Politics Is for Power

Decorate-Redecorate

The beloved bestselling author of *Here for It* returns with an all-new collection of heartening, deeply relatable, and laugh-out-loud essays about what happens after happily ever after.

"Funny, insightful, and hopeful . . . a profound meditation on what it means to come home, and on finding your way again after the chaos of life takes you off your path."—John Paul Brammer, author of *¡Hola Papi!* After going viral "reading" the chaotic political news, having one-too-many awkward social encounters, and coming to terms with his intersecting identities, R. Eric Thomas finally knew who he was and where he was going. He was living his best life. But then everything changed. In this collection of insightful and hilarious essays, Thomas moves back to his perpetually misunderstood hometown of Baltimore (a place he never wanted to return,

even to be buried) and behaving completely out of character. They say you can't go home again, but what if you and home have changed beyond recognition? From attending his twenty-year high school reunion and discovering another person's face on his name badge, to splattering an urgent care room with blood à la *The Shining*, to being terrorized by a plague of gay frogs who've overtaken his backyard, Thomas provides the nitty, and sometimes the gritty, details of wrestling with the life he thought he'd left behind while trying to establish a new one. With wit, heart, and hope for the future, *Congratulations, The Best Is Over!* is the not-so-gentle reminder we all need that even when life doesn't go according to plan, we can still find our way back home.

Buying a home is stressful and full of details and tasks that must be completed-on time. Missing a deadline or forgetting an important piece of information can delay, prevent or destroy

an entire deal. The missed detail can also cost hundreds of dollars and endless heartache. The *Essential Home Buyer's Checklists* provides someone looking for their new home a handy reference to make sure all their bases are covered. Each checklist is followed by subsequent pages that supply explanations, pros and cons and additional considerations. Just a few of the checklist topics include: --Deciding how much house you can afford --Deciding what features you want in a home --Working with a real estate agent -- Working with a contractor/construction company --Shopping FSBO (For Sale by Owner) properties --Comparing houses --Preparing an offer --The final walk-through tour with the prior owner --Packing, discarding, storing -- Moving

Fred Rogers was one of the most radical pacifists of contemporary history. We do not usually think of him as radical, partly because he wore colorful, soft sweaters made by his mother. Nor do we usually imagine him as a pacifist; that adjective seems way too political to describe the host of a children's

program known for its focus on feelings. We have restricted Fred Rogers to the realm of entertainment, children, and feelings, and we've ripped him out of his political and religious context. Rogers was an ordained Presbyterian minister, and although he rarely shared his religious convictions on his program, he fervently believed in a God who accepts us as we are and who desires a world marked by peace and wholeness. With this progressive spirituality as his inspiration, Rogers used his children's program as a platform for sharing countercultural beliefs about caring nonviolently for one another, animals, and the earth. To critics who dared call him "namby-pamby," Rogers said, "Only people who take the time to see our work can begin to understand the depth of it." This is the invitation of Peaceful Neighbor, to see and understand Rogers's convictions and their expression through his program. Mister Rogers' Neighborhood, it turns out, is far from sappy, sentimental, and shallow; it's a sharp political response to a civil and political society poised to

kill.
