Writing to Save a Life Henry Holt Books For Young Readers

An award-winning writer traces the life of the father of iconic Civil Rights martyr Emmett Till--a man who was executed by the Army ten years before Emmett's murder. An evocative and personal exploration of individual and collective memory in America by one of the most formidable Black intellectuals of our time. In 1955, Emmett Till, aged fourteen, traveled from his home in Chicago to visit family in Mississippi. Several weeks later he returned, dead; allegedly he whistled at a white woman. His mother, Mamie, wanted the world to see what had been done to her son. She chose to leave his casket open. Images of her brutalized boy were published widely. While Emmett's story is known, there's a dark side note that's rarely mentioned. Ten years earlier, Emmett's father was executed by the Army for rape and murder. In *Writing to Save a Life*, John Edgar Wideman searches for Louis Till, a silent victim of American injustice. Wideman's personal interaction with

the story began when he learned of Emmett's murder in 1955; Wideman was also fourteen years old. After reading decades later about Louis's execution, he couldn't escape the twin tragedies of father and son, and tells their stories together for the first time. Author of the award-winning *Brothers and Keepers*, Wideman brings extraordinary insight and a haunting intimacy to this devastating story. An amalgam of research, memoir, and imagination, *Writing to Save a Life* is completely original in its delivery--an engaging and enlightening conversation between generations, the living and the dead, fathers and sons. Wideman turns seventy-five this year, and he brings the force of his substantial intellect and experience to this beautiful, stirring book, his first nonfiction in fifteen years.

First They Killed My Father Free Spirit Publishing

The first novel in the explosive Matthew Scudder Series. The tenth novel in the series - A WALK AMONG THE TOMBSTONES - is set to be a major Hollywood film, starring Liam Neeson. A pretty young girl is butchered in her Greenwich Village apartment. The prime suspect, a minister's son, is found dead in his jail cell. As far as the NYPD is concerned, the case is closed. But ex-cop Matt

Scudder, is persuaded to look into the case by the dead girl's father. And suddenly he's up to his neck in sleaze and corruption, phoney religious cults and murderous lust. In New York's underbelly, the children have no choice but to pay the price for their parent's most unspeakable sins...

This bracing new nonfiction book by the young superstar E´douard Louis is both a searing j'accuse of the viciously entrenched French class system and a wrenchingly tender love letter to his father. This bracing new nonfiction book by the young superstar Édouard Louis is both a searing j'accuse of the viciously entrenched French class system and a wrenchingly tender love letter to his father. Who Killed My Father rips into France's long neglect of the working class and its overt contempt for the poor, accusing the complacent French—at the minimum—of negligent homicide. The author goes to visit the ugly gray town of his childhood to see his dying father, barely fifty years old, who can hardly walk or breathe:“You belong to the category of humans whom politics consigns to an early death.” It's as simple as that. But hand in hand with searing, specific denunciations are tender passages of a love between father and son, once damaged by shame, poverty and

homophobia. Yet tenderness reconciles them, even as the state is killing off his father. Louis goes after the French system with bare knuckles but turns to his long-alienated father with open arms: this passionate combination makes *Who Killed My Father* a heartbreaking book.

Antiquities of the Jews ; Book - XVII Vintage

In 1939, a 21 year old joined the N.Z.R.A.F. as a reservist. When World War II was declared, he was called up and sent to Woodburn training camp in Blenheim and taught to fly. In August 1940, he sailed from New Zealand for England and went to war. As the sea voyage progressed from holiday cruise to deadly dangerous, he kept a diary and then gave it to a steward to post home from LA.

Publisher Fact Sheet This extraordinary collection of eyewitness accounts by Cambodian survivors of Pol Pot's genocidal Khmer Rouge regime in the 1970s offers searing testimony to an era of brutality, brainwashing, betrayals, starvation, & gruesome executions.

The Invention of Solitude Penguin

After enduring years of hunger, deprivation, and devastating loss at the hands of the Khmer Rouge, ten-year-old Loung Ung became the "lucky child," the sibling chosen to accompany her eldest brother to America while her one surviving sister and two brothers remained behind. In this poignant and elegiac memoir, Loung recalls her assimilation into an unfamiliar new culture while struggling to overcome dogged memories of violence and the deep scars of war. In alternating chapters, she gives voice to Chou, the beloved older sister whose life in war-torn Cambodia so easily could have been hers. Highlighting the harsh realities of chance and circumstance in times of war as well as in times of peace, *Lucky Child* is ultimately a testament to the resilience of the human spirit and to the salvaging strength of family bonds.

Social Q's Yale University Press

A major film, co-written and directed by Angelina Jolie Until the age of five, Loung Ung lived in Phnom Penh, one of seven children of a high-ranking government official. She was a precocious child who loved the open city markets, fried crickets, chicken fights and being cheeky to her parents. When Pol Pot's Khmer Rouge army stormed into Phnom Penh in April 1975, Loung's family fled their home and were eventually forced to disperse to survive. Loung was trained as a child soldier while her brothers and sisters were sent to labour camps. The surviving siblings were only finally reunited after the Vietnamese penetrated Cambodia and started to destroy the Khmer Rouge. Bolstered by the bravery of one brother, the vision of the others and the gentle kindness of her sister, Loung forged on to create for herself a courageous new life. *First They Killed My Father* is an unforgettable book told through the voice of the young and fearless Loung. It is a shocking and tragic tale of a girl who was determined to survive despite the odds.

After They Killed Our Father Faber & Faber

From beloved author Lois Duncan comes a frightening novel about a group of students who set out to teach their malicious teacher a lesson -- only to learn that one of them could be a killer. Mr. Griffin is the strictest teacher at Del Norte High, with a penchant for endless projects and humiliating students. Even straight-A student Susan can't believe how mean he is to her crush, Dave, and to the charismatic Mark Kinney. So when Dave asks Susan to help a group of students teach Mr. Griffin a lesson of their own, she goes along with them. After all, it's a harmless prank, right? But things don't go according to plan. When one "accident" leads to another and people begin to die, Susan and her friends must face the awful truth: one of them is a killer.

Cather delivers a story of a simple life lived well and full in this her tour de force.

Nobody's Son: A Memoir HMH

Even after a childhood of abuse and fear, Stacey M. Kananen was shocked when her brother, Rickie, admitted his guilt in the cold-blooded murder of their terrifying father, and years later, their helpless mother. But the greatest shock was to come—when he claimed that Stacey had helped him. In 1988, when Rickie and Stacey's father, Richard Kananen Sr., apparently left their home in Orlando, Florida, the family was so relieved that they never reported him missing. Fifteen years later to the day, their mother disappeared. When police became suspicious, Rickie admitted to Stacey that their father's body was under the cement floor of their mother's garage, and their mother was buried in Stacey's own backyard. Overwhelmed by grief and horror, Stacey's brother convinced her that they should commit suicide. After a failed attempt, she woke to discover her

brother arrested—along with the realization that he had probably never intended to kill himself at all. But his betrayals were not yet over: On the eve of his trial in 2007, he suddenly claimed Stacey had been in on it, and she found herself charged with murder with a gung ho rookie detective who was convinced she was involved. This is the tragic and triumphant account of one woman's struggle to overcome her past, clear her name in what would become a dramatic public spectacle of a trial, and finally escape the nightmares that had haunted her entire life.

History of Violence Cornell University Press

Concluding the trilogy that started with the bestselling memoir *First They Killed My Father*, Loung Ung describes her college experience and her first steps into adulthood, revealing her struggle to reconcile with her past while moving forward towards happiness. After the violence of the Khmer Rouge and the difficult assimilation experience of a refugee, Loung's daily struggle to keep darkness, anger, and depression at bay will finally find two unexpected allies: the empowering call of activism, and the redemptive power of love. *Lulu in the Sky* is the story of Loung's journey to a Cambodian village to reconnect with her mother's spirit; to a vocation that will literally allow her to heal the landscape of her birth; and to the transformative influence of a supportive marriage to a loving man.

David Sedaris, the “champion storyteller,” (*Los Angeles Times*) returns with his first new collection of personal essays since the bestselling *Calypto Back* when restaurant menus were still printed on paper, and wearing a mask—or not—was a decision made mostly on Halloween, David Sedaris spent his time doing normal things. As *Happy-Go-Lucky* opens, he is learning to shoot guns with his sister, visiting muddy flea markets in Serbia, buying gummy worms to feed to ants, and telling his

nonagenarian father wheelchair jokes. But then the pandemic hits, and like so many others, he's stuck in lockdown, unable to tour and read for audiences, the part of his work he loves most. To cope, he walks for miles through a nearly deserted city, smelling only his own breath. He vacuums his apartment twice a day, fails to hoard anything, and contemplates how sex workers and acupuncturists might be getting by during quarantine. As the world gradually settles into a new reality, Sedaris too finds himself changed. His offer to fix a stranger's teeth rebuffed, he straightens his own, and ventures into the world with new confidence. Newly orphaned, he considers what it means, in his seventh decade, no longer to be someone's son. And back on the road, he discovers a battle-scarred America: people weary, storefronts empty or festooned with Help Wanted signs, walls painted with graffiti reflecting the contradictory messages of our time: Eat the Rich. Trump 2024. Black Lives Matter. In *Happy-Go-Lucky*, David Sedaris once again captures what is most unexpected, hilarious, and poignant about these recent upheavals, personal and public, and expresses in precise language both the misanthropy and desire for connection that drive us all. If we must live in interesting times, there is no one better to chronicle them than the incomparable David Sedaris.

The Sins Of The Fathers New Directions Publishing

On April 17, 1975, the Khmer Rouge entered Phnom Penh to open a new and appalling chapter in the story of the twentieth century. On that day, Pin Yathay was a qualified engineer in the Ministry of Public Works. Successful and highly educated, he had been critical of the corrupt Lon Nol regime and hoped that the Khmer Rouge would be the patriotic saviors of Cambodia. In *Stay Alive, My Son*, Pin Yathay provides an unforgettable testament of the horror that ensued and a gripping account of personal courage, sacrifice and survival. Documenting the 27 months from the arrival of the Khmer Rouge in Phnom Penh to his escape into Thailand, Pin Yathay is a powerful and haunting memoir of Cambodia's killing fields. With seventeen members of his family, Pin Yathay were evacuated by the Khmer Rouge from Phnom Penh, taking with them whatever they might need for the three days before they would be allowed to return to their home. Instead, they were moved on from camp to camp, their possessions confiscated or abandoned. As days became weeks and weeks became months, they became the "New People," displaced urban dwellers compelled to live and work as peasants, their days were filled with forced manual labor and their survival dependent on ever more meager communal rations. The body count mounted, first as malnutrition bred rampant disease and then as the Khmer Rouge singled out the dissidents for sudden death in the darkness. Eventually, Pin Yathay's family was reduced to just himself, his wife, and their one remaining son, Nawath. Wracked with pain and disease, robbed of all they had owned, living on the very edge of dying, they faced a future of escalating horror. With Nawath too ill to travel, Pin Yathay and his wife, Any, had to make the heart-breaking decision whether to leave him to the care of a Cambodian hospital in order to make a desperate break for freedom. "Stay alive, my son," he tells Nawath before embarking on a nightmarish escape to the Thai border. First published in 1987, the Cornell edition of *Stay Alive, My Son* includes an updated preface and epilogue by Pin Yathay and a new foreword by David Chandler, a world-renowned historian of Cambodia, who attests to the continuing value and urgency of Pin Yathay's message.

Death Comes for the Archbishop Legends Press

From American master Richard Ford, a memoir: his first work of nonfiction, a stirring narrative of memory and parental love How is it that we come to consider our parents as people with rich and intense lives that include but also exclude us? Richard Ford's parents—Edna, a feisty, pretty Catholic-school girl with a difficult past; and Parker, a sweet-natured, soft-spoken traveling salesman—were rural Arkansans born at the turn of the twentieth century. Married in 1928, they lived “alone together” on the road, traveling throughout the South. Eventually they had one child, born late, in 1944. For Ford, the questions of what his parents dreamed of, how they loved each other and loved him become a striking portrait of American life in the mid-century. Between Them is his vivid image of where his life began and where his parents' lives found their greatest satisfaction. Bringing his celebrated candor, wit, and intelligence to this most intimate and mysterious of landscapes—our parents' lives—the award-winning storyteller and creator of the iconic Frank Bascombe delivers an unforgettable exploration of memory, intimacy, and love.
