1000 Full Sight Words Picture Dictionary Book English Romanian Educational Games for Kids 5 10 McGraw Hill Professional
 This is the British edition of "Grammar and Vocabulary Games for Children". It is a resource book for teachers and home-schooling parents who want to make their children's grammar and vocabulary lessons fun. Grammar, punctuation, phonics, vocabulary and proverbs are all presented in the form of fifty active games. At the end of a formal lesson, these activities can be given as a reward for hard work, or to reinforce the topic just studied. For restless children who need to stretch their legs and let off steam before they knuckle down to further work, the games presented in this book provide the perfect solution. Several of the vocabulary games are designed to help ESL students to practise their new words, and all the games encourage children to listen, concentrate and stay focused on the topic of study. The activities are aimed at children between the ages of 7 and 13 years. Grammar lessons and vocabulary building will never be boring when children are offered the games in this book.

Language games allow children to stretch their communication abilities, enhancing vocabulary, conversation, and storytelling skills. A suggested age range accompanies each game in this book; some games may be adapted to different age groups. Language games for beginners focus on making children aware of the ways letters look, the presence of letters in their surroundings (on signs, for instance), and the different letter systems in different cultures. More advanced games include creating poems and haiku, making up stories, and joke-telling. 39 black-and-white illustrations are included in this wonderful resource for teachers, therapists, and social workers.

Vocabulary represents one of the essential skills necessary for teaching and learning a foreign language. It is the basis for developing all the other skills: reading comprehension, listening comprehension, speaking, writing, spelling, and pronunciation. Vocabulary is the primary tool for the students in their attempt to use English effectively. When confronted with a native English speaker, when watching a movie without subtitles or when listening to a favorite English song, when reading a text, or when writing a letter to a friend, students will always need to operate with words. This book is a great educational learning tool for your kids to play games and learn new essential words simultaneously. You can see your child's reading improvement!

Learn While You Play With These Fun, Creative Activities & Games From two experienced educators and moms, 100 Fun & Easy Learning Games for Kids prepares your children to thrive in school and life the fun way by using guided play at home to teach important learning topics—reading, writing, math, science, art, music and global studies. Turn off the TV and beat boredom blues with these clever activities that are quick and easy to set up with common household materials. The huge variety of activities means you can choose from high-energy group games full of laughter and delight, or quiet activities that kids can complete on their own. All activities highlight the skill they teach, and some are marked with a symbol whether they are good for on-the-go learning or if they incorporate movement for kids to get their wiggles out. In Zip-Line Letters, children learn letter sounds as the letters zoom across the room. In Parachute Subtraction, place foam balls in a parachute, then kids shake the parachute and practice subtraction as they count how many balls fall off. Kids will have so much fun, they won't even realize they're gaining important skills! The activities are easy to adapt for all ages and skill levels. 100 Fun & Easy Learning Games for Kids is the solution for parents—as well as teachers, caregivers or

relatives—to help kids realize how fun learning can be and develop what they'll need to do well wherever life takes them.
