This Annual Tax Mess Organizer is for people who are self-employed. This organizer explains how to get on top of that paperwork quickly, so you can satisfy the IRS and get back to work. You'll learn a simple method for organizing small business receipts, and exactly what the IRS expects of a self-employed person. Depending on how big of a mess you start with, you should be ready for the tax professional in 1-4 hours. Step by step, the organizer walks you through the sorting of your own receipts, explaining what the IRS expects, helping you to get everything organized and ready for your tax preparer. No computer necessary. For those who have always done their own personal tax return, there is even a chapter on how to fill out the small business Schedule C tax form. It walks you through this form, line by line, showing you where to post all of the information

you've gathered. Self employment taxes, 1040 entries, and other deductions for the self employed are also explained.

SphinxLegal  
If you're a business owner wanting to learn more about taxes without going through boring textbooks, then keep reading... Benjamin Franklin once said that "in life, only two things are certain: death and taxes." He wasn't exaggerating about the latter. And because you must deal with taxes for as long as you live and earn money, you must get it right every time. Unlike any other infractions or violations, tax-related offenses have major repercussions. At a minimum, you will pay fines and expenses. But if your tax violations are serious, you may end up in jail. Think about this: the infamous mafia gangster boss Al Capone was indicted and sent to prison not because of his violent crimes, but because of tax violations. Hence, you must take your taxes very seriously. So, what does it take to manage your taxes successfully and avoid the

massive inconveniences associated with being flagged by the Internal Revenue Service for tax violations? There are so many answers to this question, but they can be summed up in one term: tax accounting. And that is what this book is all about. Written with non-accountant entrepreneurs in mind, this book can help you learn important tax accounting principles for ensuring optimal tax management in your business. These include: What tax accounting is. Important tax accounting guidelines. The difference between accounting and bookkeeping. How to claim tax deductions legally. How to choose the right business entity. How to manage payroll tax. Discover if you need an S corporation or a C corporation. And much, much more! By the time you're finished with this book, you'll be armed with sufficient knowledge to ensure proper management of your businesses' income taxes. And while you can never avoid taxes, what you'll learn here can make you and the IRS the best of friends. So, grab your copy of this book now and

start your journey towards optimal tax management for your small business. *Small Business Taxes For Dummies* One More Press TAKE CARE OF YOUR TAXES, BEFORE THEY TAKE CARE OF YOU In a direct and easy-to-use style, the Savvy Savings Guide series offers great financial advice for both your personal and professional life. With each new book, you'll learn how to earn more, spend less, and save for important events such as retirement and your child's college education. From paying less on your taxes to starting a small business the Savvy Savings Guide series will help you save money and succeed! *Small Business Tax Secrets* addresses a variety of tax issues that every small business must face. Here's how to: \*

- \* Avoid costly tax mistakes and missed opportunities
- \* Navigate the details of the new tax laws and IRS rules
- \* Increase your knowledge of deductible expenses
- \* Keep your records up to IRS standards
- \* Organize and run a small business for maximum tax benefits
- \* Make filing easy by utilizing sample tax forms

The J.K. Lasser Institute is the leading publisher of money and business

Tax-Free Wealth is about tax planning concepts. It's about how to use your country's tax laws to your benefit. In this book, Tom Wheelwright will tell you how the tax laws work. And how they are designed to reduce your taxes, not to increase your taxes. Once you understand this basic principle, you no longer need to be afraid of the tax laws. They are there to help you and your business—not to hinder you. Once you understand the basic principles of tax reduction, you can begin, immediately, reducing your taxes. Eventually, you may even be able to legally eliminate your income taxes and drastically reduce your other taxes. Once you do that, you can live a life of Tax-Free Wealth.

**Tax savvy for small business** IntroBooks  
Create a business tax strategy that will save you time, energy, and money  
Getting your tax matters on track will free up your

time to do what really counts: run a profitable business. *Tax Savvy for Small Business* shows you how to: deduct operating expenses deduct travel, vehicle, and meal expenses take advantage of tax credits write off long-term assets compare business structures keep solid business records, and handle an IRS audit. Minimize your taxes and maximize your refund with this expert guide to

your small business tax return Taxes remain one of the biggest headaches and costs for small businesses around the United States. J.K. Lasser's *Small Business Taxes 2021* delivers an approachable but expert guide in legally limiting your tax liabilities while maximizing your deductions and credits. You'll be in great hands as Barbara Weltman – attorney, expert, and author – shows you what tax relief is available to you and how to claim it. You'll discover how to: Make tax-savvy business decisions Take advantage of COVID-19-related tax breaks Pick the right forms to claim available deductions and credits Use legal and effective tax strategies to minimize your taxes payable Use sample forms and checklists to get organized Keep the right records in case the IRS comes calling Whether you're filing your small business' taxes or you work with a tax professional, J.K. Lasser's *Small Business Taxes 2021* will walk you through the tax process for 2020 returns and tax planning for 2021 to optimize your tax savings and minimize your audit exposure.

*Small Business Taxes Made Easy, Second Edition* Nolo  
The Tax Rules Have Changed. Your Business Should, Too. The Tax Cut and Jobs Act of 2017 marks the biggest tax reform in more than 30 years. The changes to the tax code are complex (especially for the small-business owner), but you don't have to go it alone. CPA and Attorney Mark J. Kohler delivers a comprehensive analysis of the new tax and legal structure you desperately need to help make the new tax law work for you. In this revised edition of *The Tax and Legal Playbook*, Kohler reveals clear-cut truths about tax and legal planning and delivers a practical, play-by-play guide that helps you build wealth, save on taxes, and protect your assets. Using real-world case studies, tax-savvy tips, game plans, and discussion points, Kohler coaches you through the complexities of the tax game of the small-business owner. You'll also learn how to: Examine your business needs and pick the right business entity for you Build your personal and corporate credit in eight steps Implement affordable asset

protection strategies Take advantage of underutilized business tax deductions Pick the right health-care, retirement, and estate plans Bring on partners and investors the right way Plan for your future with self-directed retirement funds Reading from cover to cover or refer to each chapter as needed, you will come away wiser and better equipped to make the best decisions for your business, your family, and yourself.

*Tax Savvy for Small Business* John Wiley & Sons

NEVER MISS ANOTHER TAX DEDUCTION No matter how good a tax preparer is, if an independent contractor does not provide all of the necessary information, that tax return will be wrong. And, they will either pay too much tax or fail an IRS tax audit, if selected. Do *My Business Taxes Please* will help to insure that you don't overlook important information. It was designed for tax professionals and their self-employed clients to use as a tax preparation tool. This organizer shows you how to document your business activities, as well as self-employment income and

expenses. It requires no computer, special math or bookkeeping skills, and includes all of the forms necessary for tracking a year's worth of income and expenses. Learn how to grow your business on pre-tax dollars by understanding exactly what the IRS expects of the independent contractor. Written in easy-to-understand terms, this organizer will work for any self-employed individual. And, once it's filled it out, it will contain everything necessary for filing a Schedule C tax return. Simple forms have been included for tracking income, inventory, and expenses in a manner that will satisfy both the IRS and those tax professionals working to prepare Schedule C tax returns. Space has been provided for the entry of information needed for home office deductions, vehicle expenses, end-of-year inventory, mileage documentation, and other important tax data.
