Philo and the Superholies David C Cook
A captivating retelling of the Christmas story showing how God kept His promise to send a new King. Superb illustrations by Catalina Echeverri and faithful, Bible-centered story-telling by Alison Mitchell combine to make this a book that both parents and children will love. A long, long time ago - so long that it's hard to imagine - God promised a new King. He wasn't any ordinary king, like the ones we see on TV or in books. He would be

different. He would be a new King; a rescuing King; a forever King This book helps pre-school children discover exactly how God kept His Christmas Promise.

A Study Guide and a Teacher's Manual
Gospel Principles was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-

worth, and face personal and family challenges with faith.

Falling passionately in love with a mysterious, sinfully sexy man can lead to Something Wicked Investigative reporter Regan Cluny is in hot pursuit of a reclusive philanthropist who is

financing a mysterious archaeological dig in the California desert. Attempting to convince Charles Cunningham Nash to grant her an interview has proven impossible long distance, so Regan sets off uninvited for his dig to woo him in person. Instead, she meets with deadly trouble; a biker gang corners her at a remote rest stop, sabotages her car, and leaves her for dead on a country road. Miraculously, Regan survives with only one strange memory of her attack...and the man who comes to her aid is Nash himself. Strongly attracted to her handsome protector, Regan can't know that Nash is a vampire tied to her attackers by a vicious blood feud that dates back to the Civil War - or that he has hungered for the life and soul of a mortal for nearly two centuries. With the

local sheriff determined to nail Nash for the violence perpetrated by his dire enemy, Regan must decide whether the dark secrets of a lover she can't live without are something wonderful...or something wicked.

52 Commands of Jesus for Children

Simon and Schuster

Is morality based on some essential truth or is it defined by society? In this highly original critique of American social mores and popular culture, David Klinghoffer argues that the Ten Commandments are essential to maintaining a morally healthy society.

With the meticulousness of a scholar, he begins by excavating the meaning of the Commandments. Drawing on the millennia-old rabbinical work Mechilta, he explains that the Decalogue was written on two tablets to show that when a country neglects the Commandments written on the first tablet—those having to do with the relationship between God and people—the interpersonal relationships described on the second tablet suffer irreparable damage as well. Addressing such timely topics as the controversy over public displays of the Commandments and the battles over intelligent design, Klinghoffer demonstrates that Christians and Jews are united in their opposition to the pagan aspects of our culture. In the tradition of Hebrew prophets like

Jeremiah and Isaiah, he describes our failings with humor and compassion but also with anger and disappointment. An unusual, incisive perspective on the role of religion in society, *Shattered Tablets* is sure to spark debate. In the end Klinghoffer argues that by shrugging off the Bible as a guide and turning toward secularism, America has created a crude, cruel, and dishonest national life. *The Churchman* New Growth Press

Shepherding a Child's Heart is about how to speak to the heart of your child. The things your child does and says flow from the heart. Luke 6:45 puts it this way: "...out of the overflow of the heart the mouth speaks." Written for parents with children of any age, this insightful book provides perspectives and procedures for shepherding your child's

heart into the paths of life. In this revised edition of *Shepherding a Child's Heart*, Dr. Tedd Tripp not only draws on his thirty years experience as a pastor, counselor, school administrator, and father, but he also shares insights gained in many years of teaching this material in conferences worldwide, providing more valuable help for parents.

Shepherding a Child's Heart The Church of Jesus Christ of Latter-day Saints
Someone is trying to resurrect ancient viruses hidden deep within the human genetic code to create a biological weapon so specific that it can target an individual . . . or an entire race. When two young prodigies discover their "medical research" is being used to build this weapon, they seek outside help to destroy it and to flee China. Help comes in the unlikely guise of Jon Gunderson—doctor, bio-weapons expert, and devoted family man whose unsuspecting wife and nine children have unwittingly accompanied him on yet another assignment. Once the truth comes to light, the Gundersons will have to set

aside their differences if they hope to rescue the prodigies and escape with their lives. The fate of the world hangs in the balance as the bittersweet dynamics of a large but loving family take center stage against the backdrop of China's breathtaking landscapes.

The Commands of Christ is a Bible teaching our pastor taught for one solid year. His syllabus came from the Institute in Basic Life Principles, Inc. This book you hold in your hand is a 52-week devotion-journal for parents to use with their children. Each week teaches a command and character quality. Parents, use the scriptures and the questions to probe the deep things with your children, in your own style and convictions. All scripture is taken from the New Living Translation and most of the scriptures are quotes from Jesus

Christ Himself.
