Abraham Lincoln in the
Kitchen is a culinary
biography unlike any

before. The very
assertion of the title--
that Abraham Lincoln
cooked--is fascinating
and true. It's an insight
into the everyday life
of one of our nation's
favorite and most
esteemed presidents
and a way to
experience flavors and

textures of the past. Eighmey solves riddles such as what type of barbecue could be served to thousands at political rallies when paper plates and napkins didn't exist, and what gingerbread recipe could have been Lincoln's childhood favorite when few families owned cookie cutters and he could carry the cookies in his pocket. Through Eighmey's eyes and culinary research and experiments--including sleuthing for Lincoln's grocery bills in Springfield ledgers and turning a backyard grill into a cast-iron stove--the foods that Lincoln enjoyed, cooked, or served are translated into modern recipes so that authentic meals and foods of 1820-1865 are possible for home cooks. Feel

free to pull up a chair to Lincoln's table.

A Private Disgrace

Simon and Schuster April 14, 1865. A famous actor pulls a trigger in the presidential balcony, leaps to the stage and escapes, as the president lies fatally wounded. In the panic that follows, forty-six terrified people scatter in and around Ford's Theater as soldiers take up stations by the doors and the audience surges into the streets chanting, "Burn the place down!" This is the untold story of Lincoln's assassination: the forty-six stage hands, actors, and theater workers on hand for the bewildering events in the theater that night, and what each of them witnessed in the chaos-streaked hours before

John Wilkes Booth was discovered to be the culprit. In *Backstage at the Lincoln Assassination*, historian Thomas A. Bogar delves into previously unpublished sources to tell the story of Lincoln's assassination from behind the curtain, and the tale is shocking. Police rounded up and arrested dozens of innocent people, wasting time that allowed the real culprit to get further away. Some closely connected to John Wilkes Booth were not even questioned, while innocent witnesses were relentlessly pursued. Booth was more connected with the production than you might have known—learn how he knew each member of the cast and crew,

which was a hotbed of secessionist resentment. *Backstage at the Lincoln Assassination* also tells the story of what happened to each of these witnesses to history, after the investigation was over—how each one lived their lives after seeing one of America's greatest presidents shot dead without warning. *Backstage at the Lincoln Assassination* is an exquisitely detailed look at this famous event from an entirely new angle. It is must reading for anyone fascinated with the saga of Lincoln's life and the Civil War era. *Lincoln's Life, Stories and Speeches* Random House Describes the events surrounding the assassination of

Abraham Lincoln and the hunt to track down John Wilkes Booth and his accomplices.

The Lincoln Highway

Icon Books
NEW YORK TIMES bestselling author James Swanson delivers a riveting account of the chase for Abraham Lincoln's assassin. Based on rare archival material, obscure trial manuscripts, and interviews with relatives of the conspirators and the manhunters, CHASING LINCOLN'S KILLER is a fast-paced thriller about the pursuit and capture of John Wilkes Booth: a wild twelve-day chase through the streets of Washington, D.C., across the swamps of Maryland, and into the forests of Virginia.

The Eloquent President

Scholastic Inc.
"James M. McPherson's *Tried by War* is a perfect primer . . . for anyone who wishes to understand the evolution of the president's role as commander in chief. Few historians write as well as McPherson, and none evoke the sound of battle with greater clarity." —The New York Times Book Review
The Pulitzer Prize-winning author reveals how Lincoln won the Civil War and invented the role of commander in chief as we know it. As we celebrate the bicentennial of Lincoln's birth, this study by preeminent, bestselling Civil War historian James M. McPherson provides a rare, fresh take on one of the most enigmatic figures in American

history. Tried by War offers a revelatory (and timely) portrait of leadership during the greatest crisis our nation has ever endured. Suspenseful and inspiring, this is the story of how Lincoln, with almost no previous military experience before entering the White House, assumed the powers associated with the role of commander in chief, and through his strategic insight and will to fight changed the course of the war and saved the Union.

The Gettysburg Address

Rarebooksclub.com
Part slave narrative, part memoir, and part sentimental fiction
Behind the Scenes depicts Elizabeth Keckley's years as a salve and subsequent

four years in Abraham Lincoln's White House during the Civil War. Through the eyes of this black woman, we see a wide range of historical figures and events of the antebellum South, the Washington of the Civil War years, and the final stages of the war. Lincoln's Hundred Days
Andrews McMeel Publishing
Producers, directors, screenwriters, agents, editors, financiers, distributors, and exhibitors talk about the practical and business aspects of making motion pictures.

Lincoln's Last Days

Scholastic Inc.
"The time has come now," Abraham Lincoln told his cabinet as he presented the preliminary draft of a "Proclamation of

Emancipation." Lincoln's effort to end slavery has been controversial from its inception-when it was denounced by some as an unconstitutional usurpation and by others as an inadequate half-measure-up to the present, as historians have discounted its import and impact. At the sesquicentennial of the Emancipation Proclamation, Louis Masur seeks to restore the document's reputation by exploring its evolution. Lincoln's Hundred Days is the first book to tell the full story of the critical period between September 22, 1862, when Lincoln issued his preliminary Proclamation, and January 1, 1863, when he signed the final, significantly altered,

decree. In those tumultuous hundred days, as battlefield deaths mounted, debate raged. Masur commands vast primary sources to portray the daily struggles and enormous consequences of the president's efforts as Lincoln led a nation through war and toward emancipation. With his deadline looming, Lincoln hesitated and calculated, frustrating friends and foes alike, as he reckoned with the anxieties and expectations of millions. We hear these concerns, from poets, cabinet members and foreign officials, from enlisted men on the front and free blacks as well as slaves. Masur presents a fresh portrait of Lincoln as a

complex figure who worried about, listened to, debated, prayed for, and even joked with his country, and then followed his conviction in directing America toward a terrifying and thrilling unknown.

 returns with a stylish
 and propulsive novel
 set in 1950s America In
 June, 1954, eighteen-
 year-old Emmett
 Watson is driven home
 to Nebraska by the
 warden of the juvenile

work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days

and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. “Once again, I was wowed by Towles’s writing—especially because *The Lincoln Highway* is so different from *A Gentleman in Moscow* in terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero’s journeys, including *The Iliad*, *The Odyssey*, *Hamlet*, *Huckleberry Finn*, and *Of Mice and Men*. He seems to be saying that our personal journeys are never as linear or

predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel.” – Bill Gates

Lincoln and the Politics of Slavery Plain & Precious Publishing

Despite a wealth of biographical material, relatively few full-length motion pictures have taken Abraham Lincoln and his life as a primary subject. In this detailed study, Brian J. Snee provides a sweeping overview of the cinematic representations of the sixteenth president from the silent era up to Steven Spielberg's Lincoln (2012).

Memories of the Men who Saved the Union Createspace

Independent Publishing Platform

Frederick Douglass and Abraham Lincoln were the preeminent self-made men of their time. In this masterful dual biography, award-winning Harvard University scholar John Stauffer describes the transformations in the lives of these two giants during a major shift in cultural history, when men rejected the status quo and embraced new ideals of personal liberty. As Douglass and Lincoln reinvented themselves and ultimately became friends, they transformed America. Lincoln was born dirt poor, had less than one year of formal schooling, and became the nation's greatest president. Douglass spent the first twenty years of his life as a slave, had no formal schooling-in fact, his

masters forbade him to read or write-and became one of the nation's greatest writers and activists, as well as a spellbinding orator and messenger of audacious hope, the pioneer who blazed the path traveled by future African-American leaders. At a time when most whites would not let a black man cross their threshold, Lincoln invited Douglass into the White House. Lincoln recognized that he needed Douglass to help him destroy the Confederacy and preserve the Union; Douglass realized that Lincoln's shrewd sense of public opinion would serve his own goal of freeing the nation's blacks. Their relationship shifted in response to the country's debate over

slavery, abolition, and emancipation. Both were ambitious men. They had great faith in the moral and technological progress of their nation. And they were not always consistent in their views. John Stauffer describes their personal and political struggles with a keen understanding of the dilemmas Douglass and Lincoln confronted and the social context in which they occurred. What emerges is a brilliant portrait of how two of America's greatest leaders lived. Lincoln Before Lincoln Regnery Publishing An unforgettable novel from the New York Times bestseller Gordon Korman Link, Michael, and Dana live in a quiet town. But it's woken up very quickly when someone sneaks

into school and vandalizes it with a swastika. Nobody can believe it. How could such a symbol of hate end up in the middle of their school? Who would do such a thing? Because Michael was the first person to see it, he's the first suspect. Because Link is one of the most popular guys in school, everyone's looking to him to figure it out. And because Dana's the only Jewish girl in the whole town, everyone's treating her more like an outsider than ever. The mystery deepens as more swastikas begin to appear. Some students decide to fight back and start a project to bring people together instead of dividing them further. The closer Link, Michael, and Dana get to the

truth, the more there is to face-not just the crimes of the present, but the crimes of the past. With *Linked*, Gordon Korman, the author of the acclaimed novel *Restart*, poses a mystery for all readers where the who did it? isn't nearly as important as the why? *Stanton* Turtleback Students rewrite history when they edit error-laden history facts for grammar, spelling, capitalization, and punctuation errors. *Lincoln's Words on Living Questions* Random House Indianapolis Monthly is the Circle City's essential chronicle and guide, an indispensable authority on what's new and what's news. Through coverage of politics, crime, dining, style,

business, sports, and arts and entertainment, each issue offers compelling narrative stories and lively, urbane coverage of Indy's cultural landscape.

The Songs of St Petersburg Oxford University Press, USA
In the bicentennial year of Lincoln's birth, here is the one indispensable book that provides all you need to know about our most revered president in a lively and memorable question-and-answer format. You will learn whether Lincoln could dunk a basketball or tell a joke. Was he the great emancipator or a racist? If he were alive today, could he get elected? Did he die rich? Did scientists raise Lincoln from the dead? From the

seemingly lighthearted to the most serious Gerald Prokopowicz tackles each question with balance and authority, and weaves a complete, satisfying biography that will engage young and old, scholars and armchair historians alike.

Giants Penguin
In this landmark book, Daniel Crofts examines a little-known episode in the most celebrated aspect of Abraham Lincoln's life: his role as the "Great Emancipator." Lincoln always hated slavery, but he also believed it to be legal where it already existed, and he never imagined fighting a war to end it. In 1861, as part of a last-ditch effort to preserve the Union and prevent war, the new president even offered to accept a

constitutional amendment that barred Congress from interfering with slavery in the slave states. Lincoln made this key overture in his first inaugural address. Crofts unearths the hidden history and political maneuvering behind the stillborn attempt to enact this amendment, the polar opposite of the actual Thirteenth Amendment of 1865 that ended slavery. This compelling book sheds light on an overlooked element of Lincoln's statecraft and presents a relentlessly honest portrayal of America's most admired president. Crofts rejects the view advanced by some Lincoln scholars that the wartime momentum toward emancipation

originated well before the first shots were fired. Lincoln did indeed become the "Great Emancipator," but he had no such intention when he first took office. Only amid the crucible of combat did the war to save the Union become a war for freedom.

The Complete Idiot's Guide to Learning Yiddish Harvard University Press
A Pulitzer Prize-winning history of the mistreatment of black Americans. In this 'precise and eloquent work' - as described in its Pulitzer Prize citation - Douglas A. Blackmon brings to light one of the most shameful chapters in American history - an 'Age of Neoslavery' that thrived in the aftermath of the Civil War through the dawn

of World War II. Using a vast record of original documents and personal narratives, Blackmon unearths the lost stories of slaves and their descendants who journeyed into freedom after the Emancipation Proclamation and then back into the shadow of involuntary servitude thereafter. By turns moving, sobering and shocking, this unprecedented account reveals these stories, the companies that profited the most from neoslavery, and the insidious legacy of racism that reverberates today.

Assassination Vacation
Penguin
"All forward thrust and hot-damn urgency...A brilliant, brawling epic. Screenwriter Tony Kushner blows the dust off history by investing

it with flesh, blood, and churning purpose. . . . A great American movie." -Peter Travers, Rolling Stone "Lincoln is a rough and noble democratic masterpiece. And the genius of Lincoln, finally, lies in its vision of politics as a noble, sometimes clumsy dialectic of the exalted and the mundane...And Mr. Kushner, whose love of passionate, exhaustive disputation is unmatched in the modern theater, fills nearly every scene with wonderful, maddening talk. Go see this movie." -A.O. Scott, New York Times "A lyrical, ingeniously structured screenplay. Lincoln is one of the most authentic biographical dramas I've ever seen...grand and immersive. It plugs us into the final

months of Lincoln's presidency with a purity that makes us feel transported as if by time machine."
 -Owen Gleiberman, Entertainment Weekly
 A decade-long collaboration between three-time Academy Award® winner Steven Spielberg and Pulitzer Prize winner Tony Kushner, Lincoln is a revealing drama that focuses on the 16th President's tumultuous final months in office. Having just won re-election in a country divided, Lincoln pursues a course of action designed to end the war, unite the country and abolish slavery. With the moral courage and fierce determination to succeed, his choices during this critical moment will change the fate of America,

and generations, to come. Containing eight pages of color photos from the film and inspired by Doris Kearns Goodwin's critically acclaimed Team of Rivals: The Political Genius of Abraham Lincoln, Lincoln is now a major motion picture by DreamWorks starring two-time Academy Award® winner Daniel Day-Lewis. Tony Kushner's plays include Angels in America, Parts One and Two; A Bright Room Called Day; Slavs!; Homebody/Kabul; Caroline, or Change, a musical with composer Jeanine Tesori; and The Intelligent Homosexual's Guide to Capitalism and Socialism with a Key to the Scriptures. He wrote the screenplays for Mike Nichols's film

of Angels in America and for Steven Spielberg's Munich. Kushner is the recipient of a Pulitzer Prize, two Tony Awards, three Obie Awards, two Evening Standard Awards, an Olivier Award, an Emmy Award, and two Oscar nominations, among other honors. In 2008 he was the first recipient of the

Steinberg Distinguished Playwright Award. **Words of Lincoln** Scholastic Inc. Now, for the first time, this famous American crime is examined by someone with all the proper credentials: Victoria Lincoln is a native of Fall River and thus knows the never-revealed "inside" story of the crime
