GRIFFIN HATFIELD

Hunger and Work in a Savage Tribe Scholastic Inc.

First published: London: Thames & Hudson, 2010.

The Wizard, the Ugly, and the Book of Shame Scholastic Inc.

A dissection of the Soviet Union's legacy of health and environmental disaster, this book examines a former country of 103 cities - home to 70 million people - where the air is unfit to breathe and pollution fouls 75 percent of the water.

King Tut's Grandmother (Echo and the Bat Pack) Raintree

Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The "freak," Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? The Dare is an 18+ erotic romance novella and a prequel to the Losers Duet. Reader discretion is strongly advised. This book contains graphic sexual scenes, intense scenes of BDSM, and strong language. A full content note can be found in the front matter of the book.

Thea Stilton and the Mystery on the Orient Express (Thea Stilton #13) McFarland

The Pirate Cats have had their plans foiled by Geronimo Stilton time and time again, due to the help from Geronimo's friend Professor Volt. The Pirate Cats decide to better their odds by getting rid of Professor Volt; kidnapping him and leaving him in the Cretaceous Period - a time when the earth was occupied by dinosaurs!

The Apocalyptic Landscapes of Ludwig Meidner Scholastic Inc.

A warts-and-nothing else portrait of a right wing talk show host with a major attitude (not to mention drinking) problem.

Ecocide in the USSR Ashgate Publishing, Ltd.

When Echo's human friend, Rebecca Silver, is kidnapped by a witch who wants her for an assistant, Echo and the Bat Pack must risk their lives to rescue her.

The Search for Sunken Treasure (Geronimo Stilton #25) Here's the Key Incorporated

Wedding Crasher (Geronimo Stilton #28) Legare Street Press

Geronimo's adventurous sister Thea narrates this fabulous adventure that's packed with action, mystery, and friendship!The Thea Sisters are boarding the famous Orient Express for a journey from Paris to Istanbul! The train is on a special trip to return a precious wedding dress stolen years ago from an Istanbul museum. But there's a rumor that the mysterious Acrobat Thief will steal the dress from the moving train! The Thea Sisters are determined to foil this super-sneaky mouse's plans.

Studs Kirby McFarland

When Echo and the rest of the Bat Pack hear that the Fogville Museum will be hosting an exhibit

about ancient Egypt, they're thrilled. But when they attend the opening of the exhibit, they learn that the museum's mummy isn't quite as dead as they expected.

Sweet Potato Products Basic Books

Echo the bat and his new human friends, the Bat Pack, set out to discover why a mysterious hooded figure and his companion raven are digging up graves and looking for treasure in the cemetery.

Treasure in the Graveyard Princeton University Press

Shows public lands illegally used to test bombs

A Dictionary of Idioms American Phytopathological Society

The story of how the richest city in the world became one of the poorest in North America, with a new introduction by Peter Kwong How did New York City come to be a network of steel towers, banks, and nail salons, with chain drugstores on every block—a place where, increasingly, no one can afford to live except the lords of Wall Street and foreign billionaires, and where more and more of the Big Apple's best-loved businesses have closed their doors? It didn't start with Michael Bloomberg—or with Robert Moses. As Robert Fitch meticulously demonstrates in this eye-opening book, the planning to assassinate New York began a century ago, as the city's very richest few—the Morgans, the Mellons, and especially the Rockefellers—looked for ways to maximize the value of their real estate by pushing Gotham's vibrant and astonishingly varied manufacturing sector out of town, and with it, the city's working class. The Assassination of New York attacks a Goliath-like enemy: the real-estate developers who maintain a stranglehold on the city's most valuable commodity. Their efforts to increase land value by replacing low-rent workers and factories with high-rent professionals and office buildings was one of the single most decisive factors in the city's downturn. In the 1980s the number of real-estate vacancies eclipsed that of the fiscal crisis of the 1970s. In September of 1992 there was a staggering twenty-five million square feet of empty office space. Are the city's problems fixable? How will the future of New York play out through the twenty-first century? Fitch comes up with solutions, from saving jobs to promoting economic diversity to rebuilding the crumbling infrastructure. But it will take vision and hard work to restore New York to what it once was while creating a new and better home for coming generations.

The Assassination of New York Open Road Media

He was born Bela Ferenc Dezso Blasko on October 20, 1882, in Hungary. He joined Budapest's National Theater in 1913 and later appeared in several Hungarian films under the pseudonym Arisztid Olt. After World War I, he helped the Communist regime nationalize Hungary's film industry, but barely escaped arrest when the government was deposed, fleeing to the United States in 1920. As he became a star in American horror films in the 1930s and 1940s, publicists and fan magazines crafted outlandish stories to create a new history for Lugosi. The cinema's Dracula was transformed into one of Hollywood's most mysterious actors. This exhaustive account of Lugosi's work in film, radio, theater, vaudeville and television provides an extensive biographical look at the actor. The enormous merchandising industry built around him is also examined.

Information in War MONTENA

Enter the world of Geronimo Stilton, where another funny adventure is always right around the corner. Each book is a fast-paced adventure with lively art and a unique format kids 7-10 will love.Oh, what a day! I had just published New Mouse City's first phone book -- and almost every single number was wrong! My customers were out for my fur. So when Thea, Trap, and Benjamin asked me to join their quest for a legendary island covered in silver, I agreed. But no sooner had we set out than we were attacked by a ship of pirate cats! They mousenapped us and threatened to make us their dinner. Would we escape with our lives... or find ourselves in the soup?

The Dare MONTENA

Ogres and giants, bogeymen and bugaboos embody some of our deepest fears, dominating popular fiction, from tales such as 'Jack the Giant Killer' to the cannibal monster Hannibal Lecter, from the

Titans of Greek mythology to the dinosaurs of JURASSIC PARK, from Frankenstein TO MEN IN BLACK. Following her brilliant study of fairy tales, FROM THE BEAST TO THE BLONDE, Marina Warner's rich, enthralling new book explores the ever increasing presence of such figures of male terror, and the stratagems we invent to allay the monsters we conjure up -from horror stories to lullabies and jokes. Travelling from ogres to cradle songs, from bananas to cannibals, Warner traces the roots of our commonest anxieties, unravelling with vigorous intelligence, creative originality and relish, the myths and fears which define our sensibilities. Illustrated with a wealth of images - from the beautiful and the bizarre to the downright scary -this is a tour de force of scholarship and imagination.

Thea Stilton and the Mountain of Fire (Thea Stilton #2) Oxford University Press

Dracula and Frankenstein's Monster are horror cinema icons, and the actors most deeply associated with the two roles also shared a unique friendship. Bela Lugosi and Boris Karloff starred in dozens of black-and-white horror films, and over the years managed to collaborate on and co-star in eight movies. Through dozens of interviews and extensive archival research, this greatly expanded new edition examines the Golden Age of Hollywood, the era in which both stars worked, recreates the shooting of Lugosi and Karloff's mutual films, examines their odd and moving personal relationship and analyzes their ongoing legacies. Features include a fully detailed filmography of the eight Karloff and Lugosi films, full summaries of both men's careers and more than 250 photographs, some in color.
