'McAllister's triumphant story.' Benjamin Law 'A ripping memoir.' Jane Turner From the backblocks of Perth to international stardom, this is a story of courage to fight against the odds for your passion and succeed. David McAllister has always belonged onstage. As the middle child in a Catholic family who knew nothing about dance, he watched himself twirl in the reflective glass of the TV and dreamed about becoming the next Rudolf Nureyev. As a little boy taking ballet lessons, he was mercilessly bullied. As a young man joining the ranks of The Australian Ballet, he worried that he would never play the prince because he lacked the height and lean limbs of a classical dancer. Every time he heard 'no', he simply did what he loved - danced. Sure enough, curtains rose for the unlikely prince: he represented Australia on the world stage; he became a principal dancer and performed his dream roles; he fell in love, onstage and off; and he enjoyed a twenty-year tenure as artistic director of The Australian Ballet, transforming it into one of the top flagship dance companies in the world. Fifty years since he stepped into his first ballet class, McAllister reflects on his dance journey, his relationships, embracing his sexuality, and the combination of talent, timing and sheer perseverance that gave rise to his transformative career. Includes 16 pages of colour photos from McAllister's life

and career.

Dr. Paul Buechel, a neurologist and outdoorsman, encounters many people who feel trapped in the "dark woods." By focusing on Him and what is truly important, can they rise and breakthrough into the light to live the life they were meant to have. Our world can be a crazy place with its storms, mountains, and dark woods. Its obstacles can slow us down, even block our paths. What can help us transcend these hindrances? How can we instead live life as we are meant to live, existences which teem with real peace, true joy, and an undeniable sense of fulfillment? There in truth is but ONE "rescue" from those gloomy mountains which threaten to limit our productiveness and prosperity.

In Syria, culture has become a critical line of defence against tyranny. *Syria Speaks* is a celebration of a people determined to reclaim their dignity, freedom and self-expression. It showcases

the work of over fifty artists and writers who are challenging the culture of violence in Syria. Their literature, poems and songs, cartoons, political posters and photographs document and interpret the momentous changes that have shifted the frame of reality so drastically in Syria. Moving and inspiring, *Syria Speaks* is testament to the courage, creativity and imagination of the Syrian people. 'Syria Speaks is a remarkable achievement and a remarkable book - a wise, courageous, imaginative and beautiful response to all that is ugly in human behaviour. This extraordinary anthology gives a voice to those we may have forgotten, or whom we may classify as simply passive and silent victims. The people shown living, dreaming and speaking here are far more than victims and only silent if we refuse to hear them.' A.L. Kennedy 'An extraordinary collection, revealing a dynamic and exciting culture in painful transition - a culture where artists are really making a difference ... You need to read this book.'

Rosa sat so Martin could march. Martin marched so Barack could run. Barack ran so Our children can soar. This is the seed of a unique and inspirational picture book text, that is part historical, part poetry, and entirely inspirational. It symbolically takes the reader through the cumulative story of the US Civil Rights Movement, showing how select pioneers' achievements led up to this landmark moment, when we have elected our first black President. Each historical figure is rendered by a different award-winning African-American children's book illustrator, representing the singular and vibrant contribution that each figure made.

Lending historical substance, the back matter includes brief biographies of: George Washington Carver, Jesse Owens, Hattie McDaniel, Ella Fitzgerald, Jackie Robinson, Rosa Parks, Ruby Bridges, Thurgood Marshall, Martin Luther King Jr., Barack Obama.

"When Kirit Densira left her home tower for the skies, she gave up many things: her beloved family, her known way of life, her dreams of flying as a trader for her tower, her dreams. Kirit set her City upside down, and fomented a massive rebellion at the Spire, to the good of the towers--but months later, everything has fallen to pieces. With the Towers in disarray, without a governing body or any defense against the dangers lurking in the clouds, daily life is full of terror and strife"--Amazon.com.

A wise, passionate account of the pleasures of traveling solo In our hectic, hyperconnected lives, many people are uncomfortable with the prospect of solitude. Yet a little time to ourselves can be an opportunity to slow down, savor, and try new things, especially when traveling. Through on-the-ground reporting, insights from social science, and recounting the experiences of artists, writers,

and innovators who cherished solitude, Stephanie Rosenbloom considers how traveling alone deepens appreciation for everyday beauty, bringing into sharp relief the sights, sounds, and smells that one isn't necessarily attuned to in the presence of company. Walking through four cities--Paris, Florence, Istanbul, and New York--and four seasons, *Alone Time* gives us permission to pause, to relish the sensual details of the world rather than hurtling through museums and uploading photos to Instagram. In chapters about dining out, visiting museums, and pursuing knowledge, we begin to see how the moments we have to ourselves--on the road or at home--can be used to enrich our lives. Rosenbloom's engaging and elegant prose makes *Alone Time* as warmly intimate an account as the details of a trip shared by a beloved friend--and will have its many readers eager to set off on their own solo adventures.

"You must believe in yourself and allow your dreams to soar." -- Shaesta Waiz Shaesta Waiz, a refugee from Afghanistan, dreamed of doing great things. But first she had to leave a refugee camp with her family to make a new life in America, overcome gender stereotypes, be the first in her family to go to college, and overcome her fear of flying. After becoming a pilot, Shaesta made the flight of a lifetime by crossing five continents, making thirty stops in twenty-two countries across nearly 25,000 nautical miles. At the age of thirty, Shaesta was the youngest woman and the first from Afghanistan to circumnavigate the globe by herself in a single-engine aircraft. *Fly, Girl, Fly!* is the first authorized picture book biography of Shaesta Waiz. Backmatter includes more information about Shaesta's mission to empower girls to pursue STEM careers, details about her historic trip around the world, information about her nonprofit organization *Dreams Soar*, and a personal note from Shaesta Waiz encouraging girls to pursue their dreams.

She survived. Kit survived her abusive husband. Survived imprisonment and beatings from the Patriot Zealots. Now free and healing, she can make a new life for herself and her son...except he has attached himself to a terrifying, scarred, tattooed ex-mercenary. Women take one look at him and flee. An ugly childhood and combat left Hawk with scars, a rasping voice, and an aversion to talking. So, why in hell does the four-year-old stick to him like glue? The kid's pretty mother is smarter. There's fear in her eyes when she looks at Hawk. That hurts. The sweet woman is everything he's ever wanted--loving, affectionate, and

patient. But after what she's been through, she sure won't want to be around men--especially the one who killed her husband. He'd saved her. Kit agrees with her son. Being near Hawk is the safest place on earth. Beneath the menacing appearance, he's protective...and kind. The better she gets to know him, the more she sees him as a man--a very sexy man. But, considering what had happened to her, she knows-- No man would want her now. I can't recommend this whole series highly enough. ~ Natasha is a Book Junkie

Are you someone who is limited by what you believe? Do you think that your success is constrained by factors that are not within your control? It's time to think again! We all have dreams. We all have aspirations. We all want something in life. This is nothing new and it has always been this way. The only thing that separates those who succeed from those who fail is how they approach the problem. If you have a negative point of view and set limits to your goals, the chances are you will fail. But when you open yourself to limitless potential, then the rewards themselves become limitless. In this book, *Soar Higher: The Simple 7-Step Process to Rising Above Every Limiting Belief*, you can find solutions to the restrictions we often place on ourselves, often inadvertently, with chapters that cover: *How limiting beliefs can affect all areas of your life *How these beliefs are acquired and how to defeat them *Discovering and then eliminating your own limiting beliefs *How to make your dreams a reality *False beliefs and the dangers they pose *The power of our personal belief systems *Finding lasting happiness and success *And much more... In just 7 easy to implement steps, you could remove the limiting beliefs that have held you back and prevented you from realizing your dreams. It will help you to identify what you want and help you to make the positive changes you need in order to it happen, even if it seems impossible. An airline has over 50 different brand touchpoints at which it can choose to operate exactly as it has in the past or to exceed expectations at each step and become truly exceptional. This

book aims to highlight 10 exceptional airline brands which are thinking differently about branding, and executing brilliantly. There is an exceptional breed of airlines that continue to win in their markets because they dare to think differently. They dare to challenge the conventional wisdom and industry norms. Some proactively borrow concepts from consumer industries; some choose to put customers at the heart of their business; some choose to empower their staff to lead the brand. Yet, they all aim to create an experience that the customers will appreciate, pay for and share about - in their own different ways. This book sets a new direction on and a new attitude towards airline marketing. *The Thin Book of® SOAR* Thinkingdom

Award-winning author April Pulley Sayre explores everyone's favorite impertinent birds--seagulls--examining their intelligence, behavior, and surprisingly widespread habitat in this STEAM nonfiction picture book. Did you know that seagulls sometimes live far from the sea--near a lake or farm, or even in a desert? Or that they are omnivores, eating everything from fish and clams, to grasshoppers and mice, and even to blueberries? Or that they dance? These birds are full of surprises! Join April Pulley Sayre as she poetically describes the curious behaviors and wide-ranging habitats of one of the most graceful birds to soar in the sky.
