It Takes A Matriarch is the second of four books about the extended Reiss and Basler families who

settled on a small farm in St. Clair County, Illinois in 1834 and 1839, respectively. It includes 780 letters saved by first generation Margaret Basler Reiss Ebert from 1852 to 1888. Some letters were phonetic English but most had to be translated from old German. Authors were Margarets siblings, their spouses, her children, their spouses, her grandchildren, and two friends. They mention serving in the Civil War, personal challenges, life in St. Louis and

Sacramento and Davenport, and the lost family fortune. One author was friends with John Wilkes Booth who shot President Lincoln. Quilter, Granger, Grandma, Matriarch was the first of these four books. It is the daily diary of third generation Katie Reiss covering 1949 through 1953. It was published first to give the reader a feel for life on the Reiss Family Farm in the German heritage of southern Illinois. Katie and husband George Reiss doubled the original

Reiss/Basler farm to its current 360 acres. Relatives gather for a reunion in June 2009 to celebrate 175 years of the ongoing existence of the Reiss Family Farm. The Reiss Dairy will be the third book. It is a history of the Reiss Dairy in Sikeston, Missouri which was founded in 1935 by third generation John Reiss. It is famous for milk bottles featuring poems created by Sikeston citizens to promote Reiss Dairy products. The best of these bottles sell on eBay for over \$200.

Family, Farming, and Freedom will be the fourth book. It is 55 years of professional and personal writings by fourth generation Irv Reiss from 1949 to 2004. His favorite subjects were family fun and travel, restoring strip mined coal lands to productive farming, and promoting individual freedoms and responsibilities. He was my dad.

Here's a book that quickly solves that thorny problem common to so many of us: What birthday gift would be perfect for that friend or loved one who has everything? The editor of The Book of

Birthday Wishes has searched international sources and found the perfect present: a treasury of heartfelt wishes for a happy birthday and good cheer throughout the rest of the year. In this volume Dr. Edward Hoffman, editor of the popular Book of Fathers' Wisdom, presents a wise and witty collection of pithy statements, advice, encouragement, loving thoughts, memories, and warm wishes from family, friends, and even foes -- all acknowledging a

birthday. The selections are drawn from the letters, memoirs, inscriptions, and cards sent by a variety of historically famous men and women, including Elizabeth Barrett Browning, F. Scott Fitzgerald, Henry Miller, Sigmund Freud, Harry Truman, George Burns, Isaac Asimov, D. H. Lawrence, Theodore Roosevelt, Virginia Woolf, and John F. Kennedy. In their wide-ranging and often inspirational ways, all of the wishes repeated here will help to celebrate

birthdays everywhere.

 The most trivial slips of
 the tongue or pen, Freud
 believed, can reveal our
 secret ambitions, worries,
 and fantasies. The
 Psychopathology of
 Everyday Life ranks
 among his most enjoyable
 works. Starting with the
 story of how he once
 forgot the name of an
 Italian painter—and how a
 young acquaintance
 mangled a quotation from
 Virgil through fears that
 his girlfriend might be

pregnant—it brings
 together a treasure trove
 of muddled memories,
 inadvertent actions, and
 verbal tangles. Amusing,
 moving, and deeply
 revealing of the
 repressed, hypocritical
 Viennese society of his
 day, Freud's dazzling
 interpretations provide
 the perfect introduction to
 psychoanalytic thinking in
 action. For more than

What a way to spend my birthday, I

thought. Ugh, thirteen. I'm a teenager." Since her adventures in The Prophesied, the newly discovered Legend Amber has learned of trouble in the Elven kingdom. In hopes of finding both the next Legend and protecting the kingdom, Amber and her best friends Mo and Tiltyr set out to visit the center city of Naor-Eldvin. This leads them deep into their next adventure in some surprising new worlds.... **Brother, I'm Dying** Troubador Publishing Ltd This volume brings our

story down to 1843, an important era in Richard Wagner's Life, with his entry, as composer, of two successful operas, upon a so-called "practical" career at one of the principal German theatres. *One Day at a Time She Writes Press* ANGEL ON ASSIGNMENT, (Volume 2) is the continuing story of the biographical experiences of a small child as told by the angel on assignment. It is sure to bring enjoyment to readers and listeners as they follow

the busy activities of the little child from her fourth birthday to the first grade. A Kansas farm in the late 1920's is the setting of the true, challenging events prompted by the child's curiosity and the determination to be rid of the identification of "baby." The angel is assisted, sometimes, by

the older couple who are raising the youngster. Seniors can relive the "good old days" as they reminisce their own childhood. Lots of detailed illustrations help to make this a fun book to read to young children. Puzzling questions and strange childish conclusions add

the touch of humor. Everyone will be pleased with reading about farm animals. Some things can even be learned about farming, gardening, preserving food and methods of household chores. ANGEL ON ASSIGNMENT is excellent, relaxing, light reading for folks of all ages.
