ANITYAH MCKAYLA

The Journal of Home Economics CRC Press

A state-by-state guide to the places that offer a unique insight into American culture 500+ All-American Family Adventures is a thoughtful handbook that will help you plan family vacations and day trips that are both entertaining and educational. Travel is one of the best ways to augment a child's formal education, and this volume offers insightful suggestions for making the most of any trip—all the while making it so much fun that your kids won't even know they're learning. This voluminous collection, carefully researched, includes places your family will never forget—the most important historical sites in the country are here, as well as gems travelers might otherwise miss. The common thread is that each gives real insight into the American experience and also packs a powerful, engaging experience on its own. Also provided: budgeting tips, time-saving strategies, historical background, and an appendix of the best family-friendly lodging options.

The Black Diamond Teacher Created Resources

LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest, most amazing collection of professional photography on the internet. Users can browse, search and view photos of today's people and events. They have free access to share, print and post images for personal use.

Independence Hall is a place Americans think they know well. Within its walls the Continental Congress declared independence in 1776, and in 1787 the Founding Fathers drafted the U.S. Constitution there. Painstakingly restored to evoke these momentous events, the building appears to have passed through time unscathed, from the heady days of the American Revolution to today. But Independence Hall is more than a symbol of the young nation. Beyond this, according to Charlene Mires, it has a long and varied history of changing uses in an urban environment, almost all of which have been forgotten. In Independence Hall, Mires rediscovers and chronicles the lost history of Independence Hall, in the process exploring the shifting perceptions of this most important building in America's popular imagination. According to Mires, the significance of Independence Hall cannot be fully appreciated without assessing the full range of political, cultural, and social history that has swirled about it for nearly three centuries. During its existence, it has functioned as a civic and cultural center, a political arena and courtroom, and a magnet for public celebrations and demonstrations. Artists such as Thomas Sully frequented Independence Square when Philadelphia served as the nation's capital during the 1790s, and portraitist Charles Willson Peale merged the arts, sciences, and public interest when he transformed a portion of the hall into a center for natural science in 1802. In the 1850s, hearings for accused fugitive slaves who faced the loss of freedom were held, ironically, in this famous birthplace of American independence. Over the years Philadelphians have used the old state house and its public square in a multitude of ways that have transformed it into an arena of conflict: labor grievances have echoed regularly in Independence Square since the 1830s, while civil rights protesters exercised their right to free speech in the turbulent 1960s. As much as the Founding Fathers, these people and events illuminate the building's significance as a cultural symbol.

LIFE Rough Guides UK

Dramatic coastline, charming villages, unforgettable history, and distinct local culture: See a different side of France with Moon Normandy & Brittany Flexible itineraries for 1 to 5 days in Normandy and Brittany that can be combined into a 2-week trip, plus suggestions for easy side trips Strategic advice for foodies, art lovers, history buffs, outdoor adventurers, and more Must-see highlights and unique experiences: Hike the dramatic chalk cliffs of Étretat or stroll the gardens that inspired Monet's Water Lilies. Cycle the rolling hills and endless backroads to small villages and sip cider with locals at a Celtic Festoù-noz pulsing with traditional dance and music. Pay your respects at the D-Day beaches and monuments and learn about the largest military landing in history. Admire the spectacular monastery rising above the tidal plains of Mont Saint Michel and enjoy fresh seafood in Saint-Malo Honest advice on where to stay, how to get around, and where to find the best regional cuisine, from creamy cheeses in Normandy to Breton galettes and cider Local perspective from British expat and local expert Chris Newens Full-color photos and detailed maps throughout Background information on the landscape, history, and cultural customs of each region Handy tools such as a French phrasebook and tips for traveling with children or as a senior With Moon Normandy & Brittany's practical tips and local insight on the best things to do and see, you can plan your trip your way. Exploring more of France? Try Moon Paris Walks. Craving the beach? Check out Moon Amalfi Coast.

The Rough Guide to Trinidad and Tobago is the definitive guide to these high-spirited twin islands. White-sand beaches, swaying palms and reef-studded waters are all here for the taking, but Trinidad and Tobago turns the Caribbean stereotype on its head, offering a whole lot more than sun and beachlife. The Rough Guide to Trinidad and Tobago gives you insider information on everything from watching leatherback turtles lay eggs on the beaches, to navigating the multitude of Carnival fetes and Calypso tents and playing "mas" on the streets of Port of Spain. Up-to-date listings and tips give you the lowdown on the islands' brilliant dining and nightlife scenes. And from boutique hotels on the sand to budget rooms, local guesthouses to lavish villas, our accommodation reviews will help you find a room that suits your needs. Whether your tastes are striking out on rainforest hikes, cooling off in hidden waterfalls, or exploring Hindu temples and Indo-Trinidadian food, The Rough Guide to Trinidad and Tobago will ensure you get the very best out of your stay.

Active First Aid - UK Inner Traditions / Bear & Co
