With its unprecedented
scale and
consequences the
COVID-19 pandemic
has generated a
variety of new
configurations of
media. Responding to
demands for

information, synchronization, regulation, and containment, these "pandemic media" reorder social interactions, spaces, and temporalities, thus contributing to a reconfiguration of media technologies and the cultures and politics with which they are entangled. Highlighting media's adaptability, malleability, and scalability under the conditions of a pandemic, the contributions to this volume track and analyze how media emerge, operate, and change in response to the global crisis and provide elements toward an understanding of the post-pandemic world to come.

Dancing Theology in

Fetish Boots Group Publishing (Company) This book illuminates the nature and locus of authority in the Lutheran-Catholic ecumenical dialogue by comparing the concepts of Word of God, church and office in the thought of Catholic theologian Karl Rahner (1904-1984) and Lutheran theologian Gerhard Ebeling (1912-). The study examines the ontological, anthropological, linguistic and hermeneutical principles underlying their positions. The result is the discovery of some areas of surprising convergence as well as fundamental differences. Finally, the author proposes how, despite deep differences, Rahner's and Ebeling's views are

complementary rather than contradictory.

Why Many Bad Things

Happen to Good

People... The Problem

Are you one of the many victims of an unbroken curse?

Today, countless Christians throughout the world are plagued by unexplained poverty, calamities, and a variety of adverse circumstances.

Their lives are tragically filled with heartache and desperation as they continuously struggle against overpowering temptation, physical and mental illness, and a myriad of catastrophic events.

Usually, they are unaware that their plight is the result of an unbroken curse that has been placed upon

them and perhaps upon their families. Some of the Causes Hatred and jealousy Trespassing on the devil's territory Handling unholy things Inherited curses Breaking vows to God The Solution The Bible specifically instructs every believer to avoid curses and to recognize and break them. Yet, an astonishing number of Bible-believing Christians have either not read or do not remember these essential spiritual principles. Thus, many believers live under the affliction of unbroken curses. This book will show you the necessary biblical steps to recognize, prevent, and break every type of curse. *Method in Metaphysics* SCM Press

Contributors to this book analyze areas of Martin Luther's and Lutheran theology that have otherwise been neglected or underrepresented in the five hundred years since the Reformation. They constructively widen the scope of Luther and Lutheran theology by viewing both from the perspectives of the "subaltern," those whose voices are barely or rarely heard. The book formulates an inclusive Lutheran theology that reaches out but does not close out. The book's sections address "Precarious Life," from Luther's own precarious existence as an outlaw under a death sentence to other precarious life situations seen from various Lutheran

perspectives; “Body and Gender,” addressing different aspects of gender and sexuality from new angles; “Women and Sexual Abuse,” focusing on present-day problems of abuse in an encounter with Luther’s exegesis of biblical “texts of terror”; and “Economy, Equality, and Equity,” addressing Lutheran views on economy and equality that break new ground regarding common goods and the Anthropocene.

Durante todo o período em que codificou a Doutrina Espírita, entre 1857 e 1869, Allan Kardec permitiu-se apenas um passeio de lazer. Suas demais viagens foram feitas

sempre no interesse do Espiritismo, nas férias de verão da Sociedade Espírita de Paris, para observar o desenvolvimento da Doutrina, instruir os grupos que se formavam e estimular os espíritas a perseverarem, diante das dificuldades e dos muitos ataques recebidos. De todas essas viagens, a de 1862 – quando a publicação de O livro dos espíritos, marco inaugural do Espiritismo, completava cinco anos – foi a mais importante, merecendo uma brochura especial, rica de informações sobre o estado da Doutrina, de instruções aos adeptos e de orientações para a formação de grupos e sociedades espíritas, contemplando ainda um modelo de

regulamento às
agremiações que
surgissem. Além da
tradução integral de

More than ever, people are talking about leadership. But much of today's discourse is advancing the same old misconceptions. In *The Book on Leadership*, best-selling author, pastor, and teacher John MacArthur sets the record straight: Leadership does not come from a job title. It isn't a matter of personality or charisma. And it isn't the same thing as iron-fisted authority. True leadership?the kind that refuses to bend to a shifting, fickle world?comes from a much deeper source. Based on the writings

of one of the most effective spiritual leaders of all time?the apostle Paul?MacArthur presents the "26 Characteristics of a True Leader." Whether you are a business leader, civic leader, church leader, parent, teacher, or student, the life of Paul will empower you to unleash your own capacity for leadership.

The chemical nanotechnology is one of the special areas of nanotechnology. By varying the composition, shape, size or character of the surface, these nanoparticles can be shaped time and again into small building blocks, resulting in

unprecedented scopes for material design. At this moment in time, the developments in the field of modern nanotechnology provide amazing success stories, such as the possibility for reconstructing surface structures for industrial materials that are demonstrated to us in nature. The reader will receive an overview of coatings systems based on the application of chemical nanotechnology. Practitioners will be given an introduction to nanostructured coatings and experts will find the account of various silanebased materials useful.

The concept of "identity" today is contested against the backdrop of myriad

forms of social, political, economic and ecological exclusion. How is identity expressed in a global Lutheran tradition whose members share common biblical, liturgical, confessional, theological and spiritual foundations yet represent diverse cultures and traditions? At the end of 2019, The Lutheran World Federation (LWF) hosted a global consultation on contemporary Lutheran identities, in Addis Ababa, Ethiopia. The result was the papers presented in this publication. The authors—church leaders, youth, theologians, lay and ordained practitioners in local communities—explore the Spirit's work to revive and equip the

faithful for vocation through the ministry of the church today and into the future of the Lutheran communion. [Wir glauben an den Heiligen Geist. Globale Perspektiven lutherischer Identität] Ende 2019 veranstaltete der Lutherische Weltbund (LWB) eine globale Konsultation zu zeitgenössischen lutherischen Identitäten. Die Konsultation in Addis Abeba, Äthiopien, zielte darauf ab herauszufinden, wie die gemeinsamen Noten lutherischer Identität in der reichen Harmonie gelebter, kontextbezogener Identitäten in der gesamten lutherischen Gemeinschaft wiedergegeben werden können. Der LWB engagierte Theologen

seiner Mitgliedskirchen, um das Wirken des Heiligen Geistes unter dem Thema "Wir glauben an den Heiligen Geist. Globale Perspektiven lutherischer Identität" zu reflektieren. Dieser Band ist eine Zusammenstellung von Aufsätzen, die bei der Konsultation vorgestellt wurden. Er wird Kirchen, theologischen Institutionen, Pastoren und Laienmitgliedern in der gesamten LWB-Gemeinschaft empfohlen, die die trinitarischen Grundlagen der lutherischen Tradition und die Taufberufung zur Teilnahme an Gottes Mission erforschen möchten. O Bibliodrama é um método que visa a uma aproximação do texto bíblico de forma ativa e participativa, tornando visível, simbolicamente, a cena com suas personagens, permitindo aprofundar a experiência destas e, inclusive, perceber e experimentar seus sentimentos e emoções. "O Manual geral de Bibliodrama Pastoral traz uma excelente contribuição ao Brasil no que diz respeito a este método de 'apropriação' do texto bíblico. Numa linguagem acessível, Irmã Loredana Vígini apresenta as inúmeras possibilidades do Bibliodrama Pastoral, com indicações práticas de como realizar as vivências. Deus abençoe o trabalho da Irmã

Loredana e de todos os que se dedicam ao Bibliodrama".

Demons And How To Deal With Them

Scholastic Inc. World Christianity, Urbanization and Identity argues that urban centers, particularly the largest cities, do not only offer places for people to live, shop, and seek entertainment, but deeply shape people's ethics, behavior, sense of justice, and how they learn to become human. Given that religious participation and institutions are vital to individual and communal life, particularly in urban centers, this interdisciplinary volume seeks to provide insights into the interaction between urban change, religious formation, and practice and to understand how these shape individual and

group identities in a world that is increasingly urban. World Christianity, Urbanization and Identity is part of the multi-volume series World Christianity and Public Religion. The series seeks to become a platform for intercultural and intergenerational dialogue, and to facilitate opportunities for interaction between scholars across the Global South and those in other parts of the world.

Based on more than two decades of research conducted on five continents, this monumental work focuses on the activities of members of the Society of Jesus from its foundation to the eve of its expulsion from the Portuguese world. A second volume will examine the Order's expulsion, the fate of its members, and the disposition of its assets in Portugal and her empire from 1750 to 1808. The present volume begins with the Society's introduction to Portugal and traces its expansion throughout what the Society defined as the Portuguese Assistancy, a vast complex of administrative units

that included the kingdom of Portugal and her empire plus portions of the Indian subcontinent, Japan, China, the Indonesian archipelago, and Ethiopia. Though it fully describes the evangelical and educational activities of the Jesuits, the book emphasizes their political relations with Portuguese and indigenous leaders, the founding of their major training facilities, the development of their economic infrastructure, their activities as governmental administrators for the Portuguese in India and China, and their role in Portugal's unsuccessful attempts to preserve her eastern empire and to revive Brazil after the Dutch occupation

(1630-1654).

Throughout, the author makes insightful comparisons between the Jesuits and their peers in various parts of the Portuguese Assintancy and between the Jesuits and their monastic predecessors in various parts of Europe, notably France and England.

Gentry is his mate. The

hard-as-nails female is

more than he could ask for-intense, clever and sexy as sin. There's only one problem. Rachel is human and fears his kind. She's receptive to his advances-their sexual chemistry is impossible to deny-until an attack by a rogue werewolf threatens to destroy their newfound bond. As Declan's mating heat rises, he knows he'll do whatever it takes to claim Rachel as his own. To keep her he'll have to love her from dusk to dawn, introducing her to pleasures she's never known. Loving a big, bad wolf is wicked and dangerous, but not in the way she's bound to regret. Sought Shane Heyward left everything behind to find his mate. He struggled for months, following his wolf to

her location, guided to a place where supernatural beings exist and thrive-Atrum Hill. Despite being capable of leading his own pack, he chose to join one. When he finds his mate by accident, he's shaken by the truth. Not only is she blind, the wolf within her is completely feral. If he can't help her take control of the beast, she'll have to be destroyed. Luna Lowe was forced to leave her previous pack after she shifted, attacked, and almost killed two members-one of which was her sister. She's ashamed of her behavior, wondering if death is preferable to living alone, when the male she believed abandoned her due to her lack of sight arrives. As Shane and Luna come together,

he learns her history. His female was wronged, and the insult has to be dealt with swiftly and harshly. As he takes charge and seeks retribution, reverting to his Alpha nature, everything will change for both of them.

I watch. I study. I prowl. I hunt. I always go in with a plan. A set of rules for myself. I don't take unnecessary risks. That's how I've been able to evade capture all these years. But there's something about this girl that is different than the others. When I finally meet her, the rules become a blur. And I break the most important one of all--I take her with me. -----
It's just my

imagination--that feeling of being watched. That those icy eyes-- a vivid turquoise with a distinct golden fleck-- aren't watching me. It's just stress. I am the person everyone relies on. Maybe that's why I haven't been feeling so content with my life lately. Why I dream those eyes belong to someone who can tear me away from all of my responsibilities. But these are just shameful fantasies, never meant to breach reality. Then one night, the dream comes true, only it's a horrific nightmare. Now, I only have one task: survival. 124k words. Marcella Althaus-Reid

was one of the most fascinating and controversial theologians of the twentieth and early twenty-first century. Her strong personality and her iconoclastic work inspired a whole generation of theologians in the UK and worldwide. Marcella's creative life was cut short by her death from cancer in 2009. Yet she lives on, not least in those who have been inspired by her work and continue to engage with it. "Dancing Theology in Fetish Boots" draws together a number of world-class scholars and others who engage with the main themes of Marcella's work and show how the critical and controversial conversations which Marcella has begun can and do continue. It

is therefore far more than a Festschrift, but a celebration of an intellectual life Marcella-style. **The Making of an Enterprise** Editora Ave-Maria From Acting to Performance collects for the first time major essays by performance theorist and critic Philip Auslander. Together these essays provide a survey of the changes in acting and performance during the crucial transition from the ecstatic theatre of the 1960s to the ironic postmodernism of the 1980s. Auslander examines performance genres ranging from theatre and dance to performance art and stand-up comedy. In doing so he discusses an impressive line-up of practitioners

including Antonin Artaud, Jerzy Grotowski, Peter Brook, Willem Dafoe, the Wooster Group, Augusto Boal, Kate Bornstein, and Orlan.

From Acting to Performance is a must for all students and scholars interested in contemporary theatre and performance.
