Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole

into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

Al leer este resumen, aprenderá a convertirse en un líder productivo que puede inspirar a otros a actuar. También descubrirá que : Para inspirar a los demás, primero debes descubrir tu propia motivación; Un buen séquito está formado por personas que tienen las mismas aspiraciones que tú; La fidelidad de los clientes y la sostenibilidad del negocio se consiguen manteniendo el rumbo; La inspiración y la comunicación son las claves del liderazgo. ¿Qué relación puedes encontrar entre Walt Disney, Steve Jobs y Martin Luther King? La respuesta puede resumirse en estas palabras: inspiran. Son más que líderes, son verdaderos líderes, que motivan a los demás a actuar, no para servir a su causa, sino porque todos se sienten

inspirados y quieren involucrarse en un gran proyecto que les convenga. Esta capacidad de motivar a los demás puede aprenderse y comienza con una simple pregunta: ¿por qué?

NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. “Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.”

—The New York Times Book Review The House on Mango Street is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. “In English my name means hope,” she says. “In Spanish it means too many letters. It means sadness, it means waiting.” Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros’s masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis’s *Main Street* or Toni Morrison’s *Sula*, it makes a world through people and their voices, and it does so in language that is poetic and

direct. This gorgeous coming-of-age novel is a celebration of the power of telling one’s story and of being proud of where you’re from.

The Prince by Niccolò Machiavelli from Coterie Classics All Coterie Classics have been formatted for ereaders and devices and include a bonus link to the free audio book. “The first method for estimating the intelligence of a ruler is to look at the men he has around him.” — Niccolò Machiavelli, *The Prince* Machiavelli’s *The Prince* was a battle for obtaining and maintaining power in 14th century Italy but it is surprisingly relevant to the understanding of business, politics and the nature of

society.

El Pais called *The Library of Unrequited Love* "a thrilling soliloquy, an exciting breath of love." The librarian, a single, middle-aged woman, a sharply opinionated and thoughtful bookworm, whose ex-boyfriend left her for another woman, discovers one morning a patron who has been locked in over night.

Against her quiet nature, she starts to talk to him, what results is a soliloquy of frustrations, observations, and anguish, covering--with wit, pathos, and passion--history, literature, the Dewey Decimal System, love, and loneliness, as well as revealing her unrequited passion for a quiet student-researcher named Martin, whose studiousness, grace, and "beautiful neck" strikes her. Divry's

prose is seamless--never laborious--both funny and poignant. The book's compactness offers an immersive reading experience that touches universal emotional experiences from the perspective of a bookworm.

Seventeen-year-old Riley Beckett is no stranger to prison. Her father is a convicted serial killer on death row who has always maintained that he was falsely accused. Riley has never missed a single visit with her father. She wholeheartedly believes that he is innocent. Then, a month before the execution date, Riley's world is rocked when, in an attempt to help her move on, her father secretly confesses to her that he actually did carry out the murders. He takes it back almost

immediately, but she can't forget what he's told her. Determined to uncover the truth for her own sake, she discovers something that will forever change everything she's believed about the family she loves.

Alice in Wonderland Ballantine Books
Discusses "loving too much" as a pattern of thoughts, feelings, and behaviors which certain women develop as a response to various problems in their family backgrounds.

The Infinite Game Xist Publishing
Sharing a close bond that supersedes other relationships, Nic, a fiercely reclusive musician, and Denise, his dedicated sister and solitary audience member, become increasingly isolated in the wake of Nic's obsessive work.

Jenna Lord's first sixteen years were not exactly a fairy tale. Her father is a controlling psycho and her mother is a drunk. She used to count on her older brother until he shipped off to Iraq. And then, of course, there was the time she almost died in a fire. Mitch Anderson is many things: A dedicated teacher and coach. A caring husband. A man with a certain...magnetism. *Drowning Instinct* is a novel of pain, deception, desperation, and love against the odds and the rules.

The Row Publicaciones Andamio
Drawing upon the relentless tragedies in his life for inspiration in writing highly acclaimed music with his indie rock group, the Eels, Everett pens a memoir that is a rich and poignant narrative on coming of age, love, death, and the creative vision.

Simon Sinek sparked a movement with his bestsellers *START WITH WHY* and *LEADERS EAT LAST*. Now this beautifully illustrated book will inspire more readers to ask for help, help others, and discover their own courage through a charming story about change. Life is a series of choices. Do we go left or right? Jump forward or hold back? Sometimes our choices work out for the better...and sometimes they don't. But there is one

choice, regardless of every other decision, that profoundly affects how we feel about our journey: Do we go alone or do we go together? It is the courageous few who ask for help. It is the giving few willing to help others. We can all find the courage we need and know the joy of service - the minute we learn that together is better. Filled with inspiring quotes, this richly illustrated fable tells a delightful story of three kids who go on a journey to a new playground and take a stand for what they believe. The story is a metaphor for anyone looking to make a change or wondering how to pursue their dreams. And the message is simple: relationships - real, human relationships - really, really matter. The stronger our relationships, the stronger the bonds of

trust and cooperation, the more we can accomplish and the more joy and fulfillment we get from our work and personal lives. The three heroes are archetypes who represent us all at various points in our lives. Their main challenge is the same one we face every day: How can we find the things we're looking for? According to Sinek, if we each do our part to help advance a shared vision, we can build the world we imagine. In addition to the story itself, Sinek shares such profound lessons as:

- A team is not a group of people that work together. A team is a group of people that trust each other.
- Fight against something and we focus on the thing we hate. Fight for something and we focus on the thing we love.
- Working hard for something we don't care about

is called stress. Working hard for something we love is called passion.

- A star wants to see himself rise to the top.
- A leader wants to see those around him become stars.

Together is Better was designed to be given as a gift to someone you want to inspire, or to say thank you to someone who inspires you. It's completely different from Sinek's previous work. It may look like a children's book, but it's definitely for adults. This book includes a special page featuring the Scent of Optimism.

Start with Why John Wiley & Sons

The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56

million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that

people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

Para Sinek, lo importante no es tanto que es lo que haces como el por que lo haces. Lo esencial es saber por que haces lo que haces, por que existes.

Aprender a formular las preguntas adecuadas te permitiran tener una empresa inspiradora, proyectos innovadores y gente comprometida para desarrollarlos. Sinek explica como crear el marco adecuado en una organizacion para conseguir esos propositos.

The Last Shah Simon and Schuster
From the New York Times bestselling author of *Start With Why* and *Leaders Eat Last*, a bold framework for leadership in today's ever-changing world. How do we win a game that has no end? Finite games, like football or chess, have known players, fixed rules and a clear endpoint. The winners and losers are easily identified. Infinite games, games with no finish line, like business or politics, or life itself, have players who come and go. The rules of an infinite

game are changeable while infinite games have no defined endpoint. There are no winners or losers—only ahead and behind. The question is, how do we play to succeed in the game we're in? In this revelatory new book, Simon Sinek offers a framework for leading with an infinite mindset. On one hand, none of us can resist the fleeting thrills of a promotion earned or a tournament won, yet these rewards fade quickly. In pursuit of a Just Cause, we will commit to a vision of a future world so appealing that we will build it week after week, month after month, year after year. Although we do not know the exact form this world will take, working toward it gives our work and our life meaning. Leaders who embrace an infinite mindset build stronger, more innovative,

more inspiring organizations. Ultimately, they are the ones who lead us into the future.

Traducere de Cornelia Rădulescu Prin dragoste, o femeie salvează de la moarte un indian otrăvit de veninul unui șarpe. Din această pasiune tămăduitoare se va naște Eva, botezată astfel ca să iubească viața. Orfană de mică, Eva își croiește un drum presărat cu lacrimi, dar și cu miracolele pe care le pot face dragostea și bunătatea. Destinul ei și al tovarășilor ei de călătorie se întretes în tapiseria complicată și multicoloră a istoriei sud-americane, iar vocea Evei Luna deapănă, cu nostalgie și umor, povestea fascinantă a unei femei pe care viața a iubit-o.

The Little Prince Scholastic Inc.

Esta obra expone detallada y claramente el por qué, la razón, por las que ciertas personas y empresas son mucho más exitosas, eficaces e innovadoras que otras, aún tratándose de compañías que tengan acceso a los mismos recursos, tecnología y personal. Muestra cómo manejar un negocio para que atraiga a los clientes y, a su vez, que mantenga satisfechos a los empleados. Encontrarás en el libro una forma de pensar, de actuar y de comunicar que hace que algunos líderes desarrollen la capacidad de involucrar e inspirar a los que les rodean. Los líderes naturales, los que verdaderamente lideran, son capaces de generar en las personas un sentimiento de pertenencia, a reconocer un propósito que va mucho más allá que los

incentivos económicos, externos, que obtendrán. Los líderes no influyen, inspiran. A las personas que tienen una mente abierta a las nuevas ideas, que aspiran a obtener un éxito duradero y que creen que este éxito requiere del aporte de los demás, a ellas está dedicado este libro.

CONTENIDO: Comience con el "porqué" Encontrar el "porqué" es hallar la felicidad en el trabajo El inicio de un mundo nuevo: al encuentro del "porqué" El círculo de oro: un concepto esencial El buen líder comunica de adentro hacia afuera Del "porqué" al qué: fundamentación biológica Los orígenes de un "porqué" La necesaria claridad del "porqué" Disciplina, coherencia y supervivencia El nacimiento de la confianza La ley de difusión y los puntos

de inflexión El cono de las organizaciones Logros y éxitos **SOBRE EL AUTOR DEL RESUMEN:** Los libros son mentores. Pueden guiar lo que hacemos en nuestras vidas y cómo lo hacemos. Muchos de nosotros amamos los libros mientras los leemos y hasta resuenan con nosotros algunas semanas después, pero luego de 2 años no podemos recordar si lo hemos leído o no. Y eso no está bien. Recordamos que en el momento, aquel libro significó mucho para nosotros. ¿Por qué es que tiempo después nos hemos olvidado de todo? Este resumen toma las ideas más importantes del libro original. A muchas personas no les gusta leer, solo quieren saber qué es lo que el libro dice que deben hacer. Si confías en el autor no necesitas de los argumentos. La gran

parte de los libros son argumentos de sus ideas, pero muy a menudo no necesitamos argumentos si confiamos en la fuente. Podemos entender la idea de inmediato. Toda esta información está en libro original. Este resumen hace el esfuerzo de reducir las redundancias y convertirlas en instrucciones directo al grano para las personas que no tienen intención de leer el libro en su totalidad. Esta es la misión de Sapiens Editorial.
