 Let the dark times begin! Marvel welcomes Star Wars to the Epic Collection program, with this first volume of a series focusing on the years that follow "Episode III: Revenge of the Sith"! After the end of the Clone Wars, the Republic has fallen and Palatine exerts his ruthless grip on his new Galactic Empire. Now, the few Jedi that remain must decide whether to hold true to their faith, or abandon it completely in the face of a brutal purge- one carried out by the new Dark Lord of the Sith. Rise, Darth Vader! Collects: Star Wars: Republic #78-80; Star Wars: Purge, Purge - Seconds To Die, Purge - The Hidden Blade One-Shots; Star Wars: Purge - The Tyrant's Fist #1-2; Star Wars: Darth Vader And The Lost Command #1-5; Star Wars: Dark Times #1-5.

 In the explosive conclusion to the Dark Nest trilogy, Luke Skywalker summons the heroes of the New Jedi Order from near and far, as the Star Wars galaxy teeters on the edge of eternal war. Yet even the combined powers of the formidable Jedi may not be enough to vanquish the deadly perils confronting them. The Chiss-Killik border war is threatening to engulf the entire galaxy and raising the awful specter of Killiks sweeping across space to absorb all living creatures into a single hive mind. The only hope for peace lies with the Jedi—and only if they can not only end the bloodshed between two fierce enemies but also combat the insidious evil spread by the elusive Dark Nest and its unseen queen. Leia's newly acquired Jedi skills will be put to the ultimate test in the coming life-and-death battle. As for Luke, he will have to prove, in a lightning display of Force strength and swordplay, that he is- beyond a shadow of a doubt—the greatest Jedi Master in the galaxy. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe,

and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

*Starships of the Galaxy* Random House Worlds  
 Explore the uncharted reaches of the Star Wars® galaxy. Far from the cityscape of Coruscant, beyond the fringe planets of the Outer Rim, lies a vast region of space called the Unknown Regions. The Unknown Regions are mysterious and uncharted. They are home to strange aliens, violent slavers, and the forgotten remnants of ancient civilizations that have lived in isolation for eons. This sourcebook gives players and Gamemasters everything they need to run and play in campaigns featuring scouts, exploration, and adventure in the uncharted reaches of the Star Wars galaxy. The Unknown Regions allows Gamemasters to take their existing campaigns in bold new directions, or this book can be used to jumpstart a new campaign that focuses on exploring the unknown.

 An account of the aid worker co-author's dramatic January 2012 rescue from kidnappers in Somalia by members of a Navy SEAL Team Six unit offers insight into the effective use of targeted U.S. military missions.  
*Aquaponic Gardening* Biteback Publishing  
 Lauded Star Wars author James Luceno returns to pen an intense tale of ambition and betrayal that sets the stage for Rogue One: A Star Wars Story. War is tearing the galaxy apart. For years the Republic and the Separatists have battled across the stars, each building more and more deadly technology in an attempt to win the war. As a member of Chancellor Palatine's top secret Death Star project, Orson Krennic is determined to develop a superweapon before their enemies can. And an old friend of Krennic's, the brilliant scientist Galen Erso, could be the key. Galen's energy-focused research has captured the attention of both Krennic and his foes, making the scientist a crucial pawn in the galactic conflict. But after Krennic rescues Galen, his wife, Lyra, and their young daughter, Jyn, from Separatist kidnappers, the Erso family is deeply in Krennic's debt. Krennic then offers Galen an extraordinary opportunity: to continue his scientific

studies with every resource put utterly at his disposal. While Galen and Lyra believe that his energy research will be used purely in altruistic ways, Krennic has other plans that will finally make the Death Star a reality. Trapped in their benefactor's tightening grasp, the Ersos must untangle Krennic's web of deception to save themselves and the galaxy itself.

 It was Winston Churchill who, in his speech at Fulton, Missouri, advocated a 'special relationship between the British Commonwealth ... and the United States ... the continuance of intimate relationships between our military advisers, leading to the common study of potential dangers'. Through the eyes of Churchill, Roosevelt and their successors, Robin Renwick traces the development of the Anglo-American relationship since the desperate summer of 1940, and the part it played in shaping the post-war world. Detecting once again a whiff of the 1930s in the air, he concludes that, as one of the ties that binds Europe and North America, the relationship remains an important one, and not only to Britain and the United States. There are many on both sides of the Atlantic who will think that the world would have been poorer without it. Its future will depend on learning the lessons of military overstretch in Iraq and Afghanistan and resolving the mismatch between Britain's desire to play a role in world affairs and the resources allocated to doing so.  
**The Swarm War: Star Wars Legends (Dark Nest, Book III)** St. Martin's Press

**The Art of Rogue One: A Star Wars Story** National Geographic Books  
 The first book in the award-winning Shadows of Time series introduces John Roley, Tim Jackson, and 2 intelligent computer prototypes known as ISAC-9. During their vacation, they are surprised to find that they have been proclaimed to be the guardians of time, a confusing situation since none of them had even been aware they were up for consideration. Before they have a chance to fully absorb this information (or decline the offer) they are thrown back in time to a point near the end of Mayan civilization. Immediately John is captured by Mayans, Tim is rescued by a group of people whose technology has no business existing anywhere, and both discover that real history is

considerably more messed up than anyone could have imagined. *Shadows of Time* Harry N. Abrams

Featuring exclusive interviews with the entire creative team of "Star Wars, The Force Awakens," a visual collection includes hundreds of works of art, including production paintings, concept sketches, storyboards, blueprints, and matte paintings.

Throw aside the 9-to-5 and discover the joys of going freelance! In a big wide galaxy you'll find every personality type. There are those who want to work for a large, stable employer like the Imperial Navy, pushing buttons on a space cruiser. There are also those who are content living the simple (but dull) life of a merchant or moisture farmer. And then there are those special few who long for the freelance life. If you aren't afraid of grueling (and sometimes frowned upon) work, traveling to exotic locations, and being your own boss, you may find guidance in the wise words of those who have been there. Be More Boba Fett will help guide you on your path to the independent life of a successful entrepreneur. © and TM 2021 Lucasfilm LTD

[Fighting With Allies](#) GURPS: Generic Universal Role

Unleash the Force and fight the Empire. The Emperor has swept

away the last vestiges of the Old Republic. Darth Vader and his dark apprentice hunt down the surviving Jedi one by one, but a few escape capture and find refuge on backwater worlds. Fewer still reach deep into the Force, unleashing powers beyond their wildest imaginings. Meanwhile, other brave heroes rise to oppose the tyranny of the Empire, heralding the birth of the Rebellion.

This campaign guide draws its inspiration from "The Force Unleashed," a revolutionary new video game from Lucasfilm, Ltd. It presents a complete campaign setting during the period between Episode III: "Revenge of the Sith" and Episode IV: "A New Hope." The guide offers exciting new character options and Force powers for players as well as adventure content, campaign seeds, and ready-to-play adversaries for Gamemasters. This supplement is designed for use with the "Star Wars" Roleplaying Game Saga Edition" core rulebook.
