Mary was an ordinary schoolgirl who never
thought about having crazy adventures.

One day, she was captured by an alien
and sent to another planet for an
experiment, but it was a failure. When the
experiment failed, she was sent back to
Earth by a UFO. Then she experienced
another adventure, going back to her past

life as a queen who was a fish. Will she be
able to return to her present life? Age
Range: 8-10 (Third/Fourth/Fifth grade)

Indomitable Spirit Aleph Book Company
"This is an excellent and rare exploration
of a sensitive religious issue from many
perspectives _ legal, cultural and political.
The case studies from Indonesia, Malaysia,
Singapore and Thailand portray the

important and exciting, yet very difficult, negotiation of Islamic teachings in the changing realities of Southeast Asia, home to the majority of Muslims in the world. Interreligious marriage is an important indicator of good relations between communities in religiously diverse countries. This book will also be of great interest to students and scholars of religious pluralism in a Southeast Asian context, which has not been studied adequately." - Zainal Abidin Bagir, Executive Director, Center for Religious and Cross-cultural Studies (CRCS), Gadjah Mada University, Indonesia "The issue of Muslim-non-Muslim marriages has different connotations in the different Southeast Asian states. For example, in Thailand it is more a fluid cultural issue but in Malaysia it reflects great racial schisms with severe legal implications. This book is a welcome one as it examines the issue not only from the perspectives of various Southeast Asian nations but also from so many angles; the legal, historical, social, cultural, anthropological and philosophical. The work is scholarly, yet accessible. Underlying it, there is a vital streak of humanism." - Azmi Sharom,

 "The reigning queen of historical fiction" -- Fiona Davis, New York Times bestselling author of *The Lions of Fifth Avenue* The New York Times and USA Today bestselling author of *The Huntress* and *The Alice Network* returns with another heart-stopping World War II story of three female code breakers at Bletchley Park and the spy they must root out after the war is over. 1940. As England prepares to fight the Nazis, three very different women answer the call to mysterious country estate Bletchley Park, where the best minds in Britain train to break German military codes. Vivacious debutante Osla is the girl who has everything—beauty, wealth, and the dashing Prince Philip of Greece sending her roses—but she burns to prove herself as more than a society girl, and puts her fluent German to use as a translator of decoded enemy secrets. Imperious self-made Mab, product of east-end London poverty, works the legendary codebreaking machines as she conceals old wounds and looks for a socially advantageous husband. Both Osla and

Mab are quick to see the potential in local village spinster Beth, whose shyness conceals a brilliant facility with puzzles, and soon Beth spreads her wings as one of the Park's few female cryptanalysts. But war, loss, and the impossible pressure of secrecy will tear the three apart. 1947. As the royal wedding of Princess Elizabeth and Prince Philip whips post-war Britain into a fever, three friends-turned-enemies are reunited by a mysterious encrypted letter--the key to which lies buried in the long-ago betrayal that destroyed their friendship and left one of them confined to an asylum. A mysterious traitor has emerged from the shadows of their Bletchley Park past, and now Osla, Mab, and Beth must resurrect their old alliance and crack one last code together. But each petal they remove from the rose code brings danger--and their true enemy--closer...

The Huntress HarperCollins Leadership "...compulsively readable historical fiction...[a] powerful novel about unusual women facing sometimes insurmountable odds with grace, grit, love and tenacity." - Kristin Hannah, The Washington Post Named one of best books of the year by

Marie Claire and Bookbub “If you enjoyed “The Tattooist of Auschwitz,” read “The Huntress,” by Kate Quinn.” The Washington Post From the author of the New York Times and USA Today bestselling novel, THE ALICE NETWORK, comes another fascinating historical novel about a battle-haunted English journalist and a Russian female bomber pilot who join forces to track the Huntress, a Nazi war criminal gone to ground in America. In the aftermath of war, the hunter becomes the hunted... Bold and fearless, Nina Markova always dreamed of flying. When the Nazis attack the Soviet Union, she risks everything to join the legendary Night Witches, an all-female night bomber regiment wreaking havoc on the invading Germans. When she is stranded behind enemy lines, Nina becomes the prey of a lethal Nazi murderess known as the Huntress, and only Nina’s bravery and cunning will keep her alive. Transformed by the horrors he witnessed from Omaha Beach to the Nuremberg Trials, British war correspondent Ian Graham has become a Nazi hunter. Yet one target eludes him: a vicious predator known as the Huntress. To find her, the fierce, disciplined

investigator joins forces with the only witness to escape the Huntress alive: the brazen, cocksure Nina. But a shared secret could derail their mission unless Ian and Nina force themselves to confront it. Growing up in post-war Boston, seventeen-year-old Jordan McBride is determined to become a photographer. When her long-widowed father unexpectedly comes home with a new fiancée, Jordan is thrilled. But there is something disconcerting about the soft-spoken German widow. Certain that danger is lurking, Jordan begins to delve into her new stepmother’s past—only to discover that there are mysteries buried deep in her family . . . secrets that may threaten all Jordan holds dear. In this immersive, heart-wrenching story, Kate Quinn illuminates the consequences of war on individual lives, and the price we pay to seek justice and truth.

My Incredible Adventures HarperCollins UK More than half-a-million business leaders have discovered the power of the StoryBrand Framework, created by New York Times best-selling author and marketing expert Donald Miller. And they are making millions. If you use the wrong

words to talk about your product, nobody will buy it. Marketers and business owners struggle to effectively connect with their customers, costing them and their companies millions in lost revenue. In a world filled with constant, on-demand distractions, it has become near-impossible for business owners to effectively cut through the noise to reach their customers, something Donald Miller knows first-hand. In this book, he shares the proven system he has created to help you engage and truly influence customers. The StoryBrand process is a proven solution to the struggle business leaders face when talking about their companies. Without a clear, distinct message, customers will not understand what you can do for them and are unwilling to engage, causing you to lose potential sales, opportunities for customer engagement, and much more. In *Building a StoryBrand*, Donald Miller teaches marketers and business owners to use the seven universal elements of powerful stories to dramatically improve how they connect with customers and grow their businesses. His proven process has helped thousands of companies engage with their

existing customers, giving them the ultimate competitive advantage. Building a StoryBrand does this by teaching you: The seven universal story points all humans respond to; The real reason customers make purchases; How to simplify a brand message so people understand it; and How to create the most effective messaging for websites, brochures, and social media. Whether you are the marketing director of a multibillion-dollar company, the owner of a small business, a politician running for office, or the lead singer of a rock band, Building a StoryBrand will forever transform the way you talk about who you are, what you do, and the unique value you bring to your customers.

THE INTERNATIONAL BESTSELLER AND A REESE WITHERSPOON HELLO SUNSHINE BOOK CLUB PICK "Will keep you up. In a 'can't put it down' way. It's 'The Talented Mr. Ripley' with XX chromosomes." --The Skimm "Deliciously duplicitous. . . . equally as twisty, spellbinding, and addictive as Gillian Flynn's *Gone Girl* or Paula Hawkins's *The Girl on the Train*." --Library Journal (starred review) Amber Patterson

is fed up. She's tired of being a nobody: a plain, invisible woman who blends into the background. She deserves more--a life of money and power like the one blond-haired, blue-eyed goddess Daphne Parrish takes for granted. To everyone in the exclusive town of Bishops Harbor, Connecticut, Daphne--a socialite and philanthropist--and her real-estate mogul husband, Jackson, are a couple straight out of a fairy tale. Amber's envy could eat her alive . . . if she didn't have a plan. Amber uses Daphne's compassion and caring to insinuate herself into the family's life--the first step in a meticulous scheme to undermine her. Before long, Amber is Daphne's closest confidante, traveling to Europe with the Parrishes and their lovely young daughters, and growing closer to Jackson. But a skeleton from her past may undermine everything that Amber has worked towards, and if it is discovered, her well-laid plan may fall to pieces. With shocking turns and dark secrets that will keep you guessing until the very end, *The Last Mrs. Parrish* is a fresh, juicy, and utterly addictive thriller from a diabolically imaginative talent.

The incredible story of the Auschwitz-Birkenau tattooist and the woman he loved. Lale Sokolov is well-dressed, a charmer, a ladies' man. He is also a Jew. On the first transport of men from Slovakia to Auschwitz in 1942, Lale immediately stands out to his fellow prisoners. In the camp, he is looked up to, looked out for, and put to work in the privileged position of *Tatowierer* - the tattooist - to mark his fellow prisoners, forever. One of them is a young woman, Gita, who steals his heart at first glance. His life given new purpose, Lale does his best through the struggle and suffering to use his position for good. This story, full of beauty and hope, is based on years of interviews author Heather Morris conducted with real-life Holocaust survivor and Auschwitz-Birkenau tattooist Ludwig (Lale) Sokolov. It is heart-wrenching, illuminating, and unforgettable. 'Morris climbs into the dark miasma of war and emerges with an extraordinary tale of the power of love' - Leah Kaminsky

Zero-day vulnerabilities--software vulnerabilities for which no patch or fix has

been publicly released-- and their exploits are useful in cyber operations--whether by criminals, militaries, or governments--as well as in defensive and academic settings. This report provides findings from real-world zero-day vulnerability and exploit data that could augment conventional proxy examples and expert opinion, complement current efforts to create a framework for deciding whether to disclose or retain a cache of zero-day vulnerabilities and exploits, inform ongoing policy debates regarding stockpiling and vulnerability disclosure, and add extra context for those examining the implications and resulting liability of attacks and data breaches for U.S. consumers, companies, insurers, and for the civil justice system broadly. The authors provide insights about the zero-day vulnerability research and exploit development industry; give information on what proportion of zero-day vulnerabilities are alive (undisclosed), dead (known), or somewhere in between; and establish some baseline metrics regarding the average lifespan of zero-day vulnerabilities, the likelihood of another party discovering a vulnerability within a

given time period, and the time and costs involved in developing an exploit for a zero-day vulnerability"--Publisher's description.

Peace cannot be attained as long as there are ideologies that promote hate. People don't naturally do evil. They do evil when indoctrinated. Good people do evil things when they perceive injustice. Often their perception is imaginary. Masses of people can be manipulated to believe that they are victimized. They then become filled with hate, seek revenge and commit atrocities while considering them-selves righteous and justifying every cruelty. Islam is one such a doctrine. Why are

there no freedom of speech and no true democracy in any Islamic country? Why do they abuse and treat their women as objects? Why do all Muslim countries have dismal Human Rights record? Why they riot and murder innocent people over the silliest things? What drives so many of them to terrorism? Why they are constantly at war with everyone, and with each other? To understand Muslims, we must understand their prophet. Islam is Muhammadism. His biographers reported Muhammad used to withdraw to a cave and spend days wrapped in his thoughts. He felt spasms, heard bells ringing and saw ghosts. He thought he had become demon possessed, but his wife reassured him he had become a prophet. Convinced of his superior status, Muhammad was intolerant of those who rejected him, assassinated those who criticized him, raided, looted, and massacred entire populations. He reduced thousands to slavery. He raped, and allowed his men to rape their female captives. All of this, he did with a clear conscience and a sense of entitlement. He was magnanimous to those who admired him, but vengeful towards his detractors. He believed he was

the most perfect human creation and that the universe was created because of him. Understanding Muhammad ventures beyond the stories. It unravels the mystique of the most influential, and yet the most enigmatic man in history. Muslims emulate their prophet. Only by understanding him can we know what makes them tick, and predict these most unpredictable people.
