Journal of the North Carolina Annual Conference of the Methodist Episcopal Church, South Legare Street Press

The South Georgia Conference, created in 1866 by the General Conference of the Methodist Episcopal Church, South, began at a time of great change in the region. This updated edition of the History of the South Georgia Conference 1866 - 2018 traces the roots of Georgia Methodism from John Wesley's residence in Savannah in 1736 through present day. The subsequent struggles, triumphs, decisions and concerns can all be found within these pages. The South Georgia Conference's come alive with photos and histories documented by each church historian and now compiled within this second edition of History. The Archives and History Committee of the South Georgia Conference of the United Methodist Church collaborated and edited this edition. Anne Packard, Curator of the Moore Methodist Museum and Archivist for the conference, working with the Assistant Curators, Cindy Angelich and Marlee Pack, are indebted to both the committee and church historians for their time and energy in creating this book.

Sketches of the Virginia Conference, Methodist Episcopal Church, South BoD - Books on Demand  
The Civil War in Southern Appalachian Methodism addresses a much-neglected topic in both Appalachian and Civil War history—the role of organized religion in the sectional strife and the war itself. Meticulously researched, well written, and full of fresh facts, this new book brings an original perspective to the study of the conflict and the region. In many important respects, the actual Civil War that began in 1861 unveiled an internal civil war within the Holston Conference of the Methodist Episcopal Church, South—comprising churches in southwestern Virginia, eastern Tennessee, western North Carolina, and a small portion of northern Georgia—that had been waged surreptitiously for the previous five decades. This work examines the split within the Methodist Church that occurred with mounting tensions over the slavery question and the rise of the Confederacy. Specifically, it looks at how the church was changing from its early roots as a reform movement grounded in a strong local pastoral ministry to a church with a more intellectual, professionalized clergy that often identified with Southern secessionists. The author has mined an exhaustive trove of primary sources, especially the extensive, yet often-overlooked minutes from frequent local and regional Methodist gatherings. He has also explored East Tennessee newspapers and other published works on the topic. The author's deep research into obscure church records and other resources results not only in a surprising interpretation of the division within the Methodist Church but also new insights into the roles of African Americans, women, and especially lay people and local clergy in the decades prior to the war and through its aftermath. In addition, Dunn presents important information about what the inner Civil War was like in East Tennessee, an area deeply divided between Union and Confederate sympathizers. Students and scholars of religious history, southern history, and

Appalachian studies will be enlightened by this volume and its bold new way of looking at the history of the Methodist Church and this part of the nation.

**The Methodist Armour, Or, A Popular Exposition of the Doctrines, Peculiar Usages, and Ecclesiastical Machinery of the Methodist Episcopal Church, South** Forgotten Books  
Reprint of the original, first published in 1875.

The American Church History Series: A history of the Methodist Church, South, the United Presbyterian Church, the Cumberland Presbyterian Church, and the Presbyterian Church, South, by G. Alexander [and others] Lulu.com

A suit arising from the the split of the Methodist Episcopal Church over slavery; the complainants are the bishops of the southern church, the respondents the bishops of the northern church.

**Minutes of the Annual Conferences of the Methodist Episcopal Church, South** Univ. of Tennessee Press

Excerpt from A History of the Methodist Church, South, in the United States IN a history confined to brief limits, only a general out line-of leading events can be given. The leading events in the history Of the Methodist Episcopal Church, South, took place, for the most part, in connection with the General Conferences. This fact has largely determined the plan and order Of treatment in the present instance. It is true, also, that in the case Of the Southern Methodist Church the action Of the various General Conferences has been, throughout, representative, in a singular degree, Of the thoughts, views, and status Of the membership at large. But for these considerations the scheme Of treatment ac cording to General Conferences might seem arbitrary and artificial. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
