ELLIANA VAUGHAN

The Last Vampire Oxford
University Press

Los Biblionautas viajan a un libro sobre la vida en la Edad Media. Allí, Kapek aprovechará para hacer realidad su sueño de convertirse en caballero, mientras Pizca y Magnus se divierten actuando como juglares.

Hrolf Kraki's Saga

Tundra Books

On the way to her granddaughter's wedding, a little old lady comes across a wolf, a bear and a lion that want to eat her up. She convinces the animals to wait until she returns from the wedding reception and, after the celebrations, the granddaughter and the little old lady come up with a very original plan to outwit the three wild beasts. With an agile rhythm - almost a tongue twister -, present in the Portuguese versions that are still circulating today, this story offers many expressive narrative possibilities and theatrical presentation.

Prosa literaria Schwartz & Wade

Aprende un montón de

cosas sobre los dinosaurios, sus tipos y cómo era su vida. Pizca quiere impresionar a sus compañeros del colegio llevando a clase... ¡Un tiranosaurio de verdad! Pero cuando lo saca de un libro, resulta que no llega solo. ¿Qué van a hacer los Biblionautas con tantos dinosaurios? Además de disfrutar de la lectura, los niños aprenderán sobre los dinosaurios, los tipos y cómo era su vida.

The German New Right
Tundra Books

This new series uses a simple approach to help kids master the basics of the Spanish language including sentence structure, vocabulary, pronunciation, and verbs. Common items such as food, time, greetings, and places introduce students to beginning sentence structure. Each 80-page book is packed with activities that will teach sight reading and translation skills. Activities include picture labeling, writing practice, matching exercises, and fill-in-the-blanks. These books provide different levels to accommodate every elementary student.

Bloomsbury Publishing

People are nature. From the water we drink to the trees we climb, we are connected to the natural world in big and surprising ways. With simple, poetic text, and exquisite artwork, *You Are Stardust* introduces kids to these connections - sparking their imaginations and starting conversations. Combining the ideas of environmental author and educator Elin Kelsey with inventive, three-dimensional dioramas by artist Soyeon Kim, this remarkable picture book

reveals ties that are often sensed, yet seldom explained. Children will learn that the salt in their body is the same as the salt in the ocean, that they learned to speak in the same way that baby birds do - by copying their parents, and that elephants, bats and whales make friends, just like they do. In a world dominated by technology, never have these connections between people and nature been more worth exploring.

The Bear in the Book

Open Road Media
Back to the Future meets The Curious Incident of the Dog in the Night-Time in this original, poignant, race-against-time story about a boy who travels back to 1984 to save his father's life. My dad died twice. Once when he was thirty-nine and again four years later, when he was twelve. On his twelfth birthday, Al Chaudhury receives a letter from his dead father. It directs him to the bunker of their old house, where Al finds a time machine (an ancient computer and a tin bucket). The letter also outlines a mission: travel back to 1984 and prevent the go-kart accident that will eventually take his father's life. But as Al soon discovers, whizzing

back thirty years requires not only imagination and courage, but also lying to your mom, stealing a moped, and setting your school on fire—oh, and keeping your pet hamster safe. With a literary edge and tons of commercial appeal, this incredible debut has it all: heart, humor, vividly imagined characters, and a pitch-perfect voice.

"At The Mountains Of Madness " Simon and Schuster

Run Wild with Wolf Brother. Million-copy-selling author, Michelle Paver immerses you in ice-cold magic and non-stop adventure, as Torak, Renn and Wolf battle for their lives and use all their skills and knowledge of nature to survive. For two summers Torak and Renn have been living in the Forest with their faithful pack-brother, Wolf. But their happiness is shattered when Renn realizes Torak is in danger - and she's the threat. When she mysteriously disappears, Torak and Wolf brave the Far North to find her. At the mercy of the Sea Mother and haunted by ravenous ice bears, their quest leads them to the Edge of the World. There they must face an enemy more evil than any they've

encountered. VIPER'S DAUGHTER: read it as a standalone or part of the series and plunge into the Stone-Age world of Torak, Renn and Wolf - a world of demons, Hidden People and exhilarating adventure which has entranced millions of readers. Also available as an audiobook, read by Sir Ian McKellen Praise for Viper's Daughter: 'What rich, dazzling, immersive storytelling... The best book I have read this year by a country mile. (By a wild arctic length of many wolf lopes, I suppose I should say)' Hilary McKay, author of The Skylarks' War 'Michelle is in a league of her own with this series and what luck for us all that she hasn't finished with Torak, Renn and Wolf's world yet' Abi Elphinstone, author of Rumblestar 'Viper's Daughter is sharp, striking, and loaded with the wisdom of the deep past. I am in awe of Paver's accomplishment' Sophie Anderson, author of The House with Chicken Legs 'Skillful, satisfying, and minutely researched, this powerful evocation of an ancient world is vivid in its imagery and captivating in its excitement' Adrienne Byrne, Muswell Hill Children's Bookshop

'Paver's love for the natural world comes across so strongly in her writing and her imagination takes you on a twisting, fantastic journey all the way to the Edge of the World' Grace Barrett, Waterstones Norwich

Doctor Who Atlas

Comercial Grupo ANAYA, S.A.

Arthur and The Truth are not the best of friends right now. Why? Because today Arthur did something he shouldn't have done – he rode on his big brother's bike (when his mum told him not to) and then he accidentally bumped it into Mum's car. Arthur knows he's done wrong but will he tell the truth OR will he bend it, stretch it, cover it up, hide it ... ? What would YOU do? What will Arthur do? Find out in this fresh and funny take on a common childhood predicament – to tell the truth or to tell a little fib. From an exciting new picture book pairing – Booktrust award-winning Tim Hopgood, and internationally bestselling David Tazzyman (illustrator of the Mr Gum books by Andy Stanton). Viper's Daughter Columbia University Press Winner of the British Fantasy Award: The

ancient legend of the Danish Viking king is retold in a tale of vengeance, battles, magic, and monsters. In the court of the Anglo-Saxon king, a visiting storyteller regales the assembled nobles with the enthralling tale of her faraway land's most revered hero: the Viking Hrolf Kraki. Born of an incestuous union into a royal family with a history of violence, jealousy, usurpation, and murder, Hrolf assembled a loyal band of the mightiest champions in the realm and expanded his small kingdom through wisdom, courage, and conquest. Unbeaten on the battlefield, his great deeds and victories became legends throughout the North as he ushered in an era of peace and prosperity. But Hrolf's desire for vengeance was ever the warrior-king's driving force, as he sought the truth about his father's murder. This obsession would threaten Hrolf's life and his rule—and ultimately bring his great kingdom to ruin. Poul Anderson, one of the acknowledged giants of twentieth-century fantasy, employs his unparalleled storytelling talents to bring Denmark's great

Viking king to life. A saga that predates the stories of King Arthur and his knights and Shakespeare's Hamlet, while echoing the Oedipus and Beowulf myths, the Norse legend of Hrolf Kraki takes on a new and breathtaking richness in this classic novel the Guardian described as "full of thrills."

Los biblionautas y los dinosaurios Macmillan
 Contemporary Germany is a modern industrial democracy admired throughout the world. Many Germans believe that they live in the 'best Germany' that has ever existed. Yet there are dissenting voices: individuals and groups that reject cosmopolitanism, globalization and multiculturalism, and yearn for the more homogeneous country of earlier times. They are part of a global movement, often characterized as populist, that values tradition over innovation or constant change. In Germany, such people are routinely portrayed as reactionary or even neo-fascist. The present study seeks to provide a portrait of these individuals and their organizations. Very little has been written in English about the cultural figures who play a role in this movement. When the

political side is discussed--whether in its manifestation as a party (the Alternative for Germany) or a citizens' group (PEGIDA)--the cultural dimension is usually ignored. Jay Julian Rosellini places the so-called New Right in the context of currents in German culture and history that differ from those in other countries. With Germany the dominant country in the European Union, economically and politically, this volume offers an essential view of its current conditions, future prospects and political particularities.

Peter and the Moon Random House Books for Young Readers
 Handsome princes, fancy castles, extravagant balls . . . in this girl-power fractured fairy tale, Cinderella learns that if it looks too good to be true, it probably is, and it's better to create your own happy ending. Cinderella is dying to go to the ball. She's seen pictures of the fancy castle and the handsome prince, she's heard the fairy tales about true love, she's found the perfect dress in Princess magazine and she's even found an ad for a Fairy Godmother. She's all set. Except the fairy

godmother doesn't look like the one in the ad. And the castle doesn't look like the picture. And the prince . . . well, Cinderella decides her fairy-tale ending is going to look different--and be a whole lot more fun.

Bibliophily Carson-Dellosa Publishing

Snow White is on the run from an evil witch when she comes across some dwarfs in the forest. They agree to take her in and keep her safe if she will help them with their chores. She soon realizes she's taking on a lot more than she bargained for. 77 breakfasts to make, 77 lunches to pack (don't forget the juice boxes!), 77 pairs of pants to mend and a whole lot of dishes. Eventually Snow White decides to take her chances with the witch. There's a surprise ending... well, it may not be so surprising. This is a hilarious retelling of the classic tale, with bright, energetic illustrations featuring busy dwarfs, and the even busier Snow White.

Winnie Ille Pu Open Road Media

There's a mammoth living at the top of a mountain and a hungry caveman living at the bottom. Is the caveman going to get some mammoth pie - or

not?

Snow White and the 77 Dwarfs Dragonfly Books
Imagine you were born before the invention of drawing, more than thirty thousand years ago. You would live with your whole family in a cave and see woolly mammoths walk by! You might even see images of animals hidden in the shapes of clouds and rocks. You would want to share these pictures with your family, but wouldn't know how. Who would have made the world's first drawing? Would it have been you? In *The First Drawing*, Caldecott Medal winner Mordicai Gerstein imagines the discovery of drawing...and inspires the young dreamers and artists of today.

The Truth According to Arthur Bloomsbury Publishing

This acclaimed fantasy classic of men, elves, and gods is at once breathtakingly exciting and heartbreakingly tragic. Published the same year as *The Fellowship of the Ring*, Poul Anderson's novel *The Broken Sword* draws on similar Scandinavian and Anglo-Saxon sources. In his greed for land and power, Orm the Strong slays the family of a Saxon witch—and for his sins, the Northman must pay with his newborn son. Stolen by elves and replaced by a changeling, Skafloc is raised to

manhood unaware of his true heritage and treasured for his ability to handle the iron that the elven dare not touch. Meanwhile, the being who supplanted him as Orm's son grows up angry and embittered by the humanity he has been denied. A pawn in a witch's vengeance, the creature Valgard will never know love, and consumed by rage, he will commit a murderous act of unspeakable vileness. It is their destiny to finally meet on the field of battle—the man-elf and his dark twin, the monster—when the long-simmering war between elves and trolls finally erupts with a devastating fury. And only the mighty sword Tyrfin, broken by Thor and presented to Skafloc in infancy, can turn the tide in a terrible clashing of faerie folk that will ultimately determine the fate of the old gods. Along with such notables as Isaac Asimov and Ray Bradbury, multiple Hugo and Nebula Award winner Poul Anderson is considered one of the masters of speculative fiction. This edition contains the author's original text.
