We Dream of Space Bantam

A young girl finds herself—and so much more—during a summer stay with her grandparents in this “sweet, evocative” (Kirkus Reviews) novel from Newbery Award-winning author Patricia MacLachlan. When Louisa (short for Louisiana) is sent to stay with her grandparents for the summer, she’s not looking forward to it. While her brother is

determined to find a way to stay on Deer Island forever, Louisa would rather be off having adventures with their globetrotting ornithographer parents. She’s a writer, and there’s nothing on all of Deer Island to write about—right? Louisa quickly discovers that small doesn’t necessarily mean quiet, and the island has plenty of scope for the imagination. It also has George, the boy who helps her see the world in a whole new light. The end of summer is coming fast, and Louisa must decide what she really wants: travel the world with her parents, or stay on Deer

Island with the people she’s only just learning to love?

Zondervan

In this empowering deconstruction of the so-called American Dream, a twelve-year-old Japanese American girl grapples with, and ultimately rises above, the racism and trials of middle school she experiences while chasing her dreams. As the daughter of immigrants who came to America for a better life, Annie Inoue was raised to dream big. And at the start of seventh grade, she’s channeling that irrepressible

hope into becoming the lead in her school play. So when Annie lands an impressive role in the production of *The King and I*, she's thrilled . . . until she starts to hear grumbles from her mostly white classmates that she only got the part because it's an Asian play with Asian characters. Is this all people see when they see her? Is this the only kind of success they'll let her have—one that they can tear down or use race to belittle? Disheartened but determined, Annie channels her hurt into a new dream: showing everyone what she's made of. Waka T. Brown, author of *While I Was Away*, delivers an uplifting coming-of-age story about a Japanese American girl's fight to make space for herself in a world that claims to celebrate everyone's differences but doesn't always follow through.

A Newbery Honor Book • BookPage Best Books • Chicago Public Library Best Fiction

• Goodreads Choice Awards Nominee • Horn Book Fanfare • New York Times Notable Children's Book • School Library Journal Best Book • Today Show Pick • An ALA Notable Book "A 10 out of 10 . . . Anyone interested in science, sibling relationships, and friendships will enjoy reading *We Dream of Space*."—Time for Kids Newbery Medalist and New York Times–bestselling author Erin Entrada Kelly transports readers to 1986 and introduces them to the unforgettable Cash, Fitch, and Bird Nelson Thomas in this pitch-perfect middle grade novel about family, friendship, science, and exploration. This acclaimed Newbery Honor Book is a great choice for readers of Kate DiCamillo, Rita Williams-Garcia, and Rebecca Stead. Cash, Fitch, and Bird Nelson Thomas are three siblings in seventh grade together in Park, Delaware. In 1986, as the country waits expectantly for the launch of the space shuttle Challenger, they each struggle with their own personal anxieties. Cash, who loves basketball but has a newly broken wrist, is in danger of failing seventh grade for the second time. Fitch spends every afternoon playing Major Havoc at the arcade on Main

and wrestles with an explosive temper that he doesn't understand. And Bird, his twelve-year-old twin, dreams of being NASA's first female shuttle commander, but feels like she's disappearing. The Nelson Thomas children exist in their own orbits, circling a tense and unpredictable household, with little in common except an enthusiastic science teacher named Ms. Salonga. As the launch of the Challenger approaches, Ms. Salonga gives her students a project—they are separated into spacecraft crews and must create and complete a mission. When the fated day finally arrives, it changes all of their lives and brings them together in unexpected ways. Told in three alternating points of view, *We Dream of Space* is an unforgettable and thematically rich novel for middle grade readers. *We Dream of Space* is illustrated throughout by the author.

NEW YORK TIMES BESTSELLER • An

unprecedented look into the personal and creative life of the visionary auteur David Lynch, through his own words and those of his closest colleagues, friends, and family "Insightful . . . an impressively industrious and comprehensive account of Lynch's career."—The New York Times Book Review In this unique hybrid of biography and memoir, David Lynch opens up for the first time about a life lived in pursuit of his singular vision, and the many heartaches and struggles he's faced to bring his unorthodox projects to fruition. Lynch's lyrical, intimate, and unfiltered personal reflections riff off biographical sections written by close collaborator Kristine McKenna and based on more than one hundred new interviews with surprisingly candid ex-wives, family members, actors, agents, musicians, and colleagues in various fields who all have their own takes on what happened. *Room to Dream* is a landmark book that offers a onetime all-access pass into the life and mind of one of our most enigmatic and utterly original living artists. God's Words to Dream On HarperCollins
Dream Jumper is the second book in a
 series focused on heart-warming bedtime
 rituals the author created for his kids to
 help them feel safe and secure as they go
 to sleep. When young Francesca fears
 going to sleep because she'll be alone in
 her dreams, her Dada reveals he has
 magical powers to jump into her dreams
 with her while they're both asleep. Goals

of the books include encouraging kids to
 use their imagination and focus on positive
 thoughts when they are alone in bed,
 reinforcing for kids that bedtime can be
 fun as they look forward to their dreams,
 and encouraging more fathers to engage
 with their kids in nurturing bedtime
 routines often associated with mothers.

 ONE OF NPR'S BEST BOOKS OF 2019 A
 “warm and funny and honest...genuinely
 unputdownable” (Curtis Sittenfeld) memoir
 chronicling what it’s like to live in today’s
 world as a fat man, from acclaimed
 journalist Tommy Tomlinson, who, as he
 neared the age of fifty, weighed 460
 pounds and decided he had to change his
 life. When he was almost fifty years old,
 Tommy Tomlinson weighed an
 astonishing—and dangerous—460 pounds,
 at risk for heart disease, diabetes, and
 stroke, unable to climb a flight of stairs
 without having to catch his breath, or
 travel on an airplane without buying two
 seats. Raised in a family that loved food,
 he had been aware of the problem for
 years, seeing doctors and trying diets from
 the time he was a preteen. But nothing
 worked, and every time he tried to make a
 change, it didn’t go the way he
 planned—in fact, he wasn’t sure that he
 really wanted to change. In *The Elephant
 in the Room*, Tomlinson chronicles his
 lifelong battle with weight in a voice that

combines the urgency of Roxane Gay's *Hunger* with the intimacy of Rick Bragg's *All Over but the Shoutin'*. He also hits the road to meet other members of the plus-sized tribe in an attempt to understand how, as a nation, we got to this point. From buying a Fitbit and setting exercise goals to contemplating the Heart Attack Grill in Las Vegas, America's "capital of food porn," and modifying his own diet, Tomlinson brings us along on a candid and sometimes brutal look at the everyday experience of being constantly aware of your size. Over the course of the book, he confronts these issues head-on and chronicles the practical steps he has to take to lose weight by the end. "What could have been a wallow in memoir self-pity is raised to art by Tomlinson's wit and prose" (*Rolling Stone*). Affecting and searingly honest, *The Elephant in the Room* is an "inspirational" (*The New York Times*) memoir that will resonate with anyone who has grappled with addiction, shame, or self-consciousness. "Add this to your reading list ASAP" (*Charlotte Magazine*).

Sea of Dreams Simon and Schuster
New in paperback, this revelatory book

features rarely seen multimedia works by the revered cult filmmaker David Lynch showing how he applies his powerful imagination and visual language across genres. David Lynch has always been in the spotlight as a filmmaker, directing some of the most iconic movies ever made, but as a visual artist, he is less widely known. Lynch delights in the physicality of painting and likes to stimulate all the senses in his work. This new paperback edition brings together Lynch's paintings, photography, drawings, sculpture and installation, and stills from his films. Many of these works reveal the dark underpinnings behind Lynch's often-macabre movies. Others explore his fascination with texture and collage. Throughout, Lynch's characteristic style--surreal, stylish, and even humorous--shines through. An introduction by music journalist and Lynch biographer Kristine McKenna, along with a thought-provoking essay by curator Stijn Huijts, offers fascinating new information and perspectives on Lynch's life and career. This book reveals an unexplored facet of Lynch's oeuvre and affirms that he is as brilliant a visual artist as he is a filmmaker.

Innocent when You Dream Simon and Schuster

David Lynch is internationally renowned as a filmmaker, but it is less known that he began his creative life as a visual artist and has maintained a devoted studio practice, developing an extensive body of painting, prints, photography, and drawing. Featuring work from all periods of Lynch's career, this book documents Lynch's first major museum exhibition in the United States, bringing together works held in American and European collections and from the artist's studio. Much like his movies, many of Lynch's artworks revolve around suggestions of violence, dark humor, and mystery, conveying an air of the uncanny. This is often conveyed through the addition of text, wildly distorted forms, and disturbances in the paint fields that surround or envelop his figures. While a few relate to his film projects, most are independent works of art that reveal a parallel trajectory. Organized in close collaboration with the artist, *David Lynch: The Unified Field* brings together ninety-five paintings, drawings, and prints from 1965 to the present, often unified by the recurring

motif of the home as a site of violence, memories, and passion. Other works explore the odd, tender, and mincing aspects of relationships. Highlighting many works that have rarely been seen in public, including early work from his critical years in Philadelphia (1965-70), this catalog offers a substantial response to dealer Leo Castelli's comment when he enthusiastically viewed Lynch's work in 1987, "I would like to know how he got to this point; he cannot be born out of the head of Zeus." Published in association with the Pennsylvania Academy of the Fine Arts

He Speaks in the Silence is about Diane Comer's search for the kind of intimacy with God every woman longs for. It is a

story of trying to be a good girl, of following the rules, of longing for a satisfaction that eludes us. Disappointed with all Diane had been told was supposed to fulfill her, she begged God in desperation to give her more. And He did. But first He took her through a trial so debilitating it almost destroyed what little faith she had. He let her go deaf. Using vivid parallels between her deafness and every woman's struggle to hear God, this book shows women not only how Diane, as a deaf woman, hears in everyday life, but also how she can learn to listen to God in the midst of her own loud life, finding

intimacy with God and the deep soul satisfaction she longs for.
