It's boring, not arranged into topics, plus there's pages and pages of words you'll hardly ever use. The Secret to Increasing Vocabulary Quickly: Being selective and learning practical words is the key to expanding vocabulary. The tricky part is finding these words, until now the best way was to hand pick them from dictionaries - but this takes time and effort. Imagine instead of searching for useful words they were just presented

in front of you - so you could spend time simply learning them. Removing all the fluff from dictionaries and only studying words you'll use majority of the time. Wouldn't that be great? Fortunately, this is exactly what you're going to learn in this book. We have compiled a list of over 1300 practical everyday spoken Vietnamese words. The 90 day plan to rapidly scaling your vocabulary and breaking through Vietnamese fluency. Compiled list of 1300+ most essential words in Vietnamese, including example sentences in context and pronunciation breakdown. The bullet proof method to making vocabulary stick like glue. Even if you

have terrible memory, you'll find it hard to forget words. Logical vocabulary topics, starting with the most commonly used first. From the very beginning you'll start putting these to use. Learn practical words that skyrocket your comprehension - taking you from just nodding along to understanding full sentences, with ease. And much, much more... We broke our new series on learning Vietnamese down into different learning stages. Start with the "Lower Beginner" books followed by the "Beginner" and "Upper Beginner" books. Next, progress to the "Intermediate" series, then test and reinforce your knowledge with the "Conversations" series. Our experienced educators and speakers possess the linguistic

skills to help you understand and speak Vietnamese clearly. We are very proud to have developed a product that truly helps you learn Vietnamese quickly and easily, anytime and anywhere. This audiobook is divided into units. While it provides different learning patterns and accommodates various needs, this audiobook focuses on helping you improve your ability to understand, speak, and memorise Vietnamese. The sample will give you a taste of what you can look forward to. In Unit 1 you will hear Vietnamese decoded with each syllable spoken very slowly and clearly with repetition. Immediately before each sentence is spoken, you will hear the translation, so you will always understand what is being said. Unit 2 focuses solely on increasing your listening ability, which will improve your abilities to engage in dialogue with a native Vietnamese speaker. This chapter requires you to listen very carefully to nuances in the language. By Unit 3 you will already notice progress in your abilities to speak and understand Vietnamese. The spoken translation is followed by two repetitions in

Vietnamese at a completely natural speed. While you are learning to process naturally spoken Vietnamese, Units 3 and 4 will help you memorise new vocabulary and full sentences. In Unit 5 you can test yourself on how much you have learned. If you are having difficulties, we suggest you revisit the listening, speaking, or memorisation section of Units 1, 2 3 or 4, according to what you need more help with. We developed our audiobooks to enable you to learn without an eBook. This gives you the opportunity to advance your Vietnamese language skills anywhere whether you're on the go or waiting around. As the audiobook is neatly arranged into many sub-units, it is also very practical for educators to navigate and use in classrooms or any time sensitive learning environment. Topics covered in this 2 part series: Part 1: - Greetings - Asking personal information - Asking about people or things - Talking about food - Talking about the current time and date Part 2: - Talking about the location of things - Describing things - Likes and dislikes - Talking about abilities - Talking

about appearance - Talking about personality - Talking about the weather - Talking about the house (rooms and furniture)

This beautifully illustrated and emotional story is an evocative memoir about the search for a better future and a longing for the past. Exploring the anguish of immigration and the lasting effects that displacement has on a child and her family, Bui documents the story of her family's daring escape after the fall of South Vietnam in the 1970s, and the difficulties they faced building new lives for themselves. At the heart of Bui's story is a universal struggle: While adjusting to life as a first-time mother, she ultimately discovers what

it means to be a parent—the endless sacrifices, the unnoticed gestures, and the depths of unspoken love. Despite how impossible it seems to take on the simultaneous roles of both parent and child, Bui pushes through. With haunting, poetic writing and breathtaking art, she examines the strength of family, the importance of identity, and the meaning of home. In what Pulitzer Prize-winning novelist Viet Thanh Nguyen calls “a book to break your heart and heal it,” *The Best We Could Do* brings to life Thi Bui’s journey of understanding, and provides inspiration to all of those who search for a better future while longing for a simpler past.
