Inspired by the great diversity of Iznik and Delft

pottery, this book brings to you a selection of bright, modern designs. The patterns in this book are varied in both their size and complexity, from small designs for tags, pincushions, and cards to more involved designs for pictures and other display items. Many are simple, quick to stitch, and usable in multiple ways. An individual small design could be repeated to form a band for a table

cloth, curtain, or towel edge--or tiled to produce a larger pattern for a cushion or sampler style design--making it a suitable book for both new and experienced stitchers to enjoy.
