Publishing Platform  
Keeping a faithful prayer  
life with your family isn't  
easy. From herding  
distracted children to  
managing the seemingly  
endless litany of prayers  
and devotions, our  
spiritual life all too often  
feels frantic and  
burdensome. This isn't the  
way it should be. Our  
prayer life, our family life,  
and our work life should  
— and can! — be in  
harmony. When they are,  
our family is a  
powerhouse of grace, and  
Our Lord transforms our  
home into a little Eden —  
a little bit of heaven on  
earth. With simplicity and  
holy wisdom, authors  
David Clayton and Leila  
Marie Lawler show you  
how to bring peace to  
your home by integrating  
your family into the calm,  
truly joyful way of Mother  
Church. Her feasts and  
seasons, prayers and  
devotions are gifts that  
draw us closer to God and  
unfold before us His  
marvelous plan of

salvation. To help you live  
the liturgical life of the  
Church more fully, David  
and Leila reclaim here an  
almost lost tradition that  
families used for centuries  
to build a beautiful bridge  
between home and  
church: the little oratory.  
Consisting of a modest  
table and icons, the little  
oratory is a visible sign of  
spiritual awareness and  
devotion. It extends the  
Eucharistic worship of the  
Mass into the heart of  
your home, spiritually  
nourishing your family  
and preparing them to  
transform the world  
through prayer and  
charity. Building your own  
little oratory is simple,  
and in these pages you'll  
discover just how easy it  
is. In fact, you likely have  
most of the pieces in your  
home already except,  
perhaps, the sacred art.  
That's why we've included  
here seven full-colored  
icons that are ready for  
framing, enabling you to  
get started right away! By  
following the wise advice  
in this book, you'll  
discover the peace and  
love that flows from a  
home that is focused on  
Christ. You'll also learn . .  
. . How to use sacred art to  
strengthen your prayer  
life. How to extend

Catholic beliefs and  
devotions into every room  
of the house. Why the  
Liturgy of the Hours is  
important and how it can  
make your family holy.  
How to pray the Rosary  
with children and keep  
the rowdiest of them calm  
and reverent. The active  
role children can and  
should play in the prayer  
life of the family. What to  
do when only one parent  
takes the spiritual life  
seriously. How to  
overcome the feeling that  
you're too busy to pray.  
Practical ways to extend  
the liturgical life into your  
workplace. And countless  
other tips to help you  
practice your faith in the  
heart of your home. Scott  
Hahn "This is one of the  
most beautiful books I've  
ever seen. How I wish I'd  
had it when I first became  
a Catholic, not just for  
myself, as a husband and  
father, but for my family,  
too. If one book has the  
potential to transform the  
Catholic family (and  
society), this is it."  
Thomas Howard "This  
book is a rare treasure."  
Christopher West "A  
superb guide to making  
that encounter of thirsts a  
lived experience in the  
home." Daria Sockey,  
author of The Everyday

Catholic's Guide to the Liturgy of the Hours "The Little Oratory will help you discover a pattern of daily prayer that truly fits your family life while creating a place of beauty in the heart of your home."

Andreas Widmer, author of *The Pope and the CEO* "An indispensable resource for anyone seeking to make their home a breeding ground for holiness." Elizabeth Foss, Founder, *In the Heart of My Home* "Leila Lawler and David Clayton offer wisdom and grace to Catholics seeking to make their homes a holy shelter." Joseph Pearce, Editor of *The St. Austin Review* "Wonderful, inspiring, and deeply practical." Stratford Caldecott, an Editor of *Magnificat UK* "A great blessing to Catholic families." Father Robert Reed, President, CatholicTV Network "A perfect guide for any family who strives to make their home a place to experience the majesty and beauty of the Divine." [Grace Bible Study Participant's Guide](#) [ReadHowYouWant.com](#) "Chester shows us how we become great pray-ers who pray great prayers simply through knowing three foundational truths about God: God the

Father loves to hear us pray, God the Son makes every prayer pleasing, God the Holy Spirit helps us as we pray. When these truths are in place, we discover why prayer is easy, why prayer is difficult, and the arguments and priorities of prayer. Prayer is like a child's asking her father for help--and that's not beyond any of us. Here you will find the grace and encouragement to talk with your heavenly Father every day."--Publisher description.

*Beginner's Grace*  
Crossway

A new edition of the classic that helped launch the Centering Prayer movement. Centering Prayer is a precious part of the ancient spiritual traditions of the West. When *Finding Grace at the Center* was first published in 1978, people all over the world welcomed this practical guide to a simple and beautiful form of meditative prayer. Reflections and advice on Centering Prayer's possibilities--and its pitfalls--are presented with clarity and simplicity, with a vision of the deeper life of the soul that contemplative prayer can bring about. Now, with a new foreword by Rev.

Cynthia Bourgeault, PhD, another generation will discover the amazing difference Centering Prayer can make in their lives.

*John Monarch Books*

Prayer is a crucial part of the Christian life, and believers must give it careful attention and cultivation. As they pray, Christians exercise their faith in repentance, in submission to God's will, and in praise to God. Believers in Christ, then, must grow in their prayer life—in their communion with God. In this pamphlet, Joel R. Beeke gives readers helpful, practical ways to improve their prayer lives by first disciplining themselves, in dependence on the Holy Spirit, and by then taking hold of God. Learn what a blessing it is to pray!  
Table of Contents: Take Inventory of Your Prayer Life Take Hold of Yourself Take Hold Of God Series Description D. Martyn Lloyd-Jones once said that what the church needs to do most all is "to begin herself to live the Christian life. If she did that, men and women would be crowding into our buildings. They would say, 'What is the secret of this?'" As Christians, one of our greatest needs is for the Spirit of God to

cultivate biblical godliness in us in order to put the beauty of Christ on display through us, all to the glory of the triune God. With this goal in mind, this series of booklets treats matters vital to Christian experience at a basic level. Each booklet addresses a specific question in order to inform the mind, warm the affections, and transform the whole person by the Spirit's grace, so that the church may adorn the doctrine of God our Savior in all things.

Writing in the beautiful, funny, honest narrative style that moved and inspired readers of her first book, *Here If You Need Me*, Kate Braestrup explains what prayer is and the many ways we can pray. With an approach that is both personal and inclusive, *Beginner's Grace* is a new kind of prayer book. She provides clear models and practical suggestions for making your own and your family's prayers meaningful and satisfying, and offers prayers for situations in which words might fail: times of

anxiety, helplessness, or grief. And she invites you to explore forms of prayer that extend into the wider community, including prayer with and for people we don't like or with whom we disagree.

Explore this stunning quality of God's grace: It never ends! In this revision of a foundational work, John Piper reveals how grace is not only God's undeserved gift to us in the past, but also God's power to make good happen for us today, tomorrow, and forever. True life for the follower of Jesus really is a moment-by-moment trust that God is dependable and fulfills his promises. This is living by faith in future grace, which provides God's mercy, provision, and wisdom—everything we need—to accomplish his good plans for us. In *Future Grace*, chapter by chapter—one for each day of the month—Piper reveals how cherishing the promises of God helps break the power of persistent sin issues like anxiety, despondency, greed, lust, bitterness, impatience, pride, misplaced shame, and more. Ultimate joy, peace,

and hope in life and death are found in a confident, continual awareness of the reality of future grace.

Saying grace at mealtime is a time-honored tradition for many families and a newfound source of spiritual connection for others. Whether you're a master at giving the blessing or fairly new to this sacred art, *Graces* will bring inspiration to your meals and special gatherings. Seeing the need for such inspiration at her family's table, June Cotner compiled a notebook of poems, prayers, and songs that she solicited from friends, strangers, family members, and ministers. She has turned her family's well-worn notebook into this elegantly packaged edition, which will complement your finest table settings. Arranged by thirteen themes, this beautiful gift book contains poems, prayers, songs, invocations, and

salutations by figures as diverse as Leunig and Browning, Emerson and Starhawk, Kahlil Gibran and Schweitzer. Whether you need a Sanskrit Salutation to the Dawn, a Gaelic Blessing, or ancient Chinese Prayer, *Graces* offers fitting words for every occasion. Having a collection of original, traditional, and multicultural blessings makes it easy to share wisdom and insight with family and friends before meals or at special gatherings. The graces compiled here have been used by people of all religions beliefs, and special attention was given to how easily the words can be spoken by both adults and children. Life is full of occasions when it seems appropriate to say grace. *Graces* contains 133 prayers, poems, and blessings that span the centuries and draw from many traditions. Bring spiritual focus to your meals by bringing *Graces* to your table.

Some may think that the point of prayer is to get our own way with extra-terrestrial help, or to save us from facing the problems of life, or to

provide an escape from 'reality', or to give an emotional uplift that makes you feel good. Some may think that prayer is a way of expanding our consciousness which is achieved by our own discipline and personal effort at self-improvement. These are caricatures of what Christian prayer really is. There may be a strand of truth in some of them, but they miss the real point of prayer.

When you read detective stories, you quickly learn that what may look like an irrelevant little detail may actually be the clue to solving the mystery. A good writer will put in all kinds of detail; nothing is there by accident. Nothing in John's Gospel is there by accident either. And all the details in John are designed ultimately to come together. In these studies we discover the clues John gives that we might see even more clearly the reality of who Jesus is, the new creation he inaugurates and the difference that all makes.

**Future Grace, Revised Edition** Loyola Press

The Christian life is built on three seemingly unremarkable practices: reading the Bible, prayer, and fellowship with other

believers. However, according to David Mathis, such "habits of grace" are the God-designed channels through which his glorious grace flows—making them life-giving practices for all Christians. Whether it's hearing God's voice (the Word), having his ear (prayer), or participating in his body (fellowship), such spiritual rhythms of the Christian life have the power to awaken our souls to God's glory and stir our hearts for lifelong service in his name. What's more, these seemingly simple practices grant us access to a host of spiritual blessings that we can only begin to imagine this side of eternity—and the incredible joy that such blessings bring to God's children today.
