**Many Mansions** Pariyatti Publishing

This book presents a history of reincarnation, from ancient times to the present; it is written for a diverse readership interested in theories of life after death. The survey offers an exciting journey through a maze of fascinating ideas that all contribute to an underlying theory that after death comes rebirth.

*Karma and Reincarnation* Signet Book  
This new Pariyatti Edition of the classic

Buddhism in a Nutshell is an excellent introductory overview of the fundamental principles of Buddhist doctrine. Topics covered include: the life of the Buddha, the Dhamma (Is it a philosophy? A religion? An ethical system?), the Four Noble Truths, the Law of Kamma, Rebirth, Dependent Origination, Anatta, and Nibbana. Recommended for beginners.

**The World Within** Signet

With unprecedented access to Edgar Cayce's private letters and trance readings, Sidney Kirkpatrick delivers the definitive biography of the renowned psychic, religious seeker, and father of

alternative medicine. Born in rural Kentucky in 1877, Edgar Cayce became known as "the sleeping prophet," and went on to lead an extraordinary life, helping and healing thousands. This is Cayce's fascinating story as it's never been told before.

**Many Mansions** Ariel Press

A bestselling account of the many healings and other works of a legendary psychic and an affirmation of the belief in reincarnation. In this study of one of America's greatest psychics, Edgar Cayce, Gina Cerminara explores the "magnificent possibility" of reincarnation as not only a method to understand our existence, but the truth of it. Using Cayce's detailed and expansive files that span decades of his research and practice in the field of psychic

phenomena, Cerminara delves into the essential essence of reincarnation and its purpose. Told winningly and to the heart of the matter, *Many Mansions* will be a revelation to many and a confirmation to some about the meaning of human life and the myriad of opportunities afforded to us by the existence of reincarnation. Praise for *Many Mansions* "Dr. Cerminara . . . is one of the most engaging and penetrating scholars in this field. . . . Perhaps the most attractive quality in her writing is the leavening of wit and insight which shines in these pages." —Robert Kirsch, *Los Angeles Times* "Edgar Cayce was clearly one of the most remarkable psychics who ever lived. Gina Cerminara's compelling book is . . . unique and extremely important."

—Jeane Dixon

**There Is a River** Columbia University Press

Learn how reincarnation occurs and how the karma associated with it can be resolved. Must reading for all who want to understand why their life is the way it is!

*Edgar Cayce* Buddhist Publication Society

A thorough exposition of the Four Noble Truths and the Eightfold Noble Path by a renowned scholar-monk from Sri Lanka, who also traveled and studied in the West. The lively explanations are illuminated with many appropriate stories and quotations from the Buddha's words. Included is an "Indices" of proper names, and Pali and English terms.  
*Edgar Cayce on Reincarnation* Pariyatti

Publishing

Taking up from where she left off *Many Mansions*, the author pursues the philosophical aspects of reincarnation evidenced in the life readings of world-renowned psychic, Edgar Cayce, as well as data derived from experiments to determine whether human memory can be taken back to a period before birth. She touches on some of the people who have believed in reincarnation-among them, Plato, Virgil, Emerson, Whitman and Edison. The implications of reincarnation for art, psychology, and religion are considered. And she notes, in conclusion, the hope and promise reincarnation holds for our troubled world. This is an important, heartening book, as interesting and credible as it is inspiring. Lucid, concrete, consistent, it

will help individuals understand themselves and their destiny. And to skeptics or believers, it offers a brave, fresh concept of the meaning of life.

HarperCollins

The Buddhist attitude to other religions has from its very inception been one of critical tolerance. But what is significant is that it was able to combine a missionary zeal with this tolerant outlook. Not a drop of blood has been shed throughout the ages in the

propagation and dissemination of Buddhism in the many lands to which it spread; religious wars either between the schools of Buddhism or against other religions have been unheard of. Very rare instances of the persecution of heretical opinions are not lacking, but they have been exceptional and atypical. Buddhism has also shown a remarkable degree of adaptability in the course of its historical expansion.

### **Rebirth as Doctrine and Experience**

Lexington Books

Gnosticism is a countercultural spirituality that forever changed the practice of Christianity. Before it emerged in the second century, passage to the afterlife required obedience to God and king. Gnosticism proposed that human beings were manifestations of

the divine, unsettling the hierarchical foundations of the ancient world. Subversive and revolutionary, Gnostics taught that prayer and mediation could bring human beings into an ecstatic spiritual union with a transcendent deity. This mystical strain affected not just Christianity but many other religions, and it characterizes our understanding of the purpose and meaning of religion today. In *The Gnostic New Age*, April D. DeConick recovers this vibrant underground history to prove that Gnosticism was not suppressed or defeated by the Catholic Church long ago, nor was the movement a fabrication to justify the violent repression of alternative forms of Christianity. Gnosticism alleviated human suffering, soothing feelings of existential

brokenness and alienation through the promise of renewal as God. DeConick begins in ancient Egypt and follows with the rise of Gnosticism in the Middle Ages, the advent of theosophy and other occult movements in the nineteenth and early twentieth centuries, and contemporary New Age spiritual philosophies. As these theories find expression in science-fiction and fantasy films, DeConick sees evidence of Gnosticism's next incarnation. Her work emphasizes the universal, countercultural appeal of a movement that embodies much more than a simple challenge to religious authority. [Many Lives](#) Penguin  
Edgar Cayce's natural drug-free techniques for restoring a healthy body, mind, and spirit often anticipated the

discoveries of modern medical research for decades. Now, a world-famous practitioner with forty-five years experience in the Cayce therapies combines those holistic therapies with his own knowledge to show how you can renew your body and live a healthy life. The book covers weight loss, beauty tips, nutrition, heart health, and massage. It has been reorganized for easier reference.

**The Buddha's Ancient Path** Penguin  
Her most controversial book is one you will never forget. An outspoken thinker, a celebrated actress, a truly independent woman, Shirley MacLaine goes beyond her previous two bestsellers to take us on an intimate yet powerful journey into her personal life and inner self. An intense, clandestine love affair with a

prominent politician sparks Shirley MacLaine's quest of self-discovery. From Stockholm to Hawaii to the mountain vastness of Peru, from disbelief to radiant affirmation, she at last discovers the roots of her very existence. . . and the infinite possibilities of life. Shirley MacLaine opens her heart to explore the meaning of a great and enduring passion with her lover Gerry; the mystery of her soul's connection with her best friend David; the tantalizing secrets behind a great actor's inspiration with the late Peter Sellers. And through it all, Shirley MacLaine's courage and candor new doors, new insights, new revelations-and a luminous new world she invites us all to share.

Reincarnation & Karma A. R. E. Press  
One of the most fascinating topics found

in the readings of famed psychic Edgar Cayce (1877-1945) revealed the existence of a sacred sect called the Essenes. His information about the Essenes would later be confirmed by the discovery of the Dead Sea Scrolls two years after his death. Cayce's readings contained more than a description of who the Essenes were and their purpose in bringing the Christ into the earth, he gave us details about their lives and past lives! Many of these Essenes reincarnated during Cayce's time and received readings that revealed their souls—including their purposes then and now. What can we learn from these readings and the reincarnation of the Essenes? There is so much about our origin, our soul group, and the purpose for which we are here on earth today in

this latest book that it is like having a manual for soul growth. Ideals, practices, and guiding principles held by these ancient ones are as valuable to us today as they were then.

Francis Story's interest in cases of rebirth memories finally led him to assist Dr. Ian Stevenson in tracing, investigating, and studying such cases in Sri Lanka, Thailand, and India. The present book contains Story's essays on the theme of rebirth as well as case studies that he undertook in collaboration with Professor Stevenson, the foremost American investigator of reported rebirth memories. These case studies, which make fascinating reading, lend strong evidential support to the hypothesis of rebirth and thus help to

illuminate the ultimate questions concerning human destiny after death. *Out on a Limb* Courier Corporation Imaginative story about a being who we first meet in Atlantis. As he progresses through each of his seven lives, he experiences new circumstances and situations each designed to provide a new ribbon of knowledge and perspective. During his procession he has the opportunity to interact in a variety of relationships with other beings, some that he has known previously. At the end of each life he finds himself in a place of pure whiteness, the bridge, where there is no body, only thoughts and a guide helping him to reflect upon what he has learned—and determine whether it is time to make use of his understanding in

another, mysterious way. “I absolutely loved *Seven Bridges*! It drew me in from the first chapter and as I finished each one I couldn’t wait to get to the next to see where it would go. I was intrigued by the way each chapter was unique to itself, yet followed his journey in a surprising and unexpected way. I loved the different settings and time periods and I felt like I was there with him. The book was quick to read, with enough details to understand what was going on and who he was interacting with, but not so much that I got bogged down in details. I didn’t want the story to end, I hope there’s another *Seven Bridges* that he has to cross!”

The Secret Path Quest Books

James Van Praagh is a spiritual medium—someone who is able to bridge

the physical and spiritual worlds. Though unaware of his gifts until his twenties, he slowly came to terms with his unique abilities. Talking to Heaven explores his most revealing sessions with grieving people seeking to contact the spirits of loved ones. From a devastated mother receiving a message of hope from her deceased little girl, to communicating with a young man, killed in Vietnam, who doesn't realize he's dead, Van Praagh affirms his belief in the existence of a peaceful afterlife. Talking to Heaven also offers those who are grieving methods to recognize and positively deal with the pain of grief in a healthy, honest manner. Part spiritual memoir, part case study, part instrumental guide, Talking to Heaven will change the way you perceive death and life.

Depression Penguin

What opens the door to disease in our body? What enables us to get well? Dr. William A. McGarey answers these questions and shows us the way to glowing good health. Guided by the teachings of Edgar Cayce, Dr. McGarey has treated thousands in his Arizona clinic. He treats the human body not as a biochemical factory but as a whole entity in time and space, affected by our consciousness and the experienced of

life, now and through many incarnations. Utilizing holistic concepts that use our minds creatively to bring health to our bodies, Dr. McGarey shows us a process of healing that includes: special diets and herbs, the preparation and use of Cayce's famous castor oil packs. Effective healing massages, an exercise program, treatments for specific illnesses, including psoriasis, colitis, asthma, heart disease, arthritis, and many more, daily meditation and prayer, dreams in health and healing, a Cayce pharmacopoeia.

The Synchronicity Key Random House Depression: The Way Out of Your Prison gives us a way of understanding our depression which matches our experience and which enables us to take charge of our life and change it. Dorothy

Rowe shows us that depression is not an illness or a mental disorder but a defence against pain and fear, which we can use whenever we suffer a disaster and discover that our life is not what we thought it was. Depression is an unwanted consequence of how we see ourselves and the world. By understanding how we have interpreted events in our life we can choose to change our interpretations and thus create for ourselves a happier, more fulfilling life. Depression: The Way Out of Your Prison is for depressed people, their family and friends, and for all professionals and non-professionals who work with depressed people.

Unlock the key to a universal life-force in this astonishing book from the New York

Times bestselling author of *The Source Field Investigations* and *Awakening in the Dream*. *The Source Field Investigations* was a *New York Times*, *Wall Street Journal*, and *USA Today* bestseller that uncovered hidden science and lost prophecies to illuminate an entirely new understanding of our world today. Now, in *The Synchronicity Key*, David Wilcock embarks on an astonishing investigation into what lies beyond—finding proof that everything in our lives is not only connected, but it also influences everything else. Using history, astrology, and synchronicity

theory among other concepts, Wilcock shows that there is hidden architecture within time, guiding individuals and nations through a system of enlightenment Joseph Campbell called the Hero's Journey. Historical events occur in shockingly precise, repeating cycles of time as a result. Once we understand and identify the hidden laws of this seemingly random "synchronicity," we are left with a remarkable blueprint of how best to lead our lives in this uncertain and confusing world.
