[Fake?](#) Little, Brown Books for Young Readers

More important than flagging things "really fake" is to understand why they are dismissed as fake. The new truth is the one that circulates: digital truth emerges from lists, databases, archives, and conditions of storage. Multiple truths may be activated through search, link, and retrieve queries. Alexandra Juhasz, Ganaele Langlois, and Nishant Shah respond by taking up story, poetry, and other human logics of care, intelligence, and dignity to explore sociotechnological and politico-aesthetic emergences in a world where information overload has become a new ontology of not-knowing. Their feminist digital methods allow considerations of internet things through alternative networked internet time: slowing down to see, honor, and engage with our past; invoking indeterminacy as a human capacity that lets multiple truths commingle on a page or in a body; and saving the truths of ourselves and our others differently from the corporate internet's perpetual viral movement. Writing across their own shared truisms, actors, and touchstones, the authors propose creative tactics, theoretical overtures, and experimental escape routes built to a human scale as ways to regain our capacities to know and tell truths about ourselves.

The Films of the Eighties McFarland

Some of the world's greatest pranks are described.

New York Magazine Amsterdam University Press

Sisters aren't just super, they're superheroes in this celebration of friendship and sisterhood by Jenna Bush Hager and Barbara Pierce Bush. Emma has been lonely all her life growing up in a neighborhood with no other kids—until the day two sets of sisters move to her street! The girls immediately form a club, only to discover that something mysterious is going on. They've each always had special talents, but when they work together, it's almost like their skills become...superpowers. Now the sisterhood is ready to help their neighborhood thrive, as long as they can keep the spooky Ms. Wigglestoot from discovering their secret. Or maybe there's a way these super sisters can help their archnemesis too.... From former first daughters Jenna Bush Hager and Barbara Pierce Bush, authors of the #1 New York Times bestselling *Sisters First*, *The Superpower Sisterhood* makes it clear that with sisters by your side, life is pretty exciting. And anything is possible!

[Update on Law-related Education](#) Harper Collins

Alyssa Milano's sharply observed, uproarious, and deeply intimate ode to the life she has lived and the issues that matter most. Alyssa Milano, actress and activist, delivers here a collection of powerful personal essays that get to the heart of her life, career, and all-out humanitarianism. These essays are unvarnished and elegant, funny and heartbreaking, and utterly real. A timely book that shows in almost real time the importance of taking care of others, it also gives a gut-punch-level wake-up call in an era where the noise is a distraction from what really needs to happen, if we want to live in a

better world. These are stories of growing up in celebrity, of family and of friends, of connections and breaking apart. They have teeth on the page and come from the heart. And they are stories that offer a direct line into the thoughts and life of one of the most visible, hard-working humanitarians we have. A bestselling children's book author, Alyssa's finally giving her fans worldwide what they really want to hear directly from her about: the life she has lived, the things she's seen and experienced, and the way she lives in and with the world.

Gender in Asia Simon and Schuster

A fascinating exploration of how global cultures struggle to create their own "America" within a post-9/11 media culture, *Fabricating the Absolute Fake* reflects on what it might mean to truly take part in American pop culture.

Fabricating the Absolute Fake Post Hill Press

Offers readers a comprehensive reference to the world of film, including more than ten thousand DVD titles, along with information on performers, ratings, running times, plots, and helpful features.

Schmucks Penguin

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Really Fake Penguin

How do you grow a spaghetti tree? Who saw fairies down by the creek? A fake is something that is not what it seems to be. Fakes are meant to trick people.

This volume presents a thorough and complete filmography of the 1980s, covering popular and lesser-known films. Each of the more than 3,400 title entries contains a brief plot summary/evaluation, full cast and awards listings, and complete production credits (special effects, music, and makeup). The introduction provides some of the authors' thoughts on film and actors. ISBN 0-89950-560-0: \$68.50 (For use only in the library).

Leonard Maltin's 2009 Movie Guide Heinemann-Raintree Library

The statistics are alarming and become more so every year. The Centers for Disease Control and Prevention estimates that 1 in 68 children have been identified with an autism spectrum disorder, making it one of the fastest growing developmental disorders in the United States. Further, the CDC estimates that parents with a child on the autism spectrum can have nearly a 20 percent chance of having a second child with autism. In *How to Prevent Autism*, Dara Berger shares her personal journey with autism. She describes everything that went wrong with her son that led to an autism diagnosis and everything she did differently to prevent her daughter from suffering the same fate. She interviews eight well-known ASD experts--including doctors, nutritionists, nurses, and scientists--about the factors that have led to the growing epidemic of autism. Based on the best practices for preventing autism in children, each professional offers perspectives grounded in their own research and their patients' improvements. The book covers every detail--from the importance of mothers' cleaning out their bodies preconception, through common genetic mutations that may put children at risk, to the crucial role of nutrition in prevention. All parents agree that every choice counts when it comes to the health of their children. As Dara Berger makes clear in this personal, informative, and authoritative book, the stakes could not be higher when it comes to autism.

How to Prevent Autism Sterling/Main Street

He was a hardworking child actor in the early 1970s, appearing on dozens of popular films and TV programs. Then he was offered a chance to make a record and "Leif Garrett, teen idol" was born. Millions of teenage girls all over the world covered their walls with his picture. His face adorned hundreds of international magazine covers as he became one of the biggest and most desired heartthrobs in history. There were jet-setting tours, TV specials, and hit records, along with an endless supply of beautiful women, alcohol, and ultimately, the drugs that sent this shooting star into the darkest depths of addiction. *Idol Truth* is a harrowing survivor's story as well as a charmed tale filled with compelling pop culture characters—from Michael Jackson and Brooke Shields to John Belushi, Freddie Mercury, and many more. It's the first time ever that Leif Garrett has come clean about his life, revealing all the details of his spectacular journey

Milwaukee Magazine BearManor Media

In 1929, Hollywood mogul William Fox (1879-1952) came close to controlling the entire motion picture industry. His Fox Film Corporation had grown from a \$1600 investment into a globe-spanning \$300 million empire; he also held patents to the new sound-on-film process. Forced into a series of bitter power struggles, Fox was ultimately toppled from his throne, and the studio bearing his name would merge in 1935 with Darryl F. Zanuck's flourishing 20th Century Pictures. The 25-year lifespan of the Fox Film Corporation, home of such personalities as Theda Bara, Tom Mix, Janet Gaynor

and John Ford, is chronicled in this thorough illustrated history. Included are never-before-published financial figures revealing costs and grosses of Fox's biggest successes and failures, and a detailed filmography of the studio's 1100-plus releases, among them *What Price Glory?*, *Seventh Heaven* and the Oscar-winning *Cavalcade*.

NEW YORK TIMES BEST SELLER • Sharon Stone tells her own story: a journey of healing, love, and purpose. • "Not your typical Hollywood autobiography. Brutally honest, restless and questing." —O, The Oprah Magazine Sharon Stone, one of the most renowned actresses in the world, suffered a massive stroke that cost her not only her health, but her career, family, fortune, and global fame. In *The Beauty of Living Twice*, Stone chronicles her efforts to rebuild her life and writes about her slow road back to wholeness and health. In a business that doesn't accept failure, in a world where too many voices are silenced, Stone found the power to return, the courage to speak up, and the will to make a difference in the lives of men, women, and children around the globe. Over the course of these intimate pages, as candid as a personal conversation, Stone talks about her pivotal roles, her life-changing friendships, her worst disappointments, and her greatest accomplishments. She reveals how she went from a childhood of trauma and violence to a career in an industry that in many ways echoed those same assaults, under cover of money and glamour. She describes the strength and meaning she found in her children, and in her humanitarian efforts. And ultimately, she shares how she fought her way back to find not only her truth, but her family's reconciliation and love. Stone made headlines not just for her beauty and her talent, but for her candor and her refusal to "play nice," and it's those same qualities that make this memoir so powerful. *The Beauty of Living Twice* is a book for the wounded and a book for the survivors; it's a celebration of women's strength and resilience, a reckoning, and a call to activism. It is proof that it's never too late to raise your voice and speak out.

Baseball the way it should be. Colorful characters who played for the love of the game, fresh cut grass, rosin bags, and pine tar remind them what the game is all about. An insightful look at what is right with America's pastime.

Sorry Not Sorry Vintage

Thriller i højt tempo. Jule er mange ting. Hemmelig agent, atlet og social kamæleon. Imogen er rigmandsdatter, forældreløs og svindler. Et intenst venskab. Folk, der forsvinder. Et mord eller to. Forhold, der går i vasken. Fake er historien om en pige, der nægter at give folk, hvad de vil have. En pige, der nægter at være den, hun engang var.

New York Magazine Univ of California Press

The perfect gift for Brooke Shields fans, *There Was a Little Girl* explores Brooke's relationship with her unforgettable mother, Teri, in this extraordinary, heartfelt memoir that became a New York Times bestseller. Brooke Shields never had what anyone would consider an ordinary life. She was raised by her Newark-tough single mom, Teri, a woman who loved the world of show business and was often a media sensation all by herself. Brooke's iconic modeling career began by chance when she was only eleven months old, and Teri's skills as both Brooke's mother and her manager were formidable. But in private she was troubled and drank heavily. As Brooke became an adult the pair made choices and sacrifices that would affect their relationship forever. And when Brooke's own daughters were born she found that her experience as a mother was shaped in every way by the woman who raised her. But despite the many ups and downs, Brooke was by Teri's side when she died in 2012, a loving daughter until the end. Only Brooke knows the truth of the remarkable, difficult, complicated woman who was her mother. And now, in an honest, open memoir about her life growing up, Brooke will reveal stories and feelings that are relatable to anyone who has been a mother or daughter.
