Thomas Hobbes (1588-1679) is one of the most important figures in the history of European philosophy. Although best known for his political theory, he also wrote about theology, metaphysics, physics, optics, mathematics, psychology, and literary criticism. All of these interests are reflected in his correspondence. Some small groups of his letters have been printed in the past (often in inaccurate transcriptions), but this edition is the first complete collection of his correspondence, nearly half of which has never been printed before. All the letters have been transcribed from the original sources, and all materials in Latin, French, and Italian are printed together with translations in clear modern English. The letters are fully annotated, and there are

long biographical entries on all of his correspondents, based on extensive original research. The whole pattern of Hobbes's intellectual life and personal friendships is set in a new light. This is one of the most significant and valuable scholarly publications of this century. *365 Questions* Univ of California Press Through an examination of the work of great scholars from fields including philosophy, literature, philology, semiology, quantum physics, history, and anthropology, this book argues that building on the contribution of non-economists can open new areas of reflection in economics beyond the usual schools of thought. The purpose of the book is twofold. First, it offers a critique and discussion of the limits of contemporary economic discourse, both

mainstream and self-styled alternative theories. The central theme on which the book is built is that the discipline of economics fails to examine the nature of social reality in a systematic way. This prompts the economists to become fully aware of the methodology on which they base their representation, analysis, and argumentation in a way that economists currently are not. Second, the book proposes alternative ways of thinking that can help readers of economics to overcome the current limitations of their discipline. This means going beyond various dominant dualities – orthodox/heterodox, micro/ macro, epistemology/ontology – because it is not a question of doing ‘the economy’ differently, but of overcoming the economy as a representation of the

world that strives to submit everything to its realm. Thus, the book does not simply propose a broader conceptual framework than that portrayed by mainstream economists or those who propose an alternative approach but raises questions that do not usually come from the minds of economists at all. The book will be of particular interest to readers of economic methodology and pluralism, philosophers of science, and other social scientists interested in methodological issues.

*Paris Between Empires* JHU Press Chronicles the development of the French secret services in the modern era, asks some fundamental questions about what France expected and expects from them, and offers a assessment of their role and influence in

the state and the military.

**Bonaparte** Bloomsbury Publishing  
Neither Barthou's contemporaries nor subsequent historians have known quite what to make of this bourgeois politician who fought a duel with Jean Jaurès and flew with Wilbur Wright. Many concluded he was an individual of considerable talent, few principles, and excessive ambition. No one, reading *Power and Pleasure*, can maintain that view. Robert Young, constructing a complete picture of Barthou, effectively refutes the charge of unprincipled ambition and deftly deals with the tension between political principles and pragmatism. Young has written a social biography, situating Barthou's life -- both public and private -- in the political and cultural context of the Third Republic. Barthou was a centrist in

his politics and, while current scholarship maintains that centrists adopted regressive strategies in response to the social question, Young presents an alternative reading of their position. He argues that although centrists like Barthou were not socialists -- for them "bourgeois" was a positive term -- they were capable of adjusting their ideals to meet the social changes of modern France. Barthou's turbulent political career was tempered both by a thirty-five-year marriage to his supportive wife and by a lifetime of pleasure derived from music, art, history, books, and literature.

*5 Ans de Ma Vie* TheBookEdition  
A lively and popular textbook teaching French to post-beginners working in a classroom setting. A diverse range of

dialogues, and reading passages deliver new material which is carefully practised in a wide variety of imaginative exercises, both individually and in pair- and groupwork, backed up by structured grammatical underpinning and exercises. Online resources can be found at [bloomsburyonlineresources.com/macmillan-foundations](http://bloomsburyonlineresources.com/macmillan-foundations) A substantial self-study section offers practice material for homework and revision, and for extension purposes. Foundations Languages courses are tailor-made for undergraduates and other students on Institution-wide Languages Programmes (IWLPs), languages options and electives, ab initio and minor routes in languages, and open learning programmes at universities and in Adult

Education. Foundations French 2 is ideal for students with some basic GCSE or other beginner's knowledge. It can be used as a successor to Foundations French 1, or following any similar beginner's course. New to this edition: - Revised and updated following wide-ranging lecturer consultation - Many new extended reading passages and new recordings - Topical exercises including the environment, student living, health and travel Accompanying online resources for this title can be found at [bloomsburyonlineresources.com/macmillan-foundations](http://bloomsburyonlineresources.com/macmillan-foundations). These resources are designed to support teaching and learning when using this textbook and are available at no extra cost. 5 ans de ma vie de maman Harvard University Press

In a pioneering exploration of the intellectual and literary exchange between Russian émigrés and French intelligentsia in the 1920s and 1930s, Leonid Livak provides an impressively comprehensive bibliographic overview of a veritable "who's who" of Russian intellectuals and literati, listing all the material published by Russian émigrés or on topics pertaining to them during the period under study. Focusing attention on a largely ignored chapter of European cultural history, this volume challenges historical assumptions by demonstrating processes of cultural cross-fertilization and illuminates the precedents Russians set for political exiles in the twentieth century. A remarkable achievement in scholarship, *Russian Émigrés in the Intellectual and*

*Literary Life of Inter-War France* is a valuable resource for admirers and researchers of French and Russian culture and European intellectual history. **5 ans de ma vie d'ado** Taylor & Francis From CNN's official royal historian, a highly praised young author with a doctorate from Oxford University, comes the extraordinary rags-to-riches story of the woman who conquered Napoleon's heart—and with it, an empire. Their love was legendary, their ambition flagrant and unashamed. Napoleon Bonaparte and his wife, Josephine, came to power during one of the most turbulent periods in the history of France. The story of the Corsican soldier's incredible rise has been well documented. Now, in this spellbinding, luminous account, Kate Williams draws back the curtain on the

woman who beguiled him: her humble origins, her exorbitant appetites, and the tragic turn of events that led to her undoing. Born Marie-Josèphe-Rose de Tascher de La Pagerie on the Caribbean island of Martinique, the woman Napoleon would later call Josephine was the ultimate survivor. She endured a loveless marriage to a French aristocrat—executed during the Reign of Terror—then barely escaped the guillotine blade herself. Her near-death experience only fueled Josephine’s ambition and heightened her determination to find a man who could finance and sustain her. Though no classic beauty, she quickly developed a reputation as one of the most desirable women on the continent. In 1795, she met Napoleon. The attraction was

mutual, immediate, and intense. Theirs was an often-tumultuous union, roiled by their pursuit of other lovers but intensely focused on power and success. Josephine was Napoleon’s perfect consort and the object of national fascination. Together they conquered Europe. Their extravagance was unprecedented, even by the standards of Versailles. But she could not produce an heir. Sexual obsession brought them together, but cold biological truth tore them apart. Gripping in its immediacy, captivating in its detail, *Ambition and Desire* is a true tale of desire, heartbreak, and revolutionary turmoil, engagingly written by one of England’s most praised young historians. Kate Williams’s searing portrait of this alluring and complex woman will finally elevate

Josephine Bonaparte to the historical prominence she deserves. Praise for *Ambition and Desire* “Not just a scholarly work, but a page-turner . . . Williams is no stranger to creating works on strong and influential women, and, as in those works, here she does an admirable job of demystifying Josephine. . . . This engrossing and accessible account is for all readers who enjoy historical biography.”—Library Journal “[A] riveting account . . . Williams perfectly illustrates all that was bizarre and maddening about French life during the reign of Josephine and Napoleon Bonaparte.”—Publishers Weekly “Intelligent and entertaining.”—Kirkus Reviews “An in-depth portrait of the substantive woman behind the throne.”—Booklist “Reading [Ambition

and Desire] is like watching Silk Stockings, the 1957 Hollywood masterpiece with Fred Astaire and Cyd Charisse. The book flows and jumps, taking the reader by the hand through tormented times in French history without ever letting you go or losing itself in the intricacies of French politics.”—The Times “A sparkling account of this most fallible and endearing of women.”—Daily Mail “A whirlwind tour of French history.”—The Telegraph  
Preserving the Provinces McGill-Queen's Press - MQUP  
 This work is the first comprehensive history of the Lebanese migrant communities of colonial French West Africa, a vast expanse that covered present-day Senegal, Côte d'Ivoire, Mali,

Guinea, Benin and Mauritania. Where others have concentrated on the commercial activities of these migrants, casting them as archetypal middlemen, this work reconstructs not just their economic strategies, but also their social and political lives. Moreover, it examines the fraught responses of colonial Frenchmen to the unsettling presence of these interlopers of empire--responses which, with their echoes of metropolitan racism, helped to shape the ways in which Lebanese migrants represented themselves and justified their place in West Africa. This is a work which attempts not just to reshape broader understandings of diasporic life-of Janus-like existences lived in transit between distant locales, and dependent on the constant to-and-fro of people, news, and

goods--but also to challenge the way we think about empires, and the relations between their constituent territories and diverse inhabitants.

**The Correspondence of Thomas Hobbes: The Correspondence of Thomas Hobbes** Boydell & Brewer

The Third Republic, known as the 'belle époque', was a period of lively, articulate and surprisingly radical feminist activity in France, borne out of the contradiction between the Republican ideals of liberty, equality and fraternity and the reality of intense and systematic gender discrimination. Yet, it also was a period of intense and varied artistic production, with women disproving the critical nearconsensus that art was a masculine activity by writing, painting, performing, sculpting, and even displaying an

interest in the new "seventh art" of cinema. This book explores all these facets of the period, weaving them into a complex, multi-stranded argument about the importance of this rich period of French women's history.

**Rachilde and French Women's Authorship** Macmillan

This collection of essays focuses on the notion of the 'mark', through its manifold dimensions, including heritage, race, genes, stereotypes, traumas and scars, in order to tackle contemporary phenomena and issues such as identity, queerness, emancipation and heritage. It does so by channelling reflections through a variety of art forms, including visual art, performance, cinema, distillery, and literature. Hybrid in its approaches, this collection gathers

together self-portraits, analytical essays, and ethnographies to discuss self-determination at a crossroads between intimacy and geopolitics throughout postcolonial France and the French Caribbean.

**Subject Index of the Modern Works Added to the Library of the British Museum in the Years ...** Berghahn Books

Colin Crisp re-evaluates the stylistic evolution of the classic French cinema, and represents the New Wave filmmakers as its natural heirs rather than the mould-breakers they perceived themselves to be.

[The Correspondence of Michael Faraday](#)  
Oxford University Press

Patrice Gueniffey, the leading French historian of the Revolutionary and

Napoleonic age, takes up the epic narrative at the heart of this turbulent period: the life of Napoleon himself, from his boyhood in Corsica, to his meteoric rise during the Italian and Egyptian campaigns, to his proclamation as Consul for Life in 1802.

#### French Twentieth Bibliography

Clarendon Press

Long before Edith Piaf sang "La vie en

rose," her predecessors took to the stage of the belle époque music hall, singing of female desire, the treachery of men, the harshness of working-class life, and the rough neighborhoods of Paris. Icon of working-class femininity and the underworld, the realist singer signaled the emergence of new cultural roles for women as well as shifts in the nature of popular entertainment. Chanteuse in the City provides a genealogy of realist performance through analysis of the music hall careers and film roles of Mistinguett, Josephine Baker, Fréhel, and Damia. Above all, Conway offers a fresh interpretation of 1930s French cinema, emphasizing its love affair with popular song and its close connections to the music hall and the café-concert. Conway uncovers an important tradition of

female performance in the golden era of French film, usually viewed as a cinema preoccupied with masculinity. She shows how—in films such as *Pépé le Moko*, *Le Crime de Monsieur Lange*, and *Zouzou*—the realist chanteuse addresses female despair at the hopelessness of love. Conway also sheds light on the larger cultural implications of the shift from the intimate café-concert to the spectacular music hall, before the talkies displaced both kinds of live performance altogether.

*Memorializing and Decolonizing Practices in the Francophone Caribbean and Other Spaces* McGill-Queen's Press - MQUP

The first complete edition of Elizabeth Stuart's letters ever published. Volume I covers the years between 1603 and

1631: Elizabeth's life as princess and consort, charting her transformation from political ingenue to independent stateswoman.

French Salons Indiana University Press  
Challenging many of the conclusions of recent historiography, including the depiction of salonnières as influential power brokers, *French Salons* offers an original, penetrating, and engaging analysis of elite culture and society in France before, during, and after the Revolution.

The Correspondence of Elizabeth Stuart, Queen of Bohemia Ballantine Books  
Volume one of a comprehensive series on the Dreyfus Affair, this account chronicles for the first time in English and day by day, the drama that destabilized French society (1894-1906)

and reverberated across the world. A deliberate miscarriage of justice, the public degradation of an innocent Jewish officer and his incarceration on Devil's Island, espionage, intrigue, media pressure, vehement antisemitism and political skulduggery - topics so relevant to our times - are set within a broad historical context. Meticulous research, new translations of key documents, a wealth of primary sources and illustrations and a select bibliography make this an indispensable reference work.

**Chanteuse in the City** Clarendon Press
