What's quick, easy,  
and sure to bring on

the smiles? Muffins, of course! For recipes that are sweet, savory, or just over the top, look no further than The Ultimate Muffin Book. From classics like Berry and Corn Muffins to new favorites like Margarita

and savory Quiche Lorraine Muffins, Bruce Weinstein and Mark Scarbrough once again take an American fun-food classic to new heights by offering more than 600 recipes and variations for absolutely every muffin imaginable. Peanut Butter Chocolate Chip, anyone? Or luscious Hazelnut? Or what about Pizza Muffins for kids of all ages? Low-fat, nonfat, gluten-free, dense, and decadent -- they're all here, as well as baking tips, an ingredients guide, and a witty history of how the muffin came to be an American institution. Muffins. Is there a better way to make everyone in your life smile?

The muffin tin has turned out to be one of the most versatile and useful kitchen gadgets, and it can be used to create a wide range of entrees, sides and desserts quite easily. Although muffin tins are mostly known for creating muffins and cupcakes, they can be used to create clever breakfast items like egg and cheese breakfast cups, hashbrown cups, dinner items like taco and buffalo chicken “cupcakes” and more. These muffin tin recipes are designed to be easy to make and

they create perfectly portioned bite size entrees and appetizers that are sure to please.

Muffin tins are available in many different shapes and configurations, but these recipes will mostly use the standard size tin.

Whether you are a chocolate chip or an old-fashioned gingersnap, this is the only cookie book you'll ever need -- from one of the best bakers of all time. Maida Heatter is one of the most trusted and beloved cookbook authors of all time. Her recipes, each a modern classic, have inspired extraordinary bakers such as Dorie Greenspan, Christina Tosi, and *Smitten Kitchen's* Deb Perelman, whose foreword introduces the joy of Maida's cookies to a new generation. Maida knew that cookies are the key to happiness, and she always kept them nearby: a fudgy, minty Palm Beach Brownie in her purse,

neatly wrapped in cellophane, a batch of Absolutely-the-Positively-Best Chocolate Chip Cookies in the freezer, or a box of delicate brandy snaps ready for an elegant gift. Now, Cookies Are Magic collects nearly 100 of Maida's very best recipes from her "legendary" (New York Times) 50-year career-her crispiest, crunchiest, and most ooey-goey cookies, bars, and more. Developed for foolproof baking by anyone, each recipe is written with Maida's warm but no-nonsense instructions and carries her guarantee that it will work perfectly every time. Filled with classic sugar cookies, tart lemon bars, cookie kisses, and chocolate and peanut butter

ripples, this is the only cookie book you will ever need. *Muffins and More* Anova Books Muffins are quick, versatile, and tasty any time of day - no wonder they're everyone's favourite. Now "Canadian Living brings you a brand-new batch of delicious muffin recipes with that irresistible fresh-from-the-oven flavour. Wake up to the wonderful sweet taste of "Raspberry Streusel Muffins and a big glass of just-squeezed orange juice. When it's time for lunch, bite into a savoury "Tuna Salad Muffin or serve up kid-style "Surprise Cornmeal Muffins. You'll find all your favourites here, along with dozens of tasty new creations - including "Mini Smoked

Salmon Muffins for relaxed entertaining. When it's time for something sweet, nothing beats freshly baked cookies, squares or an easy one-pan cake. They'll all featured here, too - along with helpful tips on equipment, baking basics, storage and freezing, and much, much more.

*75 Easy-to-make Muffin Recipes* Pavilion Shares homemade muffin recipes, including basic, corn, fruit, nut, and sweet options, as well as ideas for unique spreads and toppings.

*Mostly Muffins* Spruce It's not quite clear how muffins got their start. Obviously, there's nothing sinister going on here; it's just a bit hazy. The backstories of most baked goods made at home (such as

brownies or gingerbread) are murky and open to speculation. Despite their enigmatic character, muffins are truly unique. Some satisfaction may be had from holding and devouring a muffin. Like browsing the shelves of your neighborhood bakery, you'll find a wide selection of recipes in the "Deliciously Divine Muffin Cookbook." Try out one of the 30 recipes we've provided for this tasty delicacy.

When it comes to baking, Americans clearly know a thing or two. Whether it's gooey chocolate brownies, perfectly iced cupcakes or chunky chocolate chip cookies, American baking is everywhere, and we love it. Baked in America is a bumper-sized celebration of American baking. From their London bakery, Outsider Tart, Americans David Muniz and David Lesniak are spearheading a

welcome revival of the humble home-baked American cake (and brownie, and muffin and cookie!) and introducing us to a whole load of newcomers along the way. Their irresistible cookbook contains over 120 American recipes ranging from classic favourites such as juicy blueberry muffins, chocolate and walnut brownies and peanut butter cookies to a strawberry meringue torte, white chocolate and raspberry cupcakes, red velvet cheesecake and an outstanding array of whoopie pies. With full colour photography throughout and a stunning design this cookery book will be every baker's dream. Resistance will be futile.
