CAMACHO KEENAN

By Women Possessed Little, Brown

Acclaimed writer Charles Shaar Murray's *Boogie Man* is the authorized and authoritative biography of an extraordinary musician. Murray was given unparalleled access to Hooker, and he lets the man from Clarksdale, Mississippi, tell his own story. "Everything you read on album covers is not true, and every album reads different," he told Murray. Murray helps Hooker set the record straight, disentangling the myths and legends from truths so rock-ribbed that we understand, as if for the first time, why they have provided the source for a lifetime of unforgettable

sound. Murray weaves together Hooker's life and music to reveal their indissoluble bonds. Yet *Boogie Man* is far more than merely an accomplished and brilliant biography of one man; it gives an account of an entire art form. Grounded in a time and place in American culture, the blues are universal, and in the hands of the greatest practitioners its power resides in the miracle of using despair to transcend it. "The preacher's mantle," Murray tells us, "passes to the bluesman." This bluesman traveled a hard road out of the American South, from obscurity to adulation and back-and back again. John Lee Hooker has seen it all and sung it all, and his music is both a living legacy and an American treasure. Here is the book that does him and his music full justice.

Ginny Good Hal Leonard Corporation

According to Eric Clapton, John Mayer, and the late Stevie Ray

Vaughn, Buddy Guy is the greatest blues guitarist of all time. An enormous influence on these musicians as well as Jimi Hendrix, Jimmy Page, and Jeff Beck, he is the living embodiment of Chicago blues. Guy's epic story stands at the absolute nexus of modern blues. He came to Chicago from rural Louisiana in the fifties—the very moment when urban blues were electrifying our culture. He was a regular session player at Chess Records. Willie Dixon was his mentor. He was a sideman in the bands of Muddy Waters and Howlin' Wolf. He and Junior Wells formed a band of their own. In the sixties, he became a recording star in his own right. *When I Left Home* tells Guy's picaresque story in his own unique voice, that of a storyteller who remembers everything, including blues masters in their prime and the exploding, evolving culture of music that happened all around him.

The Real Blues Book (Songbook) Hramiec Hoffman Publishing
 Love and death and the passage between entry into the world and exit from it are the focus of this collection of short stories. Buthaina Al Nasiri is an Iraqi author who has lived in Cairo since 1979. Despite this physical and temporal distance from her homeland, much of her material derives from it and many of the stories in this collection reflect her deeply felt nostalgia for Iraq. In contrast to many contemporary female writers, she confesses to being less interested in the position of women in society than in that of people in general and the sufferings they experience between birth and the end of life. None the less, some of her best stories depict the many-colored relationships that exist between the sexes. Buthaina Al Nasiri's work has been widely translated into European languages, but this is the first volume of her stories to appear in English, for which renowned translator Denys

Johnson-Davies has selected work from a career of short-story writing spanning some thirty years.

Erykah Badu: The First Lady of Neo-Soul Bluesource Publications
 A Rolling Stone-Kirkus Best Music Book of 2020 “[Brother Robert} book does much to pull the blues master out of the fog of myth.”—Rolling Stone
 An intimate memoir by blues legend Robert Johnson's stepsister, including new details about his family, music, influences, tragic death, and musical afterlife
 Though Robert Johnson was only twenty-seven years young and relatively unknown at the time of his tragic death in 1938, his enduring recordings have solidified his status as a progenitor of the Delta blues style. And yet, while his music has retained the steadfast devotion of modern listeners, much remains unknown about the man who penned and played these timeless tunes. Few people alive today actually remember what Johnson was really like, and those who do have largely upheld their silence-until now. In *Brother Robert*, nonagenarian Annye C. Anderson sheds new light on a real-life figure largely obscured by his own legend: her kind and incredibly talented stepbrother, Robert Johnson. This book chronicles Johnson's unconventional path to stardom, from the harrowing story behind his illegitimate birth, to his first strum of the guitar on Anderson's father's knee, to the genre-defining recordings that would one day secure his legacy. Along the way, readers are gifted not only with Anderson's personal anecdotes, but with colorful recollections passed down to Anderson by members of their family—the people who knew Johnson best. Readers also learn about the contours of his working life in Memphis, never-before-disclosed details about his romantic history, and all of Johnson's favorite things, from foods and

entertainers to brands of tobacco and pomade. Together, these stories don't just bring the mythologized Johnson back down to earth; they preserve both his memory and his integrity. For decades, Anderson and her family have ignored the tall tales of Johnson "selling his soul to the devil" and the speculative to fictionalized accounts of his life that passed for biography. Brother Robert is here to set the record straight. Featuring a foreword by Elijah Wald and a Q&A with Anderson, Wald, Preston Lauterbach, and Peter Guralnick, this book paints a vivid portrait of an elusive figure who forever changed the musical landscape as we know it.

Updated, with new research and over 100 revisions Ten years later, they're still talking about the weather! Kate Fox, the social anthropologist who put the quirks and hidden conditions of the English under a microscope, is back with more biting insights about the nature of Englishness. This updated and revised edition of *Watching the English* - which over the last decade has become the unofficial guidebook to the English national character - features new and fresh insights on the unwritten rules and foibles of "squaddies," bikers, horse-riders, and more. Fox revisits a strange and fascinating culture, governed by complex sets of unspoken rules and bizarre codes of behavior. She demystifies the peculiar cultural rules that baffle us: the rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid pantomime rule. Class anxiety tests. The roots of English self-mockery and many more. An international bestseller, *Watching the English* is a biting, affectionate, insightful and often hilarious look at the English and their society.

Up Jumped the Devil Nicholas Brealey

(Fake Book). Since the 1970s, *The Real Book* has been the most popular book for gigging jazz musicians. The New Real Book Hachette UK

Howlin' Wolf was a musical giant in every way. He stood six foot

three, weighed almost three hundred pounds, wore size sixteen shoes, and poured out his darkest sorrows onstage in a voice like a raging chainsaw. Half a century after his first hits, his sound still terrifies and inspires. Born Chester Burnett in 1910, the Wolf survived a grim childhood and hardscrabble youth as a sharecropper in Mississippi. He began his career playing and singing with the first Delta blues stars for two decades in perilous juke joints. He was present at the birth of rock 'n' roll in Memphis, where Sam Phillips—who also discovered Elvis Presley, Johnny Cash, and Jerry Lee Lewis—called Wolf his “greatest discovery.” He helped develop the sound of electric blues and vied with rival Muddy Waters for the title of king of Chicago blues. He ended his career performing and recording with the world’s most famous rock stars. His passion for music kept him performing—despite devastating physical problems—right up to his death in 1976. There’s never been a comprehensive biography of the Wolf until now. *Moanin’ at Midnight* is full of startling information about his mysterious early years, surprising and entertaining stories about his decades at the top, and never-before-seen photographs. It strips away all the myths to reveal—at long last—the real-life triumphs and tragedies of this blues titan.

The Story of Chess Records Macmillan

Celebrated for their books on Eugene O’Neill and enjoying access to a trove of previously sealed archival material, the Gelbs deliver their final volume on the stormy life and brilliant oeuvre of this Nobel Prize-winning American playwright. This is a tour through both a magical moment in American theater and the troubled life of a genius. Not a peep show or a celebrity gossip fest, this book is a brilliant investigation of the emotional knots that ensnared

one of our most important playwrights. Handsome, charming when he wanted to be: O’Neill was the flame women were drawn to—all, that is, except his mother, who never let him forget he was unwanted. By *Women Possessed* follows O’Neill through his great successes, the failures he was able to shrug off, and the long eclipse, a twelve-year period in which, despite the Nobel, nothing he wrote was produced. But ahead lay his greatest achievements: *The Iceman Cometh* and *Long Day’s Journey into Night*. Both were ahead of their time and both received lukewarm receptions. It wasn’t until after his death that his widow, the keeper of the flame, began a fierce and successful campaign to restore his reputation. The result is that today, just over 125 years after his birth, O’Neill is a towering presence in the theater, his work—always in performance here and abroad—still electrifying audiences. Perhaps of equal importance, he is the acknowledged father of modern American theater, the man who paved the way for the likes of Arthur Miller, Tennessee Williams, Edward Albee, and a host of others. But, as Williams has said, at a cost: “O’Neill gave birth to the American theater and died for it.”

Brooklyn U of Minnesota Press

Earl "Lil' Choo-Choo" Johnson le home at the age of 10, with only his father's guitar, and stepped into the world of the Delta blues. A guitar prodigy, his music led him to play with blues legends like Robert Johnson, Charley Pa on, Son House, Howlin' Wolf, and Muddy Waters. Lil' Choo-Choo's story is a history of the blues, from sharecropper's shacks on Dockery's Planta on and whiskey-soaked juke joints in Depression-era Mississippi to the swinging clubs of post-war Memphis and Chicago. It encompasses the

heyday of Delta blues, the birth of rock and roll, the British invasion, the blues revival of the 1960s, and beyond. Bryan Krull has been a history teacher for the past eight years at the high school and college level. He earned his Ph.D from the University of Wisconsin-Madison, as well as degrees from the University at Buffalo and the University at Albany (NY). He currently lives near Rochester, New York. Lil' Choo-Choo Johnson, Bluesman is his first novel.

Lightnin' Hopkins Hal Leonard Corporation

Based on scores of interviews with the artist's relatives, friends, lovers, producers, accompanists, managers, and fans, this brilliant biography reveals a man of many layers and contradictions. Following the journey of a musician who left his family's poor cotton farm at age eight carrying only a guitar, the book chronicles his life on the open road playing blues music and doing odd jobs. It debunks the myths surrounding his meetings with Blind Lemon Jefferson and Texas Alexander, his time on a chain gang, his relationships with women, and his lifelong appetite for gambling and drinking. This volume also discusses his hard-to-read personality; whether playing for black audiences in Houston's Third Ward, for white crowds at the Matrix in San Francisco, or in the concert halls of Europe, Sam Hopkins was a musician who poured out his feelings in his songs and knew how to endear himself to his audience--yet it was hard to tell if he was truly sincere, and he appeared to trust no one. Finally, this book moves beyond exploring his personal life and details his entire musical career, from his first recording session in 1946--when he was dubbed Lightnin'--to his appearance on the national charts and his rediscovery by Mack McCormick and Sam Charters in

1959, when his popularity had begun to wane and a second career emerged, playing to white audiences rather than black ones. Overall, this narrative tells the story of an important blues musician who became immensely successful by singing with a searing emotive power about his country roots and the injustices that informed the civil rights era.

Blues with a Feeling Viking Adult

The invisible man is the unnamed narrator of this impassioned novel of black lives in 1940s America. Embittered by a country which treats him as a non-being he retreats to an underground cell.

Searching for Robert Johnson Hal Leonard Corporation

I'm Just Dead, I'm Not Gone chronicles Jim Dickinson's extraordinary life in the Memphis music scene of the fifties and sixties and how he went on to play with and produce a rich array of artists, including Aretha Franklin, the Rolling Stones, Ry Cooder, Duane Allman, Arlo Guthrie, and Albert King. With verve and wit, Dickinson (1941-2009) describes his trip to Blind Lemon's grave on the Texas flatlands as a college student and how that encounter inspired his return to Memphis. Back home, he looked up Gus Cannon and Furry Lewis, began staging plays, cofounded what would become the annual Memphis Blues Festival, and started recording. The blues, Elvis, and early rock 'n' roll compelled Dickinson to reject racial barriers and spurred his contributions to the Memphis music and experimental art scene. He explains how the family yardman, WDIA, Dewey Phillips, Furry Lewis, Will Shade, and Howlin' Wolf shaped him and recounts how he went on to learn his craft at Sun, Ardent, American, Muscle Shoals, and Criteria studios from master producers Sam Phillips,

John Fry, Chips Moman, and Jerry Wexler. Dickinson is a member of the Mississippi Music Hall of Fame and an inaugural inductee of the Memphis Music Hall of Fame. He has received the Lifetime Achievement Award for Engineering and Production from the Americana Music Association, a Brass Note on the Beale Street Walk of Fame in Memphis, and a Heritage Marker on the Mississippi Blues Trail. This memoir recounts a love affair with Memphis, the blues, and rock 'n' roll through Dickinson's captivating blend of intelligence, humor, and candor.

Seedfolks Penguin Books Limited

From the author of the critically acclaimed Elvis Presley biography: *Last Train to Memphis* brings us the life of Sam Phillips, the visionary genius who singlehandedly steered the revolutionary path of Sun Records. The music that he shaped in his tiny Memphis studio with artists as diverse as Elvis Presley, Ike Turner, Howlin' Wolf, Jerry Lee Lewis, and Johnny Cash, introduced a sound that had never been heard before. He brought forth a singular mix of black and white voices passionately proclaiming the vitality of the American vernacular tradition while at the same time declaring, once and for all, a new, integrated musical day. With extensive interviews and firsthand personal observations extending over a 25-year period with Phillips, along with wide-ranging interviews with nearly all the legendary Sun Records artists, Guralnick gives us an ardent, unrestrained portrait of an American original as compelling in his own right as Mark Twain, Walt Whitman, or Thomas Edison.

Deep Blues Rowman & Littlefield

Whenever you hear the prevalent wailing blues harmonica in commercials, film soundtracks or at a blues club, you are

experiencing the legacy of the master harmonica player, Little Walter. Immensely popular in his lifetime, Little Walter had fourteen Top 10 hits on the R&B charts, and he was also the first Chicago blues musician to play at the Apollo. Ray Charles and B.B. King, great blues artists in their own right, were honored to sit in with his band. However, at the age of 37, he lay in a pauper's grave in Chicago. This book will tell the story of a man whose music, life and struggles continue to resonate to this day.

[All Music Guide to the Blues](#) Penguin

Erykah Badu stands at the forefront of a whole new genre of music. Before Macy Gray, Alicia Keys and Angie Stone, Erykah was bringing the unique sounds of neo-soul - the classic vibes of Motown and Stax smoothed by Jazz and toughened by Hip-Hop - to the people. quite simply, there is no other artist like her. Joel McIver's biography is a detailed and enlightening look at one of the world's great performers, accompanied with photographs, which forms a typically insightful appreciation of her magnificent music.

[Brother Robert](#) Chicago Review Press

Part of the regionalist movement that included Grant Wood, Paul Engle, Hamlin Garland, and Jay G. Sigmund, James Hearst helped create what Iowa novelist Ruth Suckow called a poetry of place. A lifelong Iowa farmer, Hearst began writing poetry at age nineteen and eventually wrote thirteen books of poems, a novel, short stories, cantatas, and essays, which gained him a devoted following. Many of his poems were published in the regionalist periodicals of the time, including the *Midland*, and by the great regional presses, including Carroll Coleman's *Prairie Press*. Drawing on his experiences as a farmer, Hearst wrote with a

distinct voice of rural life and its joys and conflicts, of his own battles with physical and emotional pain (he was partially paralyzed in a farm accident), and of his own place in the world. His clear eye offered a vision of the midwestern agrarian life that was sympathetic but not sentimental - a people and an art rooted in place.

Lovesick Blues Macmillan + ORM

Winner of the Costa Novel Award and longlisted for the Man Booker Prize, Colm Tóibín's internationally bestselling novel is a story of devastating emotional power. At the centre of Colm Tóibín's internationally celebrated novel is Eilis Lacey, one among many of her generation who has come of age in 1950s Ireland but cannot find work at home. When she receives a job offer in America, it is clear to everyone that she must go. Leaving her family and country behind, Eilis heads for unfamiliar Brooklyn, and to a crowded boarding house where the landlady's intense scrutiny and the small jealousies of her fellow residents only deepen her isolation. Slowly, however, the pain of parting and a longing for home are buried beneath the rhythms of her new life—until she begins to realize that she has found a sort of

happiness. But just as Eilis begins to fall in love, tragic news summons her back to Ireland, where she unexpectedly finds herself facing an impossible decision.
