Waiting for the Presence is an ancient Eastern concept of staying in a holy place until God speaks to the pilgrim. In this book Fr. Wild shows how this way can still be practiced today. At once deeply personal and revealing, it is also discreetly silent on some special graces from the Lord. Here the reader will find a burning love for Christ the Lord who can accompany one on the lonely top of the

Mt. of Olives or beside the starlit, midnight shore of the Sea of Galilee. Beyond a strong link to Catherine Doherty's spirituality and the Desert Fathers, you will discover here an openness to the Holy, which is in fact a profound interiorization of the Holy Places. Holy enthusiasm breathes throughout the book and can be contagious, as it was for the typesetter. I hope more pilgrims who come to the Holy Land will heed Fr. Wild's practical hints on how to do, rather, how to live a true pilgrimage experience. --Fr. Raphael Bonanno, OFM, HOLY LAND magazine, Jerusalem

Laura J. Martin examines ecological restoration's long history. Since the early 1900s, restorationists have confronted vexing philosophical questions: Which states of nature should be restored? Who should choose? Is human-designed wilderness really wild? Restoration work leads us to reimagine nature and the nature of environmental justice.

In just over one hundred years, the Pentecostal-charismatic movement has

transformed world Christianity. Noted for their rediscovery of spiritual gifts and commitment to world evangelization, 700 million Pentecostals and charismatics now account for more than 27 percent of the global Christian movement. The Pentecostal-charismatic movement has been more noted for its activism than for theological reflection. But this may be changing. *The Holy Spirit as Person and Power* challenges traditional theology to take account of what has been disclosed in the dynamism and variety of charismatic experience. The author is a theologically trained practitioner, impacted in midlife by a transforming experience of the Holy Spirit. He has been a hands-on leader in the renewal movement. Now, in his later years, he reflects on the meaning of the

grace imparted to the church by the renewing activity of God's Spirit. This is not the work of an enthusiast claiming a new revelation. Rather, the author draws attention to many nuances in the Bible's description of the Spirit that have been overlooked in traditional pneumatology. By relating these insights to Orthodox, Catholic, Protestant, and evangelical theology, he has produced a book with ecumenical implications for all branches of world Christianity.

Our perception of God makes a difference in every crevice of our character, from our inner anxieties to our public conversations. It determines whether we're trusting or suspicious, whether we're happy or discontent - and whether or not we can rely on God

matters mightily on the day of our death. Mark Buchanan's third book continues his penetrating exploration of the God we worship. Bravely and honestly, he poses the direst question of human existence: Can God be trusted? It's life drunk deeply, lived to the hilt—where we walk with the God who is surprising, dangerous, and mysterious. It's the terrain where God doesn't make sense out of our disasters and our boredom, but keeps meeting us in the thick of them. But unless we trust in His character, we'll never venture in. We will sit at the stream all day, dying of thirst, but not daring to drink. To follow God is to drink and drink from the stream, even if it means—especially if it means—getting swallowed up. Let Mark Buchanan show you the entrance to the

Holy Wild, where you can live face-to-face with the beautiful, dangerous God of creation.

Claim Your Mythic Purpose This grimoire — a book of magick, spells, ceremonies, journaling exercises, recipes, and incantations — is an invitation to be Witch and bewitch. As you journey through this book, you will reflect and reshape your story, beholding your life's poetry and wielding a mythic intelligence. Danielle Dulsky guides you to see through the lens of the five elements, earth, water, fire, air, and ether, and to call upon age-old archetypes to heal and liberate your best self. You will become a rebel queen, hooded seer, and wild king. Rising above

the ecological disaster, political gridlock, and disease of the overculture, you will become a word-witch, writing your world whole again, howling with power, and singing songs of a new world reborn.

Discover an Ancient Path to Power, Wisdom & Magick What do you think of when you hear the word witch? Through centuries of persecution, our society has been indoctrinated into thinking that witches are evil villains. Author and proud witch Danielle Dulsky debunks this interpretation and reveals the true nature of Witchcraft: an ancient spiritual path that rejects religious dogma in favor of female empowerment and a deep reverence for the Earth. In a collaborative, conversational tone, *Woman Most Wild* reclaims the Earth-centered power of aligning with our wildest, freest selves to create an

inclusive world for all. The three keys to liberating your inner witch and owning your power are: • Wild Rhythm: aligning yourself with the cycles of nature • Wild Ritual: understanding the importance of ritual and ceremony • Wild Circle: bonding with like-minded seekers Dulsky's tools for embracing and experiencing the power of these keys, including moon rituals, healing meditations, yoga postures, circle work, and Goddess encounters, will guide you toward joining the cosmic dance befitting the divine, limitless woman you are.

Wild Justice by Wilbur Smith It begins as a routine trip to South Africa. It ends in a nightmare for 400 passengers taken

hostage. The hijacker is a beautiful pawn for an elusive figure--codename Caliph, whose campaign of terror has just begun. And the one man who rescued Flight 070 is the only man who can stop Caliph dead in his tracks. His name is Major Peter Stride, commanding agent of a crack team of anti-terrorist operatives. He's used to doing battle--and winning. But when his help is sought by the mysterious widow of one of Caliph's victims, and his own daughter is kidnapped, Stride plunges into a darker and more personal war than ever before. A war that will take him across the oceans and continents, closer to a shocking betrayal...and closer still to a madman who has the power to destroy the world and who knows Stride's every move--down to what could be his last

North Carolina is home to the longest continuous barbecue tradition on the North American mainland. Authoritative, spirited, and opinionated (in the best way), Holy Smoke is a passionate exploration of the lore, recipes, traditions, and people who have helped shape North Carolina's signature slow-food dish. Three barbecue devotees, John Shelton Reed, Dale Volberg Reed, and William McKinney, trace the origins of North Carolina 'cue and the emergence of the heated rivalry between Eastern and Piedmont styles. They provide detailed instructions for cooking barbecue at home, along with recipes for the traditional array of side dishes that should accompany it. The

final section of the book presents some of the people who cook barbecue for a living, recording firsthand what experts say about the past and future of North Carolina barbecue. Filled with historic and contemporary photographs showing centuries of North Carolina's "barbeculture," as the authors call it, Holy Smoke is one of a kind, offering a comprehensive exploration of the Tar Heel barbecue tradition.

Most of us have no idea where we're going most of the time. Perfect. "Celtic

Christians had a name for the Holy Spirit—An Geadh-Glas, or 'the Wild Goose.' The name hints at mystery. Much like a wild goose, the Spirit of God cannot be tracked or tamed. An element of danger, an air of unpredictability surround Him. And while the name may sound a little sacrilegious, I cannot think of a better description of what it's like to follow the Spirit through life. I think the Celtic Christians were on to something.... Most of us will have no idea where we are going most of the time. And I know that is unsettling. But circumstantial uncertainty also goes by another name: Adventure." --from the introduction *Woman Most Wild* Wipf and Stock Publishers

"Imagine riding across a dangerous river on the back of a friendly crocodile!" Or

making friends with a whole pile of snakes. Or going into hiding with the help of some spiders! These are not your everyday saint stories! God used both wild and tame animals to help saints when they needed it most. Here are just a few you'll find in *Holy Crocodile*! St. Pachome and the friendly crocodile! St. Colman and the alarming mouse! St. Brigid and the amazing fox! St. Cuthbert and the lifesaving sea otters! And many more! Told in beautiful illustrations and charming narratives by mixed-media artist Caroline Cory, these stories will delight and inspire young and old alike.

"Molfino explores female empowerment in her zesty debut. Women searching for ways to increase their self-worth and

confidence will find many gems."

—Publishers Weekly Women: it's time to break the good girl myths that are holding you back and share your true gifts with this groundbreaking book from Stanford University-trained designer and women's leadership expert Majo Molfino. For thousands of years, women have been taught to be "good" instead of powerful. But when we embody the good girl, we hold back their voices and gifts in a world that desperately needs female perspectives. Drawing on countless coaching sessions and conversations with female leaders, Majo identifies five self-sabotaging tendencies ("the five Good Girl Myths") every woman must overcome to unleash her power and design a more purposeful life: *The Myth of Rules* *The Myth of Perfection* *The Myth*

of Logic The Myth of Harmony The Myth of Sacrifice While there are many women's leadership books, Majo uses her knowledge and training in design thinking (which is used by the world's most innovative people and companies) to help you build creative confidence and break free from these disempowering myths once and for all. Discover how each myth negatively affects your relationships, career, and well-being and identify your primary good girl myth—the blindspot that's zapping most of your power as a creative badass. "An elegant, powerful framework for female liberation."

In the 1960s, Andy Warhol's paintings redefined modern art. His films provoked heated controversy, and his Factory was a hangout for the avant-garde. In the 1970s, after Valerie Solanas's attempt on his life, Warhol became more entrepreneurial, aligning himself with the rich and famous. Bob Colacello, the

editor of Warhol's *Interview* magazine, spent that decade by Andy's side as employee, collaborator, wingman, and confidante. In these pages, Colacello takes us there with Andy: into the Factory office, into Studio 54, into wild celebrity-studded parties, and into the early-morning phone calls where the mysterious artist was at his most honest and vulnerable. Colacello gives us, as no one else can, a riveting portrait of this extraordinary man: brilliant, controlling, shy, insecure, and immeasurably influential. When *Holy Terror* was first published in 1990, it was hailed as the best of the Warhol accounts. Now, some two decades later, this portrayal retains its hold on readers—as does Andy's timeless power to fascinate, galvanize, and move us.

Holy Terror Farrar, Straus and Giroux
Prepare to Be Mentored by the Sacred Hags! The yearning to slow down and simplify, return to the earth, and maybe even “rewild” what has been tamed in ourselves persists even though that dream may seem ever more remote in contemporary life. Danielle Dulsky shows that even in our high-tech and high-pressure lives, it is possible to manifest your own “year of the wild” and to tap into often-forgotten holy wisdom. *Seasons of Moon and Flame* guides you to live cyclically while working with the archetype of the Sacred Hag, or wild grandmother, who appears in various guises. Wonderfully inclusive, with

adaptations for families, spiritual groups, and other traditions, this book is a potentially life-changing guide to living mystically, magically, and in empowering harmony with the worlds of spirit and nature.
