Celebrate the winter wonderland in your own backyard this Christmas with a Nature Cat storybook, a perfect gift that comes complete with press-out ornaments and holiday cards! Join Hal, Squeeks, Daisy, Ronald, and Nature Cat in a new picture book based on their hour-long holiday special. When Nature Cat gets in the Christmas spirit, he starts making his holiday celebration as big, shiny, and loud as possible. He even decorates the forest and accidentally bothers the animals! Though after our hero falls asleep on Christmas Eve, he is visited by three friendly spirits, as

played by his pals. Together, they visit the future, present, and long ago past when Nature Cat was a mere Nature Kitten. Will the adventure remind Nature Cat what really makes his heart merry? This full-color, hardback picture book comes with 6 press-out ornaments and 6 press-out cards that let little ones give others the gift of nature adventures! Nature Cat airs twice daily on PBS! Once his family leaves for the day, Fred the house cat transforms into Nature Cat, backyard explorer extraordinaire! Each episode in this hilarious PBS Kids series follows Nature Cat and his pals as they embark on action-packed adventures, perilous missions, and nature investigations packed with silly humor and "a ha" discovery moments.

LEGO Harry Potter Ultimate Sticker Collection Phaidon Press Named to ten BEST OF THE YEAR lists and selected as a William C. Morris Award Winner, The Serpent King is the critically acclaimed, much-beloved story of three teens who find themselves--and each other--while on the cusp of graduating from high school with hopes of leaving their small-town behind. Perfect for fans of John Green's Turtles All the Way Down. "Move over, John Green; Zentner is coming for you." —The New York

Public Library "Will fill the infinite space that was left in your chest after you finished The Perks of Being a Wallflower." —BookRiot.com Dill isn't the most popular kid at his rural Tennessee high school. After his father fell from grace in a public scandal that reverberated throughout their small town, Dill became a target. Fortunately, his two fellow misfits and best friends, Travis and Lydia, have his back. But as they begin their senior year, Dill feels the coils of his future tightening around him. His only escapes are music and his secret feelings for Lydia--neither of which he is brave enough to share. Graduation feels more like an ending to Dill than a beginning. But even before then, he must cope with another ending--one that will rock his life to the core. Debut novelist Jeff Zentner provides an unblinking and at times comic view of the hard realities of growing up in the Bible belt, and an intimate look at the struggles to find one's true self in the wreckage of the past. "A story about friendship, family and forgiveness, it's as funny and witty as it is utterly heartbreaking." —PasteMagazine.com "A brutally honest portrayal of teen life . . . [and] a love letter to the South from a man who really understands it." —Mashable.com "I adored all three of these characters and the way they talked to and loved one another." —New York Times

Based on a concept by New York Times bestselling Diary of a Wimpy Kid author Jeff Kinney comes Poptropica, a brand-new

graphic-novel series by Mitch Krpata and Kory Merritt that takes readers on an adventure beyond the incredibly popular online role-playing world. In book two, *The Lost Expedition*, Oliver, Mya, and Jorge continue their search for home, with a few hilarious stops along the way. As the friends set sail for new sights, they find the evil Octavian is still hot on their trail, and he's determined to get his hands on their magical map. To make matters worse, a mysterious organization is keen on expelling the three friends from Poptropica. As the pals travel, they find that each island is filled with its own unique brand of peril, and the mystery surrounding the map and Poptropica itself begins to unfold. Will our trio be able to once again outfox Octavian and discover the identity of this secret society? Presented in vivid full-color comic book illustrations, *The Lost Expedition* is perfect for kids who love a sense of adventure while learning about history in a fun way. Book one in the series, *The Mystery of the Map*, received incredible praise. KirkusReviews said, "Bright, animated colors and zippy cartoonlike action make for an easily accessible first offering that provides just enough exposition to hook young readers and keep them seeking out subsequent adventures. A peppily paced adventure yarn sure to delight fans of the franchise, both old and new." And Booklist raved, "Based on the online role-playing game developed by the ever-popular Jeff Kinney, this new adventure comic series gets off to a flying start. . . The lively art mirrors that on the website, featuring bold, colorful panels and characters with giant heads and expressive eyes. Fans of the online game will delight in reading a story about one of Poptropica's many islands, and newcomers will have no trouble falling into this adventure."
