From the #1

New York
Times
bestselling
author of the
Reckoners
series, Words
of Radiance,
and the
Mistborn
trilogy comes
the first book
in an epic new

series about a
girl who
dreams of
becoming a
pilot in a
dangerous
world at war
for humanity's
future.
Spensa's
world has
been under

attack for decades. Now pilots are the heroes of what's left of the human race, and becoming one has always been Spensa's dream. Since she was a little girl, she has imagined soaring skyward and proving her bravery. But her fate is intertwined with her father's--a pilot himself who was killed years ago when he abruptly deserted his team, leaving Spensa's chances of attending

flight school at slim to none. No one will let Spensa forget what her father did, yet fate works in mysterious ways. Flight school might be a long shot, but she is determined to fly. And an accidental discovery in a long-forgotten cavern might just provide her with a way to claim the stars. And don't miss the #1 New York Times bestselling sequel, Starsight! "[A] nonstop, highflying opener." -- Kirkus

Reviews, starred review "With this action-packed trilogy opener, Sanderson offers up a resourceful, fearless heroine and a memorable cast." -- Publishers Weekly, starred review "Sanderson delivers a cinematic adventure that explores the defining aspects of the individual versus the society. . . . Fans of Sanderson will not be disappointed." --SLJ "It is impossible to turn the pages

<p>fast enough." - -Booklist <i>SCUM</i> <i>Manifesto</i> Beacon Press An Improper Situation treats you to a trip out west followed by an exciting, sometimes downright dangerous, visit to Beacon Hill in Victorian Boston. How could a well- bred, intelligent woman not want two adorable children? That's what attorney Reed Malloy asks himself after an exhausting train ride from Boston to a</p>	<p>dusty Colorado town with two orphans in tow. He's not prepared for Miss Charlotte Sanborn, who wears her independence like a suit of armor, cloaks her identity behind her pen name, and flat out refuses to raise her kin! Of all the gall! How dare this man stride into her home and expect her to rearrange her life? Charlotte won't risk any more heartache. After watching her parents die of cholera,</p>	<p>she raised her brother by herself until he left. It's her time to enjoy some peace- and use her new typewriter! So why do these children and this handsome stranger awaken a yearning for something more than the life she has painstakingly created? One letter changes everything... When Charlotte forsakes all that's familiar and enters Reed's world of Boston high society, concealed malice</p>
--	--	--

abounds in the glittering Beacon Hill mansions. Facing sinister forces and scorned women-and with passions ablaze-can Reed and Charlotte escape an Improper Situation? An Improper Situation is Book 1 in the Victorian-American series Defiant Hearts. Engaging characters, attention to period detail, and sensual romance-you'll find it all in this series by highly acclaimed

writer Sydney Jane Baily. "...the ending was perfect... Many wonderful characters including nasty villains and villainesses. I had a hard time putting it down!" ~ Lady McNeill, Mrs. Condit, & Friends Read Books "Delicately crafted, deliciously told. A book that transports you to a time and place from which you won't want to return." ~ Award-winning, bestselling

author, MarliSS Melton Defiant Desire Ten Speed Press There would be no Moses, no crossing of the Red Sea, no story of breaking the chains of slavery if it weren't for the women in the Exodus narrative. Women on both sides of the Nile exhibited a subversive strength resisting Pharaoh and leading an entire people to freedom. Defiant explores how the Exodus women

summoned their courage, harnessed their intelligence, and gathered their resources to enact justice in many small ways and overturned an empire. Women find themselves in similar circumstances today. The Women's March stirred the conscience of a nation and prompted women to organize with and for their neighbors, it is worth reflecting on the resistance literature of

Exodus and what it has to offer women. Defiant is about the deep work women do to create conditions for liberation in their church, community, and country. The women of Exodus defied Pharaoh, raised Moses, and plundered Egypt. We are invited to consider what the midwives, mothers of Moses, Miriam, Zipporah and her sisters demonstrate under the oppressive regime of Pharaoh and

what it might unlock for us as we imagine our mandate under modern systems of injustice. Kelley Nikondeha presents a fresh paradigm for women, highlighting a biblical mandate to join the liberation work in our world. Women's work involves more than tending to our own family and home. According to Exodus, it moves us beyond the domestic territory and

into relationship with women across the river, confronting injustice and working to liberate our neighborhood s so all mothers and children are free.

Nikondeha calls women to continue to be active agents in heralding liberation as we organize and march together for one another's freedom.

What are You Doing Here?

Routledge This book tells the story of

five Irish women who were unusual in a variety of ways - mostly because of their ruthlessness, political cunning or merely because they rebelled violently against the repressive mores of their times. These five women - Aoibheall the Banshee, Máire Rua McMahan, Lady Betty, Moll Shaughnessy and Alice Kyteler - each have their distinct place in history. Eddie Lenihan,

in telling the stories of their lives and the legends that grew up around them, ensures that we will not forget the prominent part played by these women in our Irish heritage.

The Defiant Heir Hachette UK

The darling of the Roman Empire is in for the fight of her life in this lush sequel to the acclaimed historical fantasy The Valiant. Be brave, gladiatrix... And be wary. Once you win Caesar's love,

you'll earn his enemies' hate. Fallon was warned. Now she is about to pay the price for winning the love of the Roman people as Caesar's victorious gladiatrix. In this highly anticipated sequel to THE VALIANT, Fallon and her warrior sisters find themselves thrust into a vicious conflict with a rival gladiator academy, one that will threaten not only Fallon's heart - and her love for Roman soldier Cai - but the

very heart of the ancient Roman Empire. When dark treachery and vicious power struggles threaten her hard-won freedom, the only thing that might help the girl known as Victrix save herself and her sisters is a tribe of long-forgotten mythic Amazon warriors. The only trouble is, they might just kill her themselves first. *Defiant Gardens* NYU Press
A political scion and her

magically bound fire warlock undertake diplomacy and espionage to prevent a war in the second book of a spellbinding fantasy trilogy from David Gemmell Award-nominated author Melissa Caruso. Across the border, the Witch Lords of Vaskandar are preparing for war. But before an invasion can begin, the seventeen Witch Lords must convene at a rare gathering to decide a

course of
action. Lady

 Charged with
 a crime they
 didn't commit,
 the MacKinnon
 brothers faced
 a death
 sentence until
 they agreed to
 serve the
 British Crown
 in the colonies
 and take up
 arms against
 the French.
 Allied with the
 Indian tribes
 who lived
 beside them
 in the
 wilderness,
 the Scottish
 Highland
 warriors
 forged a new
 breed of
 soldier...
 MacKinnon's
 Rangers Major
 Connor
 MacKinnon
 despises his

commander,
 Lord William
 Wentworth,
 beyond all
 other men.
 Ordered to
 rescue
 Wentworth's
 niece after the
 Shawnee take
 her captive,
 he expects
 Lady Sarah
 Woodville to
 be every bit
 as
 contemptible
 as her uncle.
 Instead, he
 finds a brave
 and beautiful
 lass in
 desperate
 peril. But the
 only way to
 free Sarah is
 for Connor to
 defeat the
 Shawnee
 warrior who
 kidnapped
 her—and

claim her
 himself. Torn
 by tragedy
 from her
 sheltered life
 in London,
 Lady Sarah is
 unprepared
 for the
 harshness of
 the
 frontier—or for
 the attraction
 she feels
 toward
 Connor. When
 they reach
 civilization,
 however, it is
 she who must
 protect him.
 For if her
 uncle knew all
 that Connor
 had done to
 save her, he
 would surely
 kill him. But
 the flames of
 passion, once
 kindled, are
 difficult to

deny. As
desire
transforms
into love,
Connor will
have to defy
an empire to
keep Sarah at
his side.

The vibrant,
sprawling
saga of
Empress Maria
Theresa—one
of the most
renowned
women rulers
in
history—and
three of her
extraordinary
daughters,
including
Marie
Antoinette,
the doomed
queen of
France. Out of
the thrilling

and
tempestuous
eighteenth
century comes
the sweeping
family saga of
beautiful
Maria Theresa,
a sovereign of
uncommon
strength and
vision, the
only woman
ever to inherit
and rule the
vast Habsburg
Empire in her
own name,
and three of
her
remarkable
daughters:
lovely,
talented Maria
Christina,
governor-
general of the
Austrian
Netherlands;
spirited Maria
Carolina, the
resolute

queen of
Naples; and
the youngest,
Marie
Antoinette,
the
glamorous,
tragic queen
of France, and
perhaps the
most famous
princess in
history.
Unfolding
against an
irresistible
backdrop of
brilliant courts
from Vienna to
Versailles,
embracing the
exotic lure of
Naples and
Sicily, this
epic history of
Maria Theresa
and her
daughters is a
tour de force
of desire,
adventure,
ambition,

treachery, sorrow, and glory. Each of these women's lives was packed with passion and heart-stopping suspense. Maria Theresa inherited her father's thrones at the age of twenty-three and was immediately attacked on all sides by foreign powers confident that a woman would be too weak to defend herself. Maria Christina, a gifted artist who alone among her sisters

succeeded in marrying for love, would face the same dangers that destroyed the monarchy in France. Resourceful Maria Carolina would usher in the golden age of Naples only to face the deadly whirlwind of Napoleon. And, finally, Marie Antoinette, the doomed queen whose stylish excesses and captivating notoriety have masked the truth about her husband and herself for two hundred and fifty

years. Vividly written and deeply researched, *In the Shadow of the Empress* is the riveting story of four exceptional women who changed the course of history.

In the 250 years before the Civil War, the Great Dismal Swamp of Virginia and North Carolina was a brutal landscape—2,000 square miles of undeveloped and unforgiving

wetlands, peat bogs, impenetrable foliage, and dangerous creatures. It was also a protective refuge for marginalized communities, including Native Americans, African-American maroons, free African Americans, and outcast Europeans. Here they created their own way of life, free of the exploitation and alienation they had escaped. In the first thorough examination

of this vital site, Daniel Sayers examines the area's archaeological record, exposing and unraveling the complex social and economic systems developed by these defiant communities that thrived on the periphery. He develops an analytical framework based on the complex interplay between alienation, diasporic exile, uneven geographical development, and modes of production to

argue that colonialism and slavery inevitably created sustained critiques of American capitalism.

Women Who

Fly Little A

The first collection of its kind recovers 2,500 years of Hebrew poetry by women.

The Defiant Hero

Macmillan Defiant Desire records the lives of lesbian and gay South Africans of all races as they have lived in the face of censure, denial and

<p>oppression. The history of gay identity in South Africa is here in its past and present aspects: from a drag salon in Woodstock to a gay "shebeen" in kwaThema; from a church in a Pretoria nightclub to Johannesburg's lesbian and gay pride march; from Afrikaans love poetry to new activism. The book is a document of lesbian and gay struggle, and indispensable for those interested in the sexual</p>	<p>politics coursing beneath the country's troubled passage to democracy. <u>Women Artists and the Surrealist Movement</u> Radius Book Group "During the Vietnam War, hundreds of American prisoners of war faced years of brutal conditions and horrific torture at the hands of Communist interrogators who ruthlessly plied them for military intelligence and propaganda. Determined to</p>	<p>maintain their Code of Conduct, the inmates of the Hanoi Hilton and other POW camps developed a powerful underground resistance. To quash it, the North Vietnamese singled out its eleven leaders, Vietnam's own 'Dirty Dozen,' and banished them to an isolated jail that would become know as Alcatraz. None would leave its solitary cells and interrogation rooms unscathed ;</p>

Defiant: The POWs Who Endured Vietnam's Most Infamous Prison, the Women Who Fought for Them, and the One Who Never Returned
Ballantine Books
The true story of two women

who found meaning, strength, and friendship in one of the most punishing and magnificent landscapes on earth. Amy Butcher was an accomplished college professor, mentor, and writer, but in her own home, she was embarrassed and emotionally burdened by an increasingly abusive relationship. Exhausted and terrified of the ways her partner's

behavior could escalate, Amy reached out to Instagram celebrity Joy "Mothertrucke r" Wiebe. Joy was a fifty-year-old wife and mother and the nation's only female ice road trucker, a woman who maneuvered big rigs through the Alaskan wilderness along the deadliest road in America. Joy was everything Amy wanted to be: independent, fearless, and in charge of her life in a landscape

dominated by men. Invited by Joy to ride shotgun, Amy found her escape on a road that was treacherous, beautiful, and exhilarating--an adventurous ride through the Alaskan wilderness that was profoundly life changing. *Mothertrucker* is the story of that bracing four-hundred-mile journey navigating snow-glazed overpasses, ice-blue curves, and near plummets. It's also the stories that

led them both to Alaska--an interrogation of the reality of female fear, domestic violence, and how to overcome--and an exploration into just how galvanizing friendships between women can be. Defiant Crown Books for Young Readers Rebels, rulers, scientists, artists, warriors and villains Women are, and have always been, all these things and more. Looking

through the ages and across the globe, Anita Sarkeesian, founder of Feminist Frequency, along with Ebony Adams PHD, have reclaimed the stories of twenty-five remarkable women who dared to defy history and change the world around them. Cornell
University
Press
As the fight
for equal
rights
continues,
Defiant takes
a critical look
at the strides

and struggles of the past in this revelatory and moving memoir about a young Black man growing up in the South during the heart of the Civil Rights Movement. For fans of It's Trevor Noah: Born a Crime, Stamped, and Brown Girl Dreaming. "With his compelling memoir, Hudson will inspire young readers to emulate his ideals and accomplishments." -Booklist, Starred Review Born

in 1946 in Mansfield, Louisiana, Wade Hudson came of age against the backdrop of the Civil Rights Movement. From their home on Mary Street, his close-knit family watched as the country grappled with desegregation, as the Klan targeted the Sixteenth Street Baptist Church in Birmingham, Alabama, and as systemic racism struck across the nation and in their hometown.

Amidst it all, Wade was growing up. Getting into scuffles, playing baseball, immersing himself in his church community, and starting to write. Most important, Wade learned how to find his voice and use it. From his family, his community, and his college classmates, Wade learned the importance of fighting for change by confronting the laws and customs that marginalized

and demeaned people. This powerful memoir reveals the struggles, joys, love, and ongoing resilience that it took to grow up Black in segregated America, and the lessons that carry over to our fight for a better future. *Defiant* Feminist Press at CUNY A study of the crimes of women in early modern Germany, this text draws on court records to examine the lives of shrewd

cutpurses, quarrelling artisan wives, and soldiers' concubines. *A History of Britain in 21 Women* Penguin The fascinating true story of two Revolutionary-era teenagers who defied their Loyalist families to marry radical patriots, Henry Knox and Benedict Arnold—"an effortless read and a fresh perspective on the American Revolution" (Shelf Awareness). When Peggy Shippen, the

celebrated blonde belle of Philadelphia, married American military hero Benedict Arnold in 1779, she anticipated a life of fame and fortune, but financial debts and political intrigues prompted her to conspire with her treasonous husband against George Washington and the American Revolution. In spite of her commendable efforts to rehabilitate her husband's

name, Peggy Shippen continues to be remembered as a traitor bride. Peggy's patriotic counterpart was Lucy Flucker, the spirited and voluptuous brunette, who in 1774 defied her wealthy Tory parents by marrying a poor Boston bookbinder simply for love. When her husband, Henry Knox, later became a famous general in the American Revolutionary War, Lucy faithfully followed him

through Washington's army camps where she birthed and lost babies, befriended Martha Washington, was praised for her social skills, and secured her legacy as an admired patriot wife. And yet, as esteemed biographer Nancy Rubin Stuart reveals, a closer look at the lives of both spirited women reveals that neither was simply a "traitor" or "patriot." In *Defiant Brides*, the first dual

biography of both Peggy Shippen Arnold and Lucy Flucker Knox, Stuart has crafted a rich portrait of two rebellious women who defied expectations and struggled—publicly and privately—in a volatile political moment in early America. Drawing from never-before-published correspondence, Stuart traces the evolution of these women from passionate teenage brides to

mature matrons, bringing both women from the sidelines of history to its vital center. Readers will be enthralled by Stuart's dramatic account of the epic lives of these defiant brides, which begin with romance, are complicated by politics, and involve spies, disappointments, heroic deeds, tragedies, and personal triumphs. *Female Husbands* UNC Press Books "Aloha" is at

once the most significant and the most misunderstood word in the Indigenous Hawaiian lexicon. For K&257;naka Maoli people, the concept of "aloha" is a representation and articulation of their identity, despite its misappropriation and commandeering by non-Native audiences in the form of things like the "hula girl" of popular culture. Considering the way aloha is embodied, performed,

and interpreted in Native Hawaiian literature, music, plays, dance, drag performance, and even ghost tours from the twentieth century to the present, Stephanie Nohelani Teves shows that misunderstanding of the concept by non-Native audiences has not prevented the K&257;naka Maoli from using it to create and empower community and articulate

its distinct Indigenous meaning. While Native Hawaiian artists, activists, scholars, and other performers have labored to educate diverse publics about the complexity of Indigenous Hawaiian identity, ongoing acts of violence against Indigenous communities have undermined these efforts. In this multidisciplinary work, Teves argues that Indigenous

peoples must continue to embrace the performance of their identities in the face of this violence in order to challenge settler-colonialism and its efforts to contain and commodify Hawaiian Indigeneity. The Defiant Middle Simon and Schuster From the beautiful apsaras of Hindu myth to the swan maidens of European fairy tales, stories of flying women-some carried by wings, others

by clouds, rainbows, floating scarves, and flying horses-reveal the perennial fascination with and ambivalence about female power and sexuality. In Women Who Fly, Serinity Young examines the motif of the flying woman as it appears in a wide variety of cultures and historical periods, in legends, myths, rituals, sacred narratives, and artistic productions. She considers

supernatural women like the Valkyries of Norse legend, who transport men to immortality; winged deities like the Greek goddesses Iris and Nike; figures of terror like the Furies, witches, and succubi; airborne Christian mystics; and wayward, dangerous women like Lilith and Morgan le Fay. Looking beyond the supernatural, Young examines the modern mythology

surrounding twentieth-century female aviators like Amelia Earhart and Hanna Reitsch. Throughout, Young demonstrates that female power has always been inextricably linked with female sexuality and that the desire to control it is a pervasive theme in these stories. This is vividly depicted, for example, in the twelfth-century *Nibelungenlied*, in which the proud

warrior-queen Brünnhilde loses her great physical strength when she is tricked into surrendering her virginity. Even in the twentieth-century the same idea is reflected in the exploits of the comic book and film character Wonder Woman who, Young suggests, retains her physical strength only because her love for fellow aviator Steve Trevor goes unrequited. The first book to

systematically chronicle the figure of the flying woman in myth, literature, art, and pop culture,

Women Who Fly offers a fresh look at the ways in which women have both influenced and been

understood by society and religious traditions throughout the ages and around the world.
