from New York, it’s Saturday Night!” has greeted late night-TV viewers looking for the best in sketch comedy and popular music. SNL is the variety show that launched the careers of countless comedians, including Dan Aykroyd, Chevy Chase, Chris Farley, Will Ferrell, Tina Fey, Amy Poehler, and Adam Sandler. Week after week, SNL has produced everything from unforgettable parodies to provocative political satire—adapting to changing times decade after decade while staying true to its original vision of performing timely topical humor. With essays that address issues ranging from race and gender to authorship and comedic performance, *Saturday Night Live and American TV* follows the history of this iconic show, and its place in the shifting social and media landscape of American television.

From the creator of the popular rock 'n' roll true crime podcast, DISGRACELAND comes an off-kilter, hysterical, at times macabre book of stories from the highly entertaining underbelly of music history. You may know Jerry Lee Lewis married his thirteen-year-old cousin but did you know he shot his bass player in the chest with a shotgun or that a couple of his wives died under extremely mysterious circumstances? Or that Sam Cooke was shot dead in a seedy motel after barging into the manager's office naked to attack her? Maybe not. Would it change your view of him if you knew that, or would your love for his music triumph? Real rock stars do truly insane things and invite truly insane things to happen to them; murder, drug trafficking, rape, cannibalism and the occult. We allow this behavior. We are complicit because a rock star behaving badly is what's expected. It's baked into the cake. Deep down, way down, past all of our self-righteous notions of justice and right and wrong, when it comes down to it, we want our rock stars to be bad. We know the music industry is full of demons, ones that drove Elvis Presley, Phil Spector, Sid Vicious and that consumed the Norwegian Black Metal scene. We want to believe in the myths because they're so damn entertaining. DISGRACELAND is a collection of the best of these stories about some of the music world's most beloved stars and their crimes. It will mix all-new, untold stories with expanded stories from the first two seasons of the Disgraceland podcast. Using figures we already recognize, DISGRACELAND shines a light into the dark corners of their fame revealing the fine line that separates heroes and villains as well as the danger Americans seek out in their news cycles, tabloids, reality shows and soap operas.

At the center of this collection of stories is the ever-fascinating music industry--a glittery stage populated by gangsters, drug dealers, pimps, groupies with violence, scandal and pure unadulterated rock 'n' roll entertainment.

Susan Boyle, Professional Singer:

The Third Six Months Taylor & Francis

According to Rami Elias Kremesti, nothing in life is worse than living in ignorance... After many years of living in depression, fear, anxiety, hate and confusion, the author feels he is finally emancipated and enlightened and wants to bring a taste of this sweetness to the reader... In his third book, he talks about the accomplishments of the Jewish people, the same people that were and are still demonized in his home country of Lebanon. Rami was lucky he was able to escape from the toxic milieu of Lebanon after the end of the civil war. Instead of East, he went to the decadent "West" where paradoxically, he tasted the truth in the poetry of Rumi in Los Angeles, which was his home for about six years. There he also met some Jewish people that became his lifelong loyal friends. As Rumi puts it, his soul caught fire... He discovered the meaning of loving one's enemy and turning the other cheek... You see dear reader, when one tastes divine love, all pettiness, anger, and attachment dissolves... One

starts to see unity instead of division...

All religions, one praise, as Rumi puts it...In his first book, *The Other Cheek of Islam*, he reached out to his Muslim brothers. In his second book, *For Love of the Sacred Awe*, he talks about beauty and aesthetic. In his third one he reaches out to his Jewish brothers. *Saving Amy* Kings Road Publishing
The bible of music's deceased idols—Jeff Buckley, Sid Vicious, Jimi Hendrix, Tupac, Elvis—this is the ultimate record of all those who arrived, rocked, and checked out over the last 40-odd years of fast cars, private jets, hard drugs, and reckless living. The truths behind thousands of fascinating stories—such as how Buddy Holly only decided to fly so he'd have time to finish his laundry—are coupled with perennial questions, including Which band boasts the most dead members? and Who had the bright idea of changing a light bulb while standing in the shower?, as well as a few tales of lesser-known rock tragedies. Updated to include all the rock deaths since the previous edition—including Ike Turner, Dan Fogelberg, Bo Diddley, Isaac Hayes, Eartha Kitt, Michael Jackson, Clarence Clemons, Amy Winehouse, and many, many more—this new edition has been comprehensively revised throughout. An indispensable reference full of useful and useless information, with hundreds of photos of the good, the bad, and the silly, this collection is guaranteed to rock the world of trivia buffs and diehards alike.

Billboard Chicago Review Press

The definitive story of Amy Winehouse's life and career told through key photographs, memorabilia and recollections by those who knew her best. Curated by Amy's stylist and close friend Naomi Parry. Amy Winehouse left an indelible mark on both the music industry and pop culture with her soulful voice and bold 60s-inspired aesthetic. Featuring stories and anecdotes from a wide range of characters connected to Amy, specially commissioned photography of memorabilia, styled and dressed themed sets incorporating Amy's clothing, possessions and lyrics, and previously unseen archival images, this volume presents an intimate portrait that celebrates Amy's creative legacy. Interspersed throughout are personal reflections on Amy's life and work, provided by her friends, colleagues and fans. These include Ronnie Spector, Vivienne Westwood, Bryan Adams, Little Simz, Carl Barat, close friend Catriona Gourlay, Douglas Charles-Ridler (owner of the Hawley Arms), tattooist Henry Hate, goddaughter Dionne Broomfield and DJ Bioux. Each one has a personal story to share and together their

anecdotes and reflections build into a complex picture of a much admired but troubled star. Vice Culture Editor Emma Garland puts these insights into context

with an introduction that highlights the principal events and achievements in Amy's life and work, and the key characters that played a part in it.
