MAHONEY MAXIMO

The Roald Dahl Treasury Penguin

"A true genius . . . Roald Dahl is my hero" - David Walliams Billy's biggest wish is to turn a weird old wooden house into a wonderful sweet-shop. But then he finds a giraffe, a pelly and a monkey living inside - they're the Ladderless Window-Cleaning Company! (Who needs ladders when you've got a giraffe?) They become best friends, and when they meet the richest man in all of England, there's a chance that Billy's scrumptious-galumptious dream just might come true . . . Do you love audio books? Listen to THE GIRAFFE AND THE PELLY AND ME (with ESIO TROT), and

other Roald Dahl audiobooks read by some very famous voices—plus added squelchy sound effects!

The Bed Book Vintage

A landmark American drama that inspired a classic film and a Broadway revival—featuring an introduction by David Mamet A blistering character study and an examination of the American melting pot and the judicial system that keeps it in check, *Twelve Angry Men* holds at its core a deeply patriotic faith in the U.S. legal system. The play centers on Juror Eight, who is at first the sole holdout in an 11-1 guilty vote. Eight sets his sights not on proving the other jurors wrong but rather on getting them to look at the situation in a clear-eyed way not affected by their personal prejudices or biases. Reginald Rose deliberately and carefully peels away the layers of artifice from the men and allows a fuller

picture to form of them—and of America, at its best and worst. After the critically acclaimed teleplay aired in 1954, this landmark American drama went on to become a cinematic masterpiece in 1957 starring Henry Fonda, for which Rose wrote the adaptation. More recently, *Twelve Angry Men* had a successful, and award-winning, run on Broadway. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Roald Dahl Lulu.com

"If a person has ugly thoughts, it begins to show on the face. And when that person has ugly thoughts every day, every week, every year, the face gets uglier and uglier until it looks so ugly you can hardly bear to look at it." How do you outwit a Twit? Mr. and Mrs. Twit are the smelliest, ugliest people in the world. They hate everything -- except playing mean jokes on each other, catching innocent birds to put in their Bird Pies, and making their caged monkeys, the Muggle-Wumps, stand on their heads all day. But the Muggle-Wumps have had enough. They don't just want out, they want revenge.

The Twits Puffin Books

Exuberant rhymes are an intrinsic part of the great appeal of Roald Dahl's books, and *Songs and Verse* is a joyful celebration of some of these magical moments. From the strange and scrumptious dishes enjoyed by James' centipede, to George and

his marvellous medicine; from Augustus Gloop to the Giraffe and the Pelly and Me, there are many classics here, together with some previously unpublished treats. Packed into these pages are seven themed sections bursting with monsters, ghastly children, magical creatures, unpleasant adults and a few surprises. Quentin Blake, with whom Roald Dahl will always be linked, provides the opening illustrations for each section, together with the foreword to this book. *Songs and Verse* is illustrated by an international and award-winning line-up of some of the most exciting and talented artists working today. Many of the artists are new to Roald Dahl; some have illustrated his work before. The result is a visual feast, zinging with colour and wit, that no Roald Dahl fan will want to be without.

The Twits Penguin

A description of the personal life and career of the twentieth-century English writer of such successful books as "Charlie and the Chocolate Factory," "James and the Giant Peach," and "Matilda."

Roald Dahl's Revolting Rhymes National Geographic Books

This extraordinary collection takes readers on a fascinating journey into Dahl's unique imagination with excerpts from his best-loved fiction for children and his autobiographical material. Full color.

Esio Trot Vintage

Twenty wickedly anarchic tales from the master of the unpredictable, chosen from his bestsellers *Over to You*, *Someone Like You*, *Kiss Kiss* and *Switch Bitch*. Stylish, outrageous and haunting, they explore the sinister side of the human psyche with unexpected outcomes. There's the wife who serves up a

murderous new dish to her husband, the gambler who collects little fingers from losers, the sound machine that can hear grass scream, and the night-time seduction that has macabre consequences, to name a few.

Roald Dahl Pickle Partners Publishing

A darkly funny gift book based on Roald Dahl's beloved story *The Enormous Crocodile*, featuring art by Quentin Blake. *The Enormous Crocodile* has been employing "secret plans and clever tricks" for years, hoping to one day score his favorite meal: a juicy little child. And finally, he shares his wit and wisdom with a world hungry for his sage advice. Find out all of our devious villain's tips and advice in this grim, but humorous gift book perfect for fans of *All My Friends Are Dead*. And with Quentin Blake's illustrations, this full-color book will have readers plotting their own clever tricks in no time.

Twits Turtleback Books

This sequel to *How to Rap* breaks down and examines techniques that have not previously been explained—such as triplets, flams, lazy tails, and breaking rhyme patterns. Based on interviews with hip-hop's most innovative artists and groups, including Tech N9ne, Crooked I, Pharcyde, Das EFX, Del the Funky Homosapien, and Big Daddy Kane, this book takes you through the intricacies of rhythm, rhyme, and vocal delivery, delving into the art form in unprecedented detail. It is a must-read for MCs looking to take their craft to the next level, as well as anyone fascinated by rapping and its complexity.

A to Z of Sport Penguin

This enchanting tale is at once a beautifully rendered narrative of childhood loss and a powerfully simple fable about the necessity

of imagination. Pobby and Dingan are Kellyanne Williamson's best friends, maybe her only friends, and only she can see them. Kellyanne's brother, Ashmol, can't see them and doesn't believe they exist anywhere but in Kellyanne's immature imagination. Only when Pobby and Dingan disappear and Kellyanne becomes heartsick over their loss does Ashmol realize that not only must he believe in Pobby and Dingan, he must convince others to believe in them, too.

The Judge's List National Geographic Books

Jim Lindberg is a Punk Rock Dad. When he drives his kids to school in the morning, they listen to the Ramones, the Clash, or the Descendents—and that's it. They can listen to Britney and Justin on their own time. Jim goes to soccer games, dance rehearsals, and piano recitals like all the other dads, but when he feels the need, he also goes to punk shows, runs into the slam pit, and comes home bruised and beaten . . . but somehow feeling strangely better. While the other dads dye their hair brown to cover the gray, Jim occasionally dyes his blue or green. He makes his daughters' lunches, kisses their boo-boos, and tucks them in at night—and then goes into the garage and plays Black Flag and Minor Threat songs at a criminal volume. He pays his taxes, votes in all the presidential and gubernatorial elections, serves on jury duty, and reserves the right to believe that there is a vast Right Wing Conspiracy—and that the head of the P.T.A. is possibly in on it. He is a Punk Rock Dad.

From the bestselling author of *Charlie and the Chocolate Factory* and *The BFG!* Last seen flying through the sky in a giant elevator in *Charlie and the Chocolate Factory*, Charlie Bucket's back for another adventure. When the giant elevator picks up speed, Charlie, Willy Wonka, and the gang are sent hurtling through space and time. Visiting the world's first space hotel, battling the dreaded Vermicious Knids, and saving the world are only a few stops along this remarkable, intergalactic joyride.

The Giraffe and the Pelly and Me Penguin UK

From the World's No. 1 Storyteller, James and the Giant Peach is a children's classic that has captured young reader's imaginations for generations. One of TIME MAGAZINE's 100 Best Fantasy Books of All Time After James Henry Trotter's parents are tragically eaten by a rhinoceros, he goes to live with his two horrible aunts, Spiker and Sponge. Life there is no fun, until

James accidentally drops some magic crystals by the old peach tree and strange things start to happen. The peach at the top of the tree begins to grow, and before long it's as big as a house. Inside, James meets a bunch of oversized friends—Grasshopper, Centipede, Ladybug, and more. With a snip of the stem, the peach starts rolling away, and the great adventure begins! Roald Dahl is the author of numerous classic children's stories including *Charlie and the Chocolate Factory*, *Matilda*, *The BFG*, and many more! "James and the Giant Peach remains a favorite among kids and parents alike nearly 60 years after it was first published, thanks to its vivid imagery, vibrant characters and forthright exploration of mature themes like death and hope." —TIME Magazine Cover may vary.

Roald Dahl Treasury Chicago Review Press

#1 NEW YORK TIMES BESTSELLER • Investigator Lacy Stoltz follows the trail of a serial killer, and closes in on a shocking suspect—a sitting judge—in "one of the best crime reads of the year.... Bristling with high-tech detail and shivering with suspense.... Worth staying up all night to finish" (Wall Street Journal). In *The Whistler*, Lacy Stoltz investigated a corrupt judge who was taking millions in bribes from a crime syndicate. She put the criminals away, but only after being attacked and nearly killed. Three years later, and approaching forty, she is tired of her work for the Florida Board on Judicial Conduct and ready for a change. Then she meets a mysterious woman who is so frightened she uses a number of aliases. Jeri Crosby's father was murdered twenty years earlier in a case that remains unsolved and that has grown stone cold. But Jeri has a suspect whom she has become obsessed with and has stalked for two decades.

Along the way, she has discovered other victims. Suspicions are easy enough, but proof seems impossible. The man is brilliant, patient, and always one step ahead of law enforcement. He is the most cunning of all serial killers. He knows forensics, police procedure, and most important: he knows the law. He is a judge, in Florida—under Lacy’s jurisdiction. He has a list, with the names of his victims and targets, all unsuspecting people unlucky enough to have crossed his path and wronged him in some way. How can Lacy pursue him, without becoming the next name on his list? *The Judge’s List* is by any measure John Grisham’s most surprising, chilling novel yet.

Pobby and Dingan Harper Collins

Matilda is BRAVE and BRILLIANT - and you can be too! Packed with GAMES, JOKES, QUIZZES and much more, this marvellous book has all the tips and tricks you need to become a REAL HERO and even stand up to THE TERRIBLE TRUNCHBULL.
