Evangelism for Non-Evangelists Crossway

Opens up the traditional Jewish prayer book as a spiritual resource....This groundbreaking new series involves us in a personal dialogue with God, history and tradition, through the heritage of prayer. "The prayer book is our Jewish diary of the centuries, a collection of prayers composed by generations of those who came before us, as they endeavored to express the meaning of their lives and their relationship to God. The prayer book is the essence of the Jewish soul." Framed with beautifully designed Talmud-style pages, commentaries from many of today's most respected Jewish scholars from all movements of Judaism examine Shabbat at home from the perspectives of ancient Rabbis and modern theologians, as well as feminist, halakhic, Talmudic, linguistic, biblical, Chasidic, mystical, and historical perspectives. My People's Prayer Book is a momentous multi-volume series that opens up the traditional Jewish prayer book (the Siddur) as a spiritual resource.

Commentaries by respected teachers from all perspectives of the Jewish world provide the spiritual messages that make up the Siddur. Sometimes awe-striking, sometimes surprising, but always deeply spiritual, My People's Prayer Book is a gateway to the riches that the heritage of prayer offers us in our worship, and in our lives. The seventh volume celebrates Shabbat as a central family ritual, tracing the development of this loosely structured liturgy from early prayer books that draw on the classical rabbinic era, through medieval Jewish practice and the influence of Lurianic mysticism. Pausing to explore the key moments that mark this sacred time—Erev Shabbat with Kiddush, Kiddusha Rabbah, and Motsa'ei Shabbat with Havdalah—Shabbat at Home captures the joy of this holy day's prayers, blessings, and z'mirot (table songs), emphasizing the renewal of home liturgy in Jewish life and reinforcing the importance of Shabbat in the Jewish conception of time. Vol. 7—Shabbat at Home features the traditional Hebrew text with a new translation that lets people know exactly what the prayers say. Introductions explain what to look for in the prayers, and how to truly use the commentaries to find meaning in the prayer book. Commentaries from eminent scholars and teachers from all movements of Judaism examine

Shabbat at Home from the viewpoints of ancient Rabbis and modern theologians, as well as a myriad of other perspectives. Even those not yet familiar with the prayer book can appreciate the spiritual richness of Shabbat at Home. My People's Prayer Book enables all worshipers, of any denomination, to create their own connection to 3,000 years of Jewish experience with the world and with God. Each volume of My People's Prayer Book provides a new translation of the authentic Hebrew text, with diverse and exciting commentaries to the traditional liturgy, written by many of today's most respected scholars and teachers from all perspectives of the Jewish world. This stunning work, an empowering entryway to the spiritual revival of our times, enables all of us to claim our connection to the heritage of the traditional Jewish prayer book. It helps rejuvenate Jewish worship in today's world, and makes its power accessible to all.

From comic books to summer blockbusters, all people enjoy art in some form or another. However, few of us can effectively explain why certain books, movies, and songs resonate so profoundly within us. In Echoes of Eden, Jerram Barrs helps us identify the significance of artistic expression as it reflects the extraordinary creativity and unmatched beauty of the Creator God. Additionally, Barrs provides the key elements for evaluating and defining great art: (1) The glory of the original creation; (2) The tragedy of the curse of sin; (3) The hope of final redemption and renewal. These three qualifiers are then put to the test as Barrs investigates five of the world's most influential authors who serve as ideal case studies in the exploration of the foundations and significance of

great art.

Hymns, Psalms and Prayers Turner Publishing Company

This monograph examines Anglo-Saxon prayer outside of the communal liturgy. With a particular emphasis on its practical aspects, it considers how small groups of prayers were elaborated into complex programs for personal devotion, resulting in the forerunners of the Special Offices. With examples being taken chiefly from major eleventh-century collections of prayers, liturgy and medical remedies, the methodologies of Anglo-Saxon compilers are examined, followed by five chapters on specialist kinds of prayer: to the Trinity and saints, for liturgical feasts and the canonical hours, to the Holy Cross, for protection and healing, and confessions. Analyzing prayer in a wide range of different situations, this book argues that Anglo-Saxon manuscripts may have included far more private offices than have so far been recognized, if we see them for what they were.

ECPA Top Shelf Book Cover Award Biblical Foundations Book Award Winner Sandra L. Richter cares about the Bible. She also cares about creation. An expert in ancient Israelite society and economy as well as biblical theology, she walks readers through passages familiar and not-so-familiar, showing how significant environmental theology is to the Bible's witness. She then calls Christians to apply that message to today's environmental concerns. Richter is a master Bible scholar. Each chapter draws out a biblical mandate about humanity's responsibility to care for the land, domestic and wild creatures, and people on the margins. She is also a master storyteller. Well informed on present-day environmental challenges, Richter includes case studies that connect the biblical mandates to current issues. Though modern political alliances may tempt readers to sever Christian faith from environmental stewardship, in this concise and accessible book, Richter urges us to be driven by God's values instead.

Desmond Child is the ultimate hitmaker, contributing to some of the biggest smash global hits that helped ignite the success of music icons KISS, Bon Jovi, Aerosmith, Alice Cooper, Ricky Martin, Katy Perry, and countless others. In Livin' On A Prayer, he reveals how he climbed his way to the top and beyond amid extraordinary circumstances and shares his very personal and unbelievable journey that shaped him into an artist of international renown. For over half a century, Desmond Child has collaborated with the world's most celebrated artists creating timeless hits, such as Bon Jovi's "Livin' On A Prayer" and "You Give Love A Bad Name" as well as Ricky Martin's "Livin' La Vida Loca" and "The Cup Of Life" amongst his vast catalog. But in Livin' On A Prayer, Desmond himself takes center stage to share his transformational story from misfit outsider to cultural pacesetter. In collaboration with legendary music biographer David Ritz, Child recounts his unconventional upbringing as his colorful family fled Cuba in the 1960s and fell into poverty. He details his shocking discovery at age 18 that the man he called "dad" was not his biological father after all, and he courageously bares his soul about navigating the trials of being a Latino gay man in the macho world of rock and roll. His is a story of willing himself to succeed and overcome impossible odds to establish himself as one of the most influential composers and lyricists of all time.

Evangelism. The very word makes palms sweat and images spin: buttonholing in a city park, knocking on neighborhood doors, being conscripted into evangelistic campaigns, to say nothing of that annoying religious neighbor or coworker. We have met the evangelists—and they are not us. If evangelism is the welcome door to faith, why does it grate open on rusting hinges? Mark Teasdale has met these challenges and more. They come in the shape of students in his evangelism class. In Evangelism for Non-Evangelists he sympathizes with the perceptions and discomfort we bring to evangelism. But he also opens up a nonthreatening space for us to weigh what we believe the evangel of evangelism—the good news!—to be. And he helps us navigate our way toward expressing the gospel in a manner true to what we believe, authentic to who we are, and attractive

and even compelling to others. For pastors, seminarians, church leaders, and lay people, here is a refreshing, practical, and companionable look at evangelism. It might even chart a course toward your own authentic evangelism.

Echoes of Eden Turner Publishing Company

The Jewish prayer book, the siddur, nourishes a vibrant interface connecting the praying person, Jewish history and redemptive contemporary living. Long description: What is the mystery of the Jewish people? How has Jewish spirituality triumphed over times of persecution as well as the enticements of assimilation? Out of the depths of Jewish despair, the rabbis of the first century and after developed a restorative prayer tradition that has invigorated the Jewish people for two thousand years, in both flourishing environments like the Golden Age of Spain and times of persecution like the Nazi Holocaust. Relying on biblical quotations hidden in each prayer, they developed a poetic interaction squarely placing each praying person in God's redemptive history. The problem is that most contemporary Jews are unaware of the power residing in their spiritual treasure chest. Praying the Bible is the key to opening the treasure chest. It explores and explains the prayers we read—over and over again—and gives those prayers new meaning. It illuminates the Jewish prayer book as churning with the existential realities of human life and the struggles of the Jewish people. It places the praying person in the living covenant with God, showing how the prayer book can address individual life circumstances with reference to both parallel historical events and daily realities. It provides insights that resonate equally with lay people eager to add depth and meaning to their prayer lives and rabbis looking for engaging sermon material.
