In the footsteps of
Ingardeniana II, this
volume marks the 20th
anniversary of Roman
Ingarden's death,
partly focusing upon
his thought, partly
bringing his aesthetics
into the present-day
framework of research.

It might have appeared
puzzling to the
followers of our
Analecta Husserliana
why within the original
horizon encircled by
the research work of
our International
Society of
Phenomenology and
Literatur- whose
research work is
devised in a
diametrically opposed
direction to that of
Roman Ingarden -
there is steadfastly
running through our

discussions a line of Ingardenian reflection. The reason, as I have pointed out in the introduction to *Ingardeniana II*, expertly edited by Hans Rudnik, is clear: Ingarden's analysis of the intentional structures of works of art offers in its distinct and clear-cut forms an 'objective' correlate - as well as a point of reference - to the vast conundrum of issues concerning the creative endeavor of the writer, poet, artist in their struggle to endow life with its specifically human significance; a conundrum that in our research we are trying to disentangle-elucidating its mysterious ramifications, their sources and dynamic virtualities. As a matter

of fact, Ingarden's thought, newly interpreted and originally expanded, occupies a legitimate place in the present collection. We find here, in the first place, an original expansion of Ingarden's aesthetic theory in the monograph of Iadwiga Smith followed by the essays of Wadaw Osadnik, Yushiro Takei and Charles Rzepka.

The Cambridge Companion to Sam Shepard Springer
New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to

theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

NEW YORK TIMES

EDITORS' CHOICE • A

revelatory biography of the world-famous playwright and actor Sam Shepard, whose

work was matched by his equally dramatic life, including collaborations with the Rolling Stones and Bob Dylan as well as tumultuous relationships with Patti Smith, Joni Mitchell, and Jessica Lange "What [True West] achieves in its finest pages is placing the artist in his time. . . . I was filled with excitement, envy and reverence for the New York City that embraced the young Shepard in the 1960s and early '70s."—Ethan Hawke, *The Washington Post* True West: Sam Shepard's Life, Work, and Times is the story of an American icon, a lasting portrait of Sam Shepard as he really was, revealed by those who knew him best. This sweeping

biography charts Shepard's long and complicated journey from a small town in Southern California to become an internationally known playwright and movie star. The only son of an alcoholic father, Shepard crafted a public persona as an authentic American archetype: the loner, the cowboy, the drifter, the stranger in a strange land. Despite his great critical and financial success, he seemed, like so many of his characters, to remain perpetually dispossessed. Much like Robert Greenfield's biographies of Jerry Garcia and Timothy Leary, this book delves deeply into Shepard's life as well as the ways in which his work illuminates it. True West takes readers

through the world of downtown theater in Lower Manhattan in the early sixties; the jazz scene at New York's Village Gate; fringe theater in London in the seventies; Bob Dylan's legendary Rolling Thunder tour; the making of classic films like *Zabriskie Point*, *Days of Heaven*, and *The Right Stuff*; and Broadway productions of *Buried Child*, *True West*, and *Fool for Love*. For this definitive biography, Greenfield interviewed dozens of people who knew Shepard well, many of whom had never before spoken on the record about him. While exploring his relationships with Patti Smith, Bob Dylan, Joni Mitchell, and Jessica Lange across the long arc of his brilliant

career, Greenfield makes the case for Shepard as not just a great American writer but a unique figure who first brought the sensibility of rock 'n' roll to theater.

True West

Few American playwrights have exerted as much influence on the contemporary stage as Sam Shepard. His plays are performed on and off Broadway and in all the major regional American theatres. They are also widely performed and studied in Europe, particularly in Britain, Germany and France, finding both a popular and

scholarly audience. In this collection of seventeen original essays, American and European authors from different professional and academic backgrounds explore the various aspects of Shepard's career - his plays, poetry, music, fiction, acting, directing and film work. The volume covers the major plays, including *Curse of the Starving Class*, *Buried Child*, and *True West*, as well as other lesser known but vitally important works. A thorough chronology of Shepard's life and career, together with biographical chapters, a note from the legendary Joseph Chaikin, and an interview with the playwright, give a fascinating first-hand account of an exuberant and

experimental personality.

New York Magazine

With a wealth of papers in its pages, this book examines that fundamental of human philosophy, the relationship between human beings and time. Having the human subject – the creator – at its center, literature is essentially engaged in temporality whether that of the mind or of the world of life through the creative process of writing, stage directing, or the reader's and viewer's reception. This text examines, among others, the work of Proust and Kafka.

Choice

Presents seven dark works by American playwright Sam Shepard, which span 1968-1981 and deal

with such themes as family disturbances and the loss of American myths. *New York Magazine* New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country.
