One Thousand And One Arabian Nights is a collection of Middle Eastern and South Asian stories and folk tales compiled in Arabic during the Islamic Golden Age. It is often known in English as the Arabian Nights, from the first English language edition (1706), which rendered the title as The Arabian Nights' Entertainment. The work was collected over many centuries by various authors, translators, and scholars across West, Central, and South Asia

and North Africa. The tales themselves trace their roots back to ancient and medieval Arabic, Persian, Mesopotamian, Indian, and Egyptian folklore and literature. The stories proceed from this original tale; some are framed within other tales, while others begin and end of their own accord. Some editions contain only a few hundred nights, while others include 1,001 or more. Tales of The Arabian Nights Book is a novels highly recommended to read. Once upon a time, a grieving sultan made an edict: he would marry a new bride every night and kill her the next morning, before she could betray him. Sutaita, daughter of the Sultan's vizier, planned on a life of quiet study. But when she learns she and her sister must be the next two brides for the bloodthirsty Sultan Shahryar al'Mamun, Sutaita decides to change their fortune. Staying alive by telling stories every night, she must buy enough time to solve the mysteries surrounding the Sultan's edict. Shahryar has hidden a dark secret from all the history records. If discovered, it could cost him his empire and his life. But meeting Sutaita changes everything. Intrigued by the magic of her stories, he cannot find it in his heart to kill her, a heart he had hardened long ago against any sort of love. In this retelling of the Arabian Nights frame story, can Sutaita slip past the walls around the Sultan's heart and soul? The Thousand and One Days a Companion to the Arabian Nights Franklin Classics

A Buzzfeed Best Book of the Year A dynamic French-Syrian translator, lauded for her lively poetic voice, tackles the enchanted world of Aladdin in this sparkling new translation. Long defined by popular film adaptations that have reductively portrayed Aladdin as a simplistic rags-to-riches story for children, this work of dazzling imagination—and occasionally dark themes—finally comes to vibrant new life. “In the capital of one of China’s vast and wealthy kingdoms,” begins Shahrazad—the tale’s imperiled-yet-ingenious storyteller—there lived Aladdin, a rebellious fifteen-year-old who falls prey to a double-crossing sorcerer and is ultimately saved by the ruse of a princess. One of the best-loved folktales of all time, Aladdin has been capturing the imagination of readers, illustrators, and filmmakers since an eighteenth-century French publication first added the tale to *The Arabian Nights*. Yet, modern English translators have elided the story’s enchanting whimsy and mesmerizing rhythms. Now, translator Yasmine Seale and literary scholar Paulo Lemos Horta offer an elegant, eminently readable rendition of Aladdin in what is destined to be a classic for decades to come.

A luminous translation of Arabic tales of enchantment and wonder Translated into English for the very first time, *A Hundred and One Nights* is a marvelous example of the rich tradition of popular Arabic storytelling. Like the celebrated *Thousand and One Nights*, this collection opens with the frame story of Scheherazade, the vizier’s gifted daughter who recounts imaginative tales night after night in an effort to distract the murderous king from taking her life. *A Hundred and One Nights* features an almost entirely different set of stories, however, each one more thrilling, amusing, and disturbing than the last. Here, we encounter tales of epic warriors, buried treasure, disappearing brides, cannibal demon-women, fatal shipwrecks, and clever ruses, where human strength and ingenuity play out against a backdrop of inexorable, inscrutable fate. Distinctly rooted in Arabic literary culture and the Islamic tradition, these tales draw on motifs and story elements that circulated across cultures, including Indian and Chinese antecedents, and features a frame story possibly older than its more famous sibling. This vibrant translation of *A Hundred and One Nights* promises to transport readers, new and veteran alike, into its fantastical realms of magic and wonder.

Full of mischief, valor, ribaldry, and romance, *The Arabian Nights* has enthralled readers for centuries. These are the tales that saved the life of Shahrazad, whose husband, the king, executed each of his wives after a single night of marriage. Beginning an enchanting story each evening, Shahrazad always withheld the ending: A thousand and one nights later, her life was spared forever. This volume reproduces the 1932 Modern Library edition, for which Bennett A. Cerf chose the most famous and representative stories from Sir Richard F. Burton's multivolume translation, and includes Burton's extensive and acclaimed explanatory notes. These tales, including Aladdin; or, the Wonderful Lamp, Sinbad the Seaman and Sinbad the Landsman, and Ali Baba and the Forty Thieves, have entered into the popular imagination, demonstrating that Shahrazad's spell remains unbroken.

The Arabian Nights is an exotic collection of stories that will grab your attention from the very first page. At the heart of the collection is

Scheherazade, the bride of Schahriar, Sultan of Persia. The jealous sultan marries a new girl every evening, and has her executed the following morning – until Scheherazade decides to put a stop to his cruelty, and volunteers to marry him. As clever as she is courageous, night after night Scheherazade distracts the Sultan with tales that keep him listening, and her alive, until he falls in love with her. This classic selection presents the best-loved stories from the *Arabian Nights*, translated into English and introduced by Andrew Lang. A treasure-trove of timeless stories, the *One Thousand and One Nights* or *Arabian Nights* have been loved, imitated, and added to over many centuries. Similar to the fairy tales collected by the Brothers Grimm, the *Arabian Nights* are drawn from the folklore of India, Iran and the Middle East, and were collected in Arabic versions throughout the medieval period; others were added as recently as the eighteenth century. These stories of the exotic East have been popularised for new generations by film adaptations such as Disney’s *Aladdin*, starring Robin Williams and Gilbert Gottfried in 1992, and Will Smith in 2019, and Dreamworks’ *Sinbad*, starring Brad Pitt and Michelle Pfeiffer. They continue to inspire writers as varied as Marcel Proust and Neil Gaiman, while numerous Bollywood and manga versions attest to their popularity around the world. These stories of magic, adventure and romance have shaped readers’ imaginations for generations, and are sure to be retold for years to come. This selection was translated by Andrew Lang from the French versions by Antoine Galland, who was the first to include the stories of Aladdin and Ali Baba. Born in Scotland in 1844, Lang was a scholar of ancient Greek, a journalist, historian, novelist and poet, and the author of 25 popular collections of fairy tales; his edition of the *Arabian Nights' Entertainment* was published in 1898. He became a Fellow of the British Academy in 1906, and died in 1912.

Tahir Shah’s *The Caliph’s House*, describing his first year in Casablanca, was hailed by critics and compared to such travel classics as *A Year in Provence* and *Under the Tuscan Sun*. Now Shah takes us deeper into the heart of this exotic and magical land to uncover mysteries that have been hidden from Western eyes for centuries.... In this entertaining and penetrating book, Tahir sets out on a bold new journey across Morocco that becomes an adventure worthy of the mythical *Arabian Nights*. As he wends his way through the labyrinthine medinas of Fez and Marrakesh, traverses the Sahara sands, and tastes the hospitality of ordinary Moroccans, Tahir collects a dazzling treasury of traditional stories, gleaned from the heritage of *A Thousand and One Nights*. The tales, recounted by a vivid cast of characters, reveal fragments of wisdom and an oriental way of thinking that is both enthralling and fresh. A link in the chain of scholars and teachers who have passed these stories down for centuries like a baton in a relay race, Shah reaches layers of culture that most visitors hardly realize exist, and eventually discovers the story living in his own heart. Along the way he describes the colors, characters, and the passion of Morocco, and comes to understand why it is such an enchanting land. From master masons who labor only at night to Sufi wise men who write for soap operas, and Tuareg guides afflicted by reality TV, *In Arabian Nights* takes us on an unforgettable journey, shining a light on facets of a society that are normally left in darkness.

“[A]n electric new translation . . . Each page is adorned with illustrations and photographs from other translations and adaptations of the tales, as well as a wonderfully detailed cascade of notes that illuminate the stories and their settings. . . . The most striking feature of the Arabic tales is their shifting registers—prose, rhymed prose, poetry—and Seale captures the movement between them beautifully.” —Yasmine Al-Sayyad, *New Yorker* A magnificent and richly illustrated volume—with a groundbreaking translation framed by new commentary and hundreds of images—of the most famous story collection of all time. A cornerstone of world literature and a monument to the power of storytelling, the *Arabian Nights* has inspired countless authors, from Charles Dickens and Edgar Allan Poe to Naguib Mahfouz, Clarice Lispector, and Angela Carter. Now, in this lavishly designed and illustrated edition of *The Annotated Arabian Nights*, the acclaimed literary historian Paulo Lemos Horta and the brilliant poet and translator Yasmine Seale present a splendid new selection of tales from the *Nights*, featuring treasured original stories as well as later additions including “Aladdin and the Wonderful Lamp” and “Ali Baba and the Forty Thieves,” and definitively bringing the *Nights* out of Victorian antiquarianism and into the twenty-first century. For centuries, readers have been haunted by the homicidal King Shahriyar, thrilled by gripping tales of Sinbad’s seafaring adventures, and held utterly, exquisitely captive by Shahrazad’s stories of passionate romances and otherworldly escapades. Yet for too long, the English-speaking world has relied on dated translations by Richard Burton, Edward Lane, and other nineteenth-century adventurers. Seale’s distinctly contemporary and lyrical translations break decisively with this masculine dynasty, finally stripping away the deliberate exoticism of Orientalist renderings while reclaiming the vitality and delight of the stories, as she works with equal skill in both Arabic and French. Included within are famous tales, from “The Story of Sinbad the Sailor” to “The Story of the Fisherman and the Jinni,” as well as lesser-known stories such as “The Story of Dalila the Crafty,” in which the cunning heroine takes readers into the everyday life of merchants and shopkeepers in a crowded metropolis, and “The Story

of the Merchant and the Jinni," an example of a ransom frame tale in which stories are exchanged to save a life. Grounded in the latest scholarship, The Annotated Arabian Nights also incorporates the Hanna Diyab stories, for centuries seen as French forgeries but now acknowledged, largely as a result of Horta's pathbreaking research, as being firmly rooted in the Arabic narrative tradition. Horta not only takes us into the astonishing twists and turns of the stories' evolution. He also offers comprehensive notes on just about everything readers need to know to appreciate the tales in context, and guides us through the origins of ghouls, jinn, and other supernatural elements that have always drawn in and delighted readers. Beautifully illustrated throughout with art from Europe and the Arab and Persian world, the latter often ignored in English-language editions, The Annotated Arabian Nights expands the visual dimensions of the stories, revealing how the Nights have always been—and still are—in dialogue with fine artists. With a poignant autobiographical foreword from best-selling novelist Omar El Akkad and an illuminating afterword on the Middle Eastern roots of

Hanna Diyab's tales from noted scholar Robert Irwin, Horta and Seale have created a stunning edition of the Arabian Nights that will enchant and inform both devoted and novice readers alike.
