This book
offers an in-
depth look at
the ways in
which
technology,

travel, and
globalization
have altered
traditional
patterns of
immigration
for South
Asians who
live and work
in the United
States, and
explains how
their popular
cultural

practices and
aesthetic
desires are
fulfilled. They
are presented
as the twenty-
first century's
"new
cosmopolitans
": flexible
enough to
adjust to
globalization's
economic,

political, and cultural imperatives. They are thus uniquely adaptable to the mainstream cultures of the United States, but also vulnerable in a period when nationalism and security have become tools to maintain traditional power relations in a changing world.

More Happy Than Not (Deluxe Edition)

Simon and Schuster Emma O'Donovan is eighteen, beautiful, and fearless. It's the beginning of summer in a quiet Irish town and tonight she and her friends have dressed to impress. Everyone is at the party, and all eyes are on Emma. The next morning Emma's parents discover her collapsed on the doorstep of their home, unconscious. She is disheveled, bleeding, and disoriented,

looking as if she had been dumped there. To her distress, Emma can't remember what happened the night before. All she knows is that none of her friends will respond to her texts. At school, people turn away from her and whisper under their breath. Her mind may be a blank as far as the events of the previous evening, but someone has posted photos of it on Facebook under a fake account, "Easy

Emma"-- photos she will never be able to forget. As the photos go viral and a criminal investigation is launched, the community is thrown into tumult. The media descends, neighbors chose sides, and people from all over the world want to talk about her story. Everyone has something to say about Emma. Asking For It is a powerful story about the devastating effects of rape

and public shaming, told through the awful experience of a young woman whose life is changed forever by an act of violence.

Catwoman
Penguin UK
Translated from the Urdu by Khushwant Singh. Umrao Jan Ada is perhaps one of the most enigmatic and forgotten female figures in South Asian Literature. The question of her existence, her beauty, her scholarly abilities and her poetic gift remain a

mystery. The book is an account of Umrao's life as a Lucknawi courtesan, a nautch girl, delivered in first person by Umrao herself, and documented by a close friend. Written more than a hundred years ago, the novel recreates the gracious ambience of old Lucknow and takes the reader on a fascinating journey through the palaces of wealthy nawabs, the hideouts of the colorful vagabonds

and the luxurious abodes of the city's courtesans. *Kaifi and I* HarperCollins
Lola Durand hates her stepmother. It's a cliché but it's true. Lola Durand can't get through to her father. He never wants to talk about the things that matter: why they had to move to Paris, why he had to marry evil Agatha, and how they can get through the heartache of her mother's death together. If he

won't listen,
she'll show
him. She'll
show him the
truth about his
new wife and
then her life
can go back to
normal, just
the way she
likes it. Lola
Durand knows
a secret about
her
stepmother.
She's going to
share it.

to the
crossroads, to
the crossroads
come Sierra
Santiago
planned an
easy summer

of making art
and hanging
with her
friends. But
then a corpse
crashes the
first party of
the season.
Her stroke-
ridden
grandfather
starts
apologizing
over and over.
And when the
murals in her
neighborhood
begin to weep
real tears . . .

Well,
something
more sinister
than the usual
Brooklyn
ruckus is
going
on. Where the
powers
converge and
become
one. With the
help of a

fellow artist
named
Robbie, Sierra
discovers
shadowshapin
g, a thrilling
magic that
infuses
ancestral
spirits into
paintings,
music, and
stories. But
someone is
killing the
shadowshaper
s one by one -
- and the killer
believes Sierra
is hiding their
greatest
secret. Now
she must

shadowshapin
g for herself

and generations to come. Full of a joyful, defiant spirit and writing as luscious as a Brooklyn summer night, Shadowshaper introduces a fantasy heroine and magic unlike any you've ever seen before, and marks the YA debut of a brilliant new storyteller. *Pandeymonium* Lulu.com

Why run after the West when we already have the best? Join Shilpa Shetty Kundra and Luke Coutinho as they tell

you just how nutritious your locally grown and sourced ingredients are and that there's no need to look beyond borders to tailor the perfect diet. The book touches upon various food categories and not only tells you how to take care of your nutritional intake but also how to burn fat in the process. The combined experience of a professional nutritionist and an uber-fit celebrity who swears by the

diet will open your eyes to why Indian food is the best in the world.

The Foundations of Indian Culture
Penguin Books, Limited (UK)

One of the most enduring divas of Hindi cinema, a producer and director for films and television, dancer and choreographer par excellence, magazine editor, an active member of Parliament and now a singer, Hema Malini wears

many hats with admirable ease. No other industry name comes close to matching the breadth of her achievements. In an industry where the male star has traditionally driven the commercial success of films, Hema was an exception, with her name alone sufficing to ensure a film's box-office glory. She was, arguably, India's first female superstar. Apart from starring in

mainstream super-hits like Johny Mera Naam, Jugnu, Andaz, Seeta Aur Geeta, Sholay and, more recently, Baghban, she received critical acclaim for her performances in Lal Patthar, Khushboo, Kinara, Meera, Ek Chadar Maili Si and Razia Sultan. But there is much more to her than just her Bollywood journey. From her efforts at reviving and sustaining classical dance to her graceful handling of

her personal life and the controversies that have plagued her in her political avatar, from her relationships to her religious beliefs and her recent tryst with singing, Hema Malini: Beyond the Dream Girl covers it all. With detailed interviews and exclusive anecdotes from her family, friends and co-actors, this is an inside look at the remarkable life of one of our greatest cinema icons,

someone who has truly lived life on her own terms.

The Renaissance in India

Ebury Press
A biography of the Indian mathematician Srinivasa Ramanujan. The book gives a detailed account of his upbringing in India, his mathematical achievements, and his mathematical collaboration with English mathematician G. H. Hardy. The book also reviews the life of Hardy and the academic

culture of Cambridge University during the early twentieth century.

Profiled in The Los Angeles Times
Publishing for the centenary of her birth, Patricia Highsmith's diaries "offer the most complete picture ever published" of

the canonical author (New York Times). Relegated to the genre of mystery during her lifetime, Patricia Highsmith is now recognized as one of "our greatest modernist writers" (Gore Vidal). Beloved by fans who were unaware of the real psychological turmoil behind her prose, the famously secretive Highsmith refused to authorize a biography, instead sequestering

herself in her Switzerland home in her final years. Posthumously, her devoted editor Anna von Planta discovered her diaries and notebooks in 1995, tucked in a closet—with tantalizing instructions to be read. For years thereafter, von Planta meticulously culled from over eight thousand pages to help reveal the inscrutable figure behind the legendary pen. Beginning with her junior

year at Barnard in 1941, Highsmith ritualistically kept a diary and notebook—the former to catalog her day, the latter to brainstorm stories and hone her craft. This volume weaves diary and notebook simultaneously, exhibiting precisely how Highsmith’s personal affairs seeped into her fiction—and the sheer darkness of her own imagination. Charming yet teetering on the egotistical,

young “Pat” lays bare her dizzying social life in 1940s Greenwich Village, barhopping with Judy Holliday and Jane Bowles, among others. Alongside Flannery O’Conner and Chester Himes, she attended—the recommendation of Truman Capote—the Yaddo artist colony in 1948, where she drafted *Strangers on a Train*. Published in 1950 and soon adapted by Alfred Hitchcock, this

debut novel brought recognition and brief financial security, but left a heartsick Highsmith agonizing: "What is the life I choose?" Providing extraordinary insights into gender and sexuality in mid-twentieth-century America, Highsmith's diaries convey her euphoria writing *The Price of Salt* (1951). Yet her sophomore novel would have to be published under a

pseudonym, so as not to tarnish her reputation. Indeed, no one could anticipate commercial reception for a novel depicting love between two women in the McCarthy era. Seeking relief from America, Highsmith catalogs her peripatetic years in Europe, subsisting on cigarettes and growing more bigoted and satirical with age. After a stay in Positano with a new lover, she reflects in her notebooks

on being an expat, and gleefully conjures the unforgettable *The Talented Mr. Ripley* (1955); it would be this sociopathic antihero who would finally solidify her true fame. At once lovable, detestable, and mesmerizing, Highsmith put her turbulent life to paper for five decades, acutely aware there must be "a few usable things in literature." A memoir as significant in our own century as

Sylvia Plath's journals and Simone de Beauvoir's writings were to another time, Patricia Highsmith: Her Diaries and Notebooks is an historic work that chronicles a woman's rise against the conventional tide to unparalleled literary prominence. Sex Toys Penguin UK Where women are created for the pleasure of men, beauty is the first duty of every girl. In Louise O'Neill's world

of Only Every Yours women are no longer born naturally, girls (called "eves") are raised in Schools and trained in the arts of pleasing men until they come of age. Freida and Isabel are best friends. Now, aged sixteen and in their final year, they expect to be selected as companions--wives to powerful men. All they have to do is ensure they stay in the top ten beautiful girls in their year. The alternatives--

life as a concubine, or a chastity (teaching endless generations of girls)--are too horrible to contemplate. But as the intensity of final year takes hold, the pressure to be perfect mounts. Isabel starts to self-destruct, putting her beauty--her only asset--in peril. And then into this sealed female environment, the boys arrive, eager to choose a bride. Freida must fight for her future--even if it

means betraying the only friend, the only love, she has ever known.

The Arrangements of Love
 Andrews McMeel Publishing
 Full of wit and delicious observations, Mrs Funnybones captures the life of the modern Indian woman a woman who organizes dinner each evening after having been at work all day, who runs her own life but has to listen to her mummyji, who

worries about her weight and the state of the country. Based on Twinkle Khanna's super-hit column, Mrs Funnybones marks the debut of one of our funniest, most original voices.

Voice and Agency
 Macmillan + ORM
 From the heart of a well-known family of Hyderabad to life in a single room with the barest of necessities, Shaukat Kaifi's memoir of her life with the

renowned poet Kaifi Azmi speaks of love and commitment. A marriage of over a half a century, a life steeped in poetry and progressive politics, continuing involvement with the Indian People's Theatre Association, the Progressive Writers Association, Prithvi Theatre... all of these and more inform this beautifully told tale of love. Shaukat Kaifi's writing details life in a

communist commune, a long career in theatre and film and a life spent bringing up her two children, cinematographer Baba Azmi and actor Shabana Azmi. Nasreen Rehman's deft and fluent translation brings this luminous memoir alive with warmth and empathy. "To say that this is a lovely book would be an understatement. It is an enchanting recollection of the life of a hugely talented and

sensitive human being, shared with a great poet." -- Amartya Sen. Published by Zubaan.

Mrs Funnybones

Zubaan Despite recent advances in important aspects of the lives of girls and women, pervasive challenges remain. These challenges reflect widespread deprivations and constraints and include epidemic levels of gender-based violence and discriminatory laws and

norms that prevent women from owning property, being educated, and making meaningful decisions about their own lives-- such as whether and when to marry or have children. These often violate their most basic rights and are magnified and multiplied by poverty and lack of education. This groundbreaking book distills vast data and hundreds of studies to

shed new light on deprivations and constraints facing the voice and agency of women and girls worldwide, and on the associated costs for individuals, families, communities, and global development. The volume presents major new findings about the patterns of constraints and overlapping deprivations and focuses on several areas key to women s

empowerment : freedom from violence, sexual and reproductive health and rights, ownership of land and housing, and voice and collective action. It highlights promising reforms and interventions from around the world and lays out an urgent agenda for governments, civil society, development agencies, and other stakeholders, including a call for greater investment in data and

knowledge to benchmark progress. collection of poetry and prose. This production was recorded in 2021 along with the brand-new audio edition of *milk and honey* and the debut audio recording of *home body*. Divided into five chapters, this volume is a journey through the life cycle of wilting, falling, rooting, rising, and blooming. It is a celebration of love in all its forms. *Ling 1995* Headline Soon, the movement snowballed

into a campaign for providing jobs, medical facilities and educational aid to workers.

Home Body

Page Street Publishing
An honest and deeply reported account of five women and the opportunities and frustrations they face in the year following their graduation from an elite university. Recent Princeton graduate Caroline Kitchener weaves

together her experiences from her first year after college with that of four of her peers in order to delve more deeply into what the world now offers a female college graduate, and how the world perceives them. Each of the five girls in this diverse group were expected to attend college—but most had no clear expectations for their futures post-graduation. And as Kitchener follows each

member of the group, it becomes harder to reduce them to stereotypes, harder either to defend or to judge their choices. Kitchener navigates expertly between the very personal and the wider sociological perspectives as she outlines a chronological year in the lives of all five women, illuminating and clarifying each one of their choices, victories, and foibles. Both a broad and an

intensely individual exploration, Post Grad is a portrait of the shifting environment of that important year after graduation, as well as an intimate look at how a select group of very different individuals handles its challenges—navigating family tensions, relationships, jobs, and that ever-elusive notion of independence. [The Legends of the Panjâb](#)
Penguin
Covering a

decade on the inside of the games industry, **SEX, DRUGS, AND CARTOON VIOLENCE** lifts the curtain on the whirlwind of hype and promotion surrounding the launch of a multimillion dollar game. From all-expenses paid junkets, to multi-million dollar parties, to exclusive "previews", these are the stories you've never heard about the way video games are sold and reported. Written by a veteran games

reporter and former television producer, this is the story of an accidental journey into - and back out of - one of the weirdest niches of journalism in the world. **
Called "The Indiana Jones of games writing" by goodgameswriting.com, Russ Pitts has spent more than ten years traveling the world writing about video games. Pitts is the former editor-in-chief of the six-time Webby Award-winning website, The

Escapist; the former features editor at Vox Media's premiere

video game website, Polygon and the former

head writer and producer of TechTV's "The Screen Savers."
