"No dormirás hasta que hayas terminado con AGENTE CERO. El autor hizo un excelente trabajo creando un conjunto de personajes que están muy desarrollados y que los disfrutarás mucho. La descripción de las escenas de acción nos transporta a la realidad, que es casi como sentarse en el cine con sonido envolvente y 3D (sería una increíble película de Hollywood). Difícilmente esperaré por la secuela". --Roberto Mattos, Books and Movie Reviews En ATRAPANDO A CERO (Libro #4), una célula terrorista en el Medio Oriente gana un nuevo y fanático líder, uno que intenta orquestar lo

"This is a gripping and heartrending recollection of the harrowing brink-of-death experience that propelled survivor Roberto Canessa to become one of the world's leading pediatric cardiologists. Canessa played a key role in safeguarding his fellow survivors, eventually trekking with a companion across the hostile mountain range for help. This fine line between life and death became the catalyst for the rest of his life. This uplifting tale of hope and determination, solidarity and ingenuity gives vivid insight into a world famous story. Canessa also draws a unique and fascinating parallel between his work as a doctor performing arduous heart surgeries on infants and unborn babies and the difficult life-changing decisions he was forced to make in the Andes."--Provided by publisher.

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.
