Grow a Pair Simon and Schuster  
In *Hardpressed*, the highly anticipated second book of the Hacker Series that began with *Hardwired*, Blake and Erica face threats that put both their love and their lives on the line. Despite Blake Landon's

controlling ways, the young and wealthy hacker finally won the trust of the woman he loves. Internet entrepreneur Erica Hathaway broke down the walls that kept her from opening her heart and her business to Blake. Ready to start this new chapter in her life, Erica is determined not to let anything come between them, even if that means giving Blake back some

of the control he craves in and out of the bedroom. But when demons from her past threaten their future, Erica makes a decision that could change their lives forever.

**Broken Prince** Tor Books

In 1983, a pale Annie Hawes and her equally pale sister leave England for the sun-drenched olive groves of a small Italian town in Liguria. With fantasies of handsome tanned men and swimming in the sea urging them on, they are hired to work for ten weeks to graft roses -- of which they have little knowledge -- along the Italian Riviera, board and lodging included. But none of the men seem to be under forty, and Ligurians have particular ideas about

life, including swimming ("To go swimming in seawater outside the month of July or August is even worse for your health than drinking cappuccino after twelve noon!"). But Annie and her sister are captivated by San Pietro's quirkiness and beauty, and suddenly their brief stay stretches into years, as they are bemused, charmed, and ultimately accepted by the eccentric inhabitants of their adopted home. Resonating with captivating verve and humor, *Extra Virgin* dishes up a sumptuous sampling of Italian life from an irresistible new voice.

Egomaniac McGraw Hill Professional  
What began as a joke turned into tragedy ...

leaving Gillian Lloyd dead, the victim of a brutal and seemingly unmotivated crime. Her twin Melina, along with astronaut 'Chief' Hart with whom Gillian had been involved disagrees with police that the homicide is an open and shut case. She vows to stop at nothing to learn the truth and avenge her twin's death. But Gillian's murder has a far-reaching impact that no one suspected or could even fathom. Soon, Melina is on the run from the police, the FBI, and the mastermind whose evil plot to engineer the perfect 'switch' could result in disastrous consequences on a global scale.

Sunset Embrace  
Bonnier Zaffre Ltd.  
Hand-selected by  
racing engineer legend

Carroll Smith, the 28 SAE Technical Papers in this book focus on the chassis and suspension design of pure racing cars, an area that has traditionally been - farmed out - to independent designers or firms since the early 1970s. Smith believed that any discussion of vehicle dynamics must begin with a basic understanding of the pneumatic tire, the focus of the first chapter. The racing tire connects the racing car to the track surface by only the footprints of its four tires. Through the tires, the driver receives most of the sensory information needed to maintain or regain control of the race car at high force levels. The second chapter, focusing on suspension design, is

an introduction to this complex and fascinating subject. Topics covered include chassis stiffness and flexibility, suspension tuning on the cornering of a Winston Cup race car, suspension kinematics, and vehicle dynamics of road racing cars. Chapter 3 addresses the design of the racing chassis design and how aerodynamics affect the chassis, and the final chapter on materials brings out the fact that the modern racing car utilizes carbon construction to the maximum extent allowed by regulations. These technical papers, written between 1971 and 2003, offer what Smith believed to be the best and most practical nuggets of racing

chassis and suspension design information.

### **Figure Study Made Easy** Romanian Literature

This is not an ordinary history book. As readers will realise quite early on, Neagu Djuvara has the audacity to tackle some of the most delicate and controversial issues in Romanian history under the guise of light storytelling. With the addition of illustrations, the book becomes better and easier to understand: we are offered the chance to see how ancient artefacts discovered by archaeologists actually look like, or catch a glimpse of the world of barbarians and medieval warriors depicted in wonderful illuminated manuscripts. As we get

nearer to the modern age, the imagery becomes even richer and we get to know Romania's princes and monarchs, their allies and their enemies, the politicians - good and bad - their triumphs, tribulations or even tragedies; and sometimes even the common people going about their daily lives. The photographic discourse focuses on the most important documents, even if their condition is not optimal. You will also find images of pottery, jewellery and weaponry, some of them from unexpected sources, often unknown to the public, accompanied by detailed captions that complement the information provided in the text itself. Together, the story and

illustrations intertwine to form a new, enhanced historical account - and hopefully, one not lacking in originality.

comprehensive resource available for learning and mastering Russian verbs.

Designed for beginning through advanced learners, this indispensable guide will help you conjugate verbs with ease,

enabling you to communicate in Russian confidently. Inside you will find: 555 fully conjugated verbs, listed alphabetically Current idioms and expressions for each verb The Top 50 verbs, with many examples of their usage in context More than 4,200 verbs cross-referenced to conjugation models A handy guide to deciphering irregular verb forms

*Racing Chassis and Suspension Design*

Simon & Schuster UK Diane seems to have the perfect life. She is a wife, mother, and the owner of Happy People Read and Drink Coffee, a cozy literary café in Paris. But when she suddenly loses her husband and daughter in a car accident, the world as she knows it disappears. One year

later, Diane moves to a small town on the Irish coast, determined to heal by rebuilding her life alone—until she meets Edward, a handsome and moody photographer, and falls into a surprising and tumultuous romance. But will it last when Diane leaves Ireland for good? At once heartbreaking and uplifting, Diane's story is deeply felt, reminding us that love remembered is love enduring. "A heartbreaking story of love and loss that will twist readers up in knots...essential."

What does it mean not just to survive, but to truly live? One summer morning, twelve-year-old Edward Adler, his beloved older brother, his parents, and 183 other passengers board a flight in Newark headed for Los Angeles. Among them

are a Wall Street wunderkind, a young woman coming to terms with an unexpected pregnancy, an injured veteran returning from Afghanistan, a business tycoon, and a free-spirited woman running away from her controlling husband. Halfway across the country, the plane crashes. Edward is the sole survivor. Edward’s story captures the attention of the nation, but he struggles to find a place in a world without his family. He continues to feel that a part of himself has been left in the sky, forever tied to the plane and all of his fellow passengers. But then he makes an unexpected discovery—one that will lead him to the answers of some of

life's most profound questions: When you've lost everything, how do you find the strength to put one foot in front of the other? How do you learn to feel safe again? How do you find meaning in your life? Dear Edward is at once a transcendent coming-of-age story, a multidimensional portrait of an unforgettable cast of characters, and a breathtaking illustration of all the ways a broken heart learns to love again. Praise for Dear Edward "Dear Edward is that rare book that breaks your heart and stitches it back together during a reading experience that leaves you profoundly altered for the better."—Jodi Picoult, New York Times bestselling

author of Mad Honey "Will lead you toward something wonderful, something profound."—Kevin Wilson, New York Times bestselling author of Now Is Not the Time to Panic **Words for Women Written by a Man** Piatkus Books THE INSTANT #1 NEW YORK TIMES BEST-SELLER "Epic from start to finish." —Marie Lu, #1 New York Times best-selling author of Warcross "A brilliant and breathless twist on classic mythology!" —Marissa Meyer, #1 New York Times best-selling author of The Lunar Chronicles Every seven years, the Agon begins. As punishment for a past rebellion, nine Greek gods are forced to walk the earth as mortals. They are hunted by the

descendants of ancient bloodlines, all eager to kill a god and seize their divine power and immortality. Long ago, Lore Perseous fled that brutal world, turning her back on the hunt's promises of eternal glory after her family was murdered by a rival line. For years she's pushed away any thought of revenge against the man—now a god—responsible for their deaths. Yet as the next hunt dawns over New York City, two participants seek her out: Castor, a childhood friend Lore believed to be dead, and Athena, one of the last of the original gods, now gravely wounded. The goddess offers an alliance against their mutual enemy and a way to leave the Agon behind forever. But Lore's

decision to rejoin the hunt, binding her fate to Athena's, will come at a deadly cost—and it may not be enough to stop the rise of a new god with the power to bring humanity to its knees. From the #1 New York Times best-selling author of *The Darkest Minds* comes a sweepingly ambitious, high-octane tale of power, destiny, love, and redemption.

*Happy People Read and Drink Coffee* Dell Serenity Makepeace knows a lot about whole-grain bread, but she doesn't know beans about business. She's expanding her natural foods emporium to sell local handicrafts by mail -- which she hopes will benefit her offbeat artist community in Witt's End, Washington. But she

needs a crack financial adviser to make her dream a reality -- so she charms her way into the office of Caleb Ventress, a handsome wolf in conservative clothing. An expert in the art of the deal, Caleb isn't sure what to make of the unconventional Serenity -- but there's no doubt he's attracted. A pass from a paragon of conformity -- even one as handsome as Caleb -- is more than free-spirited Serenity bargained for. But when a lethal blackmailer threatens her plans and perhaps her life, she puts her whole trust in the man who seems her complete opposite -- and the net result might be true love. *Mischling* Temple Lodge Publishing

**Diary of a Short-sighted Adolescent**

Simon and Schuster  
A moving and mysterious tale of love and forgiveness, spanning four decades and sweeping from the Italian countryside to the English coast. From international bestselling author Santa Montefiore, whose books have sold

more than six million copies worldwide. Ten-year-old Floriana dreams of a better life. Abandoned by her mother and living with her alcoholic father, she finds solace in the beauty of the magnificent Tuscan villa that overlooks the sea just outside her small village. When Dante, the son of the town's most powerful businessman, catches her spying from the crumbling wall, he invites her inside the garden. Even though the two are from opposite worlds, they form a fast friendship that blossoms into romance. But what they don't realize is that there are other forces working to keep them apart. Decades later and hundreds of miles away, a beautiful old country house hotel

on England's Devon coast has fallen on hard times after the financial crash of 2008. Desperate to bring in business, Marina, the hotel's owner, advertises for an artist to stay the summer and teach the guests how to paint. The man she hires is handsome and charismatic and soon begins to transform the fortunes of the hotel. But as the summer wears on, his presence also brings up secrets long buried in the past. Spanning time and continents, *The House by the Sea* is an unforgettable novel about the enduring ties of family and the power of love to mend broken hearts. *Death of the Demon*  
 Grand Central  
 Publishing  
 The straight-talking,  
 New York Times

bestselling author and Pitbull of Personal Development® is back with a pithy and prescriptive guide to success. A five-time bestselling author and one of the country's leading business speakers, Larry has made a reputation for being the first to challenge the positive-attraction gurus and the law-of-attraction bozos with his commonsense approach to success. Larry doesn't sugar-coat, and he isn't afraid to make people uncomfortable, because he wants us to stop making excuses, and start getting results. In the New York Times and Wall Street Journal bestseller *Grow a Pair*, Larry takes on entitlement culture, the self-help

movement, political correctness, and more. We've all heard the phrase "grow a pair," but Larry's advice isn't about anatomy—it's about attitude. To get the success we want, we need to reject victimhood in favor of being assertive and finally taking some responsibility. With prescriptive advice on goal achieving, career, personal finance, and more, *Grow a Pair* will give the readers the kick in the pants they need.

**The Invisible Life of Addie LaRue** Penguin

In this steamy post-Civil War saga, the most stubborn woman headed for Texas meets her match in a mystery man with a dark past . . . and together, they must take down a common enemy. No woman on

the wagon train trek to Texas was more alluring than Lydia Langston. No man was more rugged than Ross Coleman . . . and both were running from the past. Lydia once vowed that no man would ever take away her pride, while Ross Coleman has stayed true to his wife, who died giving birth to their son. But despite their challenges, Lydia and Ross now find themselves together, fighting the same enemy and the same dangerous emotions building inside them . . . and unable to stop the events that will eventually pit a man's deadly vengeance against the strength of a woman's love. Dear Edward Penguin "We live today at a time when the full mystery of the

Resurrection body can become manifest to human beings out of the inspirations of Michael.... This was accomplished by Rudolf Steiner not just in a theoretical sense but also practically, and came about through the establishing of a path, accessible to all human beings, which leads to a union with the forces of the Resurrection body." Sergei Prokofieff approaches the deepest mysteries of the Turning Point of Time (the Christ event) through Rudolf Steiner's spiritual research. At its heart stands the question of the restoration of the "phantom" of the physical body and its transformation into the resurrected body of Christ through the Mystery of Golgotha.

The author draws a broad and differentiated picture of the tasks and possibilities that the Easter event--as well as Ascension and Pentecost--present, both for the individual and humanity. The final chapter considers the mystery of Easter Saturday, through which the two polar aspects of the Mystery of Golgotha--death and resurrection--interconnect, also explaining the relationship between the Earth Spirit and the interior of the Earth. An appendix tackles the phenomenon of stigmatization from a spiritual-scientific perspective.

A young woman can't help but be drawn to racing's bad boy in this steamy Formula 1 romance.

**Hidden Talents**

Simon and Schuster  
In this explosive thriller, a New York City-based book editor travels to a Southern island to meet a mysterious author -- but she's about to uncover the truth about a carefully concealed crime. Maris Matherly-Reed is a renowned New York book editor, the daughter of a publisher and the wife of bestselling author Noah Reed. It's not often that an unsolicited submission tantalizes her, but a new manuscript with blockbuster potential inspires her to search

for the elusive author. On an obscure island off the Georgia coast, amid the ruins of an eerie cotton plantation, she finds Parker Evans, a man determined to conceal his identity as well as his past. Working with him chapter by chapter, Maris is riveted by his tale of two friends who charter a boat with a young woman for a night of revelry . . . an excursion from which only one person returns. As the story unfolds, Maris becomes convinced it is more than just fiction. Disturbed about her growing attraction to Parker and gripped by a chilling suspicion about his novel's characters, she searches for the hidden truth about a crime committed decades ago. Then someone

close to her dies while  
an evil presence looms  
even closer: a man

who will use anyone --  
and anything -- to get  
what he wants . . .
