Buy the paperback version of this book and you will get the kindle book version for free Have you ever asked to yourself how better could be your sex life and your partner one too? Have you already tried to improve your life in bed with patience and effort but still disappointed? Do you feel even over stressed because of it? Well, this book is a solution for you, an answer to all of your questions. If you are reading this description, I know that, unfortunately, you have experienced some big problems that are ruining your sexual relationship; and you want to make a change. Problems like premature ejaculation, not knowing how to give her/him a real orgasm, not knowing how to practice oral and anal sex properly, problems with where and how to touch and kiss each other in the best way, poor lifestyle (yes that's a problem too). And the list doesn't stop here... And this is frustrating, because honestly talking, sex is the best part of a relationship; it's that moment when you share your entire being and your most hidden emotions and dirty thoughts, with the other person. And

there is no worse feeling than knowing that you didn't satisfy that person, it's like a punch in the stomach. You loose all your motivation and self esteem. I think nobody deserve this. So how do you fix that? The answer is learning and applying what's written in this book. You will learn: The 7 wrong myths about anal sex and how to do it safely How to have sex 8 times per week with your partner 3 emergency tactics for premature ejaculation how to find the G spot and stimulate it the 7 secrets of female masturbation 5 things you don't know about female ejaculation 3 tips to understand if she is pretending or not an orgasm 5 strange methods to give her an orgasm And much more, trust me. I know exactly what you are thinking right now: "this is an other scam" "an other scammer who wants me to buy this book just to make money and not giving me any value". And you are absolutely right, because you don't know me. But her is a thing: I really want to help you because I've experienced your same problems and I know how it feels when you are so stressed and anxious about sexual issues and sex in general, that you are not even able to spend pleasurable moments in bed, making both yourself and your partner happy. So I tell you this: even if you struggled and tried hard to find a solution and didn't get anything, you can still transform your situation; even if you have lost you hope. But be careful, there is no magic pill, no overnight accomplishments, so I can't guarantee you success, but what I can guarantee, based on my own experience, is that if you have patience, do a lot of practice, and be consisent, then massive results will manifest in your life; and this time all the hard work you put in, is going to be finally worth it. So don't wait one more second, scroll up and buy this book right now!!
