The Truest Thing Simon and Schuster
 Nine years ago, Emery Saunders moved to Hartwell to start her life over as a bookstore owner. Her inability to trust people made it hard for her to find a place in the small community until Jessica Lawson moved to town and befriended the shy beauty. But there was one person in Hartwell who tried to befriend Emery long before Jessica arrived ... Jack Devlin has his secrets. One of them is that he fell hard for Emery the moment she appeared in Hartwell. Another is that his father blackmailed him into covering up a dark family tragedy. It forced Jack to sever his relationships to protect the people he

cared about. Yet, staying away from Emery has not been easy throughout the years and he hasn't always succeeded. When Jack's mixed signals hurt Emery once again, she puts him out of her heart for good. Until the Devlin family secret is finally revealed, freeing Jack from his father's machinations. What Jack wants more than anything is to repair his relationships, starting with Emery. However, Emery isn't ready to forgive and Jack's not ready to give up. And when the town's latest scandal ties Jack and Emery together, Jack is not above using their new reality to prove to Emery once and for all that their love is worthy of the legend of Hart's Boardwalk.

I wrote **The Truest Story Ever Lived** after hearing a sermon at church one Sunday morning. The preacher used what he felt were the most significant verses from the

Bible to reveal the entire Bible from Genesis to Revelation. Using the verses he had selected as my guideline, I wrote my condensed version of what I feel is The Truest Story Ever Lived from the Creation of the world through the Crucifixion, Death, and Resurrection of Christ Jesus, then on to the hope of the new heaven and new earth. It is my hope that my humble version would bring glory to God as well as bring those who don't know Christ yet closer to Him. And those who do know the precious hope we have in our eternal life with Jesus will be reminded once again of what a true blessing that hope is.

Ginny, who marries Tom at the turn of the century after her family has given up on her ever marrying, narrates THE TRUEST PLEASURE--the story of their life together on her father's farm in the western North Carolina mountains. They have a lot in common--love of the land and fathers who fought in the Civil War. Tom's father died in the war, but Ginny's father came back to western North Carolina to hold on to the farm and turn a profit. Ginny's was a childhood of relative security, Tom's one of landlessness. Truth be known--and they both know it--their marriage is mutually beneficial in purely practical terms. Tom wants land to call his own. Ginny knows she can't manage her aging father's farm by herself. But there is also mutual attraction, and indeed their "loving" is deeply gratifying. What keeps getting in the way of it, though, are their obsessions. Tom Powell's obsession is easy to understand. He's a workaholic who hoards time and money. Ginny is obsessed by Pentecostal preaching. That she loses control of her dignity, that she speaks "in tongues," that she is "saved," seem to her a blessing and to Tom a disgrace. It's not until Tom lies unconscious and at the mercy of a disease for which the mountain doctor has no cure that Ginny realizes her truest pleasure is her love for her husband. Like COLD MOUNTAIN, the time and place of THE TRUEST PLEASURE are remote from contemporary American life, but its rendering of the nature of marriage is timeless and universal. Praise for THE TRUEST PLEASURE: "Marvelously vivid imagery. . . . a quietly audacious book."--The New York Times Book Review; "Morgan deeply understands these people and their world, and he writes about them with an authority usually associated with the great novelists of the last century. . . .

A breathtaking debut brings us the unforgettable story of a small-town love, big dreams, and family drama. Silas Hart has seriously shaken up Westlin Beck's small-town life. Brand-new to town, Silas is different from the guys in Green Lake. He's curious, poetic, philosophical, maddening—and really, really cute. But Silas has a sister—and she has a secret. And West has a boyfriend. And life in Green Lake is about to change forever. Truest is a stunning, addictive debut. Romantic, fun, tender, and satisfying, it asks as many questions as it answers. Perfect for fans of *The Fault in Our Stars* and *Ten Things We Did (and Probably Shouldn't Have)*.

This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. This book explores the pervasive influence of pacifism on Victorian feminism. It provides an account of Victorian women who campaigned for peace, and of the many feminists who incorporated pacifist ideas into their writing on women and gender. The book explores feminists' ideas about the role of women within the empire, their eligibility for citizenship, and their ability to act as moral guardians in public life. It shows that such ideas made use - in varying ways - of gendered understandings of the role of force and the relevance of arbitration and other pacifist strategies. The book examines the work of a wide range of individuals and organisations, from well-known feminists such as Lydia Becker, Josephine Butler and Millicent Garrett Fawcett to lesser-known figures such as the Quaker pacifists Ellen Robinson and Priscilla Peckover.

Kelly Flanagan is a psychologist, father, and blogger who is best known for the letters he has written to his children on his blog, one of which landed him on The Today Show with his four-year-old daughter. In *Loveable*, Flanagan answers three fundamental human questions: Am I enough? How do I become unlonely? Do I matter? He shows us how to rediscover our worthiness and remember that we are good enough. He encourages us to shed the false self that keeps us lonely and to find people who accept us as we are. And he inspires us to fully embrace our passions, regardless of how ordinary those passions may be. Reading like an extended love letter to readers, *Loveable* uncovers three essential truths: you are enough, you are not alone, and you matter. Flanagan invites us to disconnect

from the distractions and demands of daily life and to listen more intently for the voice of grace within each of us, so we might fully awaken to the redemptive story we are here to live.

My book contains poetry I have written in high school up until now. It also contains journal passages, my truest thoughts, fears, and unconditional feelings for the

people in my lifepast, present, and hopefully futuristically. Many people were a part of my writing because they were in my life through the happy times and also the sad times. They helped me through motivation, and inspiration. My book shows what I've been through mentally, physically, and emotionally. I feel the readers will feel my every emotion as he/she reads my thoughts. My book reveals my truest and deepest thoughts. Its filled with my poetry that I've written in high school up until now. It also has things I've been through as far as my dating after my separation from my husband to realizing its not bad being alone to love myself before trying to be with someone else. As well as finding friendships that will last a lifetime
