**The Luxe** Bantam  
Things are about to get  
Wicked in New Orleans.  
Twenty-two year old  
Ivy Morgan isn't your  
average college  
student. She, and  
others like her, know  
humans aren't the only  
thing trolling the  
French Quarter for  
fun... and for food. Her

duty to the Order is her  
life. After all, four years  
ago, she lost  
everything at the  
hands of the creatures  
she'd sworn to hunt,  
tearing her world and  
her heart apart. Ren  
Owens is the last  
person Ivy expected to  
enter her rigidly  
controlled life. He's six  
feet and three inches  
of temptation and  
swoon-inducing charm.  
With forest-green eyes  
and a smile that's  
surely left a stream of

broken hearts in its wake, he has an uncanny, almost unnatural ability to make her yearn for everything he has to offer. But letting him in is as dangerous as hunting the cold-blooded killers stalking the streets. Losing the boy she loved once before had nearly destroyed her, but the sparking tension that grows between them becomes impossible for Ivy to deny. Deep down, she wants... she needs more than what her duty demands of her, what her past has shaped for her. But as Ivy grows closer to Ren, she realizes she's not the only one carrying secrets that could shatter the frail bond between them. There's something he's not telling her, and one thing is for certain.

She's no longer sure what is more dangerous to her—the ancient beings threatening to take over the town or the man demanding to lay claim to her heart and her soul.

*Oblivion* J'ai Lu

A darkly humorous, surprisingly poignant, and utterly gripping debut novel about a guy who works in Hell (literally) and is on the cusp of a big promotion if only he can get one more member of the wealthy Harrison family to sell their soul. Peyote Trip has a pretty good gig in the deals department on the fifth floor of Hell. Sure, none of the pens work, the coffee machine has been out of order for a century, and the only drink on offer is Jägermeister, but Pey

has a plan—and all he needs is one last member of the Harrison family to sell their soul. When the Harrisons retreat to the family lake house for the summer, with their daughter Mickey’s precocious new friend, Ruth, in tow, the opportunity Pey has waited a millennium for might finally be in his grasp. And with the help of his charismatic coworker Calamity, he sets a plan in motion. But things aren’t always as they seem, on Earth or in Hell. And as old secrets and new dangers scrape away at the Harrisons’ shiny surface, revealing the darkness beneath, everyone must face the consequences of their choices.

en que Katy Swartz se instaló en la casa de al lado, supe que iba a traerme problemas. Muchos problemas. Y problemas es lo último que necesito, sobre todo teniendo en cuenta que no soy exactamente de por aquí. Mi gente llegó a la Tierra desde Lux, un planeta a millones de años luz. Si algo he aprendido en este tiempo, es que no se puede confiar en los humanos. Los asustamos. Podemos hacer cosas que ellos ni siquiera pueden soñar, y la verdad es que a nuestro lado parecen muy débiles. Y lo son. Pero Kat está acercándose a mí como nadie antes, y no puedo evitar querer estar cerca de ella y usar mis poderes para protegerla. Ella me vuelve débil, y no

puedo permitírmelo. Mi obligación es ser fuerte y defender a los míos. Una simple chica... puede significar el fin para nosotros. Porque los Luxen tenemos otro gran enemigo, los Arum, y debo estar muy atento.

Enamorarme de Katy, una humana, no solo la pone a ella en peligro. Pone en riesgo la vida de todos a los que quiero, y eso es algo que no puedo dejar que ocurra... Empieza a leer la saga Lux desde el punto de vista de Daemon Black

From the author of  
From Blood and Ash,  
this sizzling prequel  
novella to the Dark  
Elements series draws  
readers into the  
irresistible world of  
Wardens and demons...

Dez wasn't just Jasmine's crush. A gargoyle Warden like Jas, he helped her come to terms with her destiny—fending off demons and maintaining the balance between good and evil. He was her everything...right until the moment he disappeared without a trace. It didn't help that Jas's father had just announced that she and Dez would one day be mated. Hard not to take that personally. And now he's back, three years older, ten times hotter, ready to pick up exactly where they left off. But Jas isn't taking that risk again. Dez has seven days to meet all her conditions and earn back her trust. Seven days filled with terrifying danger and sweet temptation.

Seven days to win her heart—or shatter it all over again... “With her signature flare for combining humor, romance and action, Armentrout weaves a fast-paced read that will have readers’ hearts racing in more ways than one. Like Armentrout’s previous heroines, Jasmine is fun and full of attitude, while Dez is as snarky as he is sexy. This is a must read for new and old fans alike!” —RT Book Reviews

A USA TODAY BESTSELLER! "A powerful debut that proves the threads that interweave our lives can withstand time and any tide, and bind our hearts forever."—Susanna Kearsley, New York Times bestselling author of *Belleweather* and *The Vanished Days*  
A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing, highlighting the power of our own stories. The smallest items can hold

centuries of secrets...

While exploring her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. The truth behind the silk sleeve dated back to 1886, when Mei Lien, the lone survivor of a cruel purge of the Chinese in Seattle found refuge on Orcas Island and shared her tragic experience by embroidering it. As Inara peels back layer upon layer of the centuries of secrets the sleeve holds, her life becomes interwoven with that of Mei Lein. Through the stories Mei Lein tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. Should she bring

shame to her family and risk everything by telling the truth, or tell no one and dishonor Mei Lien's memory? A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson, *The Girl Who Wrote in Silk* is a dual-time period novel that explores how a delicate piece of silk interweaves the past and the present, reminding us that today's actions have far reaching implications. Praise for *The Girl Who Wrote in Silk*: "A beautiful, elegiac novel, as finely and delicately woven as the title suggests. Kelli Estes spins a spellbinding tale that illuminates the past in all its brutality and beauty, and the humanity that binds us all together." —Susan

Wiggs, New York Times bestselling author of *The Beekeeper's Ball* "A touching and tender story about discovering the past to bring peace to the present."

—Duncan Jepson, author of *All the Flowers in Shanghai* "Vibrant and tragic, *The Girl Who Wrote in Silk* explores a horrific, little-known era in our nation's history. Estes sensitively alternates between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free."

Rongée par l'inquiétude et le doute, Katy peine à admettre que les frontières entre le bien et le mal se brouillent. Or, la guerre est là et, quelle qu'en soit l'issue, l'avenir ne sera plus jamais le même. Elle espère toutefois que Daemon fera tout pour préserver ceux qu'il aime, même si cela signifie trahir les siens. Cependant, est-il encore seulement capable de discerner ses amis de ses ennemis ?

 The Luxe is the first book in the New York Times bestselling Luxe series by Anna Godbersen. In a world of luxury and deception, where appearance matters above everything and breaking the social code means running the risk of being ostracized forever, five teenagers lead dangerously scandalous lives. This thrilling trip to the age of innocence is anything but innocent. Pretty girls in pretty

dresses, partying until dawn. Irresistible boys with mischievous smiles and dangerous intentions. White lies, dark secrets, and scandalous hook-ups. This is Manhattan, 1899. Beautiful sisters Elizabeth and Diana Holland rule Manhattan's social scene. Or so it appears. When the girls discover their status among New York City's elite is far from secure, suddenly everyone—from the backstabbing socialite Penelope Hayes to the debonair bachelor Henry Schoonmaker to the spiteful maid Lina Broud—threatens Elizabeth's and Diana's golden future. With the fate of the Hollands resting on her shoulders, Elizabeth must choose between family duty and true

love. But when her carriage overturns near the East River, the girl whose glittering life lit up the city's gossip pages is swallowed by the rough current. As all of New York grieves, some begin to wonder whether life at the top proved too much for this ethereal beauty, or if, perhaps, someone wanted to see Manhattan's most celebrated daughter disappear...  Thrust among those

 The Prince of Atlantia.

 way for her to get what  
 she wants—to find her

 breath, offering up all

she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolvern are growing more

unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. returns to the world of  
the Lux with The

Burning Shadow, the steamy, shocking second installment of the Origin series that will leave readers reeling. When Evelyn Dasher crossed paths with Luc, she was thrown headfirst into the world of the Lux—only to discover that she was already far more involved in their world than she ever suspected. Because the Luxen aren't the only ones with a hidden past. There's a gap in Evie's memory, lost months of her life and a lingering sense that something happened, something she can't remember and nobody is willing to tell her. She needs to find out the truth about who she is—and who she was. But every answer she finds only brings up more questions. Her

search for the truth brings her ever closer to Luc, the Origin at the center of it all. He's powerful, arrogant, inhumanly beautiful, extremely dangerous...and possibly in love with her. But even as Evie falls for him, she can't help but wonder if his attraction is to her, or to the memory of a girl who no longer exists. And all the while, a new threat looms: reports of a flu-like, fatal virus that the government insists is being spread by Luxen. A horrifying illness that changes whoever it touches, spreading panic across a country already at its breaking point.
