FITZPATRICK SANIYA

Malou Harlequin

Captain Suzann Redeker earned a Bronze Star for valor, one of the highest honors given by the Marine Corps. As leader of a Female Engagement Team that patrolled the combat zone, she took out four Taliban insurgents—but not before losing a soldier under her command and sustaining an injury that ended her military career. Now back home in rural Vermont, she's forced to chart a new life as a civilian. From their very first kiss, Marleigh Anderhall knows Zann is the woman she is meant to marry. Valiant, dashing—the shining warrior she's always dreamed would sweep her off her feet. Surely they'll have all they could ever want—an idyllic life. But then Zann discovers something about that fateful day in Afghanistan that causes her to question her very identity. Would Marleigh still love her if she wasn't the hero everyone thought her to be?

Boxer Handsome Grove/Atlantic, Inc.

Babalon is a UK feminist organisation with a membership numbering in the hundreds of thousands. Fronted by the charismatic Scarlett Woman, Babalon treads a careful line in an increasingly conservative UK, where a government coalition with a religiously conservative Irish party means that reproductive rights in England may be under threat. Scarlett's organisation venerates Babalon, goddess of sex, blood and the destruction of patriarchy. It promotes witchcraft practices as a key method of political and spiritual resistance to its members via rallies, meetings, training, conferences and the BabalonApp, where those identifying as women can access support services, witchcraft resources, online chat, news and feminist media. Told by three women - Maid (Trix, discovering her sexuality) Mother (Robyn, mother of two, finding herself after a broken marriage) and Crone (Scarlett Woman, the leader of Babalon) - this is a story of power and empowerment: where personal, sexual and political power comes from, where it intersects and how different women come into their power in different ways. It also considers the difficulties

inherent in an organisation paying lip service to inclusivity, and the dynamics of power in an organisation run by a woman who considers herself the conduit for a goddess. Trix leaves her small Irish village to come to University in London. Recruited into flatmate Szou's Riot Grrl-influenced band, she finds herself playing warmup gigs at Babalon rallies; raising the feral energy of the crowd before Scarlett Woman takes the stage. But Trix is running from the voices and visions that have plagued her since childhood. Yet when she meets Shefali, sex becomes more than she could have imagined, and it's Trix's sexual power that must flow freely if she is to fulfil her role in Scarlett Woman's inner circle. Robyn is trapped in her marriage; at home with two young children with a distant, emotionally unavailable husband. Babalon gives her the strength to find a way back to herself, and an active role in MotherHood, Babalon's guerrilla fighting programme. But becoming a fighter means Robyn has to face a decision which will take all her strength. Scarlett Woman, once the lover of an infamous occultist, is introduced to the goddess Babalon within his cult. Yet Scarlett's journey to power embraces the goddess outside of Jack Crowley's misogyny and creates a formidable activist organisation with the terrible power of Babalon at its beating breast. What will happen when Scarlett and her group focus the power of Babalon on those who would hurt women and deny them their rights? Will Trix's visions of Judgement Day come to pass? The character of Scarlett Woman is informed by (though fictionalised) the real story of Marjorie Cameron, an overlooked figure in modern history. Cameron is best known as having been the lover and muse for occultist Jack Parsons, an American rocket scientist and student of Aleister Crowley. Parsons and his friend, L Ron Hubbard supposedly invoked the goddess Babalon in the California desert in the 60s, intending to bring the goddess into incarnation. The working didn't achieve its aims, and Parsons famously died in a fire a year or so after. Cameron's story is a fascinating one. She was a woman within a misogynist occult culture who came to be a highly respected artist and ingénue, but is still widely known only as Jack Parson's lover. What would have happened if someone like Marjorie Cameron decided that she was going to lash the liberating power of the goddess Babalon - the

destroyer of worlds and protector of women's bodies - to a political and social activist organisation? A powerful and topical book, THE BOOK OF BABALON mixes witchcraft and feminism into something new, original and absolutely of the moment. Note: this book contains graphic sexual content, mentions of rape, physical and sexual abuse, abortion, miscarriage, occult ritual and content of an

Anna and the Fighter Europa Editions

In this remarkable book, Anna Quindlen, one of America's favorite novelists and a Pulitzer Prize-winning columnist, once again gives us wisdom, opinions, insights, and reflections about current events and modern life. "Always insightful, rooted in everyday experience and common sense...Quindlen is so good that even when you disagree with what she says, you still love the way she says it," said People magazine about her number one New York Times bestseller Thinking Out Loud, and the same can be said about Loud and Clear. With her trademark insight and her special ability to convey the impact public events have on ordinary lives, Quindlen here combines commentary on American society and the world at large with reflections on being a woman, a writer, and a mother. In these pieces, first written for Newsweek and The New York Times, Loud and Clear takes on topics ranging from social change to raising children, from the political and emotional aftermath of September 11 to personal values, from the impact on individuals of global events to the growth that can be gained by spending summer days staring into the middle distance. Grounding the public in the private, connecting people to each other and to the greater world, Quindlen encourages us to develop authentic lives, even as she serves as a catalyst for political and social change. "Anna Quindlen's beat is life, and she's one hell of a terrific reporter," said Susan Isaacs, and Quindlen's unique qualities of understanding and discernment, everywhere evident in her previous bestsellers, including A Short Guide to a Happy Life and Living Out Loud, can be found on every page of this provocative and inspiring book.

The Fair Fight HarperCollins

A demanding feminist, devout Christian, and savvy grassroots civil rights organizer, Anna Arnold Hedgeman played a key role in

over half a century of social justice initiatives. Like many of her colleagues, including A. Philip Randolph, Betty Friedan, and Martin Luther King, Jr., Hedgeman ought to be a household name, but until now has received only a fraction of the attention she deserves. In *Until There Is Justice*, author Jennifer Scanlon presents the first-ever biography of Hedgeman. Through a commitment to faith-based activism, civil rights, and feminism, Hedgeman participated in and led some of the 20th century's most important developments, including advances in education, public health, politics, and workplace justice. Simultaneously a dignified woman and scrappy freedom fighter, Hedgeman's life upends conventional understandings of many aspects of the civil rights and feminist movements. She worked as a teacher, lobbyist, politician, social worker, and activist, often crafting and implementing policy behind the scenes. Although she repeatedly found herself a woman among men, a black American among whites, and a secular Christian among clergy, she maintained her conflicting identities and worked alongside others to forge a common humanity. From helping black and Puerto Rican Americans achieve critical civil service employment in New York City during the Great Depression to orchestrating white religious Americans' participation in the 1963 March on Washington, Hedgeman's contributions transcend gender, racial, and religious boundaries. Engaging and profoundly inspiring, Scanlon's biography paints a compelling portrait of one of the most remarkable yet understudied civil rights leaders of our time. *Until There Is Justice* is a must-read for anyone with a passion for history, biography, and civil rights.

By the international bestselling author of *Billie*: These seven short stories exploring modern French life are “a raw and tender ode to the human spirit” (Booklist). Critically acclaimed and beloved across Europe, Anna Gavalda's bestselling novels have been translated into numerous languages. In this collection of short stories, all written in the first person, Gavalda has crafted intimate and inspiring portraits of people who confront their

vulnerabilities and admit their weaknesses. These tales illustrate the importance of moving beyond the wounds of the past to embrace love, friendship, forgiveness, and family. From the trucker who puts his dog to sleep following the death of his son to the alcoholic widow who befriends a mysterious stranger, readers will meet expertly drawn characters in these seven stories of suffering and salvation. “The voices heard in these seven stories, each entirely distinct from the others, are of the sort that permanently embed themselves in the memory.” —*Le Soir*

A national indie bestseller! Meet Anna K: every happy teenage girl is the same, while every unhappy teenage girl is miserable in her own special way... At seventeen, Anna K is at the top of Manhattan and Greenwich society (even if she prefers the company of her horses and dogs); she has the perfect (if perfectly boring) boyfriend, Alexander W.; and she has always made her Korean-American father proud (even if he can be a little controlling). Meanwhile, Anna's brother, Steven, and his girlfriend, Lolly, are trying to weather an sexting scandal; Lolly's little sister, Kimmie, is struggling to recalibrate to normal life after an injury derails her ice dancing career; and Steven's best friend, Dustin, is madly (and one-sidedly) in love with Kimmie. As her friends struggle with the pitfalls of ordinary teenage life, Anna always seems to be able to sail gracefully above it all. That is...until the night she meets Alexia “Count” Vronsky at Grand Central. A notorious playboy who has bounced around boarding schools and who lives for his own pleasure, Alexia is everything Anna is not. But he has never been in love until he meets Anna, and maybe she hasn't, either. As Alexia and Anna are pulled irresistibly together, she has to decide how much of her life she is willing to let go for the chance to be with him. And when a shocking revelation threatens to shatter their relationship, she is forced to question if she has ever known herself at all. Dazzlingly opulent and emotionally riveting, *Anna K: A Love Story* is a brilliant reimagining of Leo Tolstoy's timeless love story, *Anna Karenina*—but above all, it is a novel about the dizzying, glorious, heart-stopping experience of first love and first heartbreak.

Anna Todd (#1 internationally bestselling author of the *After* series) headlines this unique anthology of “imagines”—the first book of its kind—stories from Wattpad writers that immerse you in a fantasy world of fame, adventure, and flirtation with your favorite celebrities. Imagine running around the city, dodging paparazzi with Jennifer Lawrence... Imagine Justin Bieber setting up a romantic scavenger hunt for your anniversary, retelling the story of your love... Imagine selfies have been outlawed, making Kim Kardashian a freedom fighter who needs your help in bringing justice and good lighting to the people... Let your fantasies take over! That's what the top Wattpad authors have done in this special collection of fictional scenarios that bring you up close and personal with the real celebrities you love—star alongside Zayn Malik, Cameron Dallas, Kanye West, Selena Gomez, Dylan O'Brien, Tom Hardy, Jamie Dornan, Benedict Cumberbatch, and many more! Authors included in the book are Leigh Ansell, Rachel Aukes, Doeneseya Bates, Scarlett Drake, A. Evansley, Kevin Fanning, Ariana Godoy, Debra Goelz, Bella Higgin, Blair Holden, Kora Huddles, Annelie Lange, E. Latimer, Bryony Leah, Jordan Lynde, Laiza Millan, Peyton Novak, C.M. Peters, Michelle Jo Quinn, Dmitri Ragano, Elizabeth A. Seibert, Rebecca Sky, Karim Soliman, Kate J. Squires, Steffanie Tan, Cassandra Tate, Anna Todd, Katarina E. Tonks, Marcella Uva, Tango Walker, Bel Watson, Jen Wilde, and Ashley Winters. Wattpad is a writing community in which users are able to post articles, stories, fanfiction, and poems about anything either online or through the Wattpad app. Note: Although this book mentions many real celebrities, they have not participated in, authorized, or endorsed its creation.

I'm a Fire Fighter Tor Books

NAMED A BEST BOOK OF THE YEAR BY BOOKPAGE AND LIBRARY JOURNAL *The Crimson Petal and the White* meets *Fight Club*: A page-turning novel set in the world of female pugilists and their patrons in late eighteenth-century England. Moving from a filthy brothel to a fine manor house, from the world of street fighters to the world of champions, *The Fair Fight* is a vivid, propulsive historical novel announcing the arrival of a dynamic new talent. Born in a brothel, Ruth doesn't expect much for herself beyond abuse. While her sister's beauty affords a certain degree of comfort, Ruth's harsh looks set her on a path of drudgery. That is until she meets pugilist patron George Dryer and discovers her

true calling—fighting bare knuckles in the prize rings of Bristol. Manor-born Charlotte has a different cross to bear. Scarred by smallpox, stifled by her social and romantic options, and trapped in twisted power games with her wastrel brother, she is desperate for an escape. After a disastrous, life-changing fight sidelines Ruth, the two women meet, and it alters the perspectives of both of them. When Charlotte presents Ruth with an extraordinary proposition, Ruth pushes dainty Charlotte to enter the ring herself and learn the power of her own strength. A gripping, page-turning story about people struggling to transcend the circumstances into which they were born and fighting for their own places in society, *The Fair Fight* is a raucous, intoxicating tale of courage, reinvention, and fighting one's way to the top.

Until There Is Justice LSU Press

True love sounds great until it shows up on your doorstep wrapped in a warning label. When Tristan walks back into my life, he's not the childhood friend I remember. He's harder, dangerous, angry. But he's gentle with me. And he wants to know why I gave up my dreams of being an artist. An underground fighter with a track record of leaving is the worst person I could fall for. But he keeps showing up at my door, telling me that my paintings are amazing and I'm even better. My head says, "No," but my heart says, "Yes." He thrives on violence. I'm desperate for security. He's angry and lost. I know exactly what I want, if only I dared reach for it. He's on a dark, self-destructive spiral. I've already lost one person. I refuse to do it again. Wonderfully written and delivered with remarkable love! I adored it. - Elsie, bookspout

Will the passion they've found together burn out in the light of day? Or can they change enough to find real happiness?

Comrade Anna Simon and Schuster

"Expansive, romantic, and powerful." —Gayle Forman, #1 New York Times bestselling author of *If I Stay* and *I Have Lost My Way*

Susannah Ramos has always loved the water. A swimmer whose early talent made her a world champion, Susannah was poised for greatness in a sport that demands so much of its young. But an inexplicable slowdown has put her dream in jeopardy, and Susannah is fighting to keep her career afloat when two important people enter her life: a new coach with a revolutionary training strategy, and a charming fellow swimmer named Harry Matthews. As Susannah begins her long and painful climb back to the top, her friendship with Harry blossoms into passionate and supportive

love. But Harry is facing challenges of his own, and even as their bond draws them closer together, other forces work to tear them apart. As she struggles to balance her needs with those of the people who matter most to her, Susannah will learn the cost—and the beauty—of trying to achieve something extraordinary.

A fantasy epic of freedom and empire, gods and monsters, love, loyalty, honour, and betrayal, from the acclaimed author of *GODBLIND*.

The Stone Knife (The Songs of the Drowned, Book 1)

Tundra Books

This book offers various perspectives, with an international legal focus, on an important and underexplored topic, which has recently gained momentum: the issue of foreign fighters. It provides an overview of challenges, pays considerable attention to the status of foreign fighters, and addresses numerous approaches, both at the supranational and national level, on how to tackle this problem. Outstanding experts in the field – lawyers, historians and political scientists – contributed to the present volume, providing the reader with a multitude of views concerning this multifaceted phenomenon. Particular attention is paid to its implications in light of the armed conflicts currently taking place in Syria and Iraq. Andrea de Guttry is a Full Professor of International Law at the Scuola Superiore Sant'Anna, Pisa, Italy. Francesca Capone is a Research Fellow in Public International Law at the Scuola Superiore Sant'Anna. Christophe Paulussen is a Senior Researcher at the T.M.C. Asser Instituut in The Hague, the Netherlands, and a Research Fellow at the International Centre for Counter-Terrorism – The Hague.

IMAGINES Flatiron Books

The Fighter's Mind Crown

When trust fund baby-turned-waitress Allie and her friends accidentally open a Door to Hell in the basement of Sally's Diner, they don't realize the havoc it will wreak on their Brooklyn neighborhood. Of course, the upside to murder-happy demons coming through the Door all the time is that Allie gets her own sexy and mysterious demon hunter: the dark-eyed, leather-clad, Stetson-wearing Ryan. Ryan teaches Allie everything he knows

about fighting the creatures of the underworld—but refuses to give in to the sexual tension that simmers between them. Allie has almost given up on taking her relationship with Ryan to the next level when there's a surge in demonic activity... and the Door disappears. Now Allie and Ryan have to travel through Hell, literally, to try to stop Hell from taking over the Earth. They may not survive the trip, but Allie is about to discover something very important: Mortal peril is a total turn-on.

Salt and Silver MACMILLAN

Previously published as 'In the Skin of a Jihadist' Twenty-year-old 'Mélodie', a recent convert to Islam, meets the leader of an ISIS brigade on Facebook. In 48 hours he has 'fallen in love' with her, calls her every hour, urges her to marry him, join him in Syria in a life of paradise - and join his jihad. Anna Erelle is the undercover journalist behind 'Melodie'. Created to investigate the powerful propaganda weapons of Islamic State, 'Melodie' is soon sucked in by Bilel, right-hand man of the infamous Abu Bakr al-Baghdadi. An Iraqi for whose capture the US government has promised \$10 million, al-Baghdadi is described by Time Magazine as the most dangerous man in the world and by himself as the caliph of Islamic State. Bilel shows off his jeep, his guns, his expensive watch. He boasts about the people he has just killed. With Bilel impatient for his future wife, 'Melodie' embarks on her highly dangerous mission, which - at its ultimate stage - will go very wrong ... Enticed into this lethal online world like hundreds of other young people, including many young British girls and boys, Erelle's harrowing and gripping investigation helps us to understand the true face of terrorism.

Unqualified Cartwheel Books

From the acclaimed author of *A Fighter's Heart* comes an "entertaining and enlightening" look inside the mental game of mixed martial arts fighting (Dave Doyle, Yahoo! Sports). In his acclaimed national bestseller, *A Fighter's Heart*, Sam Sheridan took readers with him into the dangerous world of professional fighting. From a muay Thai bout in Bangkok to Iowa, where he fought the toughest mixed martial arts stars, Sheridan threw himself into a quest to understand how and why we fight. In *The Fighter's Mind*, Sheridan explores the mental discipline required of an elite fighter. In his training, Sheridan heard time and again (in Yogi Berra fashion) that "fighting is ninety percent mental, half the time." But what does this mean, exactly? To uncover the

secrets of mental strength and success, Sheridan interviewed dozens of the world's most fascinating and dangerous men. He spoke with celebrated trainers Freddie Roach and Greg Jackson; champion fighters Randy Couture, Frank Shamrock, and Marcelo Garcia; ultrarunner David Horton; chess prodigy (and the inspiration for Searching for Bobby Fischer) turned tai chi expert Josh Waitzkin; and the legendary wrestler Dan Gable, among

others. "Fantastic . . . One of the best MMA books I've ever read, and I've certainly read my fair share." —Eric O'Brien, "Way of the Warrior," ESPN radio "You don't have to care about fighting, or even know that MMA stands for mixed martial arts, to find insights into human behavior in Sam Sheridan's *The Fighter's Mind*." —David M. Shribman, Bloomberg
