BRYAN JASE

The Yellow Book of Lecan

Casemate Academic Medieval assumptions about the nature of the representation involved in literary and historical narratives were widely different from our own. Writers and readers worked with a complex understanding of the relations between truth and convention, in which

accounts of presumed fact could be expanded, embellished, or translated in a variety of accepted ways.

Irische Texte

School of Celtic Studies
Originally published in 1922, this edition of Togail na

Tebe: The Thebaid of Statius contains the complete Irish version of the poem, together with a parallel English translation. The text was drawn together from two manuscript sources, additional material includes an introduction, a guide to vocabulary and detailed notes. This is a consummately edited book that will be of value to anyone with an interest in

Middle Irish literature.	<u>universel du XIXe siècle</u>	<i>A Gaelic grammar</i>
