### Duncan's Ritual of

### Freemasonry Penguin

For those who are captivated by the Freemasons, *Freemason Symbols & Ceremonies For Dummies* takes you into the world of this secret Fraternal organization, explaining all things mysterious from its elaborate rituals and cryptic rites, to its curious symbols and their meanings. Brought to you by the author of *Freemasons For Dummies*, readers will get the inside scoop on what goes on in a Masonic meeting, what's behind that secret hand shake, and why Masons wear aprons. You'll understand the true purposes of Masonic "secrecy" and philosophy and discover related organizations like the Knights Templar, the Scottish Rite, and other York Rite Bodies. Explore the controversies and conspiracy theories that swirl around this organization and discover the cool Masonic sites at the center of Dan Brown's bestselling novel *The Lost Symbol*.

Making this Manual available on amazon for brethren who want a printed copy. The Mentor Plan was conceived as an answer to one of the problems of Masonry - the producing of interested Masons by means of a well - rounded education in all phases of the Royal Art. It is not possible to impart all of the knowledge necessary to produce a generation of informed Masons in the brief time the Mentor will be active in the life of the candidate. The Plan, therefore, must have, as its main objective, the promotion of an interest in Masonic knowledge. It must devise a means of creating a desire in the candidate to learn more about Masonry and point out to him the sources from which he will be able

to obtain more light on those facets of it which he will find interesting to him. These, of course, will vary with the individual. It is not the objective of the Mentor Plan to teach the ritual nor is it generally recommended that the Mentor instruct the new Mason in the catechisms which he is required to learn. In some Lodges it will be necessary that the same brother perform both functions because of the shortage of instructors. However, when this is the case care should be taken to avoid confusing the two subjects. The Mentor Plan will endeavor to acquaint the new brother with some of the history of Freemasonry, its philosophies and objectives. It should also give him some insight into the literature of the Fraternity wherein he may begin and continue his study of its teachings and doctrines. Instruction under the Mentor Plan must be individual and personalized if it is to be effective. In embracing this system we are following the time honored method of the Fraternity, that of imparting instruction from mouth-to-ear, for Freemasonry believes in and stresses the

importance of the individual. Through the individual, as he comes to realize that he is Freemasonry to many people, will understand the necessity for him to exemplify its principles by walking uprightly before God and man, squaring his actions by the square of virtue.

"Ritual of the Order of the Eastern Star" by Order of the Eastern Star. General Grand Chapter is an educational text that aimed to teach new members and those uninvolved in the group how the Order of the Eastern Star functions. Though this book may have a fairly narrow audience, it's still a fascinating read that deserves to be remembered.

Univ. Press of Mississippi  
Freemasonry is one of the world's oldest fraternal organizations. It is a society of men concerned with moral and spiritual values. Members are taught its precepts by a series of ritual dramas that follow ancient forms and employ the symbolism of stonemasonry. Assuming its present form in England during the 18th century, Freemasonry came to America with the colonists, and Freemasons have played many roles in American history. When the author first inquired about the admission of African Americans to Masonic lodges, he was told: "They have their own lodges." He later learned that white Masons viewed black Masons not as "separate but equal" but as "irregular and clandestine." Nevertheless, he also learned that members of the predominantly black Prince Hall Masonic Grand Lodges have held their heads high and practiced the ancient mysteries for over two hundred years. There is now light at the end of the tunnel. Since 1989, thirty-seven mainstream (white) Grand Lodges have extended

fraternal recognition to their Prince Hall counterparts. It is our hope that we will eventually see the end of the contradiction of a color line in an organization dedicated to the Fatherhood of God and the Brotherhood of Man.

Unravel the mysteries of the Masons All the myths and rumors about Masonic organizations probably have you wondering "what do Masons really do?" Questions like this one are a natural by-product of being the oldest and largest "secret society" in the world. This book is an ideal starting place to find answers to your questions about the secret and not-so-secret things about Freemasonry. Now in its third edition, this international best-seller peeks behind the door of your local Masonic lodge and explains the meanings behind the rituals, rites, and symbols of the organization. Along the way the book covers nearly 3,000 years of Masonic history, introduces you to some famous Freemasons you already know from history books, and explains the relationship with related

groups like Knights Templar, Scottish Rite, Order of Eastern Star, and the beloved fez-wearing Shriners. Look inside the book to learn: What it takes to become a member of the Freemasons, and what you can expect when you join How Lodges are organized and what really goes on during Masonic ceremonies The basic beliefs and philosophies of Freemasonry, including how Masons contribute to charity, and society in general The origins behind some of the wild myths and conspiracy theories surrounding Freemasonry and how to debunk (most of) them Written by a 33rd degree Scottish Rite Mason and the Public Relations and Marketing Director for the Grand Lodge F&AM of Indiana, *Freemasons For Dummies* is a must-read guide for anyone interested in this ancient fraternal order, whether you're looking to join or are just curious about some of the more mysterious aspects of Freemasonry.

Feral House  
Interpreting Masonic Ritual endeavors to address the depth of the ritualistic experience through a discussion of

what ritual means to man as well as what man means to ritual. Ritual teaches us about reality but we will not come to a full understanding of it if we disparage what others do and view their actions from a position of pseudo-intellectual or cultural superiority. Ritual is the core of Freemasonry and is that thing which sets it apart from so many organizations. It is the key to the Freemason's "secrets" and the manner through which they transmit our "beautiful system of morality." It is something to be treasured, maintained, taught, elevated, evaluated, and, above, reinforced through proper performance, decorum, and setting.

This is a photographic reproduction of Albert Pike's beautiful 1887 ritual for the Rose Croix Funeral Ceremony. This ceremony draws on the symbolism of many ancient societies and presents a dignified and meaningful tribute to the Knights who have passed to the Realm Eternal. To this work is added Charles Laffon de Ladebat's dedication/introduction to the 1856 Pike/Ladebat 18th Degree ritual. The

works together present a fascinating and important look into the development of the AASR. Part of the Cornerstone Scottish Rite Education Series.

Lexington Books

Freemasonry is an ancient secret society shrouded in obscurity. Fascination with the mysteries of the Masons reached a fevered pitch after the release of Dan Brown's novels *Angels and Demons*, *The Da Vinci Code*, and *The Lost Symbol*. But these novels and their related movies raised more questions than they answered. *The Complete Idiot's Guide® to Freemasonry, Second Edition*, fills readers in on the truths behind the mysteries. In it, readers get: - A fact-filled overview of the birth and beginnings of Freemasonry, including its relationship to the Knights Templar and Egypt. - Fascinating facts about famous Masons. - An explanation of the various Masonic organizations, such as the York and Scottish rites, and the

Shriners. - A behind-the-scenes look at what really goes on in a Masonic lodge, including initiations. - A new walking tour of Washington, DC, pointing out the hidden Masonic symbols featured in *The Lost Symbol*. - Scripts for Masonic rituals, giving a flavor of the language used in such ceremonies. - A field guide to Masonic symbols and regalia, with photos and explanations of significance. - The history behind Masonic philanthropic efforts and youth groups. - A history of African-American Freemasonry and the role of women in Masonic organizations.

A Monitor or Guide to the rituals, ceremonies, instructions, and symbolism of all the

degrees of the Ancient and Accepted Scottish Rite written by Charles T. McClenachan, 33°, Grand Master of Ceremonies of the Supreme Council for the Northern Masonic Jurisdiction of the Ancient and Accepted Scottish Rite. This work offers an unprecedented level of detail concerning the rituals associated with each degree.

McClenachan, contemporary of Albert Pike, provides here a valuable glimpse into some of the elements of Scottish Rite ritual that predate Pike's revisions and expansions, as various ceremonies such as the *Lodge of Sorrow*, *Ceremony of Baptism in the AASR*, *Installation of Officers* as well as a *Masonic Glossary*, the *Grand Constitutions of 1786*, *Forms of the Scottish Rite*, and much more.

 What is the truth about

the Masons suggested in Dan Brown's *The Da Vinci Code*? Can Freemasonry really be dated back as far as Babylon? Did they really coordinate the Boston Tea Party and the American Revolution? What really goes on at a Mason lodge during an initiation? Here is the real story behind the secret society that now boasts nearly five million members (and has included such illustrious fellows as George Washington and Benjamin Franklin), as revealed by a Master Mason. • Offers a highly illustrated field guide to Masonic jewelry and symbols • Includes further reading, a glossary, a list of famous Freemasons and information on Freemasonry in popular culture • Morris is a Master Mason  
[Mentor's Manual](#) Ulysses Press  
 "Adam Parfrey is one of the nation's most provocative publishers."—Seattle Weekly  
 "Secret society historian Craig Heimlichner follows the Middle Path to wisdom. He works the graveyard shift in the secret lodge."—Joan d'Arc, *Paranoia* magazine  
 Secret societies—now a staple of bestseller novels—are pictured as

sinister cults that use hooded albinos to menace truth-seekers. Some conspiracy books claim that fraternal orders are the work of serpentine aliens and interbred humans who wish to supplant earth of its energy, and later, its very existence. On the other side of the aisle, books by high-ranked Freemasons—skeptical in tone but no less partisan in approach—protect their organization's public image by denying the existence of its most contentious ideas. *Ritual America* reveals the biggest secret of them all: that the influence of fraternal brotherhoods on this country is vast, fundamental, and hidden in plain view. In the early twentieth century, as many as one-third of America belonged to a secret society. And though fezzes and tiny car parades are almost a thing of the past, the Gnostic beliefs of Masonic orders are now so much a part of the American mind that the surrounding pomp and circumstance has become faintly unnecessary. The authors of *Ritual America* contextualize hundreds of rare and many never-before printed images with entertaining and far-

reaching commentary, making an esoteric subject provocative, exciting, and approachable. Adam Parfrey is the author of *Cult Rapture: Revelations of the Apocalyptic Mind* and *It's a Man's World: Men's Adventure Magazines, the Postwar Pulp*. He is editor of the influential *Apocalypse Culture* series *Love, Sex, Fear*. *Death: The Inside Story of the Process* and *Church of the Final Judgment*. Craig Heimbichner has recently appeared on a National Geographic documentary

about the Bohemian Grove, contributed to the *Feral House* compilation *Secret and Suppressed II*, and wrote about the famous occult order the O.T.O. in *Blood and Altar*. **The Complete Idiot's Guide to Freemasonry, 2nd Edition** Macoy Pub & Masonic Supply Company The fraternal society of the Masonic Order, steeped in mystery for over 600 years, is brought to light in a fascinating volume that serves as a guide for neophytes as well as a reference for the initiated. Duncan's *Ritual of Freemasonry* reveals the spiritual paths taken

by inductees as they move through each initiated degree of enlightenment: Mark Master, Past Master, Most Excellent Master, and the Royal Arch. The Freemasons' rituals, arcane symbols and mystical doctrines are also probed, and accurate explanations of gestures, tools and terms are accompanied by more than 100 illustrations and original engravings. The work is a fascinating exploration of the theories and practices of the world's most enduring secret society.
